William R. Travers, vice-president and general manager of the Farmiers Bank, is once more at liberty. He was admitted to bail by Magistrate Peter Ellis at the jail at 8 o'clock last night, upon a further bond of \$20,000, turnish-ed by A. M. Orpen, who already stood as bondsman upon the earlier charge of making false returns to the govern-ment. This places Mr. Orpen under konds totaling \$40,000 for Mr. Travers earance in police court to-morrow ming, and effectually puts a stop

to the rumor that Mr. Orpen was about to surrender Mr. Travers upon the ort-ginal bond when the second charge, that of theft of \$40,000, was laid. The injured art: EDWIN HAGMEIR, 26 years, fourth that of theft of \$40,000, was laid. Manager Fleming of the street railvay says there are about 150 P-A-Y-E cars in operation. "At the time the order went into effect we had 157 boxes, either on the cars or on the verge of being installed. We then went ahead and fixed up the cars, putting on the vestibules, mov-ing the rear doors; and then putting on the boxes. The cars in this way complied with the order. The way matters stand now, we will have to wait and see how things work out," "PIMPLES"

The city has finally made terms with the Electric Light Company to con-tinue lighting the streets for the next two months, by which time it is ex-pected that hydro-electric power will be available.
