Another Probable Stipulation That Two Government Members Be On Directorate

By D. LEO DOLAN Staff correspondent of The Times-Star

FREDERICTON, April 28.—Premier Veniot introduces the Government bill which is to provide for the guaranteeing of bonds for the proposed pork-packing plant and abattoir in Saint John.

According to well informed members this legislation will be in the nature of an enabling bill, not to execute \$100,000.

Further it is said the government will demand that certain regulations must be complied with before the guarantee will be made effective.

Another probable stipulation under which the government guarantee will be given is that two members of the British Canadian Packing Company, Ltd., the organization that is to carry out the plant.

Chancellor Advises Provision Being Made With U. S. for \$300,000,000 or More

Canadian Press Cable

LONDON, April 28.—Winston Churchill, the Chancellor of the Exchequer, announced in his budget speech in the House of Commons today that the act prohibiting the export of gold bullion would be allowed to lapse December 31, next.

This special license, Mr. Churchill said, would operate from today, pending the formal lapsing of the act prohibiting the export of gold bullion passed in 1920.

Mr. Churchill characterized the yield from internal revenue as "satisfactory."

Excess profits and corporation profit taxes showed a deficit of 29,000,000 sterling, but these were more than counterbalanced by the yield from income tax, super and death taxes.

The consular power of the British people has been maintained, declared Mr. Churchill.

He said he realized that the surplus of the budget's revenue from spirits, tobacco had fallen 22,000,000 sterling below the last budget estimate, but on the other hand, beer had advanced by a million sterling.

Mr. Churchill said he was making arrangements to obtain credits in the United States for not less than \$300,000,000 with possible expansion.

With regard to the re-establishment of the gold standard, Mr. Churchill said:

ARMS MAKERS ASK WHERE THEY STAND

GENEVA, April 28.—A Spanish pistol maker and a German sword manufacturer have written to the League of Nations, asking whether they are to be driven out of business as the result of the International conference for the control of trade in arms, which will open at Geneva, May 4, with American delegates attending.

There have been other inquiries along the same line, generally from the arms manufacturers and traders who want to know where they stand.

The League people explain that the small arms traders have generally nothing to fear, yet admit that certain types of revolvers and certain types of swords fall in the category of arms to be subject to control if the disarmament convention is prepared, goes through.

J. F. WINSLOW IS NEW CHANCELLOR OF N. B. ANGLICAN DIOCESE

Fredericton Man Chosen at Opening Session of Synod Here—Collection for Protestant Orphans Suggested—Church Statistics are Given.

J. J. Fraser Winslow, K. C., Fredericton, was elected Chancellor of the Diocese of Fredericton in succession to the late Dr. H. G. Teed, K. C. at the opening session of the Church of England Synod here this morning in Trinity hall.

Bishop Richardson brought the matter before the members at the same time paying a deep tribute to the work of the late Dr. Teed, whose death he recalled last July. Since then, Bishop Richardson said, Dr. T. Carleton Allen, Fredericton, had been acting chancellor but recently Dr. Allen informed him he would be unable to act for another term and after giving the matter serious thought, His Lordship said he would place Mr. Winslow's name before the synod. Mr. Winslow then was elected unanimously to the chancellorship.

A eloquent plea for missionary work was made by Bishop Richardson in his annual charge.

Following the election of the Chancellor, roll call of the various dioceses was made. His Lordship then appointed the following nominating committee, with one clergy and one lay representative from each diocese: Gladham, Ven. Arch. Forsyth, W. H. Teed; Fredericton, Rev. A. P. Bate and L. C. H. Montgomery; Campbellton, Kingston, Rev. Canon M. A. Shewen and J. William Smith; Shediac, Rev. W. Tomalin and C. J. Robertson; St. Andrew's, Rev. E. P. Wright and A. Davidson; Grimmer; Saint John, Rev. A. L. Fleming and W. H. Harrison; K. C. Woodstock, Rev. L. A. Foyster, A. H. Baird, Rev. W. P. Dunham, Hampton.

Notices of motion by two Saint John laymen then were made. H. Usler Miller gave notice he would move a resolution asking the synod to authorize collection to be taken in the churches of the diocese on the first Sunday in November in aid of the New Brunswick Protestant Orphanage Home. Mr. Short's notice occasioned much laughter, it being to the effect that the various clergymen be requested to read the services in a clear, distinct voice in order to be understood by the congregation.

REPORTS PRESENTED

Presenting and consideration of reports then occupied the time of the members until adjournment at 1 o'clock. Rev. Canon Smithers presented the reports of the standing and executive committees while Ven. Arch. Neumann, secretary of the synod, presented the report of the Board of Missions. Some discussion arose regarding statistics of attendance at the missions board meeting, it being announced that eleven members of the board had not attended a meeting during the year.

This matter was referred to the nominating committee to take into consideration when making their report to the synod.

A feature of the missions report was that it was announced arrangements for work in East Saint John district had proceeded successfully during the last year. A. L. Gardner, divinity student, reported that two lots of land had been purchased in East Saint John as a site for a proposed church. Bishop Richardson remarked that within a very few years time, both East Saint John and Coldbrook would be self-supporting.

A summary of statistics for the last year shows the following information: Number of families reported, 7,461.

CARGO OWNERS SUE FOR LOSS OF MERCHANDISE

Captain Declares Crew Signed On Without Papers

SEAMEN STRUCK

Vessel Filled on Bar and Sank Short Time After Sailing

VANCOUVER, April 28.—"If you insist upon sending the ship to sea in this condition, for God's sake take me out of here."

This was the plea which Captain William Bradley, former master of the ill-fated steamer Canadiana Exporter, told Mr. Justice Murphy in the Supreme Court yesterday, that he made to the shore officers of the Canadian Government Merchant Marine just before the vessel left port on her fatal voyage in July, 1922.

The answer he alleges he received, according to his testimony, was: "If this ship is in Vancouver tomorrow morning the newspapers will say that the strikers have beaten the C. G. M. M."

With the first officer, Newton Campbell, on the bridge, the Canadian Exporter piled up on Willapa bars, off the coast of Oregon, just after midnight of the Columbia River, early in the morning of July 31, and after several days on the reef, finally broke up and sank.

Consignees of the cargo are suing for claims of \$45,000, while other consignees having claims in excess of \$10,000 are awaiting the outcome of the action.

Captain Bradley, in his evidence, said the crew of the Exporter walked out the day before she was scheduled to sail, because of a cut in wages. A new crew was sent aboard in the afternoon, but none of them had papers, which he said, indicated they were not seamen, so he refused to sign them on and sent them ashore.

That night, he alleged, the shore officers of the company came aboard and signed them on themselves. The vessel subsequently sailed, meeting with disaster soon after.

The plaintiffs are seeking to hold the C. G. M. M. liable for the loss of the cargo, and allege that the ship was unseaworthy, due to the alleged incompetence of the quartermasters and that the compass deviated to an abnormal extent, and other causes.

CAME LONG DISTANCE

Captain Bradley is only one of several witnesses who traveled half way round the world to testify at the present trial, having come from England. The mate, whom he criticized, is also here, having been brought from a berth with a ship lying on the Black Sea. Several members of the crew, also have been brought from Australia.

Oliver D. Thomson Ends
Long Service in Fire
Department

HAS BEEN MEMBER
FORTY-SEVEN YEARS

No Announcement as to New
Chief from Commissioner
Harding.

Oliver D. Thomson, acting chief of the fire department will on Thursday bring a service of 47 years in the fire department to an end and on that date will retire from his position as acting chief and also as a member of the department. In his retirement the last link between the present fire fighting force and that of the days of the late A. Chipman Smith will be broken, as Mr. Thomson is the last member of the department who served under Mr. Smith.

JOINED 47 YEARS AGO.

He joined the department in 1878 as hoseman in No. 1 Company. He gradually rose to be promoted to the company and later transferred to No. 8 company as foreman. On the selection of Chief Black to succeed the late John Kerr, he was named district engineer and since the death of Charles H. Jackson has been acting chief of the department. Commissioner Harding when asked about the position of chief of the department said there was nothing for publication at present but he expected that everything would be all right.

Nova Scotia Youths Held by
Judge Barry For Further
Investigation.

William Clemons and Harry Baker, claiming to hail from Nova Scotia, were found guilty this morning in the County Court of attempted robbery with threats, and were remanded by Judge J. A. Barry until an investigation of their previous record can be made. They were tried under the Speedy Trials Act, the charge arising out of an incident of last week in Waterloo street. C. H. Ferguson appeared for the Crown, and evidence was given by Messrs. Holder and Wall, who claimed to have been held up. E. Harding, constable Garnett and Detective Biddiscombe. The defendants were not represented in court, but each made a statement to the judge at the close of the case for the Crown. Judge Barry, in finding them guilty, pointed out the seriousness of such an offence and they were charged with, and remanded them until such time as he could hear from the police as to their past record.

WILL PLAY AT HOME

"Scotty" Sterling is to be on Joe Dever's Baseball Team.

Baseball fans in this city will be interested to learn that Scotty Sterling, popular outfielder will remain at home this year and will be seen in the outer garden with Joe Dever's team. Scotty was asked to join the Syracuse team of the International League for a try-out, but had been holding off waiting for definite word from Manager Shaghehney. Yesterday he secured employment for the summer and has decided to pass up the offer from the Class A organization and stay at home. As a result he will be seen in left garden for the local professional organization.

WIRING CASE

Harry Moffatt was before the police magistrate this morning on the charge of installing electric wiring in a house in West Saint John without a permit from the city electrician. He admitted installing wiring and said he was not a licensed electrician. Magistrate Henderson pointed out the danger of unauthorized persons doing work of this nature. He said the household was liable under the regulations, as well as the person performing the work. J. V. Cunningham, city electrician, gave evidence, and further consideration was put over till tomorrow morning.

JOE HAS SOLD 19 MILLION "HUXTRAS"

CHICAGO, April 27—The huskiest pair of lungs in all Chicago belong to Joe Huxtra. Joe is Chicago's oldest and richest newsboy. For 31 years he has stood on the same corner yelling "Huxtras," with just enough Italian accent to lend it romance. Each day he sells from 2,000 to 4,000 papers. Also many magazines are retailed from his stand. He figures that in his 31 years he has handed 19,344,000 papers to his customers. His profits clear are from \$90 to \$100 a week, which has enabled him to buy a house, raise five children and educate them as well. Likewise he owns "911 estate." "Papee, all about it. Get your huxtra. Hello kids. Howdy do Mr. So and So." Thus goes the day for Joe, who, though 82 years of age, figures his lungs are good for another 25 years.

M. Lodge Suggests Another
Port Committee Ottawa Visit

Matthew Lodge, Moncton, New Brunswick representative on the directorate of the C. N. R., who was in the city today, expressed the opinion that it would be wise on the part of the Saint John port committee to pay another visit to Ottawa in the near future. They should, he thought, impress on the members of the Government the importance of making a start on the developments needed at this port and that such representations would help in getting the necessary amounts included in the supplementary estimates. Mayor Potts was asked about this and said he would like a little time to consider before making any statement. He would probably call the port committee together next week to discuss the advisability of action along this line.

or Wednesday

By G. LEO DOLAN.
Staff Correspondent of The Times-Star.
FREDERICTON, April 28—An opposition caucus, apparently to put the final touches on the Conservative party's action with respect to the Grand Falls legislation, took place this afternoon. The caucus did not conclude until almost 3 o'clock, the hour when the House resumed, following the week-end recess. This morning C. D. Richards, leader of the opposition, said that the plans of the party to oppose the bill are determined, but he refused to divulge the details of the list of speakers. He is pretty well understood that amendments to the bill will be presented when the measure gets to the committee stage. Some close political observers believe the opposition will adopt a policy that no contract be let or any construction proceeded with until the people made a pronouncement. PREMIER UNCERTAIN. Premier Veniot said that it was not known definitely if the power bill would reach the committee stages today or if the bill will be given a second reading this afternoon, and there are many who assert the measure will be given a second reading at the evening session. A late despatch from Fredericton says the opposition will move the amendment forward also.

AMENDMENTS LIKELY.

It is pretty well understood that amendments to the bill will be presented when the measure gets to the committee stage. Some close political observers believe the opposition will adopt a policy that no contract be let or any construction proceeded with until the people made a pronouncement.

Junior Red Cross to Care For
Child Suffering From Infantile
Paralysis.

The care of little nine-year-old Winnifred, who was brought recently to the General Public Hospital from a provincial centre suffering from infantile paralysis, will be assumed by the members of the Junior Red Cross of New Brunswick, according to an announcement yesterday. Winnifred is a very winsome child and has already made many friends. Just what can be done for her is not definitely known as X-ray examinations have been made but no diagnosis has been given out. She is the daughter of a soldier who served in Canada after returning from overseas service and the Juniors feel very proud in being able to care for her and help her to become well and happy.

RECEIVES PORTFOLIO

The Upper Carquet Juniors have cause for pride at the present time as their portfolio has been presented to Miss Jean Brown, director of the Junior Red Cross in France, and she has expressed her great delight in Canada in the excellent work in the portfolio and in the fact that all of the narrative in it is in French. Miss Jean Brown, director of Junior Red Cross in Canada, is now in Paris and personally presented to Miss Pierard, the Upper Carquet Junior Red Cross portfolio. Miss Pierard hoped to be able to get a reply portfolio from a French Junior Red Cross branch to send to the Upper Carquet Juniors before the summer holidays. Miss Brown in sending this information to Miss Jessie Lawson, the Junior Red Cross supervisor for New Brunswick, said also that the French Red Cross had met Miss Saulnier in France, last year and had been greatly delighted and interested in hearing of Miss Saulnier's work in the organization of the French Junior Red Cross branches in New Brunswick.

Sign of Safe
Dyers-- Cleaners

Not every firm of Dyers or Cleaners can qualify for the above seal of efficiency. The only firm in the province to do so is the New System Laundry.

This seal is for the protection of the public. By that sign you know your Dry Cleaning and Dyeing Work is in dependable hands.

To earn this recognition the New System had to submit to exacting tests as to the correctness and thoroughness of their processes. Their Dyeing is real dyeing. Their Dry Cleaning is the genuine—and the only one hereabouts that cleans your clothes through and through with ever-fresh naphtha. Phone for driver.

SAINT JOHN, N. B., APRIL 28, 1925.

"HARD TIMES" OR "HIGH LIVING"?

In the course of his charge to the Synod today His Lordship Bishop Richardson made a searching reference to the general complaint about hard times in New Brunswick...

He had been speaking of missions. In some districts he found the offerings and the spirit beyond praise, but a large proportion of the parishes have fallen short of the objective...

As an example of this His Lordship refers to the money spent by New Brunswick in the purchase and operation of motor cars. The period between 1922 and 1924, inclusive, was that in which the cry about hard times was loudest...

He was referring to motor cars only as one illustration of an extravagant scale of expenditure that was apparently apparent in all directions...

He referred to protests against conditions which it is out of our power to control, such as adverse tariffs, high freight rates, economic disadvantages and the like...

The Quebec Harbor Commission owes the Dominion \$1,280,000 interest on advances made by the Federal Government. As an offset the commission puts in a bill for a dollar a head on all immigrants landed at Quebec since 1860...

Hon. F. B. McCurdy's appeal in Toronto yesterday on behalf of Nova Scotia, condemning protection and asking that his province be relieved from the fiscal disadvantages it suffers under the present system...

Hon. Mr. McCurdy's address in Toronto must be taken as supplementing and explaining the action of the Nova Scotia Premier, Mr. McCurdy was formerly Dominion Minister of Public Works under a Conservative government...

It may be argued that if Nova Scotia were given power to make its own tariff, the West might demand, and would have to be accorded, similar liberty. Indeed it would be difficult to force the end of any such movement...

TEACHERS ALL-EXPENSE TOUR TO THE PACIFIC COAST INCLUDING CANADIAN AND AMERICAN NATIONAL PARKS.

A complete thirty-day all-expense tour is being arranged to the North Pacific coast, special train leaving Toronto, July 5, traveling on this train to Prince Rupert, B. C., stopping over en route for a day at Winnipeg; a few hours at Vancouver; and three days at Jasper National Park with short stopovers to view Mount Robson and the Indian village of Kananaskis.

The party will then board Canadian National Pacific steamer for Vancouver, Victoria, Portland and Seattle, returning from Portland via Union Pacific with side-trip to Yellowstone Park, thence to Salt Lake City, Rocky Mountain Park, Denver, Chicago and back to Toronto, which point will be reached on August 7. The tour will include four and one-half days' auto tour in Yellowstone Park, and three and one-half days' tour in Rocky Mountain National Park.

The tour is being arranged under the direction of E. Bryson, Principal of the Silverthorn School, Toronto, and Martin Kerr, principal of the Earl Kitchener School, Hamilton. Full information may be secured from Mr. Bryson, 44 Silverthorn avenue, Toronto, also from Mr. Kerr, 4 Buelah avenue, Hamilton.

The rate of \$418.00 from Toronto including transportation, lower berth accommodation on train, accommodation in hotels, hotel and bungalow camps. For two persons, occupying one lower berth, the total will be \$836.00 each.

While primarily designed for the benefit of teachers of Ontario, the tour is now thrown open for the whole of Eastern Canada, and to the general public.

Weddings

McDiarmid-Hamm. A very pretty wedding will be celebrated in St. Andrew's church this afternoon at 5:45 o'clock when Rev. J. Sutherland Bonnell will officiate at the marriage of Miss Isabella Florence Hamm of Grand Bay, N. B., to Donald Dixon McDiarmid of West Saint John, son of Mrs. William L. McDiarmid and the late Mr. McDiarmid, principal of the Albert School. The bride will be given in marriage by her brother, Philip Hamm, and will wear a traveling suit of sand point twill, with fox fur, and with hat, shoes, stockings and gloves to match her suit, and will carry a bouquet of Columbia roses. She will be attended by Miss Elizabeth Kennedy, who will wear a chic suit of navy blue, with shoes, stockings and hat to match and carry a bouquet of pink and white carnations. The groom will be attended by Clayton L. Urquhart of West Saint John. As the bride enters the church, the Mendelssohn wedding march will be played by Mrs. F. J. Hodgson, organist of the church, who will play softly throughout the service. The bride and groom will leave on the evening train for Cleveland, Ohio, where they will reside. Many beautiful gifts were received by the young couple, who have a large circle of friends in the city and other parts of the province. Special gifts came from the Grand Bay Sunday school and from the Christian Endeavor Society in which the bride was an active worker. Mr. McDiarmid, who has been paying tithes at the Bank of Nova Scotia, Prince William street branch, received a silver serving tray and a handsome silver tea service from the management and staff of the bank. E. N. Atkinson, accountant, made the presentation, with a short address, attesting to the popularity of their associate.

Howe-Rodday. A quiet wedding took place on Saturday evening, April 25, at St. Mary's rectory, when Miss Jennie Theresa Rodday became the bride of Harris Hoscoe Howe. The officiating clergyman was Rev. R. Taylor McKim. They were attended by Miss Sadie E. Rodday and H. S. Lugin. They will make their home in this city.

Maguire-Perry. A quiet wedding was celebrated at 229 City Road last evening by Rev.

DERBY FAMILIES BENEFIT FROM WILL

\$250,000 Left to Relatives by Man Who Died Recently in California.

LONDON, April 28.—A romantic bequest, which one legate estimates at \$250,000, will benefit several Derby families, as well as relatives in Swansea, Burton, Nottingham, and India. The money has been left by Derby emigrant who died recently in California. James Baynon left Swansea nearly 60 years ago for the United States and made a considerable fortune in rice and ranching. He corresponded with the French Hospital, where he died. "Charles," as politicians, playwrights, and peers called the manager was the friend of all the world. He was the perfect host, and loved nothing better than to serve a meal in accord with his conception of what a meal should be. He had studied the psychology of his clients and held the opinion that no one knew quite so well how to dine as an Englishman.

Manager Of Savoy Cafe, London, Dead

LONDON, April 28.—The thousands of people including many Canadians who have had the good fortune to lunch and dine in the Cafe Parloen of the Savoy Hotel will learn with regret that its popular manager, Carl Umberto Clocca, has just died, suddenly. He was taken ill while on duty and a doctor was summoned. While undergoing medical examination, he collapsed, and was removed to the French Hospital, where he died.

Factory Plan To Keep Children In School

READING, Pa., April 27.—Heads of families employed in William H. Ludden's big confectionery factory here, who will keep children over 14 years old in school instead of putting them to work next term, will receive a bonus of \$250 for each child from Mr. Ludden, it was announced at the Ludden offices today. Many employees will get bonuses on two or three children of 14 or over. It was explained that Mr. Ludden believes most children stop school and go to work because their parents need their earnings and cannot afford to keep them at their books. The bonus will represent an income of about \$5 weekly for each child.

HALIBUT WATCHED

Canada and U. S. Report March Catch in Pacific at 6,226,526 Pounds.

WASHINGTON, April 27.—Canadian and United States official representatives who have been engaged in studying North Pacific fisheries announced today through fish commissioner O'Malley that March landings of Halibut at Pacific ports were 6,893,717 pounds. Of that total United States vessels landed 6,226,526 pounds. During 1924 Canadian and United States fishermen landed 57,000,000 pounds of Halibut and a treaty has been put into effect establishing a closed season which this year ended February 15.

BOY BEGS TO BE SHOT

MOUNT VERNON, N. Y., April 28.—Herbert Jones, 17-year-old school boy, begged a police sergeant to shoot him and end the pain resulting from a mangled foot. He fell from a train while stealing a ride. The foot was amputated later.

Yesterday In Parliament

THE SENATE did not sit. IN THE HOUSE—The debate on the budget was carried on by the following: F. R. E. Chevier, Liberal, Ottawa; A. Knox, Progressive, Prince Albert; W. D. Deaths

Leo Grindon MONCTON, April 27—Leo Grindon, a well known Monctonian, whose death occurred at his residence here Saturday, was a native of St. John's, Kings county. He had resided in Moncton for thirty years. He suffered a stroke of paralysis about three weeks ago. For several years Mr. Grindon was salesman in the men's furnishing department of E. G. Cole and Company, and during the last thirteen years had been in the employ of the F. W. Colpitts Company. He is survived by two sisters, Mrs. Annie McDougall, and Miss Jessie Grindon, both of Moncton.

Mrs. Thomas Taylor SALISBURY, April 27—Mrs. Thomas Taylor, who had been ill for several weeks with pneumonia and heart trouble, passed away Sunday night. Her husband the late Thomas Taylor, died only a few months ago. Much sympathy is felt for the doubly bereaved family. She is survived by four sons and four daughters, Mrs. L. R. Kettle and Mrs. Keirstead, of Moncton; Mrs. Spicer, in the Canadian West, and Miss Hazel at home, and John and Beverly, merchants of Salisbury; Edgar, of Apple River, N. S.; and Frank of Niagara. Mrs. Taylor will be buried at Penobscot. The late Mr. and Mrs. Taylor with members of their family removed to Salisbury from Apple River a few years ago and soon made many friends here.

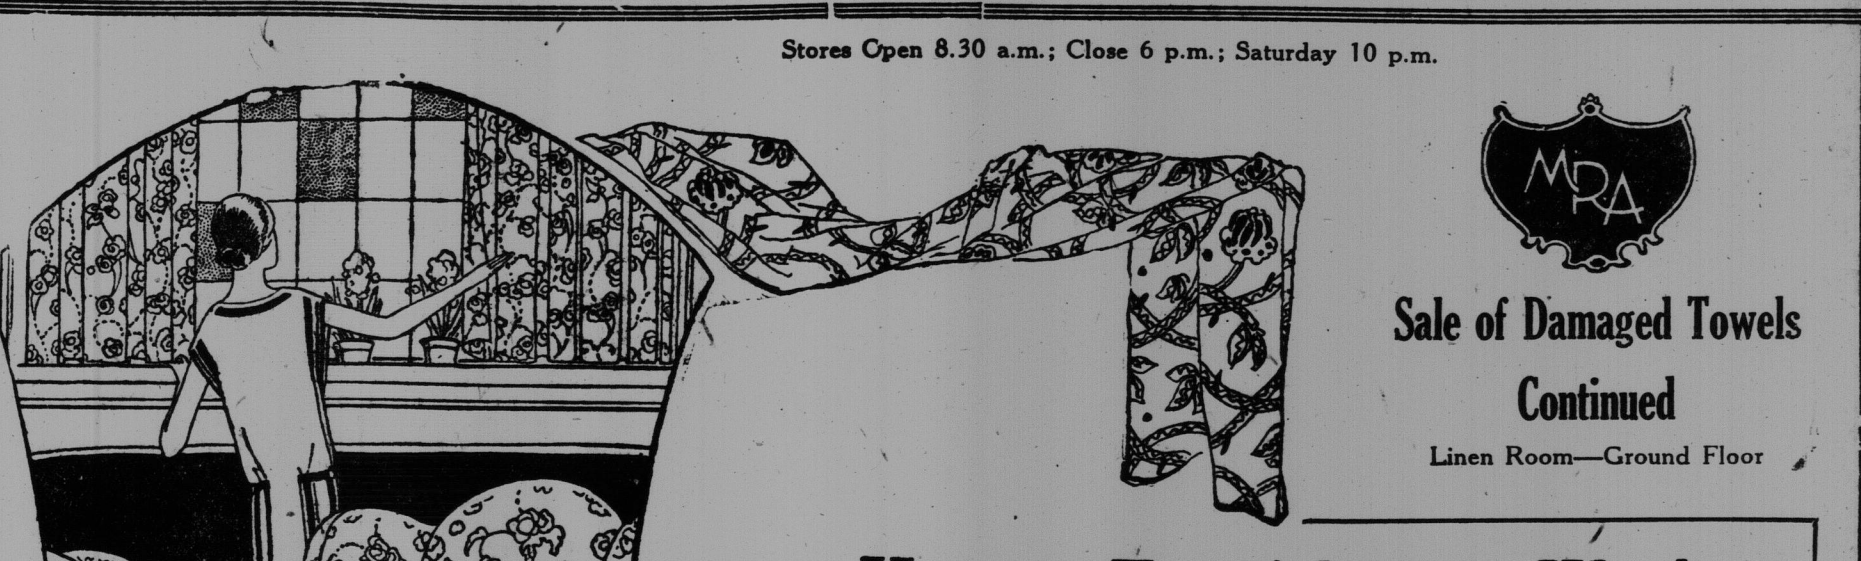

Miss Annie Hayes APOHAQUI, April 27—At the home of her brother, Walter Hayes, the death of Miss Annie Hayes of Head of Millstream, occurred suddenly during last night. She was 61 years old and comparatively an invalid for years. She was as well as usual when retiring on Sunday evening, and early this morning, when she did not arise, members of the household went to her room and found her dead in bed. She was the only daughter of the late Mr. and Margaret Hayes, of Head of Millstream, where she was born and lived all her life. She was highly respected by the entire countryside. Six brothers, Leslie, Fred, Henry, Alexander, Walter and John James Hayes survive.

Thomas Milne SHEDDIAK, April 27—The funeral of Thomas Milne, who passed away in Moncton last week, was held Saturday afternoon, when the body was conveyed to Shediac. Interment took place at Shediac Cape. Rev. Mr. Tomlin, rector of St. Martin's church conducted the service. The pall-bearers were A. J. and Allan Tait, E. J. Robidoux and P. Charters of Moncton.

Mrs. Milne, widow of the deceased, her son, Bowen, and stepdaughter, Miss Daisy Milne, R.N., of Boston, were present at the funeral, as were also George Milne, of Saint John, and Mrs. McCleave of Moncton, brother and sister of the deceased. Mr. Milne was born in New Carlisle, but for many years was a resident of this town where he held a leading position in the employ of the late Harper and Webster's boot and shoe factory. His widow was Miss Annie Smith, of Shediac, a daughter of the late Bowen Smith.

Frank LeBlanc YARMOUTH, April 27—Frank LeBlanc, a lifelong resident of Wedgeport, Yarmouth county, is dead at his home there after an illness of several months. In his early life he followed the sea somewhat and sailed as mate on various schooners engaged in the Yarmouth or Wedgeport-West Indies trade. Mr. LeBlanc was 76 years of age and is survived by four sons and two daughters. His funeral will take place from St. Michael's church at Wedgeport tomorrow morning.

Miss E. Peneligan Miss Ella Peneligan, daughter of the late Mr. and Mrs. J. T. Peneligan, formerly of Saint John, passed away at the home of her sister, Mrs. James Rose, Halifax, on Sunday. Many friends in Saint John will regret to hear of her death. The body will be brought to Saint John for interment and the funeral service will be held on Wednesday at St. Paul's church. The time of the service had not been definitely arranged last night.

BAN ON ABBEY FUNERAL MAKES STIR IN LONDON

Refusal of Canon to Permit Lord Rawlinson Service Causes Talk

ST. PAUL'S IS PARTLY CLOSED FOR REPAIRS

Westminster Clergyman Feared Precedent in Allowing Military Funeral

LONDON, April 27.—There is a good deal of comment over the refusal of the authorities of Westminster Abbey to permit the funeral service for General Lord Rawlinson, commander in chief of the British forces in India, who died in India as the result of an operation, to be held in the Abbey Saturday.

The funeral took place at St. Margaret's church, Westminster, of which Rev. William Hayley Carnegie, Canon of Westminster Abbey, is rector.

ST. PAUL'S PARTLY CLOSED. For more than a century it has been the custom to hold the obsequies of great naval and military leaders in St. Paul's Cathedral, but St. Paul's is now in the hands of restorers and only a portion of the nave is available for public services. Because of this the Canon of Westminster Abbey was requested to allow the Rawlinson funeral service to be held in the Abbey. The refusal was made on the ground that such use of the Abbey was reserved only in the case of the funeral of a poet, statesman or man of letters or science, while St. Paul's had assumed responsibility for rendering tribute to distinguished soldiers, and that it was impossible for the Abbey to accept this charge.

ABBEY OVERBURDENED. The Abbey, it is stated, is already overburdened, and if the Abbey authorities allowed the service in memory of Lord Rawlinson it would be necessary to make other exceptions in the next seven years during which it is expected St. Paul's will remain partially closed.

One of the last public funerals at Westminster Abbey was that of Lord Northcliffe, the noted newspaper publisher.

Municipal Chapter To Aid In Tag Day

The Municipal Chapter of the I. O. D. E. met yesterday afternoon in the Government rooms with Mrs. Heber Yroom, regent, in the chair. Mrs. Yroom was welcomed after her absence. Mrs. F. R. Taylor gave an excellent report on the recent provincial annual meeting. There was some discussion regarding the coal miners' relief appeals and it was decided that the chapter, under the co-operation of Mrs. Walter L. Gregg, would take charge of Queens ward in the tag day for miners' relief to be held on Wednesday. All chapters were urged to complete their quota of contributions to the I. O. D. E. war memorial as soon as possible.

MESSINGER BAND MEETS

Miss Mary Hinchliffe, president of The King's Messenger Band of Centenary church, presided at the work and social meeting of the band yesterday afternoon. The children pasted pictures in scrap books, 15 of which will go in the bale to Labrador. Miss Laura Baxter, Miss Annie Broadbent, Miss Ada Amland and Miss Mary Fulton were supervisors for the work.

Social Notes of Interest

Mrs. A. T. Bayly gave a delightful small tea yesterday afternoon at her residence, Union street, in honor of her guest, Mrs. Miller, of Canso, N. S. The tea table, which was artistically arranged with orange marigold and orange lighted candles, was presided over by Mrs. A. M. Peters, who was assisted by Mrs. J. Lee Day, Miss Agnes Hanington and Miss Eleanor Day. Among those present were Mrs. George F. Smith, Mrs. George Kimball, Mrs. I. P. D. Tilley, Mrs. R. H. Anderson, Mrs. Clarence de Forest, Mrs. J. Roy Campbell, Mrs. Charles Hanington, Mrs. Bruce Burpee, Misses Fitch, Mrs. Frank Fairweather, Mrs. Corliand Robinson, Mrs. Peniston Johnston, Mrs. W. L. Caldwell, Mrs. R. B. Buchanan, Mrs. W. A. Fisher and Mrs. Henry Mercer.

Mrs. Howard Grimmer and Miss Bessie Grimmer, who spent the winter at Mrs. Coster's, Princess street, left yesterday for St. Andrews.

Mrs. Hugh Bruce was a hostess last Saturday evening at a beautifully appointed dinner. Spring flowers were prettily arranged for decoration and covers were laid for 12. Those present were Mrs. J. Lupton McAvity, Mrs. Hugh Mackay, Mrs. E. H. Turnbull, Mrs. Polard Lewis, Mrs. Percy Trenchard, Mrs. Fred M. Keator, Miss Ethel Sidney-Smith, Mrs. Gerald Furlong, Mrs. William Yassie, Mrs. W. L. Caldwell and Miss Clara Schofield.

Miss Daisy Stephenson, daughter of Mr. and Mrs. E. S. Stephenson, Orange street, has returned from visiting in Chatham, where she was the guest of Mr. and Mrs. John Davidson.

Mr. and Mrs. Frances Ayscough, who have spent several months in England, passed through Saint John Saturday on their way home to St. Andrews.

Mr. and Mrs. Charles H. Peck and Mrs. Frank A. Godsoe left Friday for New York.

Mr. Alexander Gray, federal engineer for Saint John harbor, left yesterday afternoon for Ottawa on official business.

Mrs. Royden Thomson, Miss Elizabeth Armstrong and Miss Betty Thomson left last evening for Boston.

Mr. and Mrs. William S. Allison and Miss Dorothy Purdy, of Rothery, were registered at the Canadian Offices, in London, England, on April 14.

Mr. Howard Grimmer and her daughter, Miss Bessie Grimmer, have left for their summer home in St. Andrews.

Mr. and Mrs. Ward Pitfield, of Montreal, the former from Saint John, have returned after a trip abroad for several weeks.

Spying on Jersey Rum Fleet

Here is a picture taken as the giant dirigible Los Angeles went scouting for the "rum fleet" off the Jersey coast and in the vicinity of Fire Island. Pictures of the "rum fleet" were taken at the request of Secretary of Navy Wilbur, who said it would give the dirigible crew good scouting practice and that prohibition agents and coast guard might make use of the data in helping to snare wily rum-runners.

MICHAEL COLL RETIRES FROM CHAIRMAN POST

Resigns as Head of School Buildings Body, It Is Announced

H. A. PORTER NAMED AS SUCCESSOR

Matter of Debentures for Vocational School Building Is Gone Into.

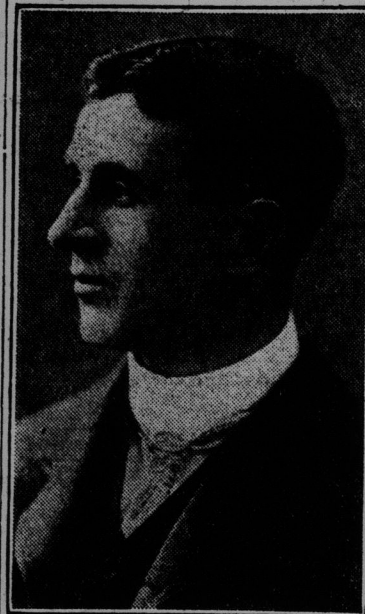

Horace A. Porter was appointed last night to succeed Michael Coll as chairman of the buildings committee of the Board of School Trustees. Mr. Coll had held that position about 20 years and his resignation was received at the special meeting of the board last evening.

The meeting was called to receive the report of the finance committee and to act upon it in the matter of issuing debentures for the vocational school building.

FOR 25 YEARS.

The committee recommended that instead of selling the debentures for the full amount at the present time the warrant should be deposited with the Bank of Nova Scotia under an agreement by which the board could draw against the debentures as the money was required to make progress payments on the building and equip-

ment. The recommendation was adopted.

Authority was given to the finance committee to issue the debentures at five per cent. from the date of May 1, 1925. The term of the debentures was to be 25 years unless authority could be secured from the Provincial Government to permit the term to be 25 years for debentures for equipment and 40 years for the debentures for the building. It was thought there would be a better sale for the longer term bonds.

IMMEDIATE CHARGES.

The immediate charges against the vocational school funds are for the site and the architect's fees. The site and excavation charges amount to \$15,534.62. The architect's fees are five per cent. of the total cost of the contract, \$392,050, and he is entitled to receive two and one half per cent. of the total cost of the building when the contract

has been signed, one and one-quarter per cent. when the roof is on the building and the other one and one-quarter per cent. when the building is formally taken over from the contractors.

TELLS OF LEPERS

Rev. W. D. Knokle of Mission to Lepers Gives Addresses in City.

Unless ten years elapse it is not possible to say that a permanent cure of a leper has been effected, said Rev. W. D. Knokle, of Toronto, agent in Canada of the Mission to Lepers, in addressing a meeting of women yesterday in St. John's (St. Mary's) church in connection with the W. A. meeting.

Mr. Knokle said that the treatment with a certain oil had formerly been very difficult of administration because the oil was so nauseating that the disease seemed preferable to treatment. Now that the oil could be taken in tablet form, it had been found effective in causing the total disappearance of symptoms of the disease for two years.

GIVES STATISTICS.

The mission is now working in 93 stations in 19 different countries. In its own 46 asylums and the 27 aided asylums there are upwards of 7,700 and more than 800 unaided children of leper parents in separate homes. The mission is also providing Christian teaching at 22 other asylums, settlements where there are more than 9,000 lepers. Altogether at the 93 stations there were more than 6,000 Christians.

The great need for extending the work of the mission to meet the urgent plea for those lepers who cannot be accommodated was specially taken up by Mr. Knokle. He told of the self-sacrificing efforts of friends of the mission work throughout Canada in endeavoring to maintain and extend the work.

Miss K. Hughes Is Remembered Here

Miss Katherine Hughes, whose death in New York was announced in The Times-Star yesterday, was well known in Saint John, where she appeared on the lecture platform. She spoke several years ago in the interests of the Self-Determination League of Ireland, and it was largely through her efforts that a branch of the league was formed here. When the treaty between Ireland and England was signed the organization automatically went out of existence. During the war Miss Hughes did important government work in London.

Brought From Ontario To Face Court Charge

FREDERICTON, April 27 — The case of non-support laid against Dean Bell, which came for hearing in the police court this afternoon, was postponed until Friday. In the meantime there is a possibility that settlement of the difficulty will be reached and the charge withdrawn. The defendant was brought from Fort Frances, a lumbering town in western Ontario, to answer the charge.

are about all you notice as you casually pass a valve that may have a vitally important function in your factory operation.

There may be a hundred or more of such valves in the plant, each one with a definite service to perform. For the sake of safety and efficiency, you should know that they are dependable valves. Many a factory has suffered damages, even entailing "shut-downs", because of faulty valves.

If the valves bear the name "JENKINS" and the Diamond Trade Mark, you can rest easy. Jenkins Valves are the world's standard of quality. They have the weight and workmanship that guarantee maximum service under all conditions. Sold with confidence everywhere.

JENKINS BROS., LIMITED 103 St. Remi St., Montreal, Can.

We will gladly send you our Catalogue No. 9D, describing Jenkins Valves for water, steam, gas and chemical service. Write us about your particular valve problem.

Cloudy teeth—dull teeth How to make them whiter—quickly

The new way world's dental authorities advise. What to do

THOSE whiter teeth that you envy. Don't think they are beyond you. You can now lighten dull and dingy teeth—make them gleam and glisten.

Modern science has discovered a new way. A method different in formula, action and effect from any you have ever used. This offers you a test. Simply use the coupon; it brings free a 10-day tube.

Look for film on your teeth—that's the cause. How to combat it. Look at your teeth. If dull, cloudy, run your tongue across them. You will feel a film. That's the cause of the trouble. You must fight it.

Film is that viscous coat which you feel. It clings to teeth, gets into crevices and stays. It hides the natural luster of your teeth.

It also holds food substance which ferments and causes acid. In contact with teeth, this acid invites decay. Millions of germs breed in it. And they, with tartar, are the chief cause of pyorrhea.

So dingy teeth mean more than loss of good appearance. They may indicate danger, grave danger to your teeth.

New methods now that mean greater tooth beauty plus better protection from tooth troubles.

Ordinary tooth pastes were unable to cope adequately with that film. Not one could effectively combat it. Harsh grit tended to injure the enamel. Soap and chalk were inadequate.

Now modern dental science has found new combatants. Their action is to curdle film and then harmlessly remove it. They are embodied in a new-type tooth paste called Pepsodent—a scientific method that is changing the tooth cleaning habits of some 50 different nations.

Don't you think it worth while to try it for 10 days; then to note results yourself?

Send coupon for free 10-day test. Make the test today. Clip the coupon for a free 10-day tube. Or get a full-size tube of your druggist. Why follow old methods when world's dental authorities urge a better way?

"In His Quiet Moments"

A True Story

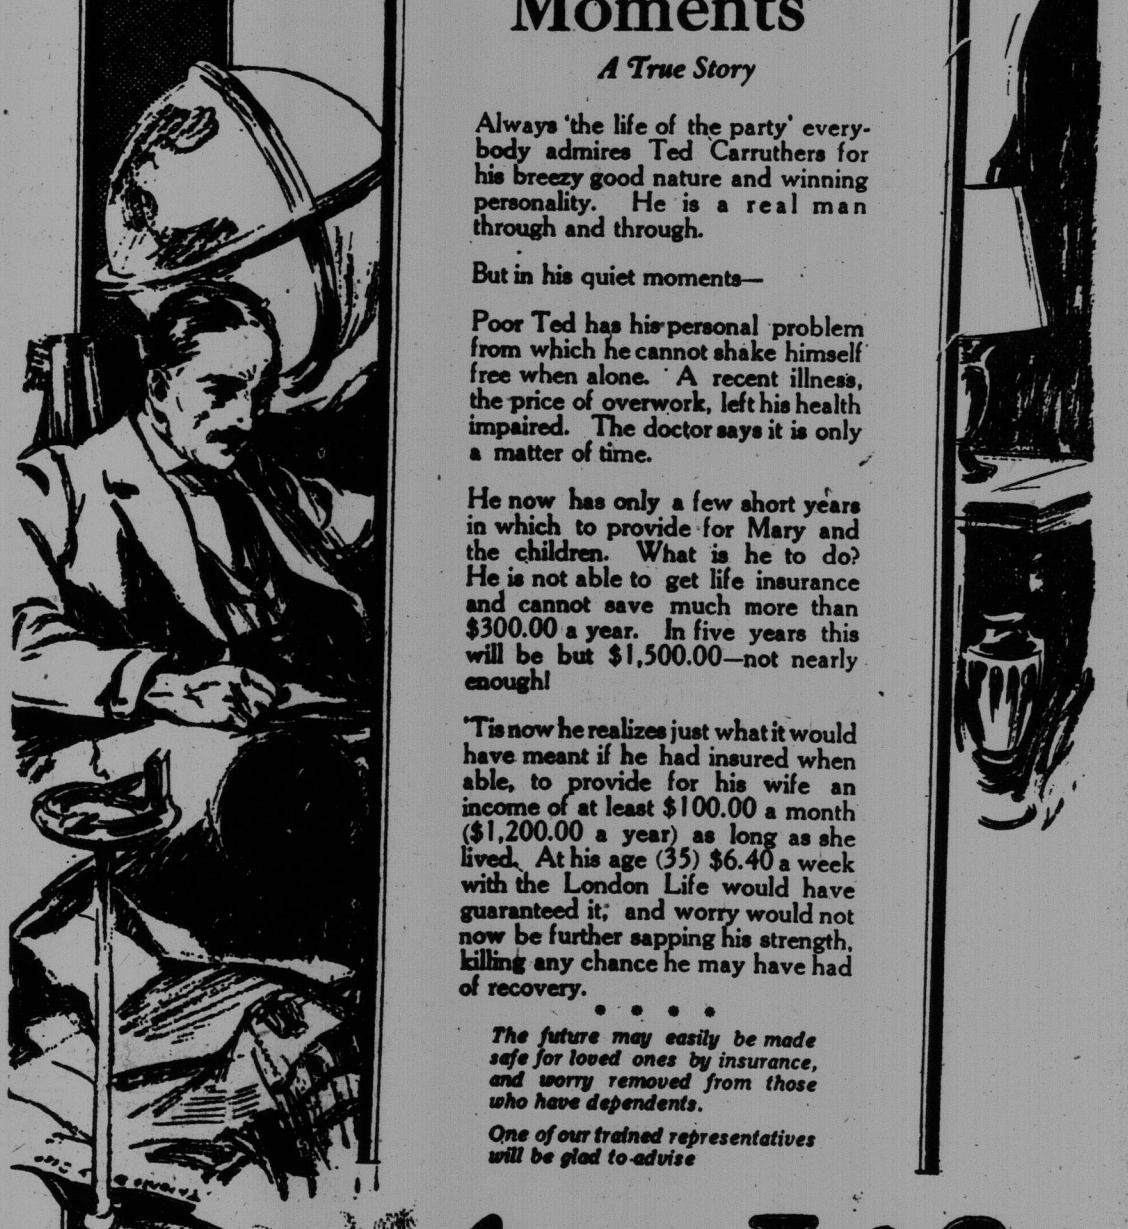

Always 'the life of the party' everybody admires Ted Carruthers for his breezy good nature and winning personality. He is a real man through and through.

But in his quiet moments— Poor Ted has his personal problem from which he cannot shake himself free when alone. A recent illness, the price of overwork, left his health impaired. The doctor says it is only a matter of time.

He now has only a few short years in which to provide for Mary and the children. What is he to do? He is not able to get life insurance and cannot save much more than \$300.00 a year. In five years this will be but \$1,500.00—not nearly enough!

"Is now he realizes just what it would have meant if he had insured when able, to provide for his wife an income of at least \$100.00 a month (\$1,200.00 a year) as long as she lived. At his age (35) \$6.40 a week with the London Life would have guaranteed it; and worry would not now be further sapping his strength, killing any chance he may have had of recovery.

The future may easily be made safe for loved ones by insurance, and worry removed from those who have dependents. One of our trained representatives will be glad to advise.

Healthy Babies are the Result of Proper Feeding

The early care of the baby lays the foundation for its later life.

About the sixth month baby needs additional nourishment to make teeth and build the bone and muscle needed for the approaching sitting up, creeping and walking period. It is at that time, too, that breast milk begins to fail. To supply the strength needed for this period of activeness, physicians prescribe cereal foods. The simplest, safest way is to use Nestlé's Milk Food. Nestlé's is a perfect blend of both milk and cereals, a proven strength-building food. The finest cow's milk is dried to a powder and to this are added wheat biscuit, wheat malt, and cane sugar. To prepare, just add water and boil one minute. In tests on thousands of infants Nestlé's Milk Food was found to agree with 93%. If You Do Not Nurse Baby use Nestlé's Milk Food entirely. A splendid substitute when for any reason mother's milk is not available.

GREENLEAF LOST TITLE BUT HAD BEST AVERAGE

Totalled More Points Than Any Rival In Tourney

Ralph Greenleaf, deposed pocket billiard champion, surpassed the rest of the field, including the new champion, Frank Taberski, in all departments, except games won and lost, and defensive play, according to the official figures just released by Leander Kilpatrick, secretary of the National Championship Pocket Billiard League.

Greenleaf won 74 games and lost 34, for a percentage of .685, while Taberski was credited with 81 won and 27 lost, for a percentage of .750.

Greenleaf scored 9,665 points in 1,186 innings, against 9,223 points in 2,443 innings for Taberski. Greenleaf's grand average was 5,179 and Taberski's 3,879. Only 7,033 points were scored against Greenleaf, while 7,423 were registered against Taberski, but Taberski's defensive average beat Greenleaf's.

Japan's Population 59,138,900 in 1924

Japan's total population in 1924 is given by the Bureau of Statistics of the government as 59,138,900 in Japan proper. No figures are given for Korea and Formosa. Of this total, 29,622,200 are men and 29,516,700 women, says a special correspondent from Tokio to "The Christian Science Monitor."

The distribution of the population is 11,812,200 in the cities, and 47,326,700 in the country. Although there are slightly more women than men in the nation, the reverse is true of urban population, which shows 6,118,700 men and 5,693,200 women in the cities. Tokio's population is even more disproportionate, due, probably, to the large number of colleges and universities in the capital. Tokio's total is given as 1,917,308, consisting of 1,056,656 men and 860,652 women.

Men Who Go Down To Sea In Ships

In this photo, the greatest picture ever made of a sea tragedy, is shown, as seen from the decks of the S.S. Homeric, the last throes of the Japanese freighter, Raifuku Maru, as she was engulfed by the raging seas off Nova Scotia, carrying to the depths with her, her officers and crew. Passengers and crew of the Homeric lined the rails helplessly, the women with tears streaming down their cheeks, as they watched the doomed men on the sinking ship wave their arms in frantic appeal for the aid that could not be given.

CAPTAIN J. ROBERTS of the S.S. Homeric whose failure to rescue any from the sinking Japanese freighter Raifuku Maru, was criticized by many of his passengers.

UNCLE TOM'S CABIN PLEASES THROUGH

Old Time Classic is Well Presented by Carroll Players at Opera House.

One of the oldest plays in the catalogue, yet one that has weathered the test of time, Uncle Tom's Cabin, was presented last evening at the Opera House to an almost capacity audience, which followed with interest and amusement the various scenes depicting life in the south before the abolition of slavery. The story of Uncle Tom is too well known to need recounting here—generation after generation has shed copious tears over the tribulations of the faithful old negro, roared with laughter over the eccentricities of the Lawyer Marks, and howled with delight at the antics of the inimitable Topsy. And the audience last night, true to form, did what their fathers and mothers and their grandfathers and grandmothers did when Uncle Tom was the bill.

Owens Coll. in the name role, was a very true-to-life Uncle Tom and his interpretation was well drawn and admirably presented, and his work was rewarded with ample applause. But the honors of the evening were shared between Lois Jesson, as Topsy, Frank Fey, as Phineas Fletcher, Miss Jesson injected into her part a vivacity and droll comedy which the audience immediately recognized from the audience, while her dialect, gestures and general deportment made the character a real, living Topsy. Her work deserving of the highest commendation. Although Mr. Fey has been seen in some minor roles previously, his part last night really was the first chance he has had to show his artistry. There was no doubt that he has the ability to act, and there is much promise for his success.

Frank Harrington was seen in two roles—as George Harris he gave an excellent performance of the slave striving to gain freedom for himself and his wife, played by Miss Hazel Shannon, who also filled her role well. As George U. Shelby he presented a very fine appearance and also played well. Miss Beall did as Chloe, but it was in the role of Aunt Hagar, in the auction scene, that the real finish of her work was apparent. Comedy Well Done.

When it comes to hard-boiled characters, Clyde Franklin is to be found and his Simon Legree was another of the high spots in the performance. James Swift had the whole house with him in his presentation of the part of the Lawyer Marks, whose every word and line caused gasps of laughter. Karyl Davis also handled two roles, in both of which she scored success. She was first the cold, emotionless Mrs. St. Clare, while later her character representation of the mulatto, Emmeline, was a fine piece of work. Miss Ophelia was characterized by Miss Emma DeWaele, who can always be looked to give a good rendition and last night was no exception. Dorrit Kilton was cast in the role of Cassy; her presentation was particularly good and her make-up a fine piece of work.

Jack Matthews handled the role of St. Clare with finished excellence, while George Smith, doubling as Haley and Colonel Mann, and Philip Boland, also in the double roles of Shelby and Colonel George, were well cast. John Hagerty did well as Skeggs, the auctioneer, while little Miss Irene Shea as little Eva, presented a charming appearance and went through her part well. A number of local people were used in the plantation scene and enhanced the show with some good melody and eccentric step-dancing. The play was well staged, with fine attention to detail.

WHAT A NIGHT. Mrs. Eskimo—Well, where have you been for the last six months? Mr. Eskimo—My dear, I've just been sitting up night with a sick friend—Hamilton Royal Gabeon.

COMEDY WELL GIVEN IN CENTENARY HALL

Take My Advice is Presented Successfully by Saint John Players.

A good first night audience greeted the Centenary Dramatic Club in Centenary Hall last evening in its successful presentation of "Take My Advice," a dramatic comedy in three acts, by Eugene Hafer. The play was directed by Miss Gladys Gibbon, whose histrionic ability is established in Saint John. The specialties were solos by Mrs. Aubrey McKee, who sang with exquisite sweetness two lyric songs, and Leonard Roberts, who sang with fine intonation two love songs. Miss Hilda Brittain and Miss Mary Fulton were accompanists. Miss Gwyneth Hodgson excelled herself in her violin selection. Candy was sold between the acts by the young women of the club.

The scene of the play was in a town "Eureka," which was controlled body and soul by one autocratic man, "John Wargrim," Le Roi A. M. King. The daily paper, Eureka News, was wholly used to exploit the doubtful virtues of the magnate, who was made to feel his own guilt through the medium of "Jimmy Sanson," F. Dodd Tweedie. Certainly things did happen in Eureka when he arrived.

"Bob Mannion," Arnold H. Fowler, the editor of the paper, was well supported by his sister, "Virgy Mannion," Star McAlpine. Harold G. Taylor, a town character who never worked, and "Peggy Acton," the heroine of the play, Mr. Taylor's make-up and characterization took him out of the amateur class. "Peggy Acton," Charlotte Calkin, was altogether charming. Her lines might have been heard a little clearer had she not turned her head away from the audience so much in one or two instances.

MARION DAVIES AT PALACE THEATRE

Yolanda is Shown With All The Glamour of 15th Century France.

Marion Davies' latest Cosmopolitan production, "Yolanda" had its first showing at the Palace Theatre yesterday. It is full of the glamour of fifteenth century France. HOOT GIBSON IS ON SCREEN AT GAIETY

Historical Background From Novel in The Ridin Kid From Powder River.

The West that was lived again in Hoot Gibson's latest starring vehicle, "The Ridin' Kid From Powder River," shows on the screen in the Gaiety Theatre last evening.

The picture has gun toting men, chap-clad cowboys and a story that is made more thrilling because of the fact that it has an historical background.

MONCTON DANCER IS AT IMPERIAL

Miss Margaret Thompson Delights Audiences—Chu-Chin Chow is Striking Picture.

In connection with the presentation of the English music-story spectacle "Chu Chin Chow" at the Imperial last night Margaret Thompson, of Moncton, graduate of the Baronesse Conservatory, of Boston, and a post-graduate of the Chalfi Russian School of Dancing, New York, executed a charmingly graceful Orientalist leading atmospheric effect to the picture which followed. It was a bright piece of stagecraft, an artistically rendered dance and the raised miniature stage—

ROMEO AND JULIET ON A SMALL SCALE

Youthful French Boy and Girl Have Romance Shattered by Police.

LONDON, April 27.—How should they know of romance, these old ones? said Theophile Riffaux, aged 11, to Andre Lefevre, aged 12. Andre nodded in silent agreement as they followed two prosaic gendarmes and sadly realized then their dream of happiness was dissolved by the misunderstanding of their elders.

Andre and Theophile had been sweethearts for ever so long. They both lived at Aulnay-sous-Bois, near Paris, and even their parents agreed that they must marry one day. Then Andre discovered a fortune—no less a sum than four francs 80 centimes, which is very nearly 25 cents.

"Why wait any longer?" she whispered to Theophile. "Behold, we have money and we love one another. Let us elope."

Theophile was far too stout a lover to hesitate at a challenge of this kind. The children packed a knapsack with bread and cheese, boarded a train and set out for Paris with high hearts. At the fortifications near the Port des Lilas they constructed a rough shelter from stones and bricks and there, with excusable impudence, they spent that four francs, not forgetting the 80 centimes. Nothing daunted, this look for work and actually found out question and sent with an escort back to Aulnay.

The word "lady" dates from Anglo-Saxon times when it meant "she who looks after the loaf."

WINDSTORM CAUSES LOSSES IN ONTARIO

C. N. R. Main Track Blocked and Dock is Damaged at Midland.

MIDLAND, Ont., April 27.—Considerable damage has been done today by one of the worst windstorms in the history of the district. The storm lasted only a few minutes, but it completely wrecked a big travelling crane at the Midland coal dock. The crane, which was a substantial steel structure, about 70 feet high and 800 feet long, was caught by the gale and bent and twisted like a straw and is a total wreck.

FINE SCREEN WORK BY FLORENCE VIDOR

Is Featured in "The Girl of Gold" on the Unique Curtain.

"The Girl of Gold" which was shown for the first time at the Unique Theatre last night, pleased greatly. In this brilliant drama of New York society, Florence Vidor reveals yet another phase of her always pleasing personality and in the role of the pampered daughter of a millionaire mine owner who has lots of money but no social prestige, she does some of the finest work of her career. She has completely changed her personality for this part and she is a new and even more charming Miss Vidor, retaining all her old sweetness and grace.

There is a note of novelty in a fashionable dance held down in a gold mine. Just when the hilarity is at its height, the mine caves in and traps the frank party. All are saved but the hero and heroine and the scene in which the two await death together is one of rare tenderness and appeal.

Miss Vidor is supported by an excellent cast including Malcolm McCreock, Alan Roscoe, Bessie Eytton, Claire Du Brey and Charles French. There are some sumptuous sets and lavish gowns.

ITALIAN WRITER RECALLS DEBT OWED BY ENGLAND

ROME, April 28.—A writer in the Corriere Sera, who apparently knows his history, has discovered that Great Britain, generally supposed to be owed a few billion lire in war debts, actually owes Italy money.

An article in that newspaper recalls that several prominent Florentine bankers failed in the year 1845 because England defaulted in payment of several million gold florins which had been loaned to her to assist in a war against France.

NOVA SCOTIA BLAMED FOR LABOR TROUBLE

OTTAWA, April 27.—Speaking on the budget tonight, John Evans (Progressive, Saskatoon) said that industry had become what politicians made of it. The Nova Scotia Government could stand by and witness the horror of starvation and nakedness and was "afraid to interfere."

And the Federal Government stood with compounded interest from 1845, would entirely cancel Italy's debt to England and leave Italy a large credit.

Not Yet (Manitoba Free Press.) Sir Arthur Keith, a British scientist, says that man's brain is steadily decreasing in size because man has brought forth so many inventions that his environment has become relatively soft and his brain is not called upon to face the hard struggle that men had to battle against in the primitive world. It would seem, however, that man still has enough brain to invent things that make it unnecessary for him to have as much brain. By the time his brain has disappeared entirely his environment will be such that a brainless person will get along quite all right.

AMALGAMATION OF RAILWAYS URGED

W. D. Euler Favours Union of C. P. R. and C. N. R. to Reduce Expenditures.

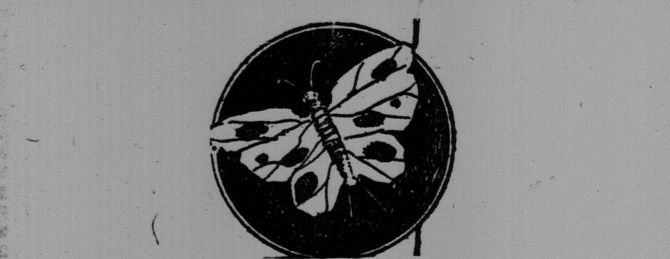

OTTAWA, April 27.—W. D. Euler, Liberal member for North Waterloo, and chairman of the House committee on national railways and shipping, in the debate on the budget today, strongly advocated amalgamation of the Canadian Pacific and Canadian National Railway systems.

He mentioned as a saving of a hundred million dollars having been given him "by as high an authority as we have in this country."

The Shaugnessy plan of amalgamation Mr. Euler severely criticized. "I believe," said Mr. Euler, "that the people of Canada would destroy any government that would dare to hand over the National railways to a privately-owned corporation."

Many questions were directed at Mr. Euler. He said he did not favor placing all the railways of Canada under one private ownership; rather the people of the Dominion should be given the benefit of the economies which would result from amalgamation.

The railroads would, said Mr. Euler, be combined under public ownership.

SECRETARY OF C. OF E. SYNOD 38TH SESSION

Ven. Archdeacon Newnham Has Been Official Since 1888

ORDAINED DEACON FIFTY YEARS AGO

Retires from Active Ministry to Devote Himself to Synod Duties.

The Church of England synod, meeting here, finds Ven. Archdeacon O. S. Newnham attending his 38th session of that body as its secretary. In his 77th year of life he lacks little of that vigor of body and none of the alertness of mind that have carried him through so many trying sessions of this important church court. It is no easy task keeping satisfactory official record of the business done, involving as it does matters requiring an almost perfect knowledge of church procedure and of the many phases of the questions that come up for consideration annually, as well as being master of the large number of reports that are presented by the various boards and committees.

HARD TO REPLACE. But if anyone connected with the work of the synod were to be asked about the ability of the secretary to fill all requirements of the office there would be unhesitating reply that in Archdeacon Newnham the synod has an official that would be hard to replace.

Throughout all these years, as well, he has carried on the duties of a pastor, in fact, practically for the whole of his term as synod secretary he has been pastor of the large parish of Christ Church, St. Stephen's. The combined duties, with the secretarial task growing steadily more arduous as the week of the synod draws to a close, prompted Archdeacon Newnham to request a few months ago to be relieved of his pastoral charge, and so at the end of March, he retired from the active ministry, but retains the post in the synod to which he has devoted so many years of valued effort.

BORN IN ENGLAND. Obadiah Samuel Newnham was born on March 23, 1848, in Leamington, Hastings, Warwickshire, England. His father's name was Obadiah Newnham and his mother before marriage was Margaret Phoebe Browning. He married young, at 20 years of age, a Miss Hannah M. Bishop of Birmingham, England. For five years he read for Holy Orders in London, and was ordained under Canon Pope, consular chaplain there and engaged at the same time under the Mission for the East, at the Port of Lisbon. This was an English organization doing work for sailors.

COMES TO CANADA. Deciding to come to Canada, he was ordained deacon in September, 1873, in Halifax by the late Bishop Binney, and was appointed to the Parish of New London, P. E. Island. In the following year the desire of his life was gratified and he was ordained priest by Bishop Binney at St. Peter's, Charlottetown, P. E. I. After three years of happy work there, the young clergyman removed to the Parish of Point du Chene, and thus came within the bounds of the Diocese of Fredericton, to which he has ever since been attached. That was 46 years ago, and he has seen great growth and changes in the intervening time.

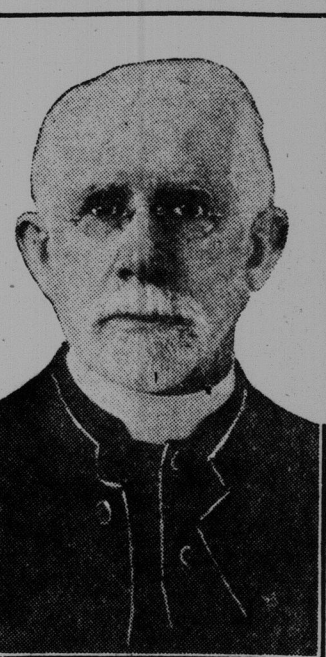

COMES TO SAINT JOHN. His next charge after Point du Chene was an curate of Saint John's (St. James) church in this city, under the late Rev. George Armstrong, serving chiefly in St. Mary's church, Waterloo street. Rev. Mr. Newnham was destined to the pastorate of the Parish of Hampton on the resignation of the late Canon Walker, and after five years of service there was chosen as rector of the Parish of Christ Church, St. Stephen. That was in the summer of 1888, and there he faithfully and devotedly carried out the arduous duties of a large charge until, as before stated, he found the duties of his rectorship and his position in the synod making too great demands upon his powers, with the result that he retired from his pastoral charge on March 31 last.

SECRETARY SINCE 1888. To the position of synod secretary he was elected in 1888, when the late Bishop Medley was bishop of the diocese. He has served under two others, the late Bishop Kingston and the present Bishop Richardson. Recognition of his valued work came at various times as the years advanced, and he was elected a canon in 1901, and elevated to the dignity of archdeacon in 1907.

Of nine children born to Archdeacon and Mrs. Newnham six are living—C. G. P. Newnham, druggist, of Woodstock; Harold, clerk in the C. N. R., general freight department, Moncton; Mrs. J. M. Deacon, of St. Stephen; Miss Edith, who was twice overseas in the Great War and now is a surgical nurse in White Plains, New York; Mrs. C. H. Maxwell, of St. Stephen, who also was a nurse, in Massachusetts, before her marriage; and Miss Kate, at home. Archdeacon Newnham enjoys a wide acquaintance throughout New Brunswick and his friends are everywhere in the province. In his work at the Synod he has not only carried out the duties with marked satisfaction but with a courtesy that has made him a very popular official. It is his hope to make use of his wide knowledge of the affairs of the diocese to compile a history of the church, in New Brunswick, a task for which none is better equipped.

AT THE ARMORY. The monthly gathering of the Garrison Officers' Mess was held last evening in the Armory, Lt.-Col. Sparling presiding.

As Hiram Sees It

"Do you know what Doc Spangler and Don Paterson done last night?" asked Mr. Hiram Hornbeam of "The Times" reporter. "Their friends would suspect almost anything," said the reporter. "They are a pair of gay youngsters, I know them." "H. Well, sir," said Hiram, "they was goin' over the bay this mornin'—an' they went aboard last night so's they'd git used to the steamer an' then be able to brag about not bein' seasick goin' across." "Where were those birds going?" asked the reporter. "Down to Yarmouth," said Hiram. "They heerd they was goin' to be a fancy ball down there—an' off they went." "Have the authorities in Yarmouth been notified?" asked the reporter. "I hear somebody wired Prescott Baker," said Hiram, "but he's another papucation—an' I shouldn't wonder if the three of 'em staid up all night playing marbles. This here spring fever ain't to be trusted when it gits goin'—no, sir."

CHILDREN ARE CARRIED FROM BURNING HOME

F. W. Stringer's Residence at Millidgeville Destroyed in Early Morning

CITY DEPARTMENT RUSHES HELP OUT

Water Pumped from River—Old I. O. G. T. Hall Also Burns.

The one and a-half story bungalow residence of Frederick W. Stringer, scenic artist of the Imperial Theatre, situated on the western side of the roadway in the thickly settled section of Millidgeville's main roadway near the wharf, was completely destroyed by fire between four and five o'clock this morning, entailing a loss of between \$2,000 and \$3,000 including furnishings. The family of eight children escaped from the burning building when the fire was practically at its height and had a close call. Mr. Stringer was the first to know of the blaze. He awoke with a choking feeling to find the house afire. He rushed to the upper floor where four of the smaller children were in bed. These were brought down in their night-dresses and bundled into the roadway whilst the older children assisted in saving a few articles of clothing near at hand. Attempts to save furniture were not very successful owing to the rapidity with which the fire attacked the house.

OTHER BUILDINGS CAUGHT.

Villagers were soon on hand and lent every assistance. A telephone message to Acting Chief O. D. Thomson of the King street east chemical and the King End Salvage Corps to the scene, nearly three miles distant. By this time sparks from the Stringer house flying over the adjoining properties of Harley Knox, the village post-office building, and Ernest Giggery's home attacked the higher roof of the old I. O. G. T. hall. The dry shingles of this structure ignited and in a short while the building was beyond saving.

The city fire department men put a suction pipe in the river at the ferry landing and with a stretch of hose about 1,000 feet long used the chemical engine pump effectively in saving the Stackhouse property and the other buildings in the immediate track of the fire and sparks.

RE-CLOTHING CHILDREN.

The F. W. Stringer property, which was acquired over four years ago from Mrs. Sarah Irvine, had been considerably enlarged and modernized. Mr. Stringer upon his return from service overseas secured for his family the cozy little property and made it quite attractive. Though disappointed by this set-back he was busy this morning with his wife in purchasing new clothing for his eight children, who were left with practically little or nothing. Mr. Stringer also lost most of her apparel. The burned-out family are at present being housed in a large house partially occupied by Mrs. Ganong, although they received offers of hospitality on all sides.

There is \$1,000 insurance on the burned residence, and a few hundreds on the furnishings, which amounts, the owner says, cannot make good his loss. There is no exact knowledge as to how the blaze originated.

Mr. Stringer yesterday received a telegram from the president of Acadia University to begin the decorations of the new Convocation Hall of that institution, and he is hurrying today to make temporary arrangements for his family so that he can fulfill this contract.

CARDS AND SMOKER AT EAST SAINT JOHN

Wardens, Firemen and Salvage Corps Members Have Pleasant Evening at Station.

What it is hoped may prove to become an annual event took place last night at the fire station, East Saint John, when the wardens, firemen and Salvage Corps assembled at a smoker and card party. The meeting was very well attended, and after a few preliminary remarks by the chairman of the board, Chas. W. Weldon, all present settled themselves down to a game of cards and had a good time. Following cards, Jack Simpson and William Bawn delighted their hearers with popular ditties, after which Fire Chief Day proved himself an interesting speaker. Councillors J. C. Dabell and George H. Simpson, who are also fire wardens, gave short addresses on matters pertaining to fire protection in East Saint John, and congratulated the firemen and Salvage Corps upon their effective work in fighting the fire of Good Friday morning. Several members spoke on matters of interest to all, and after refreshments a hearty vote of thanks to all who had donated for the occasion was passed, and the meeting concluded by the singing of God Save the King. The smoker proved a success in every way. It was decided to hold meetings on the first Monday of each month, perhaps oftener if thought necessary, for practice, when tests of a practical nature will be conducted. Fire Warden R. A. Kirkpatrick and Fire Chief Day, under the convenership of Warden F. E. Groves, composed the committee in charge of the arrangements.
