## PREFACE.

---

The Publishers of this work have used every effort each year to place before the public as reliable information as can possibly be obtained for the short period of time allowed to obtain it. There are quite a number of persons who evade giving their correct names, substituting fictitious names instead, being afraid our agents are taking their names for taxes. Errors like these occur in every Directory published, the publishers not being able to detect them. The publishers request the inhabitants of this City to inform them at any time if their agents are detected in copying from old Directories while at work for new information. The publishers are pleased to say that the sale of the work has increased, owing to the fact of leaving all names out of the Business Directory who do not support this work. There is a wrong impression among business men in regard to the Directory being a poor medium for advertising. Why this idea is prevalent the publishers cannot understand. The reading of an advertisement is the same, place it where you will, and surely the Directory is used more than any other medium they can possibly advertise in, except, perhaps, newspapers. There are hundreds of persons referring to the Directory who do not purchase it, including those who persistently annoy their neighbours by borrowing it so often that complaints are made to the publishers about them. The publishers are well aware who does this borrowing, and that is one special reason why such persons are left out of the business part of the work. The publishers had an interview with John Lovell, Esq., the

publisher of the Montreal Directory, and he says that the circulation of his book has increased in ten years from 1200 to 4200, while the St. John Directory has increased but very little in that time. The publishers of other Directories do not pretend to give gratuitously the Business Directory in connection with the alphabetical part of the work, but publish it separately and charge from fifty cents to one dollar extra for it. In future the St. John book will be published in that style.

In conclusion the publishers thank those who have supported the work so heartily, and those who in any way have given information to the work:

### COUGH! COUGH!

DEAR SIR: For some six months I had been suffering with a severe and most distressing cough, which gave me no rest day or night. I tried almost every remedy, but without relief. By this time I got so weak I could scarcely walk up and down stairs, and despaired of ever getting better and felt myself a doomed consumptive. when I was advised by a friend to try your

**BALSAM OF TOLU and WILD CHERRY,**

which I am happy to say completely cured me, using only two large bottles. As a tribute to its merits I give you the above testimonial, and heartily recommend it to all afflicted as an invaluable remedy.

Respectfully yours,

**ROBERT BRITAIN,**

Mails for Newfoundland leave Halifax once in two weeks, closing at St. John every alternate Saturday evening.

Mails for St. Pierre and Miquelon do.

hour of closing the ordinary Mails, and 30 minutes before closing of the English Mails.

Registered Letters for the United States are despatched by morning mail only.

No letter will be accepted at this office for Registration addressed either to initials or what may appear a fictitious name, and any such Registered Letter received from another office or deposited in the Letter Box for Registration will be at once sent to the Dead Letter Office for disposal.

Registered Letter Stamps of the denomination of 2 and 5 cents may be obtained at the usual places.

Registration is applicable to Letters and Parcels, whether they contain articles of value or not. Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced when one unregistered cannot, and the posting and delivery or non-delivery can be proven. A registered letter is thus secured against many of the casualties which from incorrect address, forgetfulness of the receiver, or other error, may effect an unregistered letter. "Moreover, the safety of an unregistered letter is dependent on the integrity of a post office clerk during the whole time it remains in his custody, frequently for hours and even days; whilst a registered letter will almost invariably have to be acknowledged at the moment of its passing into an officer's hands, and cannot therefore be suppressed without leaving him individually accountable for its disposal." "If the consequences were limited to the mere risk of the loss of the money so sent, the senders of money in unregistered letters might reasonably urge that if they chose to encounter the risk they should be free to do so; but higher considerations are involved in the question, and the chance of loss to the careless remitter is really but the smallest part of the evil associated with the practice." The attentive perusal of the above remarks by those who are in the habit of sending money by mail in unregistered letters is strongly recommended, and it is further suggested that letters containing money should invariably be secured with *wax*, and not by the usual method, by mucilage, or self sealing envelope.

**The Time Ball on Custom House, St. John, N. B.,**  
will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before 1 o'clock. At one minute before 1 o'clock it will be hoisted its full length; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time should then show 5h. 24m. 15s., and the difference between this and the time shown by a Chronometer is its true error on Greenwich time at the moment. At the above hour of 1 o'clock, when the Ball drops, represents 5h. 24m. 15s, at Greenwich, the error of a Chronometer may be ascertained, no matter where the ship is lying. Masters of vessels arriving in St. John should compare their Chronometers by the Time Ball, as it will enable them to get the sea rate, which frequently varies from harbor rates. Latitude 45h. 16m. 42s. N., Longitude 4h. 24m. 15s. West of Greenwich.
