Town and County News

**H. HANNINGTON, of Mount Crest, has
just finished a beautiful banner for use
by the Orange Lodge near Holstein.**

CORRECTION.—The winner of the 400
yards race on Wednesday was J. H.
Fraser, not J. H. Fram, as we had it in
Thursday's issue.

NEW TRIALS.—The Court of Queen's
Bench have granted Messrs. Scroggie &
Newton a new trial. This is the case in
which that firm sued the Corporation
for damages for goods destroyed in their
cellar by water flowing into it last spring
from defective drains. In the case of
Fishie vs. Hogg, the Court has also granted
a new trial.

SLIGHTLY SCORCHED.—As several com-
panies of the Brigade were practicing at
the Rifle Range, yesterday, two of the
men were slightly scorched about the
face owing to the breech-block flying
open when in the act of discharging their
guns. Frequent firing had fouled the
guns, thus probably causing the acci-
dents.

HEAVY LIES.—Mr. Jesse Hilborn, of
Waterloo Township, was unfortunately
enough to lose his purse on Saturday
last, containing the sum of \$190 in bills,
together with a note of hand for \$30.
Mr. Hilborn had driven down to Galt
and gone over to the Queen's Hotel on
business, and on his way home he missed
his purse. No information regarding it
has yet been received.

TO MAGISTRATES.—It would be well
for J. P.'s to take particular notice of
the provisions of sec. 44 of the New On-
tario Act respecting the sale of spirituous
liquors. The section in question pro-
vides in effect that charges of infraction
of the Sunday clause must be tried be-
fore two or more Justices of the Peace.
Convictions before single magistrates
will be quashed on appeal to the Judge.

LAW CARD.—It will be seen by the card
in another column that Mr. B. Oliver and
Mr. A. M. McKinnon have entered into
partnership. We notice by the Belle-
ville Ontario that Mr. McKinnon, who
by the way studied law for a time in
Guelph, was on Monday night last en-
tertained at a complimentary supper by
his friends and fellow students in that
town, previous to his departure. Mr.
W. Bell, one of the partners in the office
in which Mr. McKinnon was, occupied
the chair, and in proposing Mr. McKin-
non's health highly complimented him
on his ability, on the interest he
took in his work, and the attention he
gave to it at all times. He was glad
to know that his talents were recognized,
and that he was leaving for a
wider sphere. We congratulate Mr.
McKinnon on the compliment extended
to him, and feel proud of him as one of
our County boys, and wish him every success
in his new business relations.

THE COMING PLAGUE.—We believe the
reports from different sections of the
country are evidence that we have in our
midst the germs of a coming pest. It is
not very consoling that thus far the
grasshoppers are not large, for their
size is a secondary matter when their
numbers are considered. A subscriber
writing to the Perth Courier from the
vicinity of Watson's Corners, Dalhousie,
says that the grasshopper plague has
developed itself in that section, and
promises to be of the most formidable
character. Myriads of the vermin, hardly
larger yet than black flies, infest every
field, and are beginning to prey on the
luxuriant pastures and meadows. The
farmers in the infected districts expect
to lose all their hay crop at least, but
a season of occasional showers, by keep-
ing up a grass supply for the grasshoppers,
may save the rest of their crops. The
number of the creatures is so vast that
it would be useless to try any preventive
or remedy. The whole of the Township
of Dalhousie and the adjoining Township
of Lanark will suffer equally bad with
the section named, and there is every
prospect of the hay crop being totally
ruined this year.

**ON Monday night, a man named Angus
McFee was arrested at Komoka, on
suspicion of being one of the parties who
"shifted" the rail at Sifton's cut. He
was remanded for eight days.**

—LOST AND FOUND.—On Saturday fore-
noon, Mr. Geo. Fladd, hotel keeper,
Salem, had been in Elnora, and on his
return to Salem missed \$63 in bills,
which he supposed he had lost between
Biggar's Hotel and the barber's shop in
Elnora. He searched for the lost money,
but did not find it, but next morning his
son found it in the centre of the street
between Strick's Hotel and Simpson's
waggon shop.

**A MAJORITY of the Judges of the Mon-
triel Court of Appeals, in confirming a
previous judgment, have delivered an im-
portant decision, ruling that, under
Cap. 17, Vic. 29, a husband may effect
unlimited insurance for the benefit of
his wife, or his wife and children, which,
when payable, cannot be seized by the
wife's creditors, such being regarded as
alimentary provision.**

THE BRIGADE CAMP.

Friday, July 3rd.

As far as we learn matters at the
camp are getting along smoothly. Those
officers who had never been in camp be-
fore are getting accustomed to the
routine of military life, and the multi-
farious duties attending it, while the
men, with very few exceptions, take to
tent life very readily, and feel an ease,
abandon and comfort in it which a civil-
ian who never slept under canvas has
no idea of. The routine duties may be
briefly summarized as follows:—Squad
drill at 6 a.m.; battalion or company
drill at 9:30; brigade or battalion drill
at 3 p.m., which gives a total period of
exercise of from five to six hours each
day.

Guard duty is an important part of the
routine work of the camp. This is done
by the battalions in turn, so many men
being picked out from each company.
The guard is placed at the offices at the
gate, and sentries are posted all along
the approaches to the camp, around the
officers, tents, and on the confines of
each battalion. Some irregularity oc-
curred in mounting the guard on Tues-
day night, in consequence of which
Private George Lindmore, of Company
No. 7, Bruce Battalion, was allowed to
remain on guard duty for fourteen hours
without being relieved. This was a
gratuitous blunder, but the poor fellow un-
flinchingly stuck to his post, and received
next morning the special thanks of Col.
Sprout for his faithful discharge of
duty. Care has been taken that no such
mistake shall occur again.

The Commissariat department is in
excellent order, and all the arrangements
for the distribution of rations, &c., are
complete and carried out with the greatest
precision and regularity. Supply Officer
Harvey deserves credit for the very
efficient way in which he manages this
important department, and this also
applies to the different Battalion Quar-
termasters. We hear complaints in some
quarters that the daily allowance is not
sufficient for the men, and that some of
them come in to town and supplement
their rations by buying things in the
stores. We have always understood that
the allowance is more than ample, and
we know that full weight is meted out to
every man. If there is any ground for
complaint, the officers are not to blame,
for they have to go according to the rules
laid down in the service.

Our readers will form some idea of
the quantity of provisions and forage
consumed daily, by the following list of
articles and quantities:—Sugar 160 lbs,
cheese 160 lbs, coffee 25 lbs, tea 25 lbs,
bread 75 lbs, salt 40 lbs, meat 2,125 lbs,
bran 2,000 lbs, potatoes 1,200 lbs, hay
1,200 lbs, oats 800 lbs, wood 7 cords.
Mr. John A. Wood is contractor for the
groceries, Mr. John West for the meat
and Mr. John Harris for the bread,
and Mr. Geo. Balkwill for the forage and
potatoes.

On Thursday the 29th Batt. were
engaged nearly all day in musketry prac-
tise at the rifle range, and made very
fair shooting. Each battalion will take
their turn at rifle practice. The three
remaining battalions left in camp were
engaged all the forenoon in battalion
drill, varied in some cases by skirmishing
movements. The 29th were under com-
mand of Major Peck, the 30th of Major
Armstrong, the 32nd of Major Bruce—all
good officers, well up in their work, and
assiduous in the discharge of their duties.
The forming column, wheeling into line,
marching in line and column, deploying,
marching past, and all the other move-
ments were well done, considering that
many of the men have been in the ranks
for only a short time. The Battery
drill is from 6 to 7 each morning, then
from 9 to 12, and again at 3 in the after-
noon. Generally there is gun drill in
the morning, field drill in the forenoon.
In the afternoon it is usually parade
with gun drill for gunners, harness drill
for drivers, and sword exercise for of-
ficers and sergeants. The men are well
up in their work, and the officers, who
understand their duties well, give their
whole time to them, and as they have
good reason to be, are quite proud of the
Battery.

In the afternoon the three battalions—
29th, 30th and 32nd—marched out to
the Race Course for battalion drill. Col.
Clark was in command. The move-
ments consisted of forming line, re-forming
column, marching past, and forming
column of battalions. The marching
was done in some instances, very fairly;
in others it might have been better,
but with daily practice the men will
improve.

We are glad to notice that the efforts
of the Y. M. C. A. are being so well ap-
preciated. A wing of the Exhibition
Building has been opened under the
charge of the active Secretary, Mr. Al-
chin, who is present all day, and is assid-
uous in his attention to the men. They
are supplied with sound reading, and
writing materials are always at hand.
The daily prayer meetings in this room
are well attended, and they exercise a
most salutary influence on the men.
The Rev. W. S. Ball is also most atten-
tive, and is ever active in doing good.
He has an able confidant in the Rev.
Mr. Cooper, Chaplain to the Bruce Bat-
talion, who like Mr. Ball has daily reli-
gious meetings with the men. The bo-

neft of such praiseworthy exertions can- not be too highly estimated, and to these, as well as to the usual good behav- iour of the men, the excellent order and quiet in the camp is in good part attributable.

This forenoon Major Irwin, Command-
ant of the Kingston School of Gunnery,
inspected the Battery. Col. Taylor, as
was expected, did not arrive yesterday.
It is thought he may come to-day.

The Watertown Tournament.

**Guelph Maple Leaf Club Victorious
13 to 4.**
Special to Mercury.

Watertown, N. Y., July 3, 1874.
At the base ball tournament here to-
day, the Maple Leaf Club, of Guelph,
beat the Kn Klux Klan Club, of Oneida,
N. Y., by a score of 13 to 4. There is
great excitement over the result, and the
chances are good for the Maple Leaf
Club winning the \$500 prize.

POLICE COURT.

(Before the Police Magistrate.)

July 2.

William Bailey and Joseph Caskin,
for creating a disturbance in the Market
Square, were dismissed.

William Pike, Catherine Pike, and
James Morrison, for being drunk on the
30th, were fined \$1 and costs each or ten
days at hard labor.

John A. Alderdice charged George
Patterson with assault and battery. The
defendant was fined \$3 and costs.

Anthony Roth charged by Wendelin
Sawers with assaulting and beating Mrs.
Sawers in Pilkington, on the 25th June,
was fined 50 cents and costs.

Wendelin Roth was charged Wendelin
Sawers with breach of Liquor Act in
Township of Pilkington. He was fined
\$20 and costs.

Joseph Hauser, Ignatz Hauser, Ignatz
Roth, Anthony Roth, Philip Killinger
and Wendelin Roth, of Pilkington, were
charged by Wendelin Sawer with dis-
turbance of the peace and damaging his
house in Pilkington. The defendants
were committed for trial.

School Examination.

(Communicated.)

The semi-annual examination of the
female department of the Guelph Se-
parate School, presided over by the Sisters,
took place on Thursday afternoon in
their commodious school room at the
Convent. A large number of respectable
citizens were in attendance, all of whom
appeared highly delighted at the satis-
factory manner in which the pupils ac-
quitted themselves. In arithmetic the
aptness with which complicated ques-
tions were elucidated displayed very
marked proficiency in that branch of
study, whilst their geography, gram-
mar, spelling, and especially their read-
ing were most excellent. From time to
time at different stages as the examina-
tion progressed, the audience was most
agreeably entertained by the vocal
music with which they were treated by
the young ladies, as well as by well-
timed recitations which were given with
coolness and due taste. Upon the
whole, the examination was satisfactory
in the highest degree, and reflected very
great credit as well on the teachers as
on the pupils.

At the close, Mr. J. P. MacMillan was
called upon to offer a few remarks. He
expressed the pleasure it afforded him
in being present, and at witnessing the
interest taken in the school by the pa-
rents and friends of the children, as
testified by their presence. He paid a
very high compliment to the teachers for
the system and regularity with which
the school is conducted, and congratulated
the young girls for having profited
so much by the exemplary gracefulness
and modesty which were afforded them
by their associations with the sisters.
He concluded his remarks by paying a
very high compliment to the Rev. Father
Holzier for having been the means of
first establishing the Convent in this
town, an institution which afforded the
community of Guelph and vicinity so
many appreciable advantages.

Temperance Entertainment at Rock- wood.

Our correspondent sends us a report
of the entertainment which the I.O.O.F.
held on the evening of the 1st in the
Town Hall, which we are obliged to con-
dense. Between 400 and 500 were pre-
sent, and all were highly pleased with
the proceedings. Dr. Curry was ap-
pointed chairman. After the opening
ode was sung, Miss Carter presiding at
the organ, Mr. Denroche engaged in
prayer. Appropriate speeches were
made during the evening by the chair-
man, Rev. Messrs. Denroche, and P.
Jones and Messrs. Brill and Hodgskin-
son. The entertainment consisted of
dialogues, readings, vocal and instru-
mental music. The ladies and gentle-
men who took part were Mrs. Horlop,
Misses Trefoy, Shultz, Carter, Osborne,
Kemp, Curry and McFarlane; and
Messrs. Hampson, Kemp, Nelson, Brown-
lie, and Williams. At the close the
closing ode was sung, after which Rev.
Mr. Jones engaged in prayer, and all left
highly pleased with the entertainment,
Town Hall, which we are obliged to do
still more in future for the great cause
which they all had so much at heart.

CONCERT AT ROCKWOOD.

—We understand that Mr. B. K. Maitland, of Guelph,
assisted by his singing class in Rockwood,
will give a grand concert in the Town
Hall, in that village, on Tuesday evening,
July 7th. He has also secured the ser-
vices of Mrs. Fowler, of Peterboro,
Miss Gerris and Miss Annie McPherson,
of Guelph; Miss Cassitt, of Guelph, will
preside at the organ. This concert will
undoubtedly be unusually interesting to
the lovers of melody.

James Briggs lectures before the
Young Men's Christian Association in
Toronto on August 11th.

BY TELEGRAPH TO THE MERCURY

The New Bridge at St. Louis.

Reduction of Railroad Rates.

Discussion on Home Rule.

The Tilton-Beecher Difficulty.

St. Louis, July 2.—The final and very
severe test of the St. Louis and Illinois
bridge was made to-day. Fourteen loco-
motives, averaging forty tons each, were
placed, seven on each track of each
arch, which produced a deflection of
two and a half inches on the centre
arch, which is 520 feet long. Several
other tests were made, all of which
were regarded as highly satisfactory.

St. Paul, Minn., July 2.—The State
and Railroad Commissioners have pre-
pared a schedule of freight and tariff of
rates for the various railroads in the
State, reducing passenger rates from five
to three and a half and four cents per
mile.

London, July 3.—In the House of
Commons last night the discussion of
Dr. Butt's Home Rule motion was re-
sumed. Daniel O'Donoghue, member
for Tralee, said the Home Rule move-
ment was a miserable compromise con-
ceded by those who dare not to face the
penalties of Fenianism. He acknowl-
edged the desire of England to con-
ciliate Ireland, and said that persev-
erance in this agitation would be in
defiance of gratitude, justice and common
sense. He said that the ultimate ob-
ject of the leaders of the movement was
to incite Irishmen to force the repeal
of union, and their success would plunge
Ireland in civil war and annual re-
cent progress in that country. He said
further that if England continued to re-
move every pretext for plea of mis-
government in Ireland, the result would
be the disgraceful failure of the move-
ment. He firmly believed its success
would bring ruin to the interests of
every man in Ireland. Robert Lowe,
member for the University of London,
said the establishment of a local Irish
parliament would involve the necessity
of similar bodies in Scotland and Eng-
land, and the result would be constant
disputes and difficulties. Disraeli was
unable to agree that Ireland had a right
to a greater amount of self government
than Scotland or England. He demon-
strated the groundlessness of the com-
plaint that Irishmen were not appointed
to high offices of Government, and de-
clared that Ireland was treated as a con-
quered country. He said that two sepa-
rate parliaments would be constantly
in collision. The minority in the Irish
Parliament would be always appealing to
the Imperial Parliament. He opposed
the motion because it was injurious to
both countries. At the crisis of the
world, which was nearer than some sup-
posed, he wished the people to be united.
To accept this motion would produce a
rise in England, and might result in
the destruction of the Empire. Mc-
Carthy, Mitchell, Nolan, Connor, Don
and others spoke in support of the
motion. At a late hour the House divided,
and Dr. Butt's resolution was rejected by
a vote of 61 against 458 rays.

New York, July 3rd.—Mayor Have-
meyer has re-appointed police commis-
sioners Charlick and Garliner.

So far as is at present known Plymouth
Church, like its pastor, intends to adhere
to the policy of silence with reference to
the Beecher-Tilton scandal.

Arrived, steamship Etna, from King-
ston, and Washington, from Brest.

CANADIAN FLOUR.

—We understand that E. W. B. Snider, of St. Jacobs, has
for some time been shipping his celebrated
Haxall Flour to Great Britain direct,
with encouraging results. As a curious
illustration of the extreme conservative
feeling which permeates old country
people, we are told that his first consignment
could not be got rid of on any
terms. The bakers tried samples of it,
and reported it excellent, but they always
bought their flour in sacks, and this
being in barrels, they could not trust it.
At last the consignee bought a lot of
sacks and emptied the flour into them,
when presto, the whole lot went off his
hands as if by magic.—Waterloo Chronicle.

RETURNED.—Mr. John Shuk and party
have returned to Waterloo from Mani-
toba. They confirm the accounts previ-
ously given of the extreme fertility of
the soil, but they saw evidences that the
waters are both long and severe. The
winter of that magnificent country will
no doubt be most prosperous, but any-
body who expects an earthly Paradise,
or a fortune without working for it, will
probably be disappointed there as well as
here.

FATAL ACCIDENT AT HARRISBURG.

—On
Thursday afternoon an old gentleman,
Mr. Lovejoy Smith, of Brantford, and
his wife, were on their way to visit some
friends in London, and while waiting for
the train going west had occasion to cross
the track. Not noticing a coming train,
and before he could be made to realize
a sense of his danger, Mr. Smith was
knocked down, receiving injuries from
which he died about an hour and a half
afterwards.

FAREWELL DINNER AND PRESENTATION.

—On
Tuesday evening last, a number of the
many friends of Mr. D. L. Scott, of
Brampton, brother of Judge Scott, met
at the St. Charles restaurant, and enter-
tained that gentleman at an oyster
supper, previous to his departure for
Orangeville. After the table had been
cleared Mr. James Fleming presented
Mr. Scott with a handsome gold watch.

STUCK BY LIGHTNING.—A large frame
planing factory in Brantford, occupied
by Wm. Hunter, was struck by lightning
during a heavy storm which passed over
the town at 9 a.m., on Wednesday night,
and was burned to the ground. Loss
\$1,500. There was an insurance of \$900
on the material.

Warning to Intending Emigrants to Manitoba.

We have lately, from private letters and other sources of information, learned that the influx of labor into Manitoba is out of all proportion to the demand, and we think it is due to intending emigrants to that Province to warn them in time. Many who have gone out in the expectation of getting steady employment at good wages have found to their sore disappointment that there are far more mechanics than are required, that in consequence wages have gone down to almost nothing, and that many good mechanics are now working in Winnipeg for their board. The following, from the Manitoba Gazette, confirms this information, and in giving it publicly we feel sure we are doing a service to those who contemplate going to Manitoba in search of work:

"To the young men of the Eastern Provinces we would say: 'Unless you have some capital—say at least from \$500 to \$1000—stay and be content at home for the present.' The labor market here is overstocked. Many a new arrival is anxious and willing to work for his board, but has to remain idle while he sees his little hoard rapidly melting away. Many a poor fellow who is here to-day, and unable even to find work for his board, is bitterly anathematizing the false tales that led him to leave his home and friends under the expectation of bettering himself in the Far West. A new comer from the neighborhood of Barrie, Ont., told us the other day that he with a party of twenty-four others, had been induced to come up here by the glowing representations he had seen in the papers, in which everybody was invited to come up, that there was work for all, etc., etc. Their intention had been to take up claims and then come into town and earn sufficient to enable them to commence farming. Well, what is the result? They find the land—everything that it was represented, only waiting to be cultivated to yield a bountiful return of any crop that may be put in, and yet many of them have been compelled to turn their backs upon the farmers' paradise simply because they have been unable to find the labor that they were told was so abundant. And so, unable to procure the means of helping them along, the next stage or boat will bear many of them back to Ontario, while they have still sufficient funds left to pay their passage. This is no overdrawn picture, but the actual state of affairs. Our country is dependent for its prosperity in a great measure upon the disembarkment of public moneys in our midst, and the only public works at present going on are the Custom House and Land Office, for the erection of which there is more than enough labor to be had on the spot."

It is worthy of remark that the vote of thanks passed by the school teachers of East Middlesex in favour of the Globe's action in the Sangster case was moved and seconded by C. servatives.

At the Stratford cheese market on Thursday 2,940 boxes offered, and 2,360 boxes were sold at 11c.

The Township of Dumfries numbers 685 voters, while the list for the town of Stratford shows 1,372.

The Thompson estate in Galt has been purchased by Messrs. Main, Springer & Slater of that town.

An advertising dentist advertises to "extract teeth without pain to the operator and with very little to the bystanders."

The Milton Champion has changed hands. Mr. Mathieson has sold the office to Mr. George Wilson, of Hamilton. It is to be hoped the latter will improve the paper.

Mr. Wm. Quarrie, saddler, of Galt, is at present making up a set of harness to go to England, while at the same time Messrs. Gillies & Co. are making a buggy for the same destination.

During the severe storm on Thursday last, the electric fluid struck the wires of the Dominion Telegraph Co. about three miles from Stratford, and the wires in the Stratford office were literally melted, the metal falling in drops on the floor.

The Premier attended the grand review of volunteers at Rideau on Dominion Day. At the camp he was well received by the officers, and after inspecting the various corps expressed himself well pleased with the appearance and steadiness of the men.

It is said that two young men, some of respectable tradesmen in Hamilton, having fallen out about something or other, are in such a state of excitement that one has challenged the other to deadly combat, asking him to choose his weapon, time, place and seconds.

Evidence was taken in Hamilton on Thursday for the extradition of Henry Lewis, arrested in that city, charged with an attempt at murder by throwing a train off the track of the Miami Railway last September. The case is adjourned till the 6th July to procure further evidence.

A violent wind storm passed over the Township of Wilmet recently, doing considerable damage by uprooting trees, levelling fences, etc. We learn that Mr. Henry Tye lost a valuable cow, which was killed by a tree falling upon it during the storm.

C. V. R.—It is reported that valuers are at work out in Dumfries, securing the right of way for this road. The valuations seem to have commenced at the Blenheim line and are working towards Galt. In several cases the right has been secured, prices varying from \$35 to \$40 per acre.

In Stratford on Tuesday last, a Mr. Watford was on his way from his house to the Engineer's Depot, at the G. T. Station, and in crossing the track, he was struck by a locomotive, which knocked him down, breaking his back and both legs, and otherwise horribly mutilating him. Aid was promptly sent for, but the injured man died at three o'clock.

A musical gathering of some importance took place at Preston on Wednesday. Many Germans from several cities and towns were present, and they had a rehearsal of parts of the programme of a future day. The Germans of Western Ontario promise to become the leaders in musical achievements.

A man living in Woodstock, who failed to get a thirty cent pine apple for

a quarter of a dollar, wanted to know "whether we are breathing the pure air of freedom, or being strangled with the fetid breath of hellish despotism?" The storekeeper said those were the only pine apples he had.

DEATH FROM A RUNAWAY.—Mr. Walter Smith, of Galt, whose injury from a runaway and the amputation of whose leg in consequence we recently noticed, died on Monday afternoon last at a quarter to four o'clock, at the Union Hotel, where he had been living since the unfortunate accident.

STRIKE ON THE NEW CANAL.—It was reported in St. Catharines on Thursday morning that the navvies all along the line of the new canal had struck work, for an advance of wages. Most of the men are leaving, but new hands are coming on at the lower rates, or \$1.25 per day.

Canadian cheese is coming into special favor on the English market. The leading trade organs have lately had articles specially laudatory of Canadian cheese. This fact is worthy of special note, the more particularly since the Canadians came into direct competition with the Americans, whose experience in this line is much older than that of Canada.

OLD HUNDRED.—The history of this old Psalm tune, which almost everybody has been accustomed to hear, ever since he can remember, is the subject of a work recently written by an English clergyman. Luther has generally been reckoned the author of "Old Hundred," but it has been discovered that it was composed in the sixteenth century, by William Franco, a German. In the course of time it became considerably changed from the original; and it is said that, as it first appeared, it was of a more lively character than at present.

Special Notices.

IT IS NOT WHAT YOU EAT BUT what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Phosphates and Calissaya is Nature's own remedy for derangement of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.

JOHN HOGG.

REMOVAL.

G. B. FRASER

Has removed directly opposite his old stand, where he has opened with a brand new stock at much lower prices than could be bought earlier in the season.

G. B. Fraser is too modest to advertise that he is selling much cheaper than those who make a great blow. Still facts are stubborn chiefs, and a discerning public pronounce Fraser's to be the cheap store to deal in.

G. B. Fraser gives his old friends a cordial invitation, and invites all who wish to save money to call and see his new stock.

G. B. FRASER,

Wyndham Street, opposite his old stand.

IMPORTANT

SALE OF PIANOS

The Committee appointed to dispose of the Pianos at the Manufactory of

JOSEPH F. RAINER,

WEST MARKET SQUARE, GUELPH,

Will offer them at a considerable reduction on cost on reasonable

TERMS OF CREDIT.

The stock consists of about

40

First-class Instruments!

Similar to those shown at the last Central Exhibition, and for which he was awarded the first prize.

They are equal in compass of tone, finish and durability to the best instruments of any of the celebrated manufacturers, and as such an opportunity seldom occurs, parties in want of pianos would do well to avail themselves of it.

An inspection invited.

A competent person will be on the premises, near Mr. John Harris's, who will show the instruments.
