Mr. G. P. Wells, who is in charge of the Machine ery Department of the N. C. Co., leaves for the outside about January 8th for the purpose of ordering Boilers, Hoists, Engines, Pumps, and a full line of al necessary supplies for next season's shipment. \ intend to bring in the largest and most comple stock ever carried in the Yukon district, our past experience making it possible for us to order just what is needed and what has proven most successful in

working the mines of the Klondike. Mr. Wells can be found at his office at our Hardware department, No. 215 Front st., and will be pleased to impart any information relative to the goods we expect to bring in for next season, or take any special orders to be executed while he is outside.
