The most successful Remedy and does not blister. Also excellent for human flesh. Read proof below.

From COL. L. T. FOSTER. Youngstown, Ohio, May 15th, 1880. DR. B. J. KENDALL & Co , Gents :- I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of WANTED—108 doz. Good Home-knit Socks, got our druggists here to send for it, they ordered three bottles: I took them all and Shingles, cordwood, etc, thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and Jany. 16th, 1882. n40tf the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of

think it my duty to render you my thanks for benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion worth \$4000 which had a very bad spavin, and was pronounced by four eminent Veterinary Surgeons beyond any cure, and that the horse was done for ever. As a last resort I advised my cousin to try a bottle of K ndall's Spavin Cure.

It had a magical effect, the third bottle
cured it and the horse is as well as ever. Dr. Dick of Edinburgh, the eminent veteri pary surgeon was an uncle of mine, and I take great interest in assisting his profession. Yours truly, JAMES A. WILSON, Civil Engineer

Kendall's Spavin Cure. Wilton, Minn., Jan. 11th, 1881. B. J. KENDALL & Co., Gents :- Having got a horse book of you by mail a year ago, the contents of which persuaded me to try Kendall's Spavin Cure on the hind leg of one of my horses which was badly swollen and could not be reduced by any other remedy, I got two bottles of Kendall's Spavin Cure of Prestwo bottles of Kendall's Spavin Cure of Preston & Ludduth, Druggists of Waseca, which completely cured my horse. About five years ago I had a three year old collesweenied very badly. I used your remedynd given in yeur book without roweling, and I must say to your credit that the colt is entirely cured, which is a surprise not only to myself but also the procedure of the procedu

KENDALL & Co., Gents:—Several months ago I injured my knee joint which caused an enlargement to grow the size of a large walnut and caused me very severe pain all the time for four or five weeks, when I began to use Kendall's Spavin Cure with the most satisfactory results. It has completely removed the enlargement and stopped the lameness and pain. I have long known it to be excellent for horses but now I know it to be the best limiment for human flesh that I am acquainted with.
