THOUSANDS ARE LOST BY CARELESS SYSTEM

Outages of Electric Lights in Past Years Unchecked

City Wants an Adjustment with Western Counties Co.

That Brantford has lost thousands of dollars in recent years through an ineffective system of checking the outages of the street lighting service was shown at the City Council last night, when members showed from personal knowledge that lights which had been out several nights in a row were not deducted from the company's monthly bill. For this reason the finance committee had held back the Western Counties account for October. In that month \$9 were deducted for outages and lights were out all over the city. In November a deduction of \$86 was made, and the lights were in much better shape. In fact, it was admitted by the company that the service in October had not been right, due to the non-arrival of some new parts.
Ald. McFarland did not want the company's account held up, as the city had to get light from it in January and February until Hydro was ready. For that reason, holding the account up might prejudice the agreement. Ald. Spence, however, could not see where the city should pay for what it did not receive, and suggested that an adjustment be made. The suggestion was finally agreed upon. The police are supposed to report outages to the fire chief, but the police do not cover the entire city. Consequently the company has received payment for current time after time when the current was not supplied.
Ald. Ward said he knew of one light being out five nights, one being out three nights, and another being out two nights. In connection with an account of \$1128 from the Western Counties Company for the removal of poles, the Acting Mayor mentioned the fact that Toronto in this matter recently won a victory over a company, the latter having to pay.
Ald. Ward—they have us hooked there. We have a special agreement whereby we have to pay for the removal of poles.
Acting Mayor Spence said it was to be hoped that there would be no more such special agreements.

Will Get Paid Every Two Weeks

At the City Council meeting last night Acting Mayor Spence, on behalf of the 40 construction men of the Hydro-Electric department, asked the chairman of the committee, Ald. McFarland, if it would not be possible to arrange to have the men paid for their work every two weeks instead of monthly. The Acting Mayor was of the opinion that men engaged in laboring work required their pay oftener than every month, especially at this time of the year. Ald. McFarland agreed to take the matter up with the Engineer, and in all likelihood a new system will be inaugurated.

MAYORS ELECTED OUT WEST ON MONDAY

Edmonton Had a Unique Fight when Short was Beaten

Government by Commission Is Favored Largely

[Canadian Press Despatch]
WNNIPEG, Dec. 9.—The municipal elections were held yesterday in Alberta and Saskatchewan, and although two mayors were elected by acclamation out of 28, nearly every municipality saw a hot election, many results not being known yet.
Mayor Short, father of Edmonton city charter, was defeated in that city by W. J. McNamara, former mayor of Wetaskiwin, by 270, after a very keen fight in which all three newspapers supported Short. The mayor-elect is pledged to enact an elective form of commission government next year, if endorsed by a plebiscite of ratepayers.
Lethbridge voted for city commissioners, women and tenants voting for the first time, but the results are not known. Alderman M. A. Brown was elected mayor of Medicine Hat, Alberta, by a majority of eight over John Spencer. In Moose Jaw, Mayor Pascoe was re-elected by over 1,000.
Prince Albert and Battleford elected respectively George W. Baker and J. A. Foley as mayors. Regina was limited to aldermanic contests. Calgary electors voted in favor of a federal proposition to pay aldermen one thousand dollars annually. The proposition to donate part of Mewata Park as an armory site was carried. A. G. Graves was re-elected commissioner of public utilities.

COST MILLION IN THIS SUIT

Efforts to Dissolve the United States Steel Are Prodigious.

[Canadian Press Despatch]
NEW YORK, Dec. 9.—Some idea of the huge cost to a corporation defending itself against a dissolution suit brought by the government is given in an estimate made to-day by a Wall street statistical of the expenses involved in the United States Steel Corporation suit. According to this estimate, the steel corporation has already spent in the neighborhood of \$180,000. And the end is not yet in sight.
It is admitted that this estimate is a loose one, for it is difficult to obtain an accurate idea of the average per day cost of the present trial. It is placed variously at \$1,000 to \$2,000, and a conservative estimate is \$1,500. Included in the cost are travelling expenses, hotel bills, typewriting and various similar charges, besides the big item of attorney's fees. The hearings were started in March of 1912, but have taken up only 122 days thus far, on account of numerous postponements. On the basis of \$1,500 a day, the expense of the company would be \$183,000.
More than 17,000 typewritten sheets of evidence has been taken, making perhaps 3,400,000 words. The hearings, it is expected, will be continued three months or so longer, so that the total cost may run above \$300,000. The cost of litigation after the testimony now being taken probably will be much more. In fact it is regarded as not improbable that the total of the dissolution suit will be at least \$1,000,000.

INQUEST WAS HELD
PLUM COULLE, Man, Dec. 9.—The coroner's jury investigating the murder of H. M. Arnold, manager of the Bank of Montreal here, brought in a verdict declaring that evidence pointed strongly to Jack Krachenko, as the bandit and recommended better protection for bank staffs. William Dycke, the chauffeur who drove the car in which the robbers escaped, was not called.

Engineer Mountain To Be Here To-morrow

Acting Mayor Spence was advised by Manager Kellett of the Lake Erie & Northern Company this morning that Engineer Mountain of the Dominion Railway Board would be here to-morrow to make an inspection of the work at Jubilee Terrace. Yesterday afternoon the municipal authorities got together and decided to send Engineer Mountain a strongly worded telegram in reference to the situation. At the city council last night the acting mayor said that Mr. Mountain had been wired again to the effect this time that there were 7000 lives involved and a property value of millions, on the completion of the work at Jubilee Terrace. The city of Brantford would look to the Dominion Railway Board for protection, and it was urged that the engineer come here at once. Accordingly Mr. Kellett, Engineer Mountain with the city engineer and other civic authorities, will go over the situation to-morrow.

Tango Not Permitted At Rideau Hall Ball

Her Royal Highness Has Intimated Her Disapproval of All Steps in That Form of Dancing.

OTTAWA, Dec. 9.—The tango, mild or otherwise, will not be tolerated at Rideau Hall. Not that there has been any definite instructions that the latest craze is unacceptable to their Royal Highnesses, but it has been quietly but effectively made known to those members of society who have the honor of being invited to the dinner dances at Government House that the Duchess of Connaught disapproves of any of the many tango steps being introduced in the ballroom.
This politely-expressed ban has come as a sad disappointment to some society ladies in the capital. At Rideau Hall fairly broad views have been held by the Duchess with regard to many recent social innovations and society, spelled with a capital S fully anticipated being able to dance the very latest in the tango.
And They Had Formed a Club
To prepare for this, and in order that their demonstrations could not

HYDRO DELAYED---STREET RAILWAY THE CAUSE---MORE ENTANGLEMENT

WILL ROLL OVER UNITED STATES IN A BARREL

BARREL IN WHICH TWO MEN WILL TRAVEL TO SEE AMERICA
Attilio Zaneroli and Eugene Viariello, of Venice, arrived recently in the United States with the strangest of strange vehicles. Nothing more nor less than a huge hogshead, open at both ends and containing an interior case hung on skids, is the conveyance. Bored around the outside with two iron walls and propelled by two man power, the cask will be rolled about the United States by the young Venetians, who say they are going to see every part of the country before they stop rolling.

Ald. McFarland Reveals An Unusual Phase of City's Predicament

Necessary to Make Another Agreement with Western Counties

City Council Proceedings Last Night in Detail Are Given.

Ald. McFarland, Chairman of the fire and light committee of the City Council, was in the caucus last night in the submission of the regular report on Hydro matters. Several announcements were made by him, all of pregnant interest at this stage of civic history. The Hydro installation will not be complete until March 1. Therefore it is necessary to make a special agreement with the Western Counties until that time. In order to make special agreement, Ald. McFarland urged that the city be not too arbitrary in the matter of insisting upon a reduction in the Western Counties Company's account for outages, many of which it is claimed were not reported. The agreement with the Cataract subsidiary will be made.

Reasons for Delay

The reasons for the delay in the completion of the Hydro system were announced by Ald. McFarland as two-fold. The Brantford Street Railway refuses to give to the city a joint use of its poles on Brant Ave. and some other streets, which are now fairly littered with poles. The railway company gets behind the fence on the ground that the rental of \$20 per month by the city of the storage house on Colborne street has not been paid. Incidentally the company has been given credit by the city for the amount.

Rather Startling, This

The fact however, that Brantford owes the street railway a small sum and has refused to pay it, may prejudice the city's case now in the courts against the company.
This information, rather startling in its nature, was given out by Ald. McFarland. Moreover if the city were to appeal to the Ontario Railway Board to make the railway company render joint use of its poles, that appeal in view of the High litigation now pending, might be interpreted as an act of contempt of court, and the city's case would be further prejudiced thereby. The situation is rather a unique one and the result of the city's carelessness of tremendous importance. If the litigation continues, and there is no end thereof, Ald. McFarland said would have to be put up against Avenue. This looks like a needless expense however. Ald. McEwen declared it would be two years, and a matter for the Privy Council in England, before the street railway case would be finished. Therefore the city had better pay the rent.
The Acting Mayor Spence said a double knot which has a couple of balls of legal string wound around it, that they will find it pretty hard to unravel.
The report of the fire and light committee was finally carried and authorized an agreement with the Cataract Company for January and February, until Hydro is completed.

The Brides and Grooms And Their Ages In Brant County for the Year 1911

Extracts from the Blue Book containing the report of marriages, births and deaths in the Province of Ontario for the year 1911, may be interesting. During the year, 741 children were born in this city, 350 males and 391 females. It would seem that August was the fashionable month for the 1911 infant to make an appearance, there being 76 births, 42 females and 34 males. In the month of June and September, there were 68 births, respectively. The month of January and December were tied for third place honors.
Brant County Marriages.
There were 467 marriages in the County of Brant in 1911, 439 licenses and 28 banns. Of these, there were 127 Anglican grooms, 139 Anglican brides; of the Presbyterians, 65 grooms and 107 brides; Roman Catholics 41 grooms and 41 brides; Baptists, 70 grooms and 78 brides; Congregationalists, 12 grooms and 11 brides; Lutherans, 7 grooms and 7 brides; Hebrews, 1 groom and 5 brides; Evangelical Association, 1 bride; others, 20 grooms and 20 brides.
Marriages by Ages.
Of grooms 15 years old, there were 14 and 92 brides. There were more girls married in 1911 than in 1910 at this age, which goes to show that the girls of this country are marrying younger each year. Of grooms there were 15 in 1911 and 4 stated 14 in 1912. In 1911 there were 59 brides of 15 summers. One groom was aged 70 years. Five grooms were 65 years of age and one bride.

TRANSPORT MEN GOING BACK TO WORK

Dublin's Serious Strike Only Partially Settled

There Will Be No General Strike in Britain Now

[Canadian Press Despatch]
DUBLIN, Dec. 9.—All the transport and dock workers in Dublin have agreed to resume work, according to the companies and the port which has been practically closed since the end of August, owing to the strike, will be reopened to-morrow, when the regular sailings across the Irish channel will be restored.
The situation as far as the factories in Dublin in the vicinity are concerned, is unchanged and the employers are considering the advisability of keeping them closed until normal conditions prevail in the port.
The trades union council in London has endorsed the action of the local leaders, who intervened to bring about a settlement of the strike, and a settlement of the strike, in the form of a general strike, the man who instigated the strike and who was imprisoned in November for sedition but later released.
This endorsement disposes of the possibility of a general strike in the British Isles out of sympathy with the Dublin Workers.

ERIE AVENUE TO HAVE PAVEMENT

Board of Works Will Have Petition Put in Legal Shape

The Board of Works will endeavor to settle the question of illegal arising out of the petition signed by G. W. Smith and other ratepayers of the Eagle avenue asking for the construction of a paved thoroughfare. The petition is said to be sufficiently signed, but signatures do not carry the properties for which they stand. It was pointed out by the city clerk last evening that under the new Municipal Act the signatures had to be specified. The petition was referred to the Board of Works and Ald. Suddaby said that it would be fixed up. Ex-Ald. Billo, who secured the names after much effort was rather chagrined that the petition was said to be illegal, but it was thought the city clerk can fill the properties in.

FILL ONE STOCKING, REWARD IS YOURS

Are you going to fill one stocking and make some kiddy happy at Christmas time?
It is your privilege and likewise the reward will be yours.
The Courier membership in the St. Nicholas Club is growing daily. The only condition involved is that you will telephone the Courier, 133, 276 or 1781, give your name.
A few days before Christmas you will receive a notice as to where you can deliver the stockings and carry joy to the kiddies of a household which might otherwise not be so fortunate.
It is the personal effort which the Courier is desirous of enlisting, and it is the personal reward which results.
In this connection, the Courier has enlisted the assistance of Children's Aid Secretary Axford and Adjutant Hargrave. Church societies will have similar work to do at Christmas should communicate with the Courier. Money is not solicited, but the personal effort of every woman and girl of Brantford is solicited.
Make up a stocking, not of candy entirely. A pair of mittens, baby stockings, a toy or so, something which will be sure, you think, to please. The pleasure you give will not be as great as the pleasure you will receive in this effort. It is the Christmas spirit.
Send your name to the Courier to-morrow and receive notice in due time. You will be surprised how much more you will enjoy your own Christmas.
The list is growing daily. The following names are added to yesterday's honor roll:
Mrs. A. L. Baird, 218 Nelson St.
Mrs. Roy Walker, 11 Bedford St.
Mrs. Walter Kelly, 51 Park Ave.
Mrs. C. Todd, William St.
Mrs. A. Cutmore, 11 Elizabeth St.
Mrs. G. Bruce Gordon, 7 Church St.
Mrs. Roy T. Brown, 109 Charlotte St.
Mrs. J. Sanderson, Miss Clara Sanderson, Miss Elsie Sanderson, Dufferin Ave.
Mrs. J. M. Young and daughter Wills, 63 Charlotte St.
Mrs. F. J. Bullock, 24 Peel St.
Mrs. E. Hawkins, 31 King St.
Mrs. C. M. Buller, 293 Park Ave.
Mrs. E. W. Hutchings, and Dick, 192 William St.
Edna and Evelyn Sutth, 245 Nelson.
Mrs. S. G. Read, 129 Colborne St.
Charlie Bonny, 114 Sheridan St.
Mrs. S. P. Pitcher and Miss Winnie Pitcher, 111 William St.
Miss Mona Potts, Farrington Hill P.O.
Miss Edna Smith, 30 Grant St.
Miss J. F. McCann, 14 Marlboro St.
Harry Myring, 172 Sheridan St.
Miss Helen E. Crandall, 148 George.
Mrs. F. C. Mills, 174 Marlboro.
Mrs. I. D. Scruton, 24 Wells Ave.

Tom Mann Says Neither Parsons or Politicians Can Be Relied On

BOSTON, Dec. 9.—"Government is a decaying limb of the capitalists," Tom Mann, the English labor leader said last night at a meeting in Tremont Temple. He predicted that the syndicalists would be successful in getting rid of the present form of government, which he described as a useful and mischievous institution, and in establishing an industrial state on a co-operative basis.
"Neither Parsons nor politicians are to be relied on for assistance in the workers' efforts to better their condition," the English leader declared. He said the syndicalist movement is a revolution, adding, "we are in a class warfare and I would approve of anything essential in warfare to gain our ends."
"The power we desire," he said, "is that now held by the dominant ruling class, the direction of the industrial system."

For New Idea Patterns

At The Y. M. C. A

On Thursday night the senior and junior basketball teams go to Wood- ington to play games there.

The senior basketball team will arrive in Toronto on Saturday 15 by the Toronto West End Scenery. The West End team is considered one of the fastest in Ontario and the local association is sending down a strong team.

The Business Men's Club of Central Y.M.C.A., Hamilton will visit the local association next Tuesday and will play the locals at basketball, handball and volleyball. They will be entertained to supper by the Brantford Men's Club.

In the evening a fast Hamilton basketball team will play the locals after which there will be swimming races and a game of water polo.

During the resumed point blank shooting the world tourists when they get to the would have to live about a week on water.

MARKET REPORTS

CHICAGO, Dec. 8.—Unexpected increase of the visible supply stopped an advance today. Liverpool market closed steady at the same as Saturday night to a shade higher. Corn in the west and provisions down 2 1/2 to 10c. Liverpool close: Wheat 3/4 higher, corn 1/2 lower.

WINNIPEG GRAIN MARKET

WINNIPEG, Dec. 8.—Trading on the market was fair with prices strong and bid to higher Liverpool. The market opened 1/2 to 3/4 up and at the close showed an advance of 1/2 to 3/4 on the day, and an active trade is being done.

CATTLE MARKETS

UNION STOCK YARDS. TORONTO, Dec. 8.—Receipts of live stock at the Union Stock Yards were 188 cars—3390 cattle, 1366 hogs, 1643 sheep and lambs and 166 calves.

EXILED WOMAN MAKES EFFORT TO ESCAPE

A Dash for Liberty by Remarkable Woman of Russia Sent to Siberia Rather Than Seek Czar's Clemency

[Canadian Press Despatch] ST. PETERSBURG, Dec. 9.—A second unsuccessful attempt to escape from exile in Siberia was made early this month by Mme. Catharine Breshkovskaya, "granddaughter of the Russian revolution," whose case at the time of her condemnation in March, 1910, aroused such widespread interest in Europe and America.

Mme. Breshkovskaya was sentenced to perpetual exile after a trial whose proceedings were followed with intense excitement. She was charged with revolutionary conspiracy in conjunction with Nicolas Tchekovskoy, the "father of reformism," who had been active for reform since 1870. The man who pleaded for the Russian Emperor's clemency, Mme. Breshkovskaya had been incarcerated at Kierensk, a penal settlement, 420 miles north-east of Erkutsk.

The police kept close watch on her there as it was suspected she would make an attempt to escape so as to join the scattered ranks of the group to which she had belonged. According to the Novoe Vremya, Mme. Breshkovskaya on December 2nd went to dinner with police escort at the lodging of a fellow exile, Vladimiriroff and remained there till evening. Then a companion, Anfreff, dressed in Mme. Breshkovskaya's clothing, emerged from the house supported by Vladimiriroff, and pretending to be a sick woman, accompanied by the police escort, she slipped out of the lodging of Mme. Breshkovskaya and crawled into her bed where she remained.

To Vote Salary

Hon. Adam Beck to Receive \$8,000 per Annum

[Canadian Press Despatch] TORONTO, Dec. 9.—The annual meeting of the Municipal Electric Association of Ontario was held this afternoon in the city hall, Mr. G. R. Geary, corporation counsel of the city of Toronto, presiding. The most important business before the association is understood to be the proposal to remunerate Hon. Adam Beck, the Minister of Power, for his year's services in furthering the cause of cheap power. It is probable that he will be voted a salary of \$8,000 per annum and that Hon. J. S. Hendrie and W. K. McNaught, the other members of the commission, will be given \$4,000 each.

ST. JOSEPH SISTERS VISITED BRANTFORD

The sisters of St. Joseph have returned to Hamilton after their collecting tour for the poor and orphans, and Dean Brady wishes to thank the citizens for their courtesy and generosity to these Sisters of Mercy. Perhaps not less grateful is he for their courtesy than for their generosity, for many of these nuns come from the very best families in Ontario and to them "begging" is no easy task. The nuns would be pleased for a visit from their Brantford friends to their house of Providence, Dundas, or their Orphanage, Hamilton, where the poor orphans are among the best cared for in the Province, and where their work of charity saves the province hundreds of thousands of dollars yearly.

AN INVITATION

Important Auction Sale

of Household Furniture. We extend a cordial invitation to citizens generally throughout the city and surrounding country to be present at the Auction Sale of Household Furniture belonging to the Rev. T. A. Wright, at St. Jude's Rectory, No. 79 Peel St., on Wednesday, the 10th of December, 1.30 p.m.

SIDE-LIGHTS ON BASEBALL WORLD

Rube Marquard pitcher for the New York Giants, and Blossom Seelye, his wife, with whom he was playing in a vaudeville sketch at a music hall in Chicago last week, was sued for \$1,000 in the Municipal Court the same week. Cohen is Mrs. Marquard's former husband, according to his attorney, Fred Lowenthal, who declares that the present suit arises from a suit for alienation of his wife's affections brought by Cohen against Marquard. "Cohen recovered a judgment of \$4,000," said Lowenthal. "Marquard paid him \$3,000 in cash and gave his note for the remainder, which Blossom Seelye endorsed. He has failed to pay the note."

According to the Omaha World-Herald Jack Haskell will umpire in the American Association next season. Sandy Griswold has the following to say: "Unless he gets a better offer than the one he received from President Chivington, and that isn't probable, Jack Haskell, the debonair chief of the whole Western League staff, will be with the American Association next year. It would be a blow to lose Jack, and it is the general hope that Prexy O'Neill will see his way clear to submit a proposition that we keep him here, Haskell is the best umpire the Western League ever had; in fact about the only one that will not be stretching it very considerably to assert that he is as good as any official on the staff of either of the big leagues."

One of the reported reasons for the break between Joe Tinker and the Cincinnati Club was the action of Secretary Stevens in announcing to Tinker at the Columbus meeting that he would "do the talking to the newspapermen." If this is true the management does not deserve any sympathy. No good newspaper man with an idea to business would waste his time interviewing a club secretary

about a club's policies. Only the manager can do this to the satisfaction of the scribe. Fancy the correspondents at the Columbus meeting asking Secretary Stevens or any of the Cincinnati directors concerning the chances of the Reds in 1914, whether Miner Brown's surge has same break or it is a good play to steal second with the bases full and a club nine runs behind. In matters of this nature the chaps who sit in swivel chairs are only a bore to the scribe. If the Cincinnati officials tried to deny Tinker that authority it is a wonder Tinker didn't quit before he was let out.

Harry Hooper, right fielder of the Boston Americans, failed by a single point to attain a batting average last season which would have brought him an additional \$1,000. When the official averages were published it was found that Hooper had batted .280. In his contract it was provided that he would receive a bonus of \$1,000 if he succeeded in making an average of .300 or better.

The will of John T. Bush, owner of the New York National League Club, who died on Nov. 26 1912, was filed for probate at the surrogate office. The will shows that Mr. Bush left an estate of \$340,449 in New York, all in personal property. Mr. Bush's stock in the National Exhibition Company, the legal name of the National League club was valued at \$243,840, while his stock in an Indianapolis clothing store is appraised at \$66,000.

The Detroit Club of the American League has disposed of Outfielder Joseph Burns, of the Providence club, of the International League. Burns will remain a "farmed out" player, as the Detroit club owns Providence. Burns was sold last summer by the Portland Club to Detroit. He started the season with Lowell, being with that team for two league games. Lowell sold him to Duffy for \$100. Burns had a very good season in the New England League.

There is an opening for some good live men in Toledo, the Mud Hens being without a leader at the present time. Tony Hartsel, the former outfielder of the Athletics, held the place the greater part of the season, but was let out, and Third Baseman Bronkie filled the place during the remainder of the season. There is a report that Bill Bradley, of third base fame, will be given the position, while the name of Johnny Dobbs is frequently mentioned as the successor to Hartsel.

It is rumored that Russell Ford of the Yankees may wear a Nap uniform next season, and that George Kahler and some of Cleveland's youngsters will go to the New York club in exchange. Ford has not been a world beater for the past two seasons, although handicapped by being compelled to pitch for an unusually poor team, has at times shown flashes of the form which caused him to become known as one of the American League's best pitchers. A change of scenery may be just what he needs.

GEORGE ORT WILL NOT MANAGE THE SAINTS NEXT YEAR

ST. THOMAS, Dec. 9.—The St. Thomas Canadian League baseball club has decided not to re-engage George Ort as manager for 1914, and announce that Ort's successor will be named within a few days. Ort has received numerous offers from various clubs of players in exchange for left fielder Copp and pitcher "Bill" Baker, but all have been refused.

ONTARIOS WILL REPORT TOMORROW

McNamara Brothers Send in Their Signed Contracts.

TORONTO, Dec. 9.—Manager Jimmy Murphy of the Ontarios, yesterday sent out telegrams to his different players asking them to report here on Wednesday. Fred Lake, the Ottawa point player, was in the city yesterday on his way to Ottawa from Winnipeg, and announced that he was willing to play for the terms offered by the Ontarios, but stated that before signing he had a claim of one week's salary against the Ottawa club which he was going to try and collect.

The Ontarios have only two hold-outs, they being Benedict, the Ottawa goal keeper and Jack McDonald, the former Quebec player, who played on the coast last year. Manager Murphy has given these players until Friday to sign, or else they will stand suspended.

The McNamara brothers yesterday sent in their signed contracts, and stated they were agreeable to the terms submitted, and had no idea of being hold-outs. With the McNamaras, two players that were very popular with the Toronto fans last season, and Fred Lake, the Ontarios have a rattling good defence, while for goal they have Redge Rankin, the former Stratford star, and Cross, of Ingersoll, who played in the Maritime League last year, so therefore can very well do without Benedict.

Outside of the McNamaras, Steve Vair is the only other player left of last year's team, while in addition to Jack McDonald, Denison, the Ottawa boy, Scott, the Port Arthur forward, and Guy Smith, Manager Murphy has been keeping four other new men under their "hat," and only announced them last night. They are all forwards, Lewis B. V. Hunt, the Kingston boy, perhaps the best known, Bert Seibert of Berlin, a left wing player, has also been secured, and W. H. Johnson, a right wing player from Cardinal, while Jack McDonald, of Sturgeon Falls, has recommended another Sturgeon Falls boy in Sharkey Macchillon who plays either centre or left wing.

If the test at the Arena proves O. K., Manager Murphy will not go to Hamilton to train for the first week, but should it fail he will leave Wednesday night with his team.

TORONTO PROS. ARRIVE TO-DAY

Manager Jack Marshall Has All of His Players Signed Up.

TORONTO, Dec. 9.—Manager Jack Marshall, of the Toronto pros, day, and will be followed by the rest of the players to-day. Marshall has eight men, including himself, they being Holmes, Cameron, Davidson, McGiffen, Foyston, Walker and "Lully" Wilson. Walker is the only player who did not play with the team last season, although he did take part in the first game before the Maritime League.

In addition to the foregoing, Carmichael, who played lacrosse for the Tecumsehs this season, will try out for goal, while Jack Marshall has the promise of two defence players and one forward, who are played in the O. H. A. last year. These players are expected to report to-day, but their names will not be divulged until they arrive.

The Torontos were the youngest team in the N. H. A. last season, and with the experience they gained, should make a formidable showing this season, more especially if the new men are of the calibre of the rest of the team. Holmes, Wilson, Cameron and McGiffen are here now while Frank Foyston wired last night that he would be down this morning.

Hen Berry is trying to land Joe Berger of the White Sox for his Los Angeles team.

GUELPH MAY STILL RETAIN FRANCHISE

George O'Neal of London, the Buyer, Willing to Consider Guelph Offer.

GUELPH, Dec. 9.—There is still a chance for the Maple Leaf Baseball Club to remain in Guelph for another year. In a long-distance telephone conversation with Mr. George O'Neal of London, who purchased the franchise, that gentleman stated that he was open for a proposition from any body of reputable Guelph business men, when he would be pleased to come to Guelph to talk the matter over. He stated most emphatically that he did not buy the club under instructions from anyone here, and had not fully made up his mind what he was going to do with it. He had the Erie proposition in view, however, but would prefer to come to Guelph.

Sporting Notes

Frank Chance is trying to get Joe Tinker for the Yankees.

The Federals are said to have abandoned Chicago for Milwaukee.

Doc White has signed to play with Menke of the Coast League next year.

Catcher Paul Krichell, formerly with the Browns in the American League, has been sold by the Kansas City Club of the American Association to the Buffalo team of the International League.

They are having tough times in dishing out baseball news in New York these days, so the scribes are arranging a number of deals, Herzog and Marquard for Rucker being the latest trade announced.

The trip around the world is a sort of trout for Mike Donlin. If Mike shows anything like his old time hitting form McGraw may sign him as a pinch hitter. Harry McCormack, who made good in that role for the Giants, is to manage the Chattanooga Club next season.

CARPENTIER WON IN FIRST ROUND

Bombardier Wells Knocked Out in 1 Minute and 13 Seconds.

LONDON, Dec. 9.—Georges Carpentier, of France, knocked out Bombardier Wells, of England, in the first round of a contest at the National Sporting Club, last night for the heavyweight championship of Europe.

The actual time of fighting was one minute and thirteen seconds. Carpentier made it a hurricane affair, concentrating his attack on Wells' weak point—his stomach—and soon had the Englishman groggy. Then, with a tremendous swing to the jaw, followed by a smashing left and right to the ribs, Carpentier sent Wells down for the count.

Throughout the brief contest the Englishman did not strike one effective blow. The fight was for a purse of \$15,000 and a side stake of \$5,000. It attracted great interest among sportsmen because it was the second meeting between the British heavy-weight and the Frenchman within a few months. The last fight took place at Ghent, and Carpentier knocked Wells out in the fourth round, after the Englishman had had all the better of the first two rounds.

Wells' defeat was a painful shock to English sportsmen who, under the impression that his heavy weight was due to a fluke, made him a strong favorite over the Frenchman. Wells was backed freely, the prevailing odds being 5 to 4.

The match attracted more interest than any fight held in England, since the Slav-Jackson contest, and the national sporting club was packed, and extravagant prices were paid even for standing room.

The crowd "booed" Wells at the end of the fight, and their fallen idol had some trouble in getting a hearing to explain that he was unable to withstand Carpentier's terrific assault on his mid-section.

2 TORONTO BROTHERS KILLED IN STATES

TORONTO, Dec. 8.—Harry James and Arthur James, reported shot by a Calumet mob while asleep Sunday morning, are identified here as T. H. Jane and W. A. Jane, who worked as motormen and conductor, respectively on the street railway for the past six months. They had worked at Calumet previously, but left there when the trouble began, and came to No. 3 Golden Avenue, West Toronto. The James originally came from Cornwall, England, where they left a widowed mother and whither T. H. Jane proposed going to be married. It is understood that before leaving for Calumet, they had been assured that the trouble there was over.

WHERE TO VOTE NEXT JANUARY

Deputy Returning Officers Were Appointed by City Council.

At the City Council meeting last night a by-law was carried appointing deputy returning officers and naming places of polling for the municipal elections in January. The appointments were as follows:

Ward One.
Sub-Division 1: Thomas Ion, Deputy-Returning Officer at 4 Spring St.
No. 2: D. McEwen at 35 Egerton Street.
No. 3: Thomas Bremner, at 14 Bowes Avenue.
No. 4: James Mather, at 99 Oxford street.
No. 5: William Robertson at Wm. Mullaney's.
No. 6: Maurice Quinlan, at 9 Colborne street.

Ward Two.
No. 7: William Kilgour, at 21 Dundas street.
No. 8: B. T. Leggart, at 32 Niagara street.
No. 9: W. J. Pierce, J. McKenna's.
No. 10: Chas. H. Read, at 55 Albion street.
No. 11: G. E. Adams, at 66 William street.

Ward Three.
No. 12: James W. Turt, City Hall.
No. 13: A. L. McPherson, at Fire House.
No. 14: F. W. Thompson, at Court House.
No. 15: F. Cutmore, at 122 Market Street.
No. 16: Fred Coyell, at 203 Market Street.

Ward Four.
No. 17: J. H. Ness, at 263 Dalhousie street.
No. 18: Wm. Green, at 200 Darling street.
No. 19: Thos. Conboy, at 145 Peel street.
No. 20: Wm. Smart, at 233 Murray street.
No. 21: W. H. Freeborn, at 266 Murray street.

Ward Five.
No. 22: F. J. Bullock, at 155 Park street.
No. 23: H. B. Adams, at 53 Arthur street.
No. 24: S. H. Wilson, at 32 Sarah street.
No. 25: B. Pearcey, at J. Campbell's.

FOUR WINTERS OF RHEUMATISM

Cured of Severe and Muscular Rheumatism by "Fruit-a-Lives"

RIDGEMOUNT, Ont., May 21st, 1913. "Fruit-a-Lives" cured my Rheumatism. It was the only medicine that made any impression on me. I was laid up for four winters with Severe and Muscular Rheumatism, and was completely crippled.

Some neighbor of mine told me that "Fruit-a-Lives" helped him, and I started faithfully for two years, taking them every day as I saw they were doing me good, and the results were marvelous. For over two years, I have been completely free from any Rheumatic Pains whatever, and I give "Fruit-a-Lives" the credit. W. H. RACHEL, 506 - 508, Box 6, 250, trial size, 25c. At all dealers or from Fruit-a-Lives Limited, Ottawa.

FIFTY DEAD IN CITY OF DENVER

No Funerals There Since Last Wednesday on Account of Storm.

[Canadian Press Despatch]
NEW YORK, Dec. 9.—A despatch to the Tribune from Denver says that the bodies of fifty dead lie in their homes in Denver, as the undertakers cannot get ambulances through the snow to remove them. It is also impossible to reach the cemeteries.

It was announced yesterday that there would be no burials in Denver for ten days. There has been no funeral in Denver since last Wednesday.

Many babies have been born since the beginning of the snowstorm, one of them in the shelter of a ten-foot snow bank while the mother was struggling through the drifts on her way to a hospital. Another child was ushered into the world on a storm-bound express train.

Garnet Bush who has umpired in many leagues, including the National, will be back in the Texas League next year, according to report.

Just about the time Leslie Bush was celebrating his 20th birthday, the young twirler of the Athletics, who resides in Brainerd, Minn., ran down and killed Louis T. Miller, 75, with an automobile presented to him by Philadelphia fans after his work in the world's series.

WONDERFUL COLD CURE

Just think of it, a cold cured in ten minutes—that's what happens when you use "Catarrhozone." You inhale its soothing balsams and out goes the cold—coughs are cured—headache is cured—symptoms of catarrh and grippe disappear at once. It's the healing pine essences and powerful antiseptics in Catarrhozone that enable it to act so quickly. In disease of the nose, for irritable throat, bronchitis, coughs and catarrh it's a marvel. Safe even for children. 85c and \$1.00 sizes at all dealers.

Miner Brown is said to be the most favored successor to Joe Tinker at Cincinnati.

Spring Street Had a Fire

Unoccupied House Belonging to C. Force in Mysterious Blaze.

Shortly after 8 o'clock last night the Central Fire Department was called to 114 Spring street where there was a brick blaze on the second floor of that storey and a half-brick dwelling at that number.

A nice specimen of mixed metaphor was collected from the chairman of a municipal committee the other day. He was replying for the Corporation...

A lady asked one of the children in her Sunday school class: "What was the name of the Pharaohs?" "Eating camels, ma'am" was the reply.

LAXATIVE FOR OLD PEOPLE - "CASCARETS"

Salts, calomel, pills, act on bowels like pepper, acts in nostrils.

Get a 10-cent box now. Most old people must give to the bowels some regular help, else they suffer from constipation.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses, as to neglect this gentle aid to weak bowels.

Acting Mayor Spence asked why the committee had not made application to the Ontario Railway Board to make the company give a joint use of their poles.

HYDRO DELAYED - STREET R.V. THE CAUSE - ENTANGLEMENTS

(Continued from Page 1)

Fire and Light. The fire and light committee reported as follows:

The fire and light committee reported as follows: That the Brantford Gas Company be instructed to install a gas service pipe from their main at the sewage pumping station on Greenwich St. to the Hydro Electric sub-station at a cost of 11 cents per foot...

That the fire and light committee be authorized to make arrangements for an extension to the street lighting contract by the Western Counties Electric Company until the street lighting system of the Hydro Electric department is completed.

In reference to the report, Ald. McFarland said that a by-law for the ornamental lighting system could be put through until the system was complete.

Acting Mayor Spence asked why the committee had not made application to the Ontario Railway Board to make the company give a joint use of their poles.

The finance committee reported as follows: That the communication of George Hatley, re Brantford Industrial Real Estate Company's bonds, be submitted to a special committee consisting of the chairman of the manufacturers committee, the City Treasurer, the City Solicitor and the Finance Committee...

Ald. Suddaby said in reference to the last clause that the property was outside the city and \$2 per foot frontage instead of \$1 was being charged.

Ald. Charlton explained the purpose of the Industrial Realty Company, in which 50 citizens had each put in \$1000, and the city was being asked to guarantee 75 per cent of the cost of buildings and land to be secured for the securing of new factories.

Ald. Spence said the members of the company would not get any more than 6 per cent on their money. They should be responsible for one quarter of the cost of buildings and land.

Notes of City Council Picked Up Last Night

The Council was 20 minutes late in getting a quorum.

The Children's Aid Society wants its regular grant of \$150.

Hydro-Electric installation cost \$2967 during November for labor.

Thanks were extended to the Council for the grant of \$150 to the Lakes Disaster Fund.

City Engineer Jones had his application for increase in salary referred to the board of works.

A report on the early closing by-law will be brought in at the next meeting of the City Council.

Ald. Charlton takes Ald. Spence's place on the floor of the house in finance matters, during the latter's occupancy of the Mayor's chair.

Col. A. J. Wilkes expressed surprise at expropriation of his property on West Mill street. It is required by the city for street purposes.

Ald. Ward kicked on the \$77 account for the tree trimming. Several such accounts had come in and he wanted to know just where it would stand.

A by-law was passed last night, making Colborne street between Brook and Stanley streets, a residential street only.

A by-law passed some months ago for the purchase of a new steam machinery for the streets and other shovellers for \$8000 could not be issued under it.

Ald. McEwen asked Ald. Suddaby if any action in regard to the claim of Mrs. Kelly, Jubilee Avenue, had been taken.

Ald. Ryserson, the Greater Brantford representative, was immediately on his feet. He said the proposition was a purely local one.

Ald. Hollinrake said he knew of another company with similar objects the members of which were putting up their real estate.

Ald. Ryserson was again on his feet. Three men, he said, William, Schultz, Joseph, Ruddy, Joseph Ham had spent weeks of their time in a public spirited way for the Greater Brantford Board.

HACKING COUGH OF TWO MONTHS STANDING

Cured by Na-Dru-Co Syrup of Licorice, Nuxom and Chlorodyne.

You know how hard it is to get rid of a cough that has hung on for even two weeks, let alone two months.

I suffered from a hacking cough for over two months. I tried several remedies, but they failed to cure me.

The unique, scientific combination of three such reliable remedies makes Na-Dru-Co Syrup of Licorice, Nuxom and Chlorodyne the best preparation that has ever been offered for all sorts of colds and coughs.

RUPTURE (SEE DATES AT BOTTOM) COMING

Truss Torture Once Thought Necessary, but Now Vanishes

J. V. EGAN, Specialist of Toronto

Old-fashioned truss torture is no longer needed. Calling slipping trusses and barbarous methods of treating rupture are done away with by the wonderful invention of a specialist who has devoted fifty years to this one affliction.

Acting Mayor Spence closed the discussion by stating that there would be a special meeting to discuss the matter thoroughly.

A VEGETABLE CONSTIPATION CURE

Because they contain mercury and mineral salts, many pills are harsh. The easiest and safest laxative is Dr. Hamilton's Pills of Mandrake and Butternut.

To show the Homeland is not forgotten, though you are far away, mailing day Dec. 11th for letters, 8th for parcels.

George Weller, who formerly starred with the All-Nation team as third baseman, has signed with the Virginia club of the Northern League.

Proof of Value

of the time-tested, world-tried, home remedy—proof of its power to relieve quickly, safely, surely, the headaches, the sour taste, the poor spirits and the fatigue of biliousness.

BEECHAM'S PILLS

Walter Frantz has been named to lead the Austin team of the Texas League next season.

Mrs. Lucker, injured on January 6th last, according to the City Solicitor's had no claim for damages against the city.

An account from the Brant Sanitarium for \$1117, which Ald. Charlton said came in at the last minute, was left over for further consideration.

The City Council is asked to appoint one representative with a term of three years to follow up the enquiry into the establishment of a prison farm for different counties.

The quorum present was as follows: Acting Mayor Spence, Ald. Charlton, Minshall, Quinlan, Pitcher, Broadbent, Sutch, Woolams, Ryserson, McFarland, Hollinrake, Ward, Suddaby, McEwen.

Little satisfaction could be secured by the city in the matter of the explosion of torpedoes near the O. I. B. Grand Trunk officials said torpedoes were necessary and their use approved of by the Dominion Railway Board.

It was announced that Mr. John Waller would take charge of the superintending of the cemeteries until other arrangements were made.

Ald. McEwen said he had consulted the Mayor and it was agreed that Mr. Waller should temporarily succeed the late Mr. Muirhead.

Ald. Charlton reported on the recent conference at Woodstock in reference to the prison farm project. He said the total cost to all the counties would be about \$50,000.

It was proposed to have a delegation wait on the Brant County Council, to ask their co-operation. That body so far has not seen its way clear to join in with the other counties, and it seems that the project and its cost are not thoroughly understood in Brant.

Acting Mayor Spence said the Minister of the Interior at Ottawa had recently given a good hearing to the city's case and steps would be taken to get the rival claims of the New England and Six Nations in regard to the Etche lands on Colborne St. settled.

The land, said the Acting Mayor, will be kept out of the hands of speculators. It was pointed out that expenditures on sewers by the city to the lower portion of the property marketable. The New England Company hadn't contributed a cent to the improvement.
