A True Story of Real Life.

"NO. 22 MCGILL STREET."

PASSING by this quaint, old-fashioned house nestling among the tall lilac bushes one would scarce dream of the interesting history related to a *Star* reporter by Miss Lottie Booth, a young lady who resides there. Miss B.'s bright and happy way of telling the story lent an added charm to its interest.

Seated in the cosy parlor Miss Booth told me a story of an experience she had had that fairly outrivalled anything I had ever heard. I thought the quaint old building had its romance, and I was not mistaken. Listen, and I will tell it to you, for I did not promise secrecy, and I am sure Miss Booth will not care.

A SCRAP OF PAPER saved Miss Booth's life. To a little scrap of paper she owes the pleasure of many happy days. This is how it happened:

"Miss Booth formerly lived in the city of Winnipeg. She is well known there, and people who live on Ross Street will smile when they read this incident, because they know it's true. Eight months ago she was a bright happy girl. She is now, but there was an interval between then and now, that Miss Booth never recalls without a shudder.

From health and happiness, Miss Booth fell into a languid, spiritless state. Rapidly her health declined, and friends saw with pained eyes that there was something radically wrong with her constitution. Day by day she faded away until no one would recognize her thin, sickly-looking self as the one-time healthy, rosy girl. Doctors were consulted time and again. "It's your heart," they said, and wrote out prescription after prescription accordingly. For

three long, weary, miserable months Miss Booth took their medicine, but the months were not longer than the medical bill that was presented and paid regularly every month.

Said Miss Booth: "My condition was a most deplorable one. I really thought my heart was affected, for it almost stopped beating at times, and I would have fainting spells that left me weak and helpless. Day by day I grew weaker.

I could eat nothing with a relish. Food was really distasteful to me. Oh, how weary and tired of life I was. At night I might have slept had it not been for horrible dreams and visions that flitted through my brain. Often I would awake screaming and crying."

One day Miss Booth sent to the drugstore to have a prescription filled. The clerk wrapped the bottle up with a circular. When she undid the wrapper Miss Booth picked up the circular and read it. It opened her eyes. It told her

that often times heart troubles were caused by that dread disease dyspepsia. "I believed that circular," said Miss Booth, "and I stopped taking the doctor's medicine at once. The circular said take Burdock Blood Bitters for dyspepsia. I did so. One half bottle was all I used before I began to get well. I took eleven bottles altogether. Now I am well and sound. The scrap of paper and Burdock Blood Bitters saved my life."

"Let me publish your story," I said to Miss Booth. She did not exactly like the idea of her name going into the paper, but thinking it might be the means of bringing health and happiness to others, she consented. Miss Booth moved to Toronto in December. She is the picture of health, and if you call at 22 McGill Street she will verify my story of her recovery.

MISS LOTTIE BOOTH.

• BAD BLOOD. •

SYMPTOMS :

**Boils, Pimples, Blotches,
Ulcers, Abscesses,
Eruptions,
Itching Rashes,
Scrofulous Sores.**

THE blood reaches every portion of the body to distribute nutriment and remove effete matter and waste products. Clearly then, any influence, good or bad, affecting the blood, must necessarily affect the entire system for good or evil as the case may be. To this fact is due the wonderful efficacy of Burdock Blood Bitters in removing every form of blood disease. It at once strikes at the root of the trouble, removes the impurities, and enables the blood thus purified to carry on the nutrition of the body with vigor so as to quickly restore the depleted system to a condition of vigorous health. From impure, tainted blood the transition to SCROFULA is easy and almost certain, and in the train of scrofula the most terrible and life-destroying diseases follow. Ulcers, Tumors, Abscesses, festering sores, disgusting eruptions, and last, but not least, Consumption, are some of the results of Scrofula. Here the powerful alternative, purifying and tonic action of B.B.B. exerts an unequalled curative influence.

BOILS, PIMPLES AND BLOTCHES are manifestations either of poverty or impurity of the blood, and require the prompt use of B.B.B. for their eradication, which it speedily accomplishes, at the same time strengthening the entire system. Pimples, etc., often arise from Dyspepsia and Constipation, and in these cases the B. B. B. has the double effect of removing the pimples together with their cause.

SPECIAL DIRECTIONS.—For Salt Rheum, Psoriasis, Tetter, Shingles, Scurf, Itching, and burning Rash, Erysipelas, Cancers, Eruptions, Scald Head, Scrofula, Ulcers, Abscesses, and similar skin and blood diseases, use Burdock Blood Bitters internally to expel all foul humors from the blood. Locally wash the part affected with castile soap and warm water, then apply Burdock Blood Bitters (diluted to one-half strength with water or milk, if necessary,) to the affected portion, without friction, by means of a soft linen cloth. The curative action of B. B. B. in all skin diseases cannot be over-estimated. We recommend it with confidence.

MR. FRED. CARTER.

Cured His Boils in a Week.

DEAR SIRS.—I was covered with pimples and small boils and after obtaining no relief from a doctor tried different remedies without success until one Sunday I was given $\frac{3}{4}$ of a bottle of Burdock Blood Bitters, by the use of which the sores were sent flying in about one week's time. I made up my mind never to be without B.B.B. in the house, and I can highly recommend it to all.

FRED. CARTER, Haney, B. C.

I can answer for the truth of the above.

T. C. CHRISTIAN,
Haney, B. C.

One Bottle Cures Boils.

GENTLEMEN.—Some four or five years ago my blood got out of order as the result of an overheat, boils began to appear, and for six months I suffered severely, without finding any medicine that would do me any good. Seeing Burdock Blood Bitters advertised I decided to try a bottle. From the first day I felt the good effects of the medicine, and the one bottle was sufficient to cure me.

JOHN WOOD,
L'Amable, Ont.

Gives Strength and Appetite.

DEAR SIRS.—Last year I was very thin and reducing very fast, owing to the bad state of my blood and appetite. A friend of mine induced me to get a bottle of B. B. B., which I did, although I confess I had very little confidence in it. I obtained immediate perceptible relief from it and have gained strength and appetite and now weigh 193 pounds. I have much pleasure in recommending B. B. B. as an excellent tonic.

JANUARY JESTS.

An Irishman and a Jew, to settle a dispute agreed to fight until one or the other admitted defeat by crying "Enough!" As the Irishman was the smaller of the two, it soon became evident that he was getting the worst of it, for in one of the rounds he was seen to drop his arms by his side and appeared to be thinking, but, receiving a blow from the Jew, he once more became active. At last the Jew received a blow fair between the eyes, which felled him to the ground. On rising to his feet he held up his arms and cried, "Enouf, enouf." "Begorra," cried Pat, "Oi've been trying to think of that word this last half-hour. I'd forgotten what it was."

HOW TO PROCURE A BEAUTIFUL PRESENT.—A set of elegant picture cards in colors will be sent free to all who have used BURDOCK BLOOD BITTERS or any preparation advertised in this book, on condition that you state plainly and fairly what experience you have had on trial of any of these remedies. SKIN DISEASES.

SYMPTOMS :

**Erysipelas, Shingles,
Tetter, Ringworm,
Salt Rheum, Pimples,
Scald Head,
Psoriasis,
Itching Sores.**

ALL diseases of the skin are more or less directly occasioned by a bad state of the blood, which produces acrid humors and corrupts the secretions. No one can expect to have a clear bright skin when the blood is in a disordered condition and the stomach, liver and bowels acting feebly in consequence.

The following skin diseases are curable by B. B. B., through its wonderful cleansing, purifying powers on the blood and its renovating action on the entire system, viz., Salt Rheum, Psoriasis, Tetter, Shingles, Scurf, Itching and Burning Rashes, Erysipelas, Cancers, Eruptions, Scald Head, Scrofulous Sores, Ulcers, Abscesses, Boils, Pimples, Blotches. Cures have been made in thousands of cases even after all other treatment had failed. Unprejudiced medical men praise the marvellous alterative action of B. B. B. on the system by means of which skin and blood diseases are cured. In addition to its internal use B. B. B. may advantageously be used externally in many of the above diseases. For particulars, see "Special Directions" on page 2.

GENERAL RULES TO OBTAIN A CURE.

These rules are to be observed as far as possible in treating bad or impure blood, scrofulous complaints, skin diseases, etc. If sufferers faithfully use this remedy, and endeavor to follow these hints, we can conscientiously promise a complete cure.

CURE.—(1) Keep the skin clean; (2) Maintain regular action of the bowels; (3) Eat plain, nourishing food; (4) Cleanse and keep pure the blood by taking Burdock Blood Bitters—the Key to health, which unlocks all the secretions, and makes new, rich blood by acting upon the stomach, liver, kidneys and bowels. B. B. B. cures all blood diseases from the smallest pimple to the worst scrofulous sore. Obstinate blood humors and scrofula of years' duration and apparently incurable have been permanently cured by B. B. B. See testimonials.

MISS SUTTON.

Salt Rheum Cured.

GENTLEMEN.—I was troubled so bad with Salt Rheum this winter that I lost some of my finger nails and was unable to wash. The doctor told me it could not be cured; he gave me an ointment but it did me no good; in fact, my hands got worse. Several other remedies also failed to effect a cure, and I then thought I would try Burdock Blood Bitters. I did so, and with the use of three bottles am quite recovered, able to work again, and recommend B. B. B. to all suffering from Salt Rheum.

MISS ETTIE SUTTON,

Guelph, Ont.

Our Family Physician.

DEAR SIR.—I was troubled with Eczema (Salt Rheum) for about two years, but I did not bother with it until it began to itch and spread over my hand. I then took four bottles of B. B. B. which completely drove it away. It was by my son's advice I took B. B. B., as B. B. B. is our family physician.

J. S. MILLS,

Collingwood, Ont.

For Boils and Skin Diseases.

DEAR SIR.—I have been using B. B. B. for boils and skin diseases, and I find it very good as a cure. As a dyspepsia cure I have also found it unequalled.

MRS. SARAH HAMILTON,

Montreal, Que.

Erysipelas Cured.

SIR.—A few years ago I took an attack of Erysipelas and was forced to give up my work entirely. Friends advised the use of B. B. B., and after using one bottle of B. B. B. and one box of Burdock Healing Ointment, I felt perfectly cured. I never expected to be cured, so bad was my case, and therefore I think B. B. B. cannot be surpassed.

• DYSPEPSIA. •

SYMPTOMS :

**Dizziness, Headache,
Constipation,
Variable Appetite,
Rising and Souring of
Food,
Faint gnawing at pit of
Stomach,
Palpitation of the Heart.**

THIS disease assumes so many forms that there is scarcely a complaint which it may not resemble in one way or another. Among the more prominent symptoms are constipation, sour stomach, variable appetite, mental depression, headache, heartburn, waterbrash, gas in the stomach and bowels, heat, soreness, or an all-gone feeling at the pit of the stomach, distress after eating, etc. To be dyspeptic is to be miserable, hopeless, languid, confused, forgetful and depressed in body and mind.

We guarantee Burdock Blood Bitters to cure Dyspepsia if faithfully used according to directions, and will refund the money to any person not satisfied after using the whole or part of the first bottle. B. B. B. regulates the stomach, liver and bowels, stimulates secretion of the saliva and gastric juice to facilitate digestion, removes acidity, purifies the blood and tones the entire system to full health and vigor. It is a positive cure for Dyspepsia, and all diseases arising from this cause, having cured cases of twenty-five years' standing.

SUFFERED ELEVEN YEARS,

Took B. B. B. and was Cured.

DEAR SIRs.—I was troubled with dyspepsia for eleven years, and I tried all kinds of medicine that I could think of, but found no cure. About a year ago I got Burdock Blood Bitters, and I am well satisfied. I weigh 20 lbs. heavier than I did a year ago, and the soreness has all gone from my stomach. My whole family use it at present. We would rather do without tea than B. B. B.

GEORGE MILLER,
Hayfield, Man.

is impure ill-health is inevitable.
Cure Dyspepsia or Indigestion by
using B. B. B.**

MR. GEO. READ.

Acute Indigestion Cured.

DEAR SIRs.—I write you to say that for some time I had been suffering from acute indigestion, and of course felt very great inconvenience from same in my general business. I thereupon decided to try Burdock Blood Bitters, and after taking two bottles I found I was quite another man, for B. B. B. entirely cured me. I have also used it for my wife and family and have found it the best thing they can take, and from past experience I have every pleasure in strongly recommending B. B. B. to all my friends.

I write you because I think that it should be generally known what B. B. B. can accomplish in cases of indigestion.

Yours faithfully,
GEORGE READ,
Sherbrooke, Que.

His Wife Testifies.

DEAR SIRs.—My husband was very bad with dyspepsia, but after taking two bottles of Burdock Blood Bitters was cured, and can now eat anything he likes. I recommend it to all as a sure cure. The Burdock Pills I have also used myself for constipation, and they have helped me very much.

MRS. JOSHUA STEVENSON,
Owen Sound, Ont.

A Home Testimonial.

GENTLEMEN.—Two years ago my husband suffered from severe indigestion, but was completely cured by two bottles of Burdock Blood Bitters. I can truly recommend it to all sufferers from this disease.

FEBRUARY FUN.

A man who knew little or nothing of horses bought a slab-sided brute not worth a crown, but which he in his ignorance thought was nothing short of an equine paragon, and a Derby winner in embryo. One day the proud owner said to Fox—"Come and have a look at my new purchase, and tell me how you like the horse." Shown into the animal's box and asked what he thought of the brute, and what he should do with him, Tiny said, without so much as moving a muscle—"Well, if I were you, old man, I should exchange him for a yellow dog—and then shoot the dog."

• CONSTIPATION. •

SYMPTOMS :

**Headache, Flatulence,
Low Spirits,
Eruptive Sores,
Piles or Fistulae,
Loss of Appetite,
Sallow Complexion,
Inactive or Irregular
acting Bowels.**

CONSTIPATION or costiveness consists in scanty or irregular action of the bowels, and may either be occasional or habitual. The effect of a constipated or clogged up condition of the bowels is to retain in the system poisonous effete matter, which poisons the blood and gives rise to dyspepsia, headaches, liver complaint, debility, piles, fistulae, etc. The bowels should move regularly at least once a day, and to neglect this simple, natural duty is to court disease and danger. Few persons realize this fact, and consequently constipation is one of the most common complaints.

CURE.—(1) Observe nature's laws. (2) Cultivate regularity in evacuating the bowels. (3) Avoid harsh purgatives. (4) Ripe fruit and cold water are useful as laxatives, especially if taken in the morning. (5) Avoid the excessive use of liquors, tobacco, tea and coffee. No two are exactly alike, and experience should guide each person in diet matters. In commencing the treatment of this disease, a few doses of Burdock Pills effectually prepares the system for the gentle, yet thorough effects of B. B. B., which, if faithfully used, never fails to effect a prompt and lasting cure, even in the worst cases. B. B. B. acts directly on the stomach, liver and bowels, and is a natural remedy for constipation. Its success is proved by the overwhelming evidence of thousands of reliable testimonials.

MARCH MERRIMENT.

MISS STRAIGHTLACE was favoring the Brat with her ideas upon music. "What is there to compare with it?" she enthused. It is celestial, heavenly! I know of nothing that works upon the system so thrillingly as music." "Nor I," responded the Brat, absent-mindedly; "unless it's Burdock Pills." He was no gentleman, she said, and her temper, ordinarily so calm and unruffled, became sour even as the green apples of early summer.

BILIOUSNESS and LIVER COMPLAINT.

SYMPTOMS :

Languor, Dull Spirits,
Yellow Eyes,
Coated Tongue,
Sick Headache,
Variable Appetite,
Sallow Complexion,
Aching Shoulders.

THE liver is very liable to be attacked by different disorders, and few people escape biliousness or liver complaint altogether. These complaints prevail especially in spring when the system is overloaded with strong food during winter, and the bowels become clogged, the digestion poor, and unhealthy bile accumulates. Nausea, faintness, dizziness, costiveness and diarrhoea alternately, pain under right shoulder or in the head and eyes are among the usual symptoms, and continue until the bile is removed and the liver regulated.

CURE.—(1) Regulate the bowels carefully; an occasional dose of little Burdock Pills is very beneficial to anyone inclined to be bilious; (2) At the commencement of an attack take a purgative dose of Burdock Pills, and continue the treatment by taking Burdock Blood Bitters (the most effectual liver regulator known) according to directions. B. B. B. stimulates and arouses the liver and regulates its secretions, at the same time purifying the blood, while it removes through the bowels and kidneys the impure matter which clogs up the liver and renders it torpid and inactive. In this way, and also by improving digestion and toning the whole system the liver is quickly restored to proper action, while biliousness, liver complaint, etc., are removed without fail. See testimonials.

When Other Medicines Fail B. B. B. Cures Completely.

GENTLEMEN.—I have used B. B. B. for biliousness and find it the best remedy for this complaint. I used several other remedies, but they all failed to do me any good, so I resolved to try B. B. B., which has cured me completely. I recommend it to all.

APRIL ANECDOTES.

GOOD REASON FOR CRYING.

Among the early lawyers of Missouri were Judge James C— and Gen. John C—, brothers, both excellent lawyers and splendid advocates. Gen. John, when occasion required, closed his argument to the jury bathed in tears himself, with most of the jury and audience weeping, too.

One day he and Judge James were trying a case, James prosecuting and John defending. James made his speech, a strong one for his side of the case, and ended with telling the jury:

"Gentlemen, my brother John will next address you on the other side of the case; and I want to caution you, he will cry and try to make you cry. He does it in all his cases."

Gen. John then spoke to the jury, making one of the very best of his pathetic appeals, causing jury and audience to forget James' admonition; and as tears were freely flowing, John, with great drops rolling down his cheeks, said to the jury:

"My brother Jim told you I would cry; I am crying; and, gentlemen of the jury, if you had such a darned mean brother as Jim, you would cry, too."

John's client was acquitted.

• SCROFULA. •

SYMPTOMS :

**Tumors, Abscesses,
Sore Eyes, Thick Lips,
Soft Muscles,
Enlarged Neck,
Swollen Glands,
Wasting of Flesh,
Pallid Complexion,
Chronic Skin Eruptions.**

THIS disease affects, in one form or another, probably twenty per cent. of the human race. All those dangerous and distressing diseases, such as hip joint diseases, white swellings, unsightly eruptions, spinal curvature, are caused by scrofulous taint. In children, this inborn taint is often manifested by softening of the bones (rickets), obstinate skin diseases, etc. Scrofula is the sure forerunner of consumption, and demands prompt medication to eradicate it.

CURE.—The body must be well nourished while the poison is being eradicated from the blood by the alterative, tonic and purifying properties of Burdock Blood Bitters, the best anti-scrofulous medicine ever devised. It is an indispensable remedy in scrofula, scrofulous diseases, eruptive diseases, chronic skin disorders, glandular swellings, ulcers, abscesses, and all the results of scrofulous taint (however acquired) from a common pimple to the worst scrofulous sore. All foul humors, impurities and effete matter are removed by the action of B. B. B. upon the excretory organs, the bowels, kidneys and skin, while the whole system is rebuilt, strength returns, and the disease is gradually but surely eradicated. The best results are attained by applying B. B. B. externally to the parts affected, besides using it internally as directed.

SCROFULA IN THE HEAD

CURED BY B. B. B.

GENTLEMEN.—With pleasure I write these lines to tell you that through your wonderful B. B. B. I am now well after suffering for about two months from scrofula of the head, which was so bad that I was forced to get my hair cut off short. After trying many medicines without success I commenced using B. B. B. and to my great delight one bottle completely cured me. I believe B. B. B. worth its weight in gold.

MRS. JAS. CHASE.

Worst Kind of Scrofula.

DEAR SIRS.—I had an abscess on my breast and scrofula of the very worst kind, the doctors said. I got so weak that I could not walk around the house without taking hold of chairs to support me. The doctors treated me for three years, and at last said there was no hope for me. I asked if I might take B. B. B. and he said it would do me no harm, so I began to take it, and before three bottles were used I felt great benefit. I have now taken six bottles and am nearly well. I find B. B. B. a grand blood purifier and very good for children as a spring medicine.

MRS. JAMES CHASE,

Scrofula Entirely Cured.

DEAR SIRS.—I have suffered very much from scrofula and bad blood for seven years past. Six months ago I commenced using B. B. B. internally and externally, and can now say that I am entirely cured and have been so for some time. To all sufferers I recommend B. B. B. as an excellent remedy for scrofula.

MISS A. B. TANNIER, Pictou, N. S.

Running Sore Cured.

DEAR SIRS.—It is with much pleasure that I express my gratitude towards you for the good B. B. B. has done me. Last summer I was sick two months with a sore leg; it kept running all the time. The doctors kept poulticing it with all kinds of stuff, but did no good, and I could not sleep at nights. Being advised to try B. B. B. to purify my blood, I did so, and after using two bottles my leg began to get better. I kept on taking it a good while, but after using the sixth bottle I was well, and have since gained flesh, and am in as good health as anyone now. Accept my cordial thanks.

MAY MIRTH.

THEY were walking out on a perfectly cloudless night, in the light of the big round moon, which seemed unusually bright and beautiful. He was of a decidedly sentimental temperament; she was more matter-of-fact. Suddenly he clasped his hands, and cried out rapturously: "Oh, Maude, look at the moon, to-night! Isn't it beautiful—beautiful!"

"Isn't it, Henry!" she replied, with equal enthusiasm. "It looks just like a big fried egg—don't it, dear?"

"Who goes there?" cried the sentinel, after he arrived at the post.

Pat looked as confident as possible, and in a sort of whispered howl, replied: "Bags, yer honor!"

• HEADACHE. •

SYMPTOMS :

**Dizziness, Biliousness,
Brow Ache,
Loss of Sleep,
Nervousness,
Constipation,
Sick Stomach,
Rush of Blood to the
Head.**

THIS complaint is usually not in itself a disease, but a symptom of other diseases, principally those of the liver, stomach and nerves. As varieties of headache commonly met with we may name sick or bilious headache, nervous headache, headache from constipation, debility or indigestion, periodical headache. Undoubtedly the cause must be removed before permanent relief can be had. For headache B.B.B. is almost a specific—a medicine that cures where others fail.

CURE.—(1) Warm or cold applications give temporary relief; (2) Warm foot baths to draw the blood from the head and equalize circulation; (3) Mild laxatives, such as Burdock Pills, to cause brisk action of the bowels; (4) Avoid over study, excesses, excitement and worry; (5) Avoid all stimulants and narcotics; (6) Keep the stomach, liver and bowels in perfect working order by the use of nature's regulator and tonic, Burdock Blood Bitters, which cures nearly all forms of headache by removing the cause. B. B. B. builds up the shattered nervous system, regulates the digestive and biliary organs, and is a never-failing friend to sufferers from any form of headache.

Headache, Dizziness and Weakness Cured by B. B. B.

GENTLEMEN.—Last summer my health failed, I had no appetite and suffered from headache, dizziness and weakness. A friend of mine induced me to get a bottle of Burdock Blood Bitters. After taking one bottle I felt better, and continued its use until completely cured from all disease. Therefore I take pleasure in recommending it to the public.

Hope for Sufferers.

DEAR SIRS.—I find your B. B. B. an excellent remedy for headache and dizziness. I had tried several doctors, but their medicine did me no good. I have taken two bottles of B. B. B. and feel entirely cured and like a different man. I am certain that if other sufferers try it they will be sure to have satisfaction.

Perfectly Cured.

SIRS.—I have been greatly troubled with headache and bad blood for ten or twelve years. I started to take Burdock Blood Bitters in July, 1892, and now (January, 1893), I am perfectly cured.

He says that while in Baltimore the archbishop asked him to call on a lady. While making the visit a boy, aged four years, came into the room and his mother said:

KIDNEY COMPLAINT.**SYMPTOMS :**

**Fever, Dropsy,
Weakness,
Brick Dust Deposit,
Paleness, Headache,
Backache,
High Pulse,
Pain in Loins.**

DISEASES of the kidneys are numerous from the fact that these organs act as filters to the blood, and form one of the great channels for the removal of impurities from the system, which, if allowed to remain, cause the various kidney affections, rheumatism, gravel, uræmia, or blood poisoning, etc. Dropsy and various urinary complaints arise from deficient or scanty secretion of urine. Bright's disease is known by the presence of albumen. Symptoms vary; in inflammation the urine is scanty or high colored. In other cases, as diabetes, the urine is copious—as much as twelve or even twenty pints per day being excreted; some have a slimy, ropy condition, others a reddish deposit like brick dust. In nearly all cases there is pain and heat in the back, feverish symptoms with general weakness and languor.

CURE.—Correct the bile and blood, and stimulate the bowels and skin to action by the use of Burdock Blood Bitters, thus relieving the kidneys from overwork, allowing them to rest and regain a healthy condition while the impurities which clog the system are removed, and all poisonous waste matter quickly passes off. In addition to its thorough action on the stomach, liver and bowels, B. B. B. possesses perfect diuretic powers to act on the urinary secretion, and is thus specially valuable in curing dropsy, etc. B. B. B. has completely cured severe cases which had resisted other treatment for years. See testimonials in next column.

A POSITIVE CURE.

DEAR SIRs.—For the last five years I have been troubled with kidney complaint and liver trouble. I tried various remedies but found no relief until I was induced to use Burdock Blood Bitters. After using one bottle I was surprised at the prompt relief it gave me, and after using the second bottle I was completely cured. I recommend it as a positive cure.

DEAR SIRs.—I was for a long time troubled with kidney complaint, dyspepsia and biliousness. I tried all kinds of remedies I could hear of. JULY JOCOSITIES.

The judge asked an Irish policeman named O'Connell, "When did you last see your sister?" The policeman replied: "The last time I saw her, Judge, was about eight months ago, when she called at my home, and I was out." "Then you didn't see her on that occasion?" "No, Judge; I wasn't there."

• RHEUMATISM. •

SYMPTOMS :

**Thirst, Fever,
Severe Pains,
Quick Pulse, Stiffness,
Swollen Joints,
Free Perspiration,
Derangement of Bowels,
Kidneys and Skin.**

THIS disease is a blood disorder with a strong tendency to inflammation surrounding the joints. When acute it is usually called inflammatory rheumatism. There is in the acute form great pain, heat, redness and swelling of the parts affected, and the whole system is deranged by fever, costiveness, and wrong action of the kidneys. Chronic Rheumatism differs from the acute form by the fever being absent, and little, if any, redness or swelling being present; it may follow an attack of acute rheumatism, or may develop slowly and last for years. Lumbago is chronic rheumatism of the back. Sciatica affects the hip and thigh, and closely resembles both rheumatism and neuralgia.

CURE.—(1) Always wear flannel next to the skin, and change damp or wet clothing without delay; (2) Regulate the stomach, kidneys and bowels, and correct the acidity of the fluids while arousing the liver and skin to remove the offending impurities. At the commencement of an attack give a purgative dose of Burdock Pills, and follow it up by using Burdock Blood Bitters, which acts upon the liver, kidneys, and skin, and regulates the bowels and stomach, thus purifying the blood and carrying out of the system the acid humors and impurities which cause rheumatism. To relieve pain there is nothing equal to Hagyard's Yellow Oil; it should be well rubbed in, and always gives great relief. Dropsy often occurs in rheumatic subjects, and this B. B. B. will remove by its perfect action on the urinary secretion.

RHEUMATISM CURED.

GENTLEMEN.—I had rheumatism a great deal, generally lasting three or four days at a time, and was often unable to go up or down stairs without help. DEAR SIRS.—About four years ago I was troubled with rheumatism in my hips and feet so that I could hardly walk. By a friend's advice I got two bottles of B. B. I thought it arose from my blood, so got another bottle of B. B. B., which cured me, and I have never had it since. I think that Burdock Blood Bitters cannot be too highly spoken of.

AUGUST AMUSEMENTS.

AN Englishman once boasted that he had been mistaken for a member of the Royal Family. A Scotchman, hearing this, replied that he had been addressed as the Duke of Argyle. Whereupon an Irishman said that he had been taken for a far greater person than either; for as he was walking along the street one day, a friend came up to him, exclaiming, "Holy Moses! is that you?"

ONE of the most preposterous things possible would be a man, on board a rocking ship, in a gale of wind, with the fever and ague, trying to shave himself with a bent razor. We don't believe 'twould be a smooth job.

TESTIMONIALS.

SHE WOULD HAVE WELCOMED DEATH.

GENTLEMEN.—Two years ago I took a severe attack of summer complaint, and suffered for some time so severely that I felt at times that the grave and death would be a relief. I took medicine from four different doctors without effecting a cure, and in fact found very little benefit from anything until I commenced taking Dr. Fowler's Extract of Wild Strawberry. I have taken three bottles, and am now healed inwardly and quite regular. The doctors said I was past help, they could ease me with soothing powders, but they were of no benefit. I suffered more than pen can describe. My granddaughter got me the Wild Strawberry and I used it according to directions. The first bottle relieved the disagreeable feeling, and at the end of the second I was able to sit up a few moments at a time, and I am now able to be dressed and feel quite comfortable, and as well as anyone of my age (79 years) can expect to be.

Diarrhoea Cured.

DEAR SIR.—I was suffering very much from Diarrhoea, and could get nothing to cure me. One day a friend told me of Dr. Fowler's Extract of Wild Strawberry. I took a few doses and it completely cured me.

THOS. L. GRAHAM,

Always Proves Successful.

GENTLEMEN.—About two years ago I had a very bad attack of diarrhoea, and tried all sorts of medicine, but received no benefit from anything. By chance I heard of Dr. Fowler's Extract of Wild Strawberry and I gave it a trial, though I cannot say I had much faith in it; however, less than one bottle completely cured me, and I would not now be without it. Numbers of my friends have used it and in every case it proves successful.

J. BUTCHER,
Winnipeg, Man.

Baby was Saved.

SIRS.—Last summer my baby was very bad with summer complaint, and nothing would cure him. Doctor's medicine failed and I thought my baby would die, until a friend advised me to try Dr. Fowler's Extract of Wild Strawberry. With the first dose I noticed a change for the better, and he is now cured, and fat and healthy. Since then I always keep a bottle of it in the house, because I know it saved my baby's life.

MRS. A. NORMANDIN,

Severely Attacked.

GENTLEMEN.—I was troubled every summer and fall with diarrhoea cramps and colic, and last winter had a very severe attack and thought I was going to die. I tried Dr. Fowler's Extract of Wild Strawberry, although I thought it was throwing away money, but soon found I was getting better, and now I thank it for saving my life. I would not be without it.

SEPTEMBER SQUIBS.

A PRECIOUS little rascal was noticed on Jefferson Avenue, Chicago, the other day, making his best endeavor to ring a door-bell just beyond his reach. A well-known minister happened along and, with the impulses of a good Samaritan, wanted to help the boy.

"Like to ring that bell, sonny?"

"Yes, sir; but I can't reach it."

The divine stepped to the verandah and gave the door bell a vigorous pull, as he patted the interesting juvenile on the head.

"Now run like sixty!" shouted the kid, as he shot down the street at top speed. All the man could do was to laugh at this deplorable bit of worldliness and make explanation when the call was answered.

WHAT has four legs and feathers, yet is neither beast nor bird? A bed.

Dr. Wood's Norway Pine Syrup acts on the throat and lungs like magic, curing even the severest coughs and colds.

RATHER DISTANT.—A traveller who met a countryman in mourning made the observation, "You have lost some of your friends, I see." "Yes, zur," was the reply. "Was it a near or a distant relative?" "Well, purty distant—'bout twenty-four mile."

Mrs. Lynch calls on Mrs. Maginnis. Mary Ann answers the door-bell. "Me child is yer mither in?" "No, Mrs. Lynch, she gone out."

"Bad luck to her; 'tis twinty times she goes out for wanst she comes in."

FOR EXTERNAL AND INTERNAL USE.

USED externally, it stops all pains and prevents blistering of a burn as soon as applied. It prevents swelling, removes pain and discoloration of bruises by a few applications. As a liniment or embrocation it has no equal for Rheumatism, Stiff Joints, Contracted Cords, Calloused Lumps, Painful Swellings, Sprains and Bruises, and lameness of every description. It has cured Chronic Rheumatism of years' duration, after all other means had failed. Stiff Joints have been relaxed that had resisted all other treatment. Neuralgia, Swelled Neck, Enlarged Glands, Spinal Disease, Lame Back, and all muscular pain, lameness or soreness, speedily and effectually cured by this valuable embrocation. Nothing can equal Yellow Oil for Burns and Scalds, Frost Bites and Chilblains, Inflamed Breasts and Chafed Skin.

Internally used it is equally wonderful in its efficacy. One or two doses cures Hoarseness and Sore Throat. The sufferings of Asthma are relieved by the first dose, and in croup it is almost a specific cure. Bronchitis and Swelled Tonsils yield to its curative influence. Taken inwardly in doses of from ten to thirty drops on sugar or in water, it relieves Quinsy, Colds, Pains in the Chest, Stomach, Kidney Complaints, etc.

Many bad cases of Chronic Deafness have been cured by this remedy; also Sprains, Wounds, Bruises, Burns, Frost Bites, Stings of Insects, etc. No matter where the pain or soreness, or from what it arises, "Hagyard's Yellow Oil" is sure to give quick relief. In Throat Complaints, as a local application rubbed upon the parts, and applied on flannel, inhaled as a vapor, or taken internally, it is sure to benefit. In brief, "Hagyard's Yellow Oil" is the most reliable, cheapest and best pain relieving medicine ever discovered.

Our Cure-All.

SIRS.—A few years ago I was greatly troubled with earache. My mother tried a great many things but all in vain; I could get no ease until at last we got a bottle of Hagyard's Yellow Oil, and as soon as a few drops were put in my ears I felt better, and finally the pain ceased and has not since returned. We always keep a bottle on hand, for we find it to be the best remedy for sore throat, frost bites, quinsy, burns, scalds, cuts and bruises—in fact it is our cure-all.

DECEMBER DAINTIES.

A FIDGETY old gentleman at a railway station was terribly afraid that he would lose the run of his trunk, and constantly worried the busy porter about it somewhat as follows:—

"Porter, be sure that my trunk is safe."

A moment later, "Porter, don't forget my trunk."

Shortly again, "Porter, now you are quite sure that my trunk is safe?"

The porter answers, "Arrah, and be jabbers it's a pity you wasn't an elephant instead of an ass, and then you would always have your trunk under your nose."

"You see," said a seedy-looking, broken-down gentleman, "there is a point at which our trust in our fellow men gives way. I reached that point last night, when, wishing to leave my hotel without disturbing the repose of its inmates, I quietly lowered my valise from my bedroom window, and suddenly I heard the dissonant voice of the landlord crying out, 'All right, I've got the valise! Let go the rope!'"

"Why do you use paint?" asked a violinist of his daughter.

"For the same reason that you use resin, papa."

"How's that?"

"Why, to help me draw my beau."

MILBURN'S BEEF, IRON AND WINE

It is well known to the medical profession, that as a blood building tonic, there is no one element in medicine of more value than Iron, the effect of which is to strengthen and restore the red corpuscles or nutritive principle of the vital fluid, and is peculiarly adapted to those pale, bloodless conditions that we so often see in the feeble and debilitated, and especially in females suffering from nervous depression, loss of blood, pallor, weakness, fainting and the many ailments peculiar to their sex. For **CONVALESCENTS**, or during the recovery from exhausting fevers, where the strength lags and the appetite lies dormant, the gentle stimulant of pure Sherry Wine and the nourishing properties of concentrated Soluble Beef, when flavored to a palatable form, makes a most valuable and agreeable source of nourishment that even the dyspeptic with inability to digest food may take with pleasure and benefit. Wine that could not be borne in any other form, will be most beneficial as a gentle stimulant in this manner; and Iron that would not be tolerated by the delicate and sensitive, will in this palatable form be quite acceptable to the most critical taste.

Combining Nutrient Tonic with Mild Stimulants and Aromatic Stomachics,

The very essentials required in a wide range of debilitated conditions of both sexes and all ages, either in acute or chronic forms of disease.

NOTE.—We desire to call the special attention of physicians and invalids to the fact that we make our own Extract of Beef by a new process that insures its perfect solubility, and we can guarantee it in every way reliable. Another important consideration is that this combination, unlike many other preparations of Iron and Elixirs of Beef, Iron and Wine, happily possesses a most palatable and agreeable Aromatic Flavor, a great desideratum both to the prescriber and the patient.

MILBURN'S AROMATIC QUININE WINE.

A powerful, pleasant and pure invigorating tonic and appetizer, which cleans the foul-coated tongue, sharpens the appetite, and invigorates both body and brain to a remarkable degree. In moderate doses it is a mild and genial tonic; in larger doses it breaks up and prevents the return of Ague, Chills, Bilious Fever, Dumb Ague, and similar complaints, and fortifies the system against their attacks, imparting both nervous and muscular strength, and quieting undue febrile excitement if taken during the intermission of remitting fevers. In Milburn's Aromatic Quinine Wine, none but the purest Sulphate of Quinine is employed. This, combined with the choicest of Aromatics to flavor, and the finest Sherry Wine in which the Quinine is perfectly dissolved, renders this preparation both agreeable and reliable.

CHILDREN OR DELICATE FEMALES may take this wine with comfort and safety, and it will be found a most grateful and refreshing invigorator and appetizer during convalescence from protracted illness or in any case of exhausted energy. Price \$1.

DR. LOW'S PLEASANT WORM SYRUP.

This agreeable, safe and effectual remedy for worms has attained a world-wide popularity, and from its extensive use HAS SAVED THE LIVES OF THOUSANDS OF CHILDREN. It is strictly vegetable and positively safe, and so pleasant to the taste that a child once taking it will ask for more. It is free from Castor Oil, Calomel, or other nauseous, sickening and hurtful drugs. It is impossible for worms to remain when this syrup is given so freely as to act upon the bowels. *No other cathartic required during its use.* It destroys the worms entirely, at the same time its cathartic action drives them out of the system. A single bottle has frequently destroyed from 100 to 200 worms. Tape Worms of 16 to 35 feet in length have been expelled by the use of this great Worm medicine. Worms prevail mostly in children, but the frequent use of this Worm Syrup as a laxative has expelled large numbers of worms from older people, where the cause of ill health was not suspected. Read the following testimonials:

CHILDREN CRY FOR IT.

I certify that there is nothing near as good as Dr. Low's Worm Syrup. My children used to cry for it. Our storekeeper keeps it on hand, and it sells like hot cakes.

MRS. PETER MURRAY,
Devizes P. O., Ont.

SIX YEARS' EXPERIENCE.

DEAR SIRs.—Have used Dr. Low's Worm Syrup for six years, and within that time one little girl has passed 78 large round worms, 4 to 8 inches long, and another I am now giving it to has passed 10 of the same kind. One little boy (a neighbor's) was taking fits every 20 minutes, when they came for me, saying they had tried four doctors without success. I told them my firm belief that it was a bad case of worms, and to send for \$1 worth of Low's Worm Syrup. They did so, and though the boy could not then speak, in less than a week he could talk again, and walk across the floor almost recovered completely. These things ought to be known to all anxious mothers.
