Every individual who shall pay in advance, and at one time, the sum of fifty dollars, shall be entitled to the same privileges for life.

IV.—All money now in the possession of the Home, or which may hereafter be collected or acquired by it, shall be applied (unless otherwise directed by the donor) to the general objects, uses and requirements of the Home.

V.—The affairs of the Home shall be under the direction, control and management of the Board of Managers, of whom at least forty shall be ladies and twelve gentlemen, and who shall be elected at the annual general meeting of subscribers, qualified as set forth in Article III.

The medical staff attending the Home shall be *ex-officio* members of the Board of Managers.

In case of a vacancy arising, the Board may elect a member to fill the vacancy until the next annual general meeting.

For the more convenient working of the Institution, the Board may from time to time appoint committees of not less than three of their

number, such as an Executive Committee, and committees for visiting and superintending the Home.

The Board may also enact By-laws for regulating the duties of the various officers and employés of the Home.

The By-laws shall not be altered except at a regular meeting, after notice duly given, at least a month previously.

VI.—The Board of Managers shall hold stated meetings at least once a month, and may hold adjourned meetings when necessary. At such monthly meetings the Board shall have power to make additional By-laws regulating its own government, and for the government of the officers and employés, as before provided, and when necessary, after due notice, to alter and amend the same.

Special meetings of the Board may be called by the President and one of the Lady Directresses, or on requisition of five or more members of the Board. When a special meeting is called, the time and place of meeting, and the business for which it is called, shall be stated in the notice calling the meeting, and no other business shall be taken up at such meeting.

VII.—The annual general meeting of the subscribers, qualified as set forth in Article III., shall be held in the month of March.

It shall be the duty of the Board of Managers to make all necessary arrangements for said annual meeting; to lay before the subscribers a report of the proceedings of the previous twelve months, and to exhibit a full and accurate view of the funds, property and effects of the Home.

VIII.—In view of the large contributions given by the citizens of Toronto, and the grant made by the City Council in aid of the Home, applications from the city of Toronto for admission to the Home shall have preference over others.

IX.—The Board will receive incurable persons from any municipality in Ontario outside of Toronto, on condition that a bond be given by said municipality to pay such sum as the Board may determine from time to time for the maintenance of each patient so sent. Provided always that a certificate as to general character and circumstances shall have been received from such persons as the Board may approve; that a certificate be given by the gaol surgeon of the municipality, or by such other medical gentlemen as the Board may approve, that the person seeking admission is incurable; provided also, that such certificate be endorsed by the medical officers of this institution, and that the application be approved by the Board at a regular monthly meeting.

X.—The foregoing Constitution shall not be altered, unless it be at the annual general meeting of subscribers, notice of such alteration having been given at least three months before the annual meeting, and approved by a majority of the Board of Managers.

## DUTIES OF OFFICERS.

I.—At meetings of the Board of Managers the Chairman (elected as such from amongst the gentlemen Managers) shall preside. In his absence the Managers present shall name a Chairman *pro tem*.

The Chairman shall be the judge of order, and his decisions thereon shall be acquiesced in without debate.

He shall direct the secretary, when special meetings are ordered, to insert in the notices the import of the special business upon which the Managers are to convene.

II.—The Secretary shall keep fair and regular minutes of the proceedings of the Board of Managers in a book to be provided for that purpose.

She shall preserve all the records and papers of the Society which do not belong to the Treasurer.

She shall cause a notice of each stated meeting, and of each special meeting of the Board of Managers, to be sent to the address of each Manager, at least one day previous to the day fixed for the meeting.

The Assistant Secretary shall assist the Secretary in her duties when required, and act for her at meetings of the Board in her absence.

III.—The Treasurer shall receive all moneys belonging to the Society, and shall give a receipt to the persons from whom she may receive money.

For the sake of regularity, and in order to establish the amount, all persons who may hand money to the Treasurer are requested to ask for a receipt for the money so paid over.

When the Treasurer does not require the money in paying accounts which have passed the Board, she shall deposit the money, or such part of it as may not be immediately required, in the Savings Bank, to the credit of her official account as Treasurer.

She shall keep a fair and regular account of the receipts and expenditures, and her account book and bank book shall be open to the inspection of the Managers at each stated meeting.

Prior to the general annual meeting she shall prepare a statement showing the receipts and expenditures during the year, duly classified and audited, that a lucid, full explanation, or exposition of the working of the finances of the Home, may be submitted at the general meeting.

The Treasurer's accounts shall be audited by a Committee of the gentlemen Managers named by the Chairman or by the Board.

IV.—The Treasurer shall pay accounts for articles and services supplied to the Home only when duly certified, and in all cases of payment shall require a receipt.

Accounts shall be certified to be correct as to prices by the Managers who make the purchase of the articles, and shall be initialled "correct" accordingly. They shall then be initialled, by the Matron or the Superintendent, to show that the articles were received at the Home.

The accounts shall then be laid before the Managers at the stated monthly meetings, and when payment is ordered, the order shall be entered on the minutes by the Secretary.

The Treasurer can then pay the accounts, and an entry upon the minutes will be a sufficient authority to the Treasurer to pay whatever accounts or disbursements the Board may have ordered.

V.—The Managers may appoint from time to time Committees from amongst themselves to attend to any special duties.

As a rule such Committees shall consist of not less than three, and not less than two shall be considered a quorum to act.

These Committees, for the sake of regularity and for future reference, shall as a rule report to the Board in writing.

VI.—The stated meetings of the Board shall be held on the last Friday of every month, at such hour as the Board may from time to time appoint.

VII.—The Superintendent and Matron shall hold their offices at the pleasure of the Board.

They shall do all in their power to promote the comfort of the inmates of the Home, and shall follow the instructions of the Board of lady Managers for the week, and of the medical staff when orders are given.

They shall keep a book for entering all such things as they may consider necessary for the use of the Home, and submit it to the weekly visitors. When disbursements are ordered, a regular account of the same shall be kept for the information of the Managers and the Treasurer.

VIII.—The Managers, deeming the point of admission of inmates into the Home to be a very important matter, decided that the following formalities shall regularly be observed.

1st. Applicants for admission into the Home are to state how long they have resided in the city, their residence, age, disease, and circumstances, also whether he or she has been attended by any medical man, and whether any clergyman has visited.

2nd. Thereafter two of the Managers shall visit the residence named (two ladies if the applicant be a woman, two gentlemen if the applicant be a man). They shall look at the surroundings of the applicant, ascertain what can be practically known of the persons, circumstances, habits and general character, in short, get all the available information about the case.

They shall see the clergyman and the doctor, if either have been in attendance, hear what each has to say about the applicant, and report to the Board of Managers.

3rd. The applicant for admission of the disease shall be the equivalent of the regular meeting shall be acted upon.

Each application for admission to the regular meeting shall be acted upon.

But applications for admission to the regular meeting may be acted upon at any time.

4th. If, at any time, there is a vacancy, and the point of admission is not yet reached, the case shall be considered as a special case.

5th. All applications for admission shall be considered at any time that they may deem fit, and the sole judge of the matter shall be the Board.

6th. Any Director, or any other person, shall not be re-admitted.

IX.—Any person who is possessed of means shall be considered for admission by the Board for the purpose of the usual charge for the inmate.

X.—Any person who is not a member of the meetings, except their names shall be on the list.

XI.—Any person who has resided in the Home shall be considered as a patient.

I give a certificate for Incurable personal property Charitable de

3rd. That two of the medical staff of the Home shall visit each applicant for admission, and report to the Board of Managers the character of the disease and if incurable; and for any applicant outside of Toronto the equivalent testimonials shall be required.

Each application for admission to the Home shall be presented at the regular meeting of the Board, and if entertained, after due investigation, shall be acted upon at the following regular meeting of the Board.

But applications for consumption and cancer cases made at a weekly meeting may be acted upon at the next following meeting, and *vice versa*; applications at monthly meetings may be called in at following week meeting.

4th. If, after the name of an applicant has in due course been approved by the Board, a considerable time should elapse before the occurrence of a vacancy, and there is reason to apprehend that such a patient is at, or near, the point of death, then the resident medical officer shall be directed to visit the case and to report to the Board as to the advisability under the circumstances of removing the patient to the Home.

5th. All the inmates of the Home must distinctly understand that an admission confers no right of permanent residence in the Home, and at any time the Managers have the power of dismissing an inmate for what they may deem a sufficient cause; of its sufficiency the Managers are to be the sole judges.

6th. Any inmate who shall leave the Home without consent of the Directors, thereby forfeits all claims for residence within it, and will not be re-admitted.

IX.—Any person received into this Home as a free patient, if possessed of money or property shall be required to convey the same to the Board for the use of the Institution, and if inheriting property while an inmate of the Home and desiring to leave, shall be required to pay the usual charge for board during the period of residence in the Home.

# EIGHTEENTH ANNUAL REPORT

OF THE

## Toronto Home for Incurables,

For the Year Ending March 1, 1892.

With the present anniversary we complete our eighteenth year, which, like each of its predecessors, has been doing its special and appointed work in the line of our Christian charities.

We now record with joy and thankfulness that our Home is free from debt. This is mainly due to legacies left from time to time by friends in sympathy with the institution, who recognize the blessings which this Home confers upon those who are incurable and without homes or relatives who can give them the care or comforts their condition requires. Those unacquainted with the provisions of the Home can hardly realize the comfort and relief which are afforded by the quiet, the good nourishment and excellent nursing given here to so many weary sufferers.

It is with sorrow we record the death of Mrs. John McMurrich, a member of the Board since the establishment of the Home, whose heart was in this work, and whom we all loved and respected. We also mourn the loss of Mrs. John Beverley Robinson, one of our honorary members, who by a generous donation at the inception of the Home enabled the Committee to go forward with renewed courage to the work which they had undertaken, and which now occupies a high position in the field of charities in this city, truly called the City of Charities.

The following legacies have been received during the year, viz. :—

At one time during the year the number of inmates was 110, the largest ever yet within our Home. Forty-five have been admitted during the year, many of these being consumptive and cancer patients; thirty have died; nine returned to friends; five left because so much improved in health as to be able to undertake light employment; one dismissed for insubordination. The number of inmates now in the Home is 100.

To the clergymen of Parkdale, who have conducted the religious services on Sundays and other days, the Board offer their sincere thanks; also to Mr. Mortimer Clark, our Solicitor, who has repeatedly been called upon to give us legal advice and assistance.

Our Medical Staff and Mr. Allan Cleghorn, Resident Medical Officer, have efficiently and disinterestedly given their services, and we offer to them our acknowledgments of the benefit these services have conferred upon the institution. We gladly repeat our appreciation of the valuable aid derived by our Home from the zealous care of Mrs. Craigie, and her assistant, Miss Eggleston, and tender to them our thanks for the thorough manner in which every department in the house is conducted and maintained. In the nursing department we cannot too highly commend the faithful and intelligent manner in which Miss McTavish, the head nurse, has discharged the arduous duties devolving upon her. Her staff of assistants also merits our acknowledgments.

Mrs. Cumberland, our former Secretary, was last year through failing health obliged to resign the position which she had for many years so ably filled, and the Board desirous of

showing their appreciation of such faithful services, presented her with an address handsomely illuminated. With pleasure we state that Mrs. Cumberland still continues on the Board of Management actively associated with us.

The Home is under deep obligation to its many friends whose frequent visits and kind words have been a source of pleasure to the inmates, and especially to those friends who by their untiring efforts in providing entertainments have done much to brighten and cheer their lives.

A "Garden Party" was held in the grounds of the institution, and owing to the interest taken by the Ladies' Committee a sufficient sum was realized to secure tea and coffee urns and two well-appointed steam tables for the dining hall and nurses' pantry, the benefit and comfort of which cannot be overestimated.

To the Press of our city the Managers desire to express their cordial thanks for the courtesies extended to them, and the benefit derived from the use of their columns on many occasions.

The Ontario Legislature and the City Corporation still accord us their support, and the citizens of Toronto year after year generously respond to our appeals for assistance. We cannot make special mention of all who have befriended the institution, but to one and all who have contributed in any way to help us carry on this work of providing for the incurably sick, we offer our heartfelt thanks. Although the Home is happily free from debt, it is still dependent upon the yearly generosity of the public for its support, and we ask for a continuance of that personal and practical interest which alone has enabled us, up to the present time, to do our work. Incurable disease claims the sympathy of all,—is the common enemy of all mankind,—and makes no distinction of persons.

Respectfully submitted,

SUSAN MANNING,

*Secretary.*

# 18TH ANNUAL MEDICAL REPORT

From March 1, 1891, to March 1, 1892.

I have much pleasure in presenting this the Eighteenth Annual Medical Report of the Home.

During the year just closed forty-five patients were admitted to the Home for Incurables, and of these eleven died before the end of the year. The total number of deaths has been thirty, six less than last year. Fifteen patients left the institution, so that at present we have a total number of 100 inmates, about the same as we started with at the beginning of the year.

The larger number of deaths was due to cancer and consumption, diseases for which a large part of the Home is especially maintained.

The health of the attendants has been very satisfactory, no cases of typhoid fever, diphtheria, etc, having occurred, probably owing to a thorough inspection and overhauling of the plumbing in the earlier part of the year.

From a variety of causes the position of Resident Medical Officer is an extremely responsible one—one requiring a man of good judgment and marked ability to occupy it. This year we have been fortunate in having Dr. Cleghorn to fill this position. He has performed the duties devolving upon him with credit to himself and benefit to the Home, and nothing but praise is due to him from the Medical Board for his untiring zeal and care in performing the duties of his position.

Mrs. Craigie, the Lady Superintendent, needs no words of mine in commendation of her successful work. All connected with the Home both as inmates and those outside are well
