AT SAINT ANDREWS.

LEGISLATIVE COUNCIL,

Saturday, March 21. The Hon. Mr Black, from the select committee appointed to examine and report upon the bill to provide for a regular supply of sea men for new ships fitted out or cher, the sum of L10 for teaching lorded in this Province, presented a school in the parish of St. Stethe following report: -

The select committee to whom was referred the " Bid to provide of March, 1840. for a regular supply of seamen for new ships fitted out or loaded in this Province," have taken the House.) same into consideration and report consideration of the House.

Wm. Black, Chairman, Tuesday, March 24. Pursuant to the order of the day the house was put into a committee of the wholes to take into fur-ther consideration the bill to pro-vide for a racellar supply of sea-men for new thips, fitted out or loaded in this Province, and the report of the select committee thereon, which passed the Council with amendments.

Resolved, that a select committee of three members be appointed to investigate the confingent accounts of this house for the present ses-

Ordered, That the Hon. Messrs.

Ordered, That the Honourable Assembly shall appoint to wait upon his Excellency the Lieutenant Governor with the joint address of both houses to her Majesty on the subject of an act of the Imperial Parliament, respecting Vessels clearing from the Nor h American Colonies laden with timber, with deck loads, and request his Excellency will be pleased to transmit the same to be laid at the foot of the present copper coin."
