"UNCLE JOE'S WILL" A SUCCESS
 Good House Greeted St. Andrew's Boys' Band At Opera House.

The Comedy presented by St. Andrew's Boys' Band, on Friday, Nov. 26th, under the management of Mrs. Hugh Miller, was a decided success. Mrs. Miller was assisted by Mrs. F. F. Matheson, who accompanied the choruses, and cleverly costumed several of the boys.

Mr. Roddie MacLeod of New Glasgow sang, and in each of his three selections was heartily encored. Mr. MacLeod has a smooth scale, pure tone, a flexible voice, and that rare gift, naturalness, always delightful in a singer.

Mr. Musgrave, although not a total stranger to a Campbellton audience, sang for the first time in the Opera House. His rich and cultured voice was much appreciated. The continued interest of the audience was shown in a decided encore.

Miss Jessie Macintosh very artistically accompanied the soloists of the evening.

St. Andrew's Ladies' Quartette gave a very pleasing number, Plantation Song, the scene, "Evening in a Log Cabin."

A duet, well balanced and in good harmony, was sung by Mrs. Miller and Mrs. Sowerby, accompanied by Mrs. F. Campbell, who also played a number of piano selections during the intermission.

Interesting readings were given by Mrs. Miller and The Boys. Two rousing choruses were also well rendered. The boys are receiving the congratulations of their friends on their good enunciation, their dramatic gifts, and their rollicking local jokes.

The part of the lawyers, was taken by Gerald Stewart and Harold Jamieson, who "called up" wonderful dignity for their years. The duet and his sister were excellently impersonated by Jack Stewart and Billy Currie. Mrs. Chatterton and her boy, with Mr. Bunker, the farmer, Billy Sullivan, Geo. Yorston and Willie Miller, respectively, kept the audience in fits of laughter. Gordon Alexander made a first class "seedy gentleman" who in time, reformed. Manie Cairns and Billy English as "Uncle Joe" and his nephew played well in an important role. Keith MacKenzie "the japers" was a good Irishman, while Billy Sowerby, the telephone man, saw to it, that nobody languished for want of a joke.

The door keeper, Typist, Office Programme Aid, Candy (Ladies' Aid), Bert, Gorman, James MacCallum, James Crockett, Edward McLean, Raymond Dugway, Geo. Adams, and Gerald Robinson, through taking minor parts, were all well played. The boys wish to thank Mr. Christie, Mr. Bissett, The Ladies' Aid, the Editors of the two local papers, and all others who in any way helped to make the entertainment a success.

ST. ANDREW'S DAY CELEBRATION
 Pleasant Evening Spent by Members of Caledonian Society.

The St. Andrew's celebration of the Caledonian Society of Restigouche held in the Rose Room at Grays Tuesday evening was the most enjoyable affair given by that society for many years.

The Haggis (Great Chief of the Pudding) race was escorted to the table by the marshals to the strains of the pipes played by the Piper of the Society, Mr. Harry McLennan.

The various toasts were proposed and responded to as follows:
 Our Society, by the President, H. R. Smith; The Day we Honor H. Carr, D. Murray, M. D.; Our Country, T. R. Busted, A. A. Andrew, Our Heroes, R. B. Rossborough, Geo. Wallace; Our Town, R. H. Russell, D. Murray, M. D.

The solos by Mr. H. V. Musgrave and the readings by Alex. Mitchell and H. R. Smith were repeatedly encored. The St. Andrew's Quartette surpassed all former efforts and interspersed through the programme were some delightful selections by the Rose Room Orchestra.

Auld Lang Syne was sung in true Scottish style and a most enjoyable night was brought to a close with the song of God Save the King.

A short business meeting was held before the supper and the following officers were elected:
 President—H. R. Smith.
 Vice-President J. D. McMillan.
 Secretary—George Wallace.
 Chaplain—Rev. Hugh Miller.
 Marshalls—F. McRae, John Bissett, Piper—Harry McLennan.

HOCKEY SCHEDULE THE OUTCOME
 Meeting at Chatham Forms New Brunswick Hockey League.

A meeting of the New Brunswick Hockey League, called by the league executive, was held at Chatham on Tuesday night in the town hall, when the election of officers took place and the playing schedule for the coming season was drawn up. Besides last year's teams invitations had been sent to Woodstock, St. Stephen, Campbellton, Sackville, Sussex, and Moncton to send delegates to the meeting. Campbellton was the only new team to send delegates. Those teams that had representatives at the meeting were Campbellton, Marysville, Fredericton, Bathurst and Chatham, and the league this winter will be made up of teams from those towns. It was decided that purely amateur hockey will be played and no semi-professionalism tolerated. The National Hockey Association rules will govern the league games with the exception that there will be no off-side playing allowed. The playing time will be the same as last year, viz. two periods of twenty minutes each and the last one of fifteen minutes with five minute rest periods between.

The election of officers resulted as follows: Honorary president, Angus McLean, Bathurst; president, J. D. Black, Fredericton; vice-president, Max Mowat, Campbellton; secretary, C. Wade, Marysville.

Referees who will be asked to officiate are "Sandy" Staples, Fredericton, Frank Brown, Moncton, and W. J. George, Bathurst.

The first game will be played on Dec. 29, when Fredericton will play at Campbellton and Marysville open at Chatham. Following is the complete schedule:
 Dec. 29—Fredericton at Campbellton.
 Dec. 29—Marysville at Chatham.
 Jan. 5—Bathurst at Fredericton.
 Jan. 6—Campbellton at Chatham.
 Jan. 6—Bathurst at Marysville.
 Jan. 12—Chatham at Bathurst.
 Jan. 12—Fredericton and Marysville at Bathurst at Campbellton.
 Jan. 19—Chatham at Marysville.
 Jan. 20—Chatham at Fredericton.
 Jan. 26—Marysville at Campbellton.
 Jan. 26—Fredericton at Chatham.
 Jan. 27—Marysville at Bathurst.
 Feb. 2—Campbellton at Fredericton.
 Feb. 2—Bathurst at Chatham.
 Feb. 3—Campbellton at Marysville.
 Feb. 3—Chatham at Fredericton.
 Feb. 9—Chatham at Campbellton.
 Feb. 16—Campbellton at Bathurst.

The teams will play this year for the Chestnut cup, which is now held by Chatham, the winners of the league last year. A new trophy will be put up for the championship of the maritime provinces and the winner of this league will play off with the Nova Scotia league winners for this cup.

The Restigouche election has been protested.

On the petition of Mr. F. M. Anderson the case will go to the Supreme Court at its next sitting.

GOOD OLD DAYS.
 Do you remember when the clothing stores used to throw in a pair of suspenders with every suit of clothes?

WAS BURNED
 The steam ferry R. R. Call, owned by Capt. Frank J. Allard, which plies between Dalhousie, Carleton and Miguasha with Saturday trips to Campbellton was completely destroyed by fire at Carleton Saturday. The crew were on board and made a heroic effort to save the boat but without avail, losing all their personal belongings and some having a very narrow escape.

The wreck sunk in nine fathoms of water. The loss is a heavy one. The R. R. Call was built at Chatham.

EDITOR'S MAIL

Dear Sir: I notice in the Press that the Dominion Government are planning to spend a large sum of money next year in public works in many parts of Canada. Would it not be well for our Board of Trade to further press for a grant to build our long talked of, much needed bridge across the Restigouche River to Cross Point?

It must not be lost sight of that we have the three governments pledged to give the necessary assistance. For the past few weeks our Ferry could not make regular trips and if the present weather continues, it will mean a great loss, not only to our merchants, but to the people of both provinces.

Restigouche has never received the consideration that she justly deserves. Let us now make a united effort for this much needed bridge. Yours truly, W. H. WALLACE.

NEW RAIL SERVICE TO PACIFIC COAST

Canadian National Railways inaugurate New East Fast Daily Service Between Montreal and Vancouver—Luxurious Trains in Operation.

From all points in the Maritime Provinces there is the finest through rail service to the Pacific Coast, via Canadian National Railways.

All that travel comfort can suggest, convey, or devise, is here for the traveler. The most modern of steel equipment—first class coaches, standard sleepers, tourist cars and luxurious compartment cars, are on the through trains between Montreal and Vancouver. The excellence of the connecting train from Eastern points, the "Ocean Limited," is known to all travellers. The new service from coast to coast is the best that any railway offers anywhere.

The Ocean Limited, leaving Newcastle at 4:45 p.m. daily, arrives in Montreal at 9:30 a.m. the day following. Connection is made with the splendid train operating under Canadian National and Grand Trunk management, leaving Bonaventure station at 5:00 p.m. This train, with its equipment of compartment cars, standard sleepers, standard diner, tourist and colonist cars, arrives at Ottawa at 5:00 p.m., and leaving at 8:20 p.m., is at North Bay early the following morning. Port Arthur and Fort William are reached the morning of the day following and Winnipeg that evening. Leaving at 9:40 p.m. the journey to the coast is continued via Saskatchewan, Edmonton, Jasper, Mount Robson and New Westminster and the train arrives at Vancouver at 9:00 a.m., the third day after leaving Winnipeg.

Leaving Halifax on Monday morning for instance the traveller arrives in Vancouver on Sunday morning, just six days and a night of travelling under the finest of travelling conditions.

Particulars of this new thorough service can be now supplied by all Canadian National Railway ticket agents. Rates can be quoted and reservations made. It is a new era in Transcontinental travel that is but the beginning of a greater railway development under the Canadian National system—Nov. 15-2 wks.

Colds Common Sense

You have a cold, or your child has a cold; a cough; a tight feeling across the chest; a soreness in the breathing tubes.

In the past how have you treated such a cold? You have bought some cough mixture, and swallowed this down into your stomach. Now, why? Your stomach was not ailing; and there is no direct connection between your chest (where the trouble is) and your stomach! Then why swallow into your stomach any mixture when the trouble is in your lungs and bronchial tubes?

It's a mistake! And Peps is the remedy. You breathe these vapors down into your stomach. Now, why? Your stomach was not ailing; and there is no direct connection between your chest (where the trouble is) and your stomach! Then why swallow into your stomach any mixture when the trouble is in your lungs and bronchial tubes?

Heard it all Right. Sternly the prosecuting counsel cross-examined the witness for the defence. At last the latter got so confused that instead of replying audibly to one question, he nodded his head.

"Whereupon the counsel remonstrated sternly:

"Why don't you answer the question?"

"I did answer it," the witness replied: "I nodded my head."

"Yes was the retort, "I heard it rattle, but could not tell whether it was up or down or from side to side."

THOUSANDS ARE OUT OF WORK

Some of the Problems Faced and Reasons Assigned for Unemployment.

Paris, Nov. 20.—The number of former workers now unemployed in France is 25,000, according to official statistics. The total is increasing by daily dismissals in the metallurgical industry, leather trade, textile and clothing manufacturing industries and the problem is attracting the attention of the government.

During the war the plea of manufacturers was that speedy delivery of goods was impossible owing to the lack of labor. Now available labor far exceeds the demand.

After being conducted through an old English church by the verger, a visitor was so pleased with the official's courtesy that he insisted on giving him half a crown. The man shook his head sadly. "Thank you, sir," he said, "but it's against the rules."

"I am sorry for that," said the visitor, about to return the money to his pocket. "But," added the verger, "if I were to find a coin lying on the floor it would not be against the rules to pick it up."

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used one box of 'Fruit-a-Tives' and two boxes of 'Fruit-a-Tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvelous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Fruit-a-Tives' and 'Fruit-a-Tives'."

"Fruit-a-Tives" cooled the blood and removed the cause of the disease, and 'Fruit-a-Tives' completed the cure."
