THE SIXTY-FIRST ANNUAL REPORT OF THE MONTREAL GENERAL HOSPITAL.

The Annual Meeting of the Corporation of the Montreal General Hospital was held in the Governors' hall of the Institution, on Tuesday, the 15th May, 1883, Andrew Robertson, President of the Board of Governors, in the chair.

The Secretary read the following report, which was adopted, and ordered to be printed for circulation amongst the subscribers:

GENTLEMEN OF THE CORPORATION OF THE MONTREAL GENERAL HOSPITAL.

I have the honour to present a brief report of the proceedings of the Governors during the year which terminated 30th April, 1883:—

The expenditure of the year was.....	\$39,714 64
And the income.....	38,485 84

Showing an excess of expenditure over income of.....	\$1,228 80
--	------------

Comparing the expenditure of 1882-83.....	39,714 64
With that of 1881-82.....	36,902 89

The former exceeds the latter by.....	\$2,811 75
---------------------------------------	------------

The increased expenditure in 1882-83 over that of 1881-82 has occurred chiefly in the following items: provisions, \$1,121.99; drugs, \$582.87; insurance, \$617.94; repairs, \$714.72; and wages, \$527.21. The accounts show a slightly reduced expenditure under the following heads: Instruments, \$67.47; dry goods, \$280.76; wines, liquors, ginger ale and soda water, \$9.59; coal, \$246.33; furniture, \$105.13.

The amounts received from the following sources of revenue during the year, when compared with those of 1881-2, show a moderate reduction: subscriptions and donations, \$137.67; subscriptions from employees, \$310.55; country church collections, \$22.81; students' fees, \$206; Dominion Government grant for sailors, \$844.20; contents of poor box, \$24.34.

On the other hand, there was an increase of revenue derived from the following sources: private pay patients, \$252.30; public pay patients, \$739.04; interest and rents, \$1,085.25.

In addition to the ordinary annual donations to the Permanent Fund, amounting to.....	1,800 00
The Governors have the pleasure of acknowledging receipt of a donation by R. A. Smith, Esq., from the estate of his uncle, the late Wm. Smith, of Sorel, consisting of—	
Cash.....	\$3,500 00
Thirteen shares Boston and Maine Rolling Stock Company, par value.....	1,300 00
As well as the receipt of the following legacies :—	4,800 00

From executors of late Joseph Tiffut.....	500 00
From executors of late Wm. Christie.....	100 00

	<u>\$12,967 05</u>

From the Medical Superintendent's quarterly and annual reports it appears that the total number of in-door patients treated during the year was 2,127, an increase of 87 on that of 1881-82.

Of these there remained from 1881-82.....	118
Were admitted during 1882-83.....	2,009

The average daily number of patients in the wards throughout the year was 136; the average time of each patient in the Hospital was 23.6 days, and the total number of days spent in Hospital was 47,602.

The percentage of deaths to the whole number of cases treated during the year in the Hospital is 6.44 per centum; deducting 35

deaths that occurred within three days after admission, the mortality for the year is reduced to 4.79 per centum. It was 6 per cent. in 1881-'82 and 5.4 per cent. in 1880-'81.

Of the in-door patients treated to a conclusion there were :—

There were 10,625 consultations given in the "general out-door" department, a decrease of 1,777 from the number of the preceding year. In the out-door eye and ear department 1,036 new patients were treated. The following extract from the Medical Superintendent's report for the year may find appropriate place here:—"The above figures show in a general way the amount of work done during the year. The work has been done, I believe, satisfactorily and successfully in all its departments, but no unusual events have occurred which call for special mention."

All the general beds for adults have been occupied throughout the year, and the want of more accommodation for general patients and the need of proper means of isolating the graver forms of infectious disease have been much felt, owing to the epidemic prevalence of measles and scarlet fever, and, to a less degree, of diphtheria. In view of the handsome donations and bequests just mentioned as having been received during the past year, and of the munificent bequests presently to be announced, but of which payment has not yet been made, the time perhaps has arrived at which the Governors need not hesitate to begin the erection of hospital buildings possessing the improvements, in hospital arrangement and construction, which experience and scientific progress in Great Britain and the United States have introduced, and which may be suited to our climate. No doubt there are many citizens prepared to contribute liberally during their life-time to this benevolent enterprise.

The legacies just alluded to, which have yet to be received and which the Governors gratefully acknowledge, are as follows:—

From late Alex. Rose, builder, of Montreal.....	\$ 500
From late David J. Greenshields.....	40,000
From late Edward Mackay.....	5,000
From Estate late Andrew Stewart, under will of his wife, late Agnes Logan Gale.....	20,000

Perhaps in no previous year have so many deaths taken place amongst the Governors of the Hospital as during the past year. The names are Dr. George W. Campbell, Sir Hugh Allan, T. M. Bryson, T. W. Ritchie, Q.C., David J. Greenshields, H. A. Nelson, Major H. Mills, Joseph Wylie, all Life Governors, and the first an active member of the Medical Board for 46 years; and James Court and James Johnston, Elected Governors and old friends of the Institution.

The following gentlemen have become "Life Governors" during the year:—Messrs. William Clarke, of Mile End, Glasgow; W. M. Ramsay, H. Montagu Allan, Anthony Force, Thomas Brophy, William Notman, W. V. Lawrence, Geo. F. Hartt, J. Bow Robertson, Dugald Graham, Jonathan Hodgson, Frederick Pagels, Rollo Campbell, Robert Reid, Richard White, W. H. Rintoul, H. J. Beemer, Francis J. Shepherd, M.D.

In the past year Dr. Reid resigned the apothecaryship of the Hospital, and was succeeded by the late Mr. George W. Cook, who died after having held that office for about three months; Mr. Bruce was appointed his successor. The term of office of the three resident medical officers, Drs. J. A. Macdonald, T. N. McLean and W. T. Duncan, will expire to-morrow. Dr. Reid and the Resident Medical Officers have the good wishes of the Governors for their success in private practice.

The Medical Superintendent and Lady Superintendent have conducted their respective departments to the satisfaction of the Board of Governors.

The Governors are very much indebted to the following gentlemen, who have kindly performed the arduous work of collecting funds for the support of the Hospital:—Messrs. W. B. Cumming, West Ward; John G. Burrows, Centre Ward; Phillip Henry, do; Jno. Beattie, do; Alex. Manson, do; Walter Drake, East Ward; Wm. R. Salter, St. James Ward; Edward W. While the ballots for the Medical Officers were being counted, the President availed himself of the opportunity to return thanks for his re-election and said:—

I have to thank you for the confidence you have shown in again electing me as your President. I feel that I lack the great ability and tact of my predecessor; but, if I may not be as successful in the management of this Institution as he has been, let me say it shall not be from a want of the will but of the ability. It affords me much pleasure to say that I am ably supported by my friends and *confrères*, Mr. Stirling the Vice-President, Mr. Davidson the Treasurer, and Mr. Cowie who performs the arduous duty of Secretary of the Committee of Management. Every member of the Committee has, during the past year, faithfully done his duty. I do not believe that any other institution in the city has a more harmonious or self-sacrificing Committee. As a Committee we have to mourn the loss of our *confrère*, Dr. Geo. W. Campbell, and of one who sat for nine years at our Board, the late T. M. Bryson, whose failing health compelled his resignation some time ago.

I have to congratulate the Governors upon the many generous bequests and donations recently made to the Hospital and announced in the Annual Report presented to the corporation on Tuesday last.

The munificence of David J. Greenshields is one that I hope will not be forgotten, and those who have the means will, I trust, have the heart to follow his example. Mrs. Charles Stewart's bequest is also a handsome one, while others have left and given to us in sums of \$5,000 and under about \$18,000.

These legacies and donations will make, when received, an addition of about \$78,000 to our Permanent Fund. The report calls attention to increased hospital accommodation as being urgently needed. I mention this only to say that I intend going to Britain next month, and hope to have some interviews and counsel with my predecessor, Mr. Redpath, who has for years been studying this question. I shall also make it my duty to visit as many hospitals as I can that are worthy of note, and hope that after my return the Committee will be able to suggest some plan by which the much-needed increase can be carried out to best advantage for the interests of the Hospital. The Committee during the winter months took up the question of having an ambulance; friends subscribed the amount required, and it is hoped that in a few days it will be ready for use. I have arranged with the

Bell Telephone Company that, with the consent of any subscriber having a telephone near where any accident may occur, it will be allowed to be used, free of charge, to call the Hospital, so that assistance may at once be provided, and the ambulance be sent for the sufferer.

The following resolutions were then submitted and passed unanimously.

Mr. ROBERT ANDERSON moved, seconded by Mr. J. H. R. MOLSON :

That the Governors of the Montreal General Hospital by this motion tender their thanks to the Committee of Management for the attention they have given to the affairs of this Institution during the past year.

Moved by Mr. F. W. THOMAS, seconded by Mr. A. F. GAULT :

That the services rendered this Institution by the members of the Medical Board during the past year deserve the thanks of the Governors, and they are by this resolution presented to them.

Moved by Mr. THOS. WORKMAN, seconded by Mr. JOHN CRAWFORD :

That the Governors of the Montreal General Hospital desire to acknowledge the valuable assistance they have derived in maintaining the efficiency of this institution from the gentlemen who have acted as its Collectors during the past year, and beg to tender them their thanks.

Moved by Mr. S. BETHUNE, Q.C., seconded by Mr. R. L. GAULT :

That the Governors of the Montreal General Hospital desire to tender their thanks to the employés of the various mercantile and manufacturing establishments who have subscribed to the support of the Hospital during the past year.

Moved by Mr. R. CAMPBELL, seconded by Mr. PHILIP HENRY :

That this meeting of Governors of the Montreal General Hospital desires to convey its thanks to the clergymen and congregations of the several city and country churches in which collections for the Hospital have been made during the past year.

There being no other business, the meeting then adjourned.
