it will lead to a permanent settlement of the dispute.

Though the period of prohibition understood to be one year, the elastic nature of an order-in-council will empower the Government to make a further extension.

Mr. Bryce asked if the Government in view of the second reading of the bill being fixed for Monday, would distribute the latest papers with reference to the negotiations with the United States.

Mr. Smith said the Government would do so if the United States Government were to give the same to the British.

for short or three-quarter capes of the Tulle or Yalva mode still reign.

The Liberal party has known in the past what it is to bear the brunt of the most active of the Government's policy.

There are points in the premier's career to which the historian will refer with regret.

but now when the curtain is being drawn at the close of a great public career, and the voice of a great friend and political foe are hushed in the presence of the dying it is not the moment to raise the discordant voice of adverse criticism by party!

WAMPPIES

BY JULIEN GORDON, Author of "A Diplomat's Diary," "A Successful Man," etc.

The pattern of a woman's life is described by the author of "Wampies" as a series of ups and downs...

My mother had been in the habit of saying to me, "What is the matter with you?"...

It was some time before I could get my mind to rest on the subject of my mother's death...
