ARMORY TO RANK WITH BEST OF THEM Contractor Sullivan Speaks to Times of St. John Structure HAS BUILT SEVERAL Handsome Exterior and Well Planned Interior of New Drill Hall—Workmen are Now Engaged in Preparing the Site

That St. John will have an armory ranking with the best in the Dominion when it is completed, was the assertion made this morning by Michael Sullivan, who is the contractor in charge of the work. Mr. Sullivan said he had erected armories in Windsor, Ont., St. Catharines, London, and elsewhere, besides adding considerably to the Toronto armory, and he had no doubt that when the final touch was put to the St. John building it would be equalled by none in Canada, with the possible exception of the one at Halifax.

CREW FIGHT WITH ICE TO REACH SHORE Schooner A. K. McLean Abandoned in Voyage From Nova Scotia to Newfoundland (Special to Times)

Halifax, N. S., April 20.—The schooner A. K. McLean, Capt. Remby, which left Loughborough, C. B., for St. John's, Nfld., with coal on Good Friday, was caught in an ice field on the same night and remained in the ice on Saturday and Sunday. She started leaking and was abandoned on Sunday afternoon. A boat had to be hauled over three miles of ice to open water.

STEAMER LEAVES ON FIRST RIVER TRIP The Majestic Off for Fredericton—Drift Drive Crew Start Out

According to all reports the St. John river from here to Fredericton is now open for navigation. This morning at 8:30 the steamer Majestic, Captain Frank Leach, left for Fredericton, being the first to leave winter quarters this season. It is expected that she will reach Fredericton without much difficulty as up to noon no report was received of her being held up.

RUSH THE VETO BILL THROUGH THE COMMONS London, April 20.—(Canadian Press)—It is reported that the government has decided to accord priority to the veto bill through the commons so that it may go up to the House of Lords by May 15. The Telegraph publishes an article from Count Witte the Russian statesman, who says: "Mr. Lloyd-George has been accused of bringing things to a crisis. It is he, they say, who roused the sleeping dogs. I cannot share this view. The economic form with which he has associated his name is one of those ideas which no man calls into being. They are in the air. An individual gives them utterance, a body of men adopts, and propagates them and in time the masses assume them. Then they become forces which it is dangerous to pen up in England."

ITALY WELCOMES BRITISH PRINCE Arthur of Connaught Represents King George at Jubilee

Rome, April 20.—(Canadian Press)—Prince Arthur of Connaught arrived here today as the representative of King George and the British people at the Italian jubilee. He received an enthusiastic welcome from King Victor Emmanuel and Queen Helena, the guests at the railway station, where a great crowd had gathered. When the prince appeared he was cheered heartily and thousands followed the carriage in which he and the Italian sovereigns and their attendants were driven to the Quirinal.

**Lease of McLeod Building to T. McAvity & Sons Recommended—Again, The Missing Stone**

At a special meeting of the board of public works yesterday afternoon, it was decided to recommend that the McLeod building in Water street, be repaired at an estimated cost of \$4,000, and that it be offered to T. McAvity & Sons, Ltd., at an annual rental of \$700. It was also decided to recommend that a plank roadway be laid between the Patingill wharf and Water street, and that the city should not purchase the Lisquet property in Kennedy street for the stone crusher. Several other matters were also dealt with. Ald. McDonald presided and there were also present: Ald. Jones, Elkin, White, Hayes, Smith, Vanwart, McLeod, Willet and Christie, with Engineer Murdoch, Superintendent Winchester, Recorder Baxter, Collector Alward and the common clerk.

It was recommended that the tender of the Phoenix Locomotive Works for a reduction in the rental of a city warehouse, was refused.

An application from James D. Seely for a reduction in the rental of a city warehouse, was refused.

It was decided to recommend that the North Wharf, between Nelson and Deck streets, be covered with new deals at a cost of \$700.

The St. John Railway Co. was granted permission to erect poles in Marsh and Alexandra streets.

The engineer was instructed to report on the matter of making repairs to Charlotte street extension.

During the meeting Councillor Donovan appeared and asked if the city wanted to use a quantity of stone that had been broken by the chain gang. The chairman informed him that they would let him know in a few days. Councillor Donovan announced his intention of clearing up the mystery of the missing 200 loads of stone and said he would prove that the city got it.

**"Bronchitis"**

This is an acute inflammation of the mucous membrane lining the air tubes in the lungs.

The disease begins with a tightness across the chest, difficulty of breathing, hoarseness, and there is a dry, harsh, croupy cough.

After a few days mucous begins to be raised. This is at first white, but later of a greenish or yellowish color and is occasionally streaked with blood.

Cure the first symptoms of Bronchitis, by the use of Dr. Wood's Norway Pine Syrup and thus prevent it becoming chronic and perhaps leading to Consumption.

Mrs. D. J. McManis, Cleveland, O., writes: "My little boy, two years old, caught a cold, and he had a cough, and he could hardly breathe. I bought about four bottles of Dr. Wood's Norway Pine Syrup. I decided to try a bottle, and with each good result I got another which completely cured him, without having a doctor. I cannot say too much in its praise and would not be without it in the house. I consider it a sure cure for Colds and Bronchitis."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper, three pins across the trade mark; price 25 cents.

Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

**OBITUARY**

Two women, maybe more, occupy novel positions in the business world in New York. These women are employed by a number of wholesale dress goods and millinery houses to entertain women buyers from out of town. They entertain the visitors at dinner, in the theatre, and make the sojourners' stay in New York pleasant. The expense, of course, is charged to the house employing them. The individual charges of these women entertainers usually are about one-fourth the total expense.

**THE TONER CASE.**

In the police court yesterday afternoon the preliminary hearing in the charges of theft against Charles Toner was continued. Evidence was given by Mrs. Laura Logan, Mrs. Eliza Payne, and Leo Maloney. Miss Annie Vincent told of receiving a gold bracelet and chain from Toner, but of giving them back on hearing they were stolen. E. Carlin and Miss Alice Gale also gave evidence. The prisoner was further remanded.

George Hector, the negro, was further remanded on the charge of assaulting with intent to kill Mrs. Ann Davidson, and James O'Brien was remanded on the charge of frequenting houses of ill-repute.

PROMOTION OF REV. DR. BORDEN WILL BE WELL RECEIVED

Rev. Byron C. Borden, M.A., D.D., who was yesterday chosen by the board of regents of Mount Allison University, to succeed Dr. Allison, entered upon the ministry of the Methodist church in Nova Scotia, in 1878.

THE BOARD OF REGENTS had a difficult task to find a successor to the venerable and well-loved learned Dr. Allison, but those who have been associated with the college as well as the general public will, no doubt, agree that they have made an admirable selection in calling Dr. Borden to this responsible position.

### THE BOARD OF TRADE

The part taken by the board of trade in the movement for better city government is another illustration of the great value of its work for the good of the community. The movement was begun by members of the board, and for several months before much was said about it in the press, a committee of the board was studying the commission plan and getting information from cities governed by commission. From a committee of the board and then to the full board, and it was after the latter had endorsed the plan that the public meeting was held and the general Citizens' Committee organized.

The action of the board was not prompted by any feeling personally hostile to the members of the city council. The aim was to secure the adoption of a better system. The board had inaugurated the movement to arouse among the people a new faith, and a stronger confidence in the industrial and commercial position and prospects of the city. In this campaign it had been successful, for a new spirit was aroused. But careful study of the situation strongly impressed upon the minds of members the fact that for a progressive city St. John had a most antiquated and cumbersome system of city government. If there was to be an era of growth and expansion, there must be a business-like system at City Hall. It was a matter that came fairly within the scope of the board's activities, and therefore was very properly taken up and made the subject of study, and subsequently pressed upon the attention of the citizens at large.

At no time in its history has the board of trade busied itself more intelligently or with more practical results of benefit to the city than during the last year. Now that the city has pronounced in favor of the commission plan the board is free to take up other matters of importance. The rooms of the board may well continue to be a place where energetic young business men come together frequently to discuss questions which are related to the progress of St. John.

### RECIPROCITY

The Conservatives are holding meetings in various parts of the country, this province included, to denounce reciprocity. It has been hinted that they are financially aided in this campaign by United States Republicans and English Conservatives, who, for political reasons, would be very glad to see the reciprocity agreement rejected by Canada. Whether there is any foundation for this rumor or not, the Canadian Conservatives cannot convince the people that reciprocity will injure this country. At Sussex last night Mr. Cowan, M. P., is reported to have made the very foolish assertion that "the agreement violated the sentiment of loyalty to British connection and would tend to cause us to drift out of the empire." One can have no sort of patience with assertions of this kind. Mr. Cowan knows perfectly well that his own loyalty to the empire is not based on considerations of trade, and he has no right to assert that other Canadians are less loyal than himself.

Mr. Crockett, M. P., is reported to have said that the agricultural and other industries would be adversely affected by reciprocity. Has he forgotten that he sought not very long ago to get more favorable tariff treatment in the United States for one product of New Brunswick industry? To tell the farmers of this province that a larger market for their products will be injurious to them is to put their credulity to a severe test; and the like is true with regard to lumbermen and fishermen. The loyalty of New Brunswick is not for sale, but it does want reciprocity.

The Liberals of Fredericton and vicinity do well to secure an effective organization in every section of the province.

There is a leak in the water main on Germain street, under the new pavement laid last fall. Hereafter the council should be sure about the water mains before laying the pavement. There have been many warnings, but apparently to no purpose.

Tomorrow is Kindergarten Day in St. John. The same generous spirit that animated the citizens in past years should be in evidence. The time must come when the kindergarten will be a part of the public school system. In the meantime the generous women who are conducting free

kindergartens should be given ample funds to carry on the work.

The Canadian cruiser Niobe will be heartily welcomed on this her first visit to the port of St. John.

Dr. B. C. Borden is to be congratulated on being selected as the next president of Mount Allison. It is the reward of faithful and highly valued service.

Ex-Speaker Cannon tells congress that reciprocity is one-sided and Canada would get the best of the bargain. He does not agree with the expressed views of some Canadian Conservatives.

Coun. Donovan says the city did get 200 loads of stone. Perhaps the new city council will be able to find it. At least there should be no more of such mysterious disappearances.

Ship-building in Japan has made great progress in recent years. The Japanese government has just placed with two private companies an order for each to construct an armored cruiser of 28,000 tons. It is stated that these two companies have never before constructed a naval vessel of more than 6,000 tons displacement.

Mr. Frederick Campbell, who will address the Canadian Club next Monday evening on The Awakening of Asia, is one of the most attractive speakers St. John has heard. He is a man of learning, of wide observation, a traveller and writer, and a close student of affairs. Moreover, he has been engaged in journalism in India, and therefore knows his subject.

The bridge question is in a somewhat peculiar position. The citizens of St. John have voted in favor of contributing \$300,000 toward the cost of a bridge across the harbor, on the assumption that equal sums would be granted by the federal and provincial governments. But the provincial government has just secured legislation to construct a new bridge at the falls at a cost of about \$300,000, to replace the suspension bridge. How are these matters to be adjusted?

That portion of the press which opposed commission expresses the hope that leading business men will show a continued personal interest in civic affairs. This is certainly desirable. It may be observed that the press can encourage such men to pursue this course by declining to print anonymous letters, charging them with selfish motives and a lack of public spirit. The man who devotes time and effort to reward, without thought of reward, may fairly ask to be credited with right motives, even if his views on any question should not be generally accepted.

Touching the matter of the suspension bridge the Standard makes a bitter attack on Mr. Lowell, but it cannot get away from the fact that the present government has an engineer's report which confirms the truth of Mr. Lowell's statements, and that as a result it has secured authority to spend nearly \$300,000 if necessary to provide a new bridge. In the face of this report and of the government's action, how can the Standard truthfully assert that the bridge "for the traffic which it was built to carry is as safe as ever it was?" The truth is that the bridge is weakened to the danger point, and Mr. Lowell has forced the government to hasten its action in the matter. He has therefore done his constituents good service.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known. Catarrh, whether it be of the bladder, prostate, or of the rectum, requires a constitutional cure. Hall's Catarrh Cure acts directly upon the inflamed surfaces of the system, and by its action restores the patient to health by building up the constitution and strengthening the system. It is a powerful purgative, and its action is so gentle that it can be taken by the most delicate. It is sold by all druggists.

An eccentric resident of Springfield was being followed through the shopping district by his pet pig, when a dog suddenly noticed the pig and began to bark at it. The pig's owner tried to "shoot" off the dog and it snapped at him. Then the pig sailed in and gave the dog a good licking, to the amusement of a large crowd.

## THE CURSE OF THE NATION IS CONSTIPATION

### "Fruit-a-tives" Alone Cures This Disease

A famous scientist states that Constipation, or non-action of the bowels, causes more deaths than all other diseases combined. Constipation induces the Kidneys, ruins digestion, and foundation of Rheumatism, Migraine, Headache, Neuralgia, Nervousness and Insomnia.

Constipation is caused by weak or ailing liver. But, the only purgative of the body is secreted by the liver, which filters out the poisons into the intestines, sufficient to move the bowels. Unless the liver is active, there cannot be enough bile to move the bowels regularly, and Constipation is the result.

"Fruit-a-tives," the famous fruit medicine, will purify the liver—relieves the cause it acts on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowels muscles. 50c. a box, 6 for \$2.50, or trial size, 10c. At all dealers, or from Fruit-a-tives Limited, Ottawa.

**J. D. H. ANDERSON OF MUSQUASH WEDS MISS ADAMS OF COVERDALE**

What has been described as the prettiest social event of recent years, took place at Coverdale, Albert County, on April 17 the marriage of Miss Emily Jane Adams to J. D. Hazen Anderson, of Musquash. The marriage took place in the Methodist church, Coverdale, at noon. A large number of the residents of the district were present at the ceremony. The service was conducted by the Rev. John J. Pinkerton, of the Wesleyan Memorial Church, Moncton. Miss Orpah Wood, of Coverdale, presided at the organ.

The bride made a very charming picture, being handsomely attired in a dress of white tulle, trimmed with white satin and lace, a wreath of orange blossoms and veil adorning her head, and carrying a lovely bouquet of lilies of the valley and roses.

As the bride proceeded up the aisle of the church with her father, and attended by her maids, the organist played a wedding march. The service opened by the choir singing "The Voice that Breathed O'er Eden," and after the ceremony the husband and wife left the church by the joyful strains of the organ.

A reception was held at the bride's home, Coverdale, a large assembly of friends being present. Luncheon was served to more than forty guests. The wedding cake was cut by the bride, portioned by S. Holland of England. The groom of honor, Miss Ina V. Mitton. The toast to the bride and groom was ably proposed by Dr. L. C. Harris, of Moncton, supported by S. Holland of England. The groom suitably responded.

Mr. and Mrs. Anderson left for Boston, where the honeymoon will be spent. After their departure a very enjoyable evening was spent by the guests. Valuable and useful presents were displayed, testifying to the respect in which the family is held in the district. On the return of the bride and groom they will reside at "Sunnyside," Musquash.

The bridesmaids were Ina V. Mitton, Ada L. Adams, and Doris R. Adams; the groomsmen were Harry L. Adams, others present were the bride's father and mother, Mr. and Mrs. William Adams, her sister, Mrs. B. E. Jackson, her brothers, W. J. H. V. F. E. J. O. A. E. V. A., and S. N. Adams; her uncle, S. SPORT NEWS OF A DAY; HOME AND ABROAD

**Athletic**  
Wins Marathon in Record Time.  
Boston, April 19—A young, but experienced runner from Dorchester, Clarence DeMar, of the North Dorchester Athletic Association, won the 15th annual Marathon run of the Boston Athletic Association today. Covering the 26 miles over the rolling road from Ashland to the city in the record breaking time 2 hours, 21 minutes and 35 seconds.

The former time, made four years ago by Tom Longboat, the Canadian Indian, was 2 hours, 24 minutes and 24 seconds.

Fred J. Madden, of South Boston, a neighbor of DeMar, was a poor second by reason of an accident two miles from the finish. Then came Ed Fabre, of Montreal, while Hebert J. Fowler, of Cambridge, was fourth.

The next half dozen men to finish came in the following order: R. F. Pigott, Bedford (Mass.); Dan C. Sheridan, Toronto; Albert Harrup, Fall River (Mass.); F. H. Galvin, New York; M. J. Ryan, New York, and J. M. Loden, Cambridge.

**Baseball**  
The Big Leagues.  
The following are the big league results of yesterday:  
National—Philadelphia 5, Boston 3; Philadelphia 7, Boston 6; New York 4, Brooklyn 2.  
American—Chicago 6, St. Louis 3; American, Cleveland-Detroit, New York-Washington, and Boston-Philadelphia, and National-St. Louis-Cincinnati were postponed on account of rain.

**The Rifle**  
The return rifle match between the team from the C. P. R. liner Empress of Britain and the St. John Rifle Club, took place yesterday afternoon and was won by the Empress team. The previous match was won by St. John 400 to 433, but the seamen were winners yesterday by fifty-three points.

**Bowling**  
On Black's Alleys.  
In the City Bowling League the Tigers defeated the Ramblers on Black's Alleys last night, 1281 to 1265. In the Commercial League Emerson & Fisher's team won four points from O. H. Warwick Co's, the score being 1293 to 1140.

MY DAUGHTER WAS CURED

By Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"I send you here with the picture of my fifteen year old daughter Alice, who was restored to health by Lydia E. Pinkham's Vegetable Compound. She was pale, with dark circles under her eyes, weak and irritable. Two different doctors treated her and called it Green Sickness, but she grew worse. All the time she was taking the Compound she was getting better and after taking three bottles she regained her health. I wish to thank you for your medicine. I can recommend it to all temperamental girls." Mrs. J. H. Conroy, 1103 E. Street, Baltimore, Md.

Thousands of such letters from mothers are received daily for what Lydia E. Pinkham's Vegetable Compound has accomplished for them. Have you received one of these? Write to Mrs. Pinkham, Lynn, Mass., for advice.

Girls who are troubled with painful or irregular periods, headache, nervousness, fainting spells or indigestion, should take immediate action and be restored to health by Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by its use.

**NICKEL**  
The Nickel will have new musical numbers for its patrons today. Hoffman and Buchanan, the popular singing pair, will render two duets new to this city. They are "I Love You," by Sobieski, and "Come Along My Mandy," a pretty, dainty number. Jack Morrissey will sing "Sweetheart Town," a catchy illustrated song. The pictures as shown yesterday will be interesting as well. They are the Edison detective story, "The Writing on the Blotter," the fine scenic Kalem romance, "The Mission Carrier," and the Biograph comedy, "Teaching Dad to

**ROBIN HOOD FLOUR IS DIFFERENT**

Every housewife who uses flour must be interested in ROBIN HOOD "the flour that is different."

You hear it makes a bigger loaf, that the loaf is sweeter-flavored, more nutritious, more easily assimilated than bread made with other flours.

We can tell you why ROBIN HOOD Flour makes that kind of a loaf, but what ought to interest you more than "why it does" is "what it does."

You can prove what we say as true, or risk loss to yourself.

It is largely a matter of making up your mind to use "Robin Hood."

AMUSEMENTS FOR OURSELVES AND OTHERS

**THE OPERA HOUSE**

**Afraid of Ghosts**

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terror it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a slow neck, a hollow eye, when the opportunity is afforded the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clothing impurities, enriches the blood, puts the stomach and organs of digestion in their normal working condition, so that the germ has no weak or broken spot in which to breed.

"Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. Its four ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitutes—there is nothing "just as good." Ask your neighbors.

**IN PARLIAMENT**  
Ottawa, April 19—The reciprocity debate was continued in the House of Commons today by Mr. McNeill—Liberal, and Mr. Lancaster, Conservative. During the debate recesses the government has received seventy-seven communications from public bodies endorsing most emphatically the reciprocity proposals.

A tribute to the worth of the late Senator Forger was paid in the senate by Sir Richard Cartwright, Senator Dandurand and Sir Mackenzie Bowell. The debate on the bill respecting hours of labor upon public buildings was continued by Senator Ellis.

Nearly 100 American Indians, representing Zuni, Osage, Onondaga, Marquis, Navajo and Apache, will soon leave for Paris to show their art in the market of painting, beadwork, pottery and carving at the zoological gardens, near the Bois de Boulogne. PLACES \$100,000 ON COLLECTION PLATE

New York, April 19—The largest amount of money ever placed on the collection plate of a Brooklyn church was received on Sunday in St. Paul's Episcopal church when a certified check for \$100,000 was contributed. The check lay on the plate together with silver, gold and greenbacks to the amount of \$1,000.

The announcement of the gift of the \$100,000 certified check was made by Rev. Andrew Chalmers Wilson. He said it was for an endowment and that the donor asked that his name be withheld for the present.

Thomas P. Curley of Rockland is out with a challenge to New England's big eaters to meet him in an egg, oyster or lobster-eating contest. At one sitting, and simply to satisfy his appetite, Mr. Curley has eaten 60 soft-boiled eggs. On another occasion he made a meal of 15 lobsters, averaging in weight a pound each. His record number of oysters consumed at one sitting is 100 and he gave up then only because the restaurant could supply no more.

TWO BREAK AWAY FROM CHAIN GANG

Harry Alexander and Harold Reid Make Dash When at Golden Ball Corner on Way to Rock Work

Two members of the chain gang, Harry Alexander and Harold Reid, made a successful escape this morning from the body, and up to 1 o'clock their whereabouts had not been ascertained, although the police were instructed to keep a sharp watch for them. The men, in custody of Guards Bowers and Beckert were proceeding along with the rest of the squad to the lot in Rockland Road where they work. About 8:30 this morning, when near Golden Ball Corner, Alexander and Reid, watching their opportunity managed to get clear of the gang and successfully got away. Bowers followed at once, but the men went in different directions. He kept after Alexander who ran up an alley in Brussels street which divided after running in for a short distance. In this way Alexander was lost to view, and he avoided the policeman. Alexander was serving a term of ten months for assault on Policeman James McLaren, while Reid had against him a sentence of six months for the same offence.

Park Directors Accepts Offer of Funds, Left After Erecting Statute in King Square

At a meeting of the directors of the St. John Horticultural Association held yesterday it was unanimously resolved that the proposal made by the committee for the erection of a monument in memory of the late Sir Leonard Tilley be accepted, namely that the committee pay over to the association the amount unexpended, understood to be in the neighborhood of \$800, the association to give an avenue in Rockwood park the name and designation "Tilley Avenue."

The avenue which the association proposes to so name is the main entrance to the park from Gilbert's Lane, extending from the entrance at Gilbert's Lane to the rising ground. It is proposed to widen and otherwise improve this avenue and to plant trees there.

The association express thanks and acknowledgments to the committee for the opportunity this afforded of perpetuating the excellent governor's name, at the same time furnishing the association with means which will be used to good advantage.

TO BE MARRIED IN JUNE. A large number of friends of Miss Margaret Clark, called on her at her home in Main street last night and gave her a china shower in honor of her marriage which will take place in June. The evening was spent with games and amusements and the gathering broke up a little after midnight. Refreshments were served during the evening and all present wished Miss Clark much happiness in her new departure in life.

THE NIOBE HERE THIS AFTERNOON. Mayor, Who is Away, Leaves Letter for Commander—Some Talk of Entertainment

The Canadian cruiser Niobe, the flagship of the navy, was reported this morning as having passed Howe Island at 10 o'clock. It is expected that she will arrive in the harbor about 3 or 3:30 o'clock. G. H. Flood, agent of the marine and fisheries department, will call upon Commander MacDonald immediately on the arrival of the ship. The cruiser will probably anchor in the outer harbor and will remain in port until Monday.

Admiral Kingsmill and Deputy Minister of Marine Desbarats will arrive here tomorrow and return to Halifax on the evening of the 22nd. As soon as navigation will permit the ship is to sail for Quebec and probably Montreal.

His worship the mayor is absent in Moncton today, but he has written to the commander of the warship explaining his absence, and stating that he will call and pay his respects on his return tomorrow. There is some talk to the effect that there may be a dinner and dance on board, but nothing definite will be known until after the ship arrives.

SEEK HEIRS TO MONEY IN SAVINGS BANK

Relatives of Ellen Foley Who Died in Mater Misericordiae Home Are Sought—Estate of \$4,000

Missing heirs of Miss Ellen Foley who died a few days ago in the Mater Misericordiae are sought. She left \$4,000 in the savings bank and proceedings in the probate court today showed that the heirs to the two-thirds of the money may possibly be found. The court therefore asked that publicity be given to the facts so that the persons entitled to the money may possibly be found. The money was for some years in the employment of the late Henry Jack and later in that of the late Count DeBury. The petition of Mrs. Catherine Haley, a sister of the deceased, sets forth that Miss Foley died in the Mater Misericordiae Home in St. John in October, 1908, and that she never had any brothers, that she had three sisters, one of them the petitioner, another, Mary Foley, who left St. John upwards of thirty-six years ago, being unmarried, and went to the United States, and whose time she has not been heard from here. The third sister was Annie, who married John Murphy, laborer. They lived in Sewell street here until her death about 1875, she being then about 38 years of age. Her husband survived and died about 22 years ago in the public hospital here. They had a daughter, Mary Ellen, who married a man named McClinton or McChinty, a printer, who resided in the City road here until some ten years ago when his wife died. Since then he has not been heard from but it is believed he married again. Mary Ellen had two or three children whose names are unknown. Another daughter of Annie Murphy, namely, Henrietta, was brought up in the Catholic orphanage in Cliff street here from which place she was adopted by some person on the line of the Intercolonial Railway. She returned to St. John went into service for some time then married a man from the United States, name unknown and has not been heard from for ten years. Another daughter of Annie Murphy, was also brought up in the Catholic orphanage and was adopted by someone on the line of the Intercolonial Railway; she has not been heard from for more than twenty years.

The petition of the sister, Daniel Mullin K. C., was appointed administrator. Persons knowing of the whereabouts of these named persons are requested to communicate with him or with Dr. R. F. Quigley, K. C., the proctor of the estate.

ARE YOU GOING TO TAKE ADVANTAGE OF THE \$100 GAS THIS SUMMER? IF SO, IT WILL PAY YOU TO CALL AND SEE OUR Glenwood Ranges With Gas Attachment BEFORE PURCHASING ELSEWHERE

Our Glenwood Gas Attachment consists of an oven, broiler and three burner top, made to fit neatly to the end of any of our 8-20 and 9-20 Glenwood Ranges, thus greatly economizing space in the kitchen, as the Gas Attachment merely takes up the space of the end shelf. Both the Coal and Gas Range can be used separately or together, as may be desired. The Gas Combination, like our Glenwood Ranges, has been tried and proven a success before they were put on the market. If you have not seen the Glenwood Ranges, call in and we will be pleased to show them to you whether you intend to purchase or not. All made in St. John, N.B. APRIL 20, 1911. GETTING JUST WHAT IS WANTED IN SPRING CLOTHING IS AN EASY MATTER FOR ANY MAN WHO COMES TO OAK HALL FOR IT. With our enormous business—the largest of any in Eastern Canada—we must necessarily show the largest variety. We consequently have more styles, more patterns, more color effects, than you'll find in the combined stocks of many of the stores in the City. When a man comes here, therefore, he has such a wide scope of choice that his every whim and desire in the matter of Clothes can be fully satisfied. Besides getting exactly what he wants the man who buys his Clothing at Oak Hall will get it for fully a fourth to a third less than other stores charge for Clothing which in fabrics and workmanship is not even as good as ours. This is because as manufacturers the middleman's profit is eliminated from our prices. Our customers pay us no more than other stores pay at wholesale. Our Clothing this season challenges comparison, it cannot be surpassed at any point. Men's Suits \$5.00 to \$30.00 Men's Overcoats \$7.50 to \$30.00 KING STREET COR.
