BRIDGE TRAFFIC AGAIN RESTORED

N. B. Contracting and Building Company Completes First Part of Their Contract Sharp on Time

Hartland bridge is again open to the public. At 5 p.m. on March 1—the very day the contract called for—the bridge was ready for the passage of teams. J. H. Belyea, who has been engaged with the company during the whole work, was permitted the honor of making the first trip across with a loaded team. He was followed closely by Fred Gray.

The company started operations early in August and have built two piers and a massive shore abutment, and have constructed two Howe truss spans. The contract specified March 1 as the time limit for the completion of this portion of the work. There remain to be built four piers, but traffic will not be interrupted by the future work.

The work has given employment to a large number of men and a vast amount of equipment was put to use. In September frequent raises of water came so that fully six weeks work went for naught. Besides this the company suffered financially to the extent of nearly \$20,000, but in spite of all setbacks the work was completed exactly on time and the town should sit up and take notice what has been done. If the bridge had not been completed there would be weeks of no crossing at all.

Joe Powers, the member of the firm who has devoted his whole time and tremendous energy to the work, is to be congratulated on his great success in the face of much difficulty.

Hatfield & Co. are Manufacturing High Grade Fertilizer on Large Scale

A few weeks ago reference was made in a brief paragraph of the possible establishment of a fertilizer factory in Hartland. H. H. Hatfield, chief promoter, said it was the out of Woodstock and others are associated with him in the enterprise.

The plant is already putting up fertilizer and it is expected that thousands of tons will be sold to the farmers of the St. John Valley this spring. The Hatfield & Co. starch factory and another building near by will be utilized for mixing and cooping. For the present the barrels will be bought elsewhere and will be shipped here in a kned down condition. The company will sell in barrels or bags, in car lots or otherwise, direct to the farmers and they will also sell the chemicals to farmers who wish to do their own mixing.

The price of the product of this concern is much lower than any prices heretofore quoted by any other firms this season.

If their venture proves successful the promoters will extend their operations very largely.

MRS. A. F. CAMPBELL HAS PASSED AWAY

On Friday morning, Feb. 25, Mrs. Margaret Campbell, wife of A. F. Campbell, the Hartland manager of F. E. Sayre's business, died after a tedious illness of two years and two months. She died from cancer of the jaw and throat and during her long affliction she was cheerful and resigned and wonderfully patient. She went under seven operations at the Royal Victoria Hospital in Montreal and four operations at her own home. But all the medical skill that money could purchase was of no avail.

Mrs. Campbell was a woman of gentle Christian character, earnest and sincere in church and charitable work, always with a cordial smile of friendly greeting, and the whole town mourns her passing. With her husband and children she came here from Benton 27 years ago. She is survived by her husband, two sons—George and Frank in Winnipeg, and one daughter, the wife of Rev. C. N. Barton. John S. Murray of Houlton is a brother. The funeral services were conducted at her late home on Queen street on Sunday afternoon, when her pastor Rev. E. A. Triles preached from the beautiful 33rd Psalm. The United Baptist choir sang Aleson in Jesus, Face to Face, Have you a Friend like That? Some Day, Some Time.

Sympathy was expressed by the following eloquent floral tributes: "Mother," the family; wreaths from the sons, Saunders family of Calgary, Kinney family of London, Ont., McElroy families of Grafton and Woodstock, John S. Murray and family of Houlton, United Baptist church, Hartland, Star Bible Class, W. D. Keith

INTERESTING RACES LAST FRIDAY

Lucky Strike Wins the Big Purse and Centerville Horse Beats Teddy Bear

A very large crowd assembled to witness the races on Friday. The greatest interest centred in the match race for \$100 a side, when Lucky Strike, owned by C. T. Black of Woodstock, was adjudged to have won from Murray McLeod's Cassie W.

The score follows:
Class A, Matched Race \$200
Lucky Strike (Black) . . . 2 1 2 1 0 1
Cassie W. (McLeod) . . . 1 2 1 2 0 2
Time: 30, 30 1/4, 32 1/4, 23 1/4, 31.

Class B.
Freddy B. (Brown) . . . 1 1 1
Teddy Bear (Thornton) . . . 2 2 2
Time: 31 1/4, 31 1/4, 31 1/4.

Teddy Bear won the second heat but was set back for interfering.

Class C.
Lady Bell (Stevens) . . . 2 1 1 2 1
Xanthia (Macintosh) . . . 1 2 2 1 3
Antelope (Sawyer) . . . 3 3 3 2 2
Time: 31 1/4, 31 1/4, 31 1/4, 31 1/4, 33.

Cassie W., in the opinion of many of the spectators won the race fairly and the decision should have been so given. Every heat was very close and the fifth was an absolute tie. Given a fair chance Cassie will win over the Woodstock horse in another race.

W. E. Thornton traded Teddy Bear with Murray Wright of Perth and has now a four-year-old by Brown Braddon, a very promising looking colt.

M. E. Sawyer, owner of the Antelope G. has shown commendable courage all winter in entering his trotter among pacers and winning about as many heats as any of them.

On Monday Rev. N. Franchette and Mrs. Franchette left for a trip to the West Indies. They go in company with W. L. Carr of Woodstock and sail from Halifax, touching at Bermuda and sailing thence to the tropics. Returning they intend landing at Florida and coming north by rail. They will stop at New York for a visit with Mr. and Mrs. Percy Graham, formerly of Hartland.

Mr. Franchette is in a weakened state of health due to overwork in his extended parish and has resigned the rectorship here on recommendation of his physician. He has been asked to take the rectorship of Edmundston and is likely to accept upon his return from the south. It is understood that he will be succeeded here by a young man fresh from England who is expected to arrive with his bride in the latter part of the month. Mr. Franchette came to the Aberdeen-Brighton charge eight years ago and has been constant in his effort to build up and strengthen the congregations over which he has had care. In this he has been successful and so far as the Church in Hartland is concerned, successful to a marked degree. The building of the beautiful new church edifice is altogether due to his optimism and untiring energy, while the spiritual life of the members has been strengthened and the numerical strength of the congregation has grown in most encouraging manner. An instance of this growth is shown by the fact that eight years ago the average number to partake of communion was twelve, while on Sunday morning there were 21.

On Sunday the rector preached what may be his farewell sermon, and he spoke most feelingly to his parishioners whose spiritual interests have for so many years been so nearly his own.

Mr. Franchette married in 1915 and his wife has been most helpful to him in his work. A professional nurse, she has during all the years been virtually a visiting nurse acting without remuneration, and if the worthy couple remove their going will be a loss to the whole community. While in religious matters the rector has attended strictly to his own parishioners without interfering with the rights and prerogatives of those under other pastoral care, both he and his help-mate have ministered to the sick, the needy and distressed utterly regardless of what their faith or faithfulness may have been. And for this they should ever be kindly remembered.

NOTICE
My wife, Nellie Donovan, having left my bed and board, notice is hereby given that I will not pay any debts contracted by her.

COULD NOT RAISE HER HAND TO HEAD

Halifax Woman Had Suffered From Rheumatism Five Years Before She Got Tanlac

"It is such a relief to be free from pain after all my years of suffering that I feel like going out and telling everybody what a wonderful medicine Tanlac is," said Mrs. H. W. Conrad, of 151 Cunard street, Halifax, N.S.

"For five years before I started taking Tanlac I suffered so with rheumatism in my legs and side that at times I could hardly move. At night I would often wake up in a terrible pain and it I tried to turn over in bed it almost made me scream out. I couldn't raise my hands above my head and it was such torture to try and do my work that I simply had to let it go undone. I was troubled a lot with indigestion and lost so much in strength and weight that I was a mere shadow of my former self. Although I tried almost everything in the way of medicines nothing seemed to reach my case until I tried Tanlac.

"After taking seven bottles of the medicine I am like a different woman and feel fully ten years younger. The rheumatism has left me and it is such

a comfort to be able to sleep peacefully throughout the night. I have also been relieved of all stomach trouble so that I can eat anything, and my appetite is just splendid. I feel so energetic all the time that my work is a real pleasure to me and I can hardly find enough to do."

Tanlac is sold by Estey & Curtis Co., Ltd., Hartland, and by leading druggists everywhere.

Zam-Buk

"We Find It Indispensable."

Whenever the children get cut, bruised or burned," writes Mrs. T. Fothergill, Ridge Farm, Bousman River, Man. "Once when my wrist was badly cut and the doctor tried stitching it, it would not heal. Zam-Buk soon put it right. I have also found Zam-Buk a soothing remedy for skin rash and irritation, also for piles.

"Our eldest boy was recently badly cut about the face by one of the cattle. At first I was afraid he might lose his eye. But we kept the injury clean, regularly dressed it with Zam-Buk, and it healed perfectly.

"My husband always carries Zam-Buk about with him on the farm, prepared for any accident. It one time rid him of a nasty outbreak of boils."

Zam-Buk with its wide range of usefulness saves worry and doctor's bills. It cures eczema, ulcers, piles and hemorrhoids as surely as it grows new skin over a cut, burn or scald, or stings chapped with cold. Splendid also for sprains, rheumatism and muscular pains. Zam-Buk derives its wonderful properties from certain rare herbal extracts. It's the most wonderful healer ever discovered. Price, 25c. per box. 5 boxes \$1.25. Send for free sample. A NOTABLE BIRTHDAY CELEBRATION

Albert Olmstead of Wicklow Passes Ninety-Fifth Birthday, Surrounded by Friends

Reference was made in a recent Observer to the coming of the ninety-fifth birthday of Albert Olmstead of Wicklow. This event was fittingly celebrated at his home on the evening of the appropriate day—Feb. 24. Almost the entire neighborhood was there and a number from surrounding points to do honor to the guest of the evening. Boardman Wheeler was appointed chairman and director of ceremonies which position he ably filled. Appropriate addresses were delivered by Revs. C. O. Howlett of Bath and F. A. Wightman of East Florenceville and others. During the evening an address was read by Rev. F. A. Wightman and a chair presented to Mr. Olmstead who made an appropriate reply. It was most interesting to hear this veteran of ninety-five years tell of the conditions of life in the early days. Sheep and cattle had to be carefully guarded against wolves at night while encounters with bears were a common occurrence. The people of the olden times lived much simpler than now but were evidently just as happy and contented. After the address and presentation Miss Marion Estabrooks led with the organ while all joined in singing "Old Lang Syne" and many other old favorites. In the singing Mr. Olmstead joined with a full clear voice, despite his years. After the singing dainty refreshments were served by the ladies in which was included an artistic birthday cake with name and age of the honored guest in colored frosting. At a late hour the happy company broke up wishing Mr. Olmstead many happy returns.

The following is the address of presentation:

Dear Friend: We meet here to-night to congratulate you on this ninety-fifth anniversary of your birth. To few is it given to see and enjoy their ninety-fifth birthday blessed with the vigor and enjoying to the full their faculties of hearing, sight and speech. We rejoice with you and trust we may have the pleasure of assembling here five years hence to celebrate your

one hundredth anniversary. We realize that at your age you may need to rest occasionally and would ask you to accept this chair for that purpose and as a slight token of our affection and esteem, accompanied with the wish that you may enjoy it for many years to come. YOUR FRIENDS.

COL. TOMPKINS OF WOODSTOCK DIED IN SOUTH

The death is announced at Orange City, Florida, of Col. J. R. Tompkins, who left here last November with his wife, formerly Miss Durfee, of Nova Scotia. Three sons also survive, Charles of the Bank of Montreal, Montreal; Douglas, Vancouver, and Neville of the Royal Bank of Canada, Halifax. The deceased was twice married, his first wife being Miss Charlotte Lee, daughter of Rev. Charles

Lee, Rector of St. Anne's, Fredericton. He was a native of East Florenceville and for a number of years commander of the Brighton Engineers. A few years after his appointment, about 1911, as sheriff, he was stricken with paralysis, which left him in a helpless state of health. He was a graduate of the U. N. B., and was well known in literary circles throughout the province.

WOODSTOCK NOTES

Woodstock seems to be really getting on the map lately. Our town management form of civic government is attracting province-wide attention. R. F. Armstrong, town manager, spoke on the popular theme at a meeting of the Commercial Club in Fredericton last week and also addressed the U. N. B. student body on the different phases of the management scheme. Chat-ham is also going into the matter. There is also talk of Woodstock becoming a railway centre. Rumors are flying thick and fast. One of these is that the foundry property has been bought by the C. P. R. to allow for a greater yard room. Another is that the C. P. R. is negotiating for the control of the Valley railway which would give them a short freight haul to St. John. And yet another is that the line north from here is to become the main C. P. R. line to the west. If all these rumors turn out to be facts, Woodstock would sure have a boom—and a howler at that.

Thursday was an elegant day for sporting and a large crowd was on hand to see some classy racing on the local speed-way. Class A Pace only went two heats as Sis Peters broke a shoe. They certainly were some heats—30 and 31. Two watches caught the first heat in 29 1/2.

Joe Gans with Lady Ashbrooke won in Class B. The slowest heat was 31 1/2 seconds. Class C was easily won by Q. Be Q. H. M. Martell with Rhona Adair could not fly as he did at Centreville a few weeks ago. The score follows:

CLASS A PACE	
Sis Peters (DeWitt)	1 1
College Swift (Gallagher)	2 2
Declared finished.	
Time, 30, 31.	
CLASS B PACE	
Lady Ashbrooke (Gans)	2 1 1 1
Merry Wise (Poole)	1 2 2 2
Time, 31, 31 1/2, 31 1/2, 31 1/2.	
CLASS C PACE	
Q. Be Q. (Walker)	1 1 1
Red Sox (McKendrick)	2 2 2
Rhona Adair (Belyea)	3 3 3
Time, 32 1/2, 32 1/2, 33 1/2.	

The proposed matched race for \$100 a side between College Swift and Teddy Bear is off although the money put up has not yet been returned. Lucky Strike by winning in Hartland Friday

kept up his record of all wins and so far he is undoubtedly the best horse of the two towns.

A bunch of trainers is expected at the track early this spring. A north shore driver expects to be here with his string about the middle of March. The road on the island is excellent for jogging just as soon as the snow leaves.

In the last Horse Breeder a paragraph refers to the horses and colts in Dr. Macintosh's "Ariston" stable.

BARACA REUNION

The United Baptist young men's Baraca class on Tuesday evening last week held their annual reunion at the home of their teacher, Mrs. S. S. Miller. Officers were elected as follows: Rev. E. A. Trites, honorary president; Benj. Irving, president; E. A. Britton, vice president; R. B. Hagerman, secretary; H. E. Adams, treasurer.

The treasurer's report showed \$100 on hand. Reports of the various committees showed the class in a healthy condition.

In a discussion on citizenship each speaker was allotted one minute. Very helpful and intelligent suggestions were given in which the Christian was admonished to follow closely in the footsteps of the Master as spoken by the apostle when he emphasized the four sided life of Christ—"increasing in wisdom and stature, in favor with God and man." This intellectual, physical, spiritual and social. No human can reach the fullest attainment unless he has endeavored to have a well rounded out Christian character. As the class has now nearly 200 members increased accommodation is needed and steps will be taken to provide increased room for larger congregations. The following program was rendered after which followed refreshments and a free-for-all "sing."

Piano and violin duet, Mrs. Miller, Merville Fletcher.

Piano Solo, Herman Morrison. Reading, F. A. Alton. Recitation, Miss Jean Miller. Quartette, E. C. Morgan, H. E. Adams, H. A. Sipprelle, A. Y. Dickinson. Solo, Merville Fletcher. Quartette, H. A. Sipprelle, Warren White, Merville Fletcher, Vernon Simms.

Headaches Cured in Most Cases

Coming for 11 Days, Commencing Friday, Mar. 11, ending Wed. Mar. 23

We have engaged FREDERICK W. MAYOR, the Eminent Eye Specialist of Toronto to teach us the most advanced and positive system of Eye Testing known to science, the LUMINOSCOPY SHADOW TEST SYSTEM. Mr. Mayor is the originator of this distinctive system, whereby the interior of the eye is illuminated and the defect corrected by scientific internal eye measurement and has proven to hundreds of eye sufferers in New Brunswick that his wonderful LUMINOSCOPY TEST succeeds where many others fail. The more complicated your eye trouble is the greater will be your comfort and satisfaction when tested by this system. Like many other originators he has many imitators, but we know by investigation that we are bringing to Centreville the originator of the "Luminoscopy Test" in the person of Mr. Mayor. His students in the Province are the leaders of the profession. We especially ask all to come—those now wearing glasses, or those who suffer from or suspect any trouble. Make an appointment. We guarantee all Mr. Mayor's work. Consultation: morning, afternoon or evening, by appointment.

Remember—We are adopting Mr. Mayor's special Luminoscopy Test after careful consideration. It has been our policy to give an absolutely reliable service in optical work, and the addition of the latest model Phoropter and the Luminoscopy Test makes our service to you second to none.

Eyes tested free. Guaranteed satisfaction. Glasses only advised when needed. Prices moderate. Children's eyes our specialty. Make this your opportunity. This system eliminates all guesswork and that tiresome trying on of glasses.

Please bear in mind that this is not a money-making scheme; it is purely of an educative nature, a link in the chain of demand for better Opticians from coast to coast. We will benefit by your patronage in the future.

**OLIVEINE
EMULSION**

Back to the Old
Price \$1 a bottle.

Just recently, prices have dropped on the very purest Cod Liver Oil and the "OLIVEINE EMULSION". These lower prices make it possible to put "OLIVEINE EMULSION" back to the old price of \$1 a bottle.

Dealers everywhere have been notified that \$1. a bottle is now the price of this favorite tonic, blood purifier and health restorer. The quality is the same—you get the same big bottle—and you pay the old price \$1. Be sure to get "OLIVEINE EMULSION".

Druggists and General Stores sell Oliveine at \$1. a Bottle. Do not take a substitute.

"California Syrup of Figs" is
Child's Best Laxative

Beware! Say "California" or you may not get the genuine "California Syrup of Figs" which doctors recommend for babies and children of all ages. Nothing else cleans the little bowels and regulates the child's stomach and liver so gently, so thoroughly. Directions on each bottle. But you must say "California." Don't be talked into an imitation fig syrup which hasn't the delicious, fruity taste or the perfect "laxative physic" action.

The outside world may not know it but Knoxford is still on the map, therefore a little record of its doings may not be amiss.

Rev. J. Ross-Jones made a very eloquent speech which was enjoyed by all, even Daniel would have enjoyed it if he had been there to have heard it. After singing "Bless be the tie that binds" the party broke up in the "wee sma' hours."

Miss Helen Margison entertained her boy and girl friends at a birthday party Jan. 16. About thirty were present and presented her with a French ivory manicure set.

A merry party of about twenty-five couples invaded the home of Whitfield Gallupe on Jan. 25 it being the nineteenth anniversary of their marriage. After a delicious lunch was served they presented Mr. and Mrs. Gallupe with a buffet.

Miss Roxie Jamieson was hostess to about forty of her friends on Valentine's night. Before the gathering broke up Miss Roxie was presented with an address and pretty pin with Aqua Marine setting from her numerous friends.
