REPORT OF THE DIRECTORS

TO THE

SHAREHOLDERS

OF THE

MONTREAL TELEGRAPH COMPANY,

At the Annual Meeting, on THURSDAY, 13th January, 1881.

The past year has been marked by considerable fluctuation in the value of Telegraph stocks, but the marked improvement which has taken place in general trade is plainly manifest in the increased value which the Stock of this Company has lately attained. A very large business has been done over its wires and but for the reduction made last year in the rates of transmission, a considerably larger profit would have been realized.

The number of Messages in 1879 was.....	1,724,030
“ “ “ 1880 “	2,112,101
<i>Increase in 1880</i>	<u>388,071</u>
Miles of Poles in 1879 were.....	12,477½
“ “ 1880 “	12,703½
<i>Increase in 1880</i>	<u>226</u>
Miles of Wire in 1879 were.....	21,236½
“ “ 1880 “	21,568½
<i>Increase in 1880</i>	<u>332½</u>

The Expenses in 1879 were.....	\$335,573 86

1880.....	550,840 01	358,676 08	192,163 93

From the above it will be seen that the number of messages sent over the wires in 1880 was 388,071 in excess of 1879.

This, of course, entailed a greater amount of expenditure, particularly in the matter of salaries, but this could not be avoided, and it is satisfactory to know that the large business of the Company has been done with great promptitude and correctness.

The Company continues free from debt, and its property is in excellent condition.

The Directors hope for a still further increase of business in the year now commencing, and it is satisfactory to know that it has never been in a better position to transact that business than it is at the present time.

In last annual report allusion was made to the business of the Telephone and the interest this Company had in it. After some experience, however, the Directors were satisfied that to successfully carry on such an enterprise, an organization apart from that of the Telegraph Company would be necessary, and from the

MONTREAL TELEGRAPH COMPANY.

other interests already identified with it, it did not seem to offer much prospect of profit to enter into a contest with those interests.

A favorable opportunity having offered, the Directors thought it wise to dispose of this Company's interest, which they did on favorable terms, retaining \$25,000 interest in the Telephone Company, which we still hold.

(Signed)

HUGH ALLAN, *President.*
