said as the fireman yielded up his seat. "Throw your tank valve over and open your injector throttle. We've got to get steam enough into the tank to melt that ice. I put in fifteen cakes. They're good for twenty gallons apiece. I guess that will let us in. In fact, for all time?" In place of the party

presentatives should in turn elect their

Secretary Piers' Report on Game Matters

NO. 52

Caribou Increasing in Cape Breton and in Kings County. At the annual meeting of the Nova

Scotia Game and Inland Fishery Pro tection Society, Friday evening, Geo. Piers, the Secretary, submitted lengthy report on game matters.

In said in reference to moose that though one might think, from many of the reports received, moose had creased, he regretted that the increase was more seeming than real, owing largely to the extensive forest fires which raged last summer and drove the moose from the remote districts Liver Oil, but the nasty Cod towards the settlements and thus caus ing them to be oftener seen and giving the impression that they were becom ing more plentiful. The coming spring will be a hard one on the animals, as there is a great depth of snow in the woods, and as soon as the crust forms any lawless hunter on snow shoes will not find it difficult to run them down even without the aid of dogs. With the exception of Barrington, snaring is fast becoming abolished. Two me sent there last year destroyed over fifty snares. There is a different opinion among agents regarding the protection, some thinking the killing of cows should be prohibited, and others that the bulls should be protected. Mr. Piers' own opinion is that neither

of these methods is practical, as it is almost impossible for a hunter in the Development of Aluminum. thick woods to discern sex at a glance He agreed with those in favor of prohibiting the killing of calves. He re

Aluminum has become an importan product in the world's industries. Its gratted to learn of persons in Queen development as such is one of the county petitioning the legislature to many interesting stories of the indus amend the law regarding aliens and trial world. Twenty years ago, in their privileges, to have the license fee 1883, the total amount of aluminum the death warrant of the moose, for Nova Scotia would then he over run with market hunters, and the better 1886 the output was 3,000 pounds. In 1887 it was 18,000 pounds; and so the Mr. Piers could report nothing mor or 3,650 tons. Almost all of this

t one o'clock p. m., yesterday, me at Granville Centre, r loves from the county one who been long and favorably known within it. His illness was brief, being seized with pneumonia a few days before his was almost 80 years of death. He age, having been born in April, 1824. For years Mr. Troop has been the most prominent man in his section of the country. He was twice elected to the Assembly at Halifax on the Conservative ticket during the seventies A farmer, he has been as well a progressive agriculturist, and in reent years he has greatly improved the stock of draught horses in the county by his importations of this class of stock from Prince Edward Island. Mr. Troop married three times, his first wife being the widow of Joseph Morehouse, who was previous to her first marriage a Miss Susan Messenger of Centreville. One son by this marriage, Mr. Frank Troop, still lives on the homestead. The second wife was Miss Adelia Brown of Clarence, who had one son, Rupert, who died at the age of 18. Mr. Troop is survived by his third wife, who was Miss Magee of Canning, Kings Co., and who has one daughter, Miss Wilhelmina Troop, to share her bereavement Mr. Troop was a staunch Churchman and a strong Conservative. His sympathies, however, were broad, and h was the friend and adviser of a large circle of friends and neighbors, by whom he will be sadly missed.

OBITUARY.

TROOP.

CRISP. The death of Mr. Wm. Crisp occurred at his home at Paradise on the even ing of March 17th, from the effects of suscitating that organization, and will a stroke of paralysis received on the of age, a native of England, having come to this country with his parents in1847. The family came out in pany with that of the late Daniel Palfrey of this town. During his boyhood the deceased lived at Inglisville, but over thirty years ago settled on his fine farm on the Leonard Road near Paradise. He was a man o sterling integrity whom to know was to respect. He leaves a widow, one so and two daughters. One of the latter is the wife of Mr. Abner Williams o Clarence, and the other is the wife o Rev. A. V- Dimock, now of Winthrop Mass. The funeral took place Saturdia afternoon, the interment being at the Whitman burying ground at rencetown, JONES The sad news came from Windso last night ... the death at Mount Denson of mrs. Archie Jones.
