MANY DEATHS MARK THE WEEK'S EVENTS

The grim reaper has been unusually busy during the last few days. The young have not been spared, and two women of 98 years are among those who have heard the last summons.

MRS. SAMUEL D. MILLER

Death came during Sunday night to Mrs. Samuel D. Miller, mother of S. S. Miller, manager of Estey & Curtis Co. Ltd. She had been in ordinary health until the day of her death when she suffered gastric hemorrhage.

Mrs. Miller was formerly Mary Hicks and was born in Norton, Kings Co., in 1818, therefore having attained the great age of 98 years. Her married life was spent in St. John where the only son was born. Her husband died many years ago, and Mrs. Miller taught school at various places in Carleton county for a long time afterward.

She came to Hartland about 20 years ago, when her son took over the drug business here.

Mrs. Miller was a woman of strong and sterling character. For years she was a member of the Baptist church, later accepting to her very great peace of mind, the doctrines of the Holiness propaganda.

The funeral was held at Mr. Miller's home yesterday afternoon, Revs. P. J. Trafton, H. S. Dow and George Kincaid conducting the services. Many friends gathered to pay last respects.

The flowers laid on the casket as tributes of respect and love were a cross by the son, a wreath by Mrs. S. S. Miller and grandchildren, and a sheaf of flowers by the employees of Mr. Miller's company.

MRS. MARTHA COX

Another nonagenarian to pass to her reward on Sunday was Mrs. Martha Cox, nee Squires, of Bath. She was 98 years of age and had been ill only a few days. She also taught school for many years in the early days of the county's history. A widow for many years she died childless, but is survived by stepchildren, all of whom are now people of advanced age. Her funeral was held on Monday.

GEORGE MCCREA

George McCrea of Bannock died on Sunday after a long illness of cancer. He was 85 years of age and leaves a wife and nine children. The wife at present is in Bute, Mont., and the children are: Mrs. Kolmouise and Mrs. Crow of San Francisco, Mrs. Mary Lloyd of Saskatchewan, Mrs. Wilmet Kimball, Armand, G. M. and Robert McCrea of Perth, Thomas of Peel, Mrs. Wilfred Crandemire of Aroostook Jct., and Mrs. Arthur McCafferty of Bannock.

The funeral was held on Monday, Rev. G. A. Giberson preaching the sermon.

BURTON BELVEA

Burton Belyea, son of W. D. A. Belyea of Ashland, died Monday evening from a hemorrhage from an abscess on the neck. He was 23 years old and a bright and popular young man. The funeral will be held to-day. Much sympathy goes out to the sadly bereft family.

JENNIE BRADLEY

On Saturday morning Miss Jen-

nie Bradley died at the home of C. E. Allen where she had been boarding. Miss Bradley was 19 years of age and had been ill about a week from pneumonia. She is survived by her mother, Mrs. William Grant of Highgate, and several brothers and sisters, among whom is Mrs. M. W. White of Hartland.

Miss Bradley was for about two years an operator for the Farmers' Telephone Co. and as such became widely known through this and adjoining communities, and the large attendance at her funeral bore testimony of popular esteem.

The funeral was held on Sunday from the home of her grandfather, John Bradley, her rector, Rev. N. Franchette reading the service and preaching.

Centreville News

Mrs. B. W. Campbell, Mrs. W. L. Harold, Mrs. Rose Clark and C. A. McBride attended the Willmot parish S. S. Convention at Charleston, March 8, and report a good time and a very interesting convention.

Rev. W. A. Ross, General Secretary was present and gave two of his instructive, inspiring addresses.

Rev. S. Johnson is holding special services at Good Corner assisted by Mr. Thompson of Chance Harbor, N. S. There is large number attending and a good interest is being maintained.

Fred Hume and family expect to leave in a few days for Nelson, B. C.

Mr. and Mrs. E. C. Vail are expected to arrive shortly from California.

Mr. and Mrs. Fred Sherwood of Plaster Rock were visiting at George Beckwith's last week.

Mrs. C. M. Sherwood and Miss Dancy Burt are visiting in St. John.

John Gilland is very ill and is not expected to recover.

Mrs. D. W. Balloch is in very poor health.

G. L. White, M. L. A., is attending to his legislative duties at Fredericton.

Rev. S. Johnson preached an able sermon on Sunday morning on the great European war viewed from the standpoint of Biblical prophecy and presented some rather startling views in regard to world conditions at present and after the war.

A number of young men in this vicinity are planning to enlist in the new battery of artillery to be organized in Woodstock.

The New Field Battery

Carpenters are hard at work fitting up the building at Woodstock formerly used as a wrapper factory for the accommodation of the new field battery to be recruited there. Stephen Green, the contractor, expects to have the carpenter work done by the end of next week, when the battery will be mobilized at once. It is rumored that I. Charlton Berrie, of St. John, will be given command of this unit.

There are many old battery men in Carleton county who are waiting for a chance to enlist.

WOULD GIVE VALLEY ROAD AWAY

The St. John Globe, which was long a strong supporter of the Fleming government, now speaks of the Valley Railway as "a gigantic blunder" and "a white elephant." Condemning the abandonment of the east-side route to St. John, The Globe concludes a lengthy and spirited editorial with words that may be used as the thin edge of the wedge that will make clear the way for the government to pass the road over to its quondam friend and ally, the C. P. R., in exactly the manner it did the Central Railway.

The Globe's concluding words follow:

"The fact that faces the government and the province is that the road at present ends nowhere, and has no value because of that fact. It must either be carried to a destination or abandoned. Which is the wisest? To let it end at Gagetown means abandoning \$7,000,000 or so already pledged to this gigantic blunder. To carry it to a completion means the expenditure of two or three millions more, whether the east or west route is followed. The undoubtedly shorter route may be the more expensive route, but the relative benefits are a fair matter of consideration. If the Federal authorities absolutely refuse to aid with bridges the river route must be abandoned and the best alternative route followed.

The most satisfactory thing that could be heard with reference to this Valley Railroad would be that the Federal government has decided to take it over. While the government announcement says nothing on this point, there are rumors that such an outcome is looked for with confidence by the government. New Brunswick has a white elephant in the Valley Railway. The more cheaply it can be carried to a destination and the sooner given away the better. Indeed, it would be infinitely better if it could be given away without any further expenditure being made on it."

Simonds Red Cross

Our society is still in existence and the meetings, which are held every two weeks, are very successful. A number of visitors from outside communities are present for tea. We wish to thank them for their patronage.

At Mrs. David Shaw's we raised \$14.38; Mrs. George Colwell's \$14.48; Mrs. Dolph Foster's \$13.

During these winter months we have devoted most of our time to knitting. Ninety pairs of socks have been forwarded, besides a box of miscellaneous articles. Our next meeting will be held at W. N. Raymond's on March 16.

These are now in the hands of the merchants. Stock for these brands has been most carefully selected and every effort has been put forth to maintain the standard which has given them such a splendid reputation.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from any harmful drugs. Try it.

WHAT HAS MR. WHITE TO SAY?

J. L. White, M.P.P. of Victoria is another member who has been placed in an embarrassing position by the recent announcement. He is thus reported to have expressed himself during the course of the debate.

"Mr. White (Victoria) said he only wanted to remind the committee that the road had two ends, one at St. John and one at Grand Falls. He was extremely glad to hear that it was going to Grand Falls. He was very pleased to hear the other night the Premier remark that the road would not be tied up to the C. P. R."

Poor Mr. White! What must he think of the announcement that the road will not go to Grand Falls, but instead will be "tied up to the C. P. R." and what must his constituents think about it?—Fredericton Mail.

MASTERLY ADDRESS OF F. B. CARVELL, M. P.

In parliament on Tuesday and Thursday of last week F. B. Carvell delivered what is considered one of the most brilliant and convincing speeches of his career. The question was Sir Wilfred's proposed motion for a committee to investigate the doings of the notorious Shell Committee, and the speaker had before him a huge mass of data concerning the giving of contracts to some and the withholding from others. Concluding Mr. Carvell said:

"I have taken a little more time than I intended to, but I want for a moment to summarize very briefly the salient points of the situation as it stands to-day. My honoured leader has asked this House to grant a committee to investigate the conduct of the Shell Committee in carrying on the business transactions entrusted to it since the beginning of the war in 1914. The Prime Minister refuses that, because he says it is not in the interest of the public that these matters should be investigated during the war, and it is not following the precedent laid down in Great Britain during the Crimean War and the Boer War of 1899-1902. If you accept the truthfulness of the citations which I have just read, you will see that they absolutely shatter the last contention and common sense, decency and the ambition for honest Government in Canada, absolutely shatter the former contention. Because something happened ten years ago, or fifty years ago, is not a good reason why, under another condition of affairs, we should not investigate things here to-day. Are we always to be tied to the apron strings of somebody, have we no initiative, have we not the right to investigate our own affairs because in past days somebody has done something else? Surely the Conservative party can furnish some better argument than that, in order to show that there ought not to be an investigation into these transactions. Then I promised you, Mr. Speaker, that I would try and give you some additional reasons why this committee should be granted."

"I have now for something like three or four hours been labouring to show these reasons, and as I have watched the faces of hon. gentlemen opposite during that time I have seen that they are convinced that there ought to be an investigation. It is all very well for the Premier to turn his back on members of this House, and appeal to his followers to stand behind him and vote down this resolution, in order to keep the lid on, and keep the country in the dark. They may support him, but the people of this country want more than that, and they will get more than that the first time they have an opportunity of telling the Prime Minister so. The right hon. gentleman has had a few reminders in the last few weeks; he had a reminder in the county of Peel a week or two ago, and more recently, in the city of Vancouver, and less than a week ago, in the city of Victoria. But I am not going into that. I tell you, Mr. Speaker, the biggest thing before the people of Canada to-day, outside of the winning of this war, is the conduct of the Shell Committee, and the conduct of this government in placing the Canadian soldiers in a position in which they cannot help in the winning of this war."

"There is no use in trying to argue the thing away, no use in the Prime Minister reading long extracts from documents, no use

in sophistry. The facts are: Mr. Thomas came; Mr. Thomas saw; and the Shell Committee was conquered. That is all there was to it. And the new commission are now in their places, a commission that, I know, is doing infinitely better than the old committee did, a commission which, I hope, will continue to carry on the good work. All I have to say, in conclusion, is this: If the Government will not grant a commission, and will not allow the people of Canada to learn the inside facts of the transactions of this Shell Committee, this political organization of theirs, then, in the name of Heaven, let them keep their unholy hands off the present Imperial Munitions Board."

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Danderine from any drug store. You surely can have beautiful hair and less of it if you will just try a little Danderine. Save your hair! Try it.

Lower Brighton Briefs

Mrs. Ada Brown spent a few days last week with friends in Woodstock also attending the Reformed Baptist quarterly meeting. Quite a number of people attended the sales at Woodstock, on Prosperity Day: all reported they were well pleased with the bargains.

Miss Mabel Nixon has gone to Hartland as day operator for the Farmer's Telephone Co., during the illness of Miss Bradley.

Geo. Flowers had his collar bone broken while helping to unload a load of logs at Price & Nevers Mill at Hartland on Tuesday.

Those that have hauling to do to Hartland would like to see a little more snow as the roads are quite bare in places especially between R. E. Robinson's and W. W. Birmingham's.

The People Want to Know

If the Borden government thinks it can brush Mr. Carvell aside and conceal the facts about those shell contracts it does not know Mr. Carvell. The charges he has made must be investigated or a most painful impression will be created throughout the country. The government's quarrel with Mr. Carvell is not that he makes charges but that he has a habit of proving their truth.—Times.

Pleasant W. C. T. U. Meeting

The W. C. T. U. meeting held at the home of Mrs. H. N. Boyer on Thursday evening was a very pleasant affair. A good attendance of members and visitors were present. The program which consisted of music, both instrumental and vocal, interspersed with choice readings, was much enjoyed. One item of especial interest was the presentation of a life membership certificate accompanied by a short address to Mrs. Henry Bradley, president of the union as a token of appreciation of her faithful, untiring efforts as leader of this organization. This was tendered by Mrs. S. H. Shaw. Mrs. Bradley was taken completely by surprise but replied happily in a neat speech. The National Anthem was sung and dainty refreshments served by the hostess.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, indigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

What President Moore told the Farmer's and Dairymen's Association:

Speaking at Fredericton on the production and marketing of crops, ex-President Moore said that he had found his Ford Car valuable because—

It reduced a 25-mile trip to Fredericton to one-and-a-half hours time, making it possible and profitable to market many lines of produce there which otherwise would not be sold.

It was better than an extra pair of horses, and did not eat while not working.

Because The Ford was most efficient and most economical.

It will cost you only \$565 to buy a Ford Touring Car and make Mr. Moore's experience yours.

WHAT FLEMMING SAID ON VALLEY RAILWAY

The present provincial government and its followers have a high regard for Mr. J. K. Flemming. They applied the coat of whitewash that he received after the Royal Commission had reported on his varied activities. They will therefore be interested in what he said as premier in 1912, on the Valley Railway. He said:

"The negotiations are concluded, and a contract was entered into on December 6, 1911, and to set at rest any doubt he would say that the contract called for the construction of a line of railway from St. John, to Grand Falls; the Enabling Act is the same, and the agreement to lease and operate the road, which is signed by the Federal government, the Provincial government, and the railway company, calls for a railway from St. John to Grand Falls, and yet there is a disposition on the part of those opposed to this government to cast some doubt as to whether the railway will go that far or not."

"He would cite why the country should be assured that the whole line would be constructed from St. John to Grand Falls. First, there was the contract placed before the House, which should be reassuring to the ordinary mind. There was the contract made with the Federal government for intercolonial operation from Grand Falls to St. John. Further, the subsidy had been revoked for the entire line. Did the hon. gentlemen opposite pretend to think and say that the Federal government would enter

into a contract to subsidize and operate a railway which it was never intended to construct? The only thing not absolutely settled was that the approval of the Minister of Railways had not been secured for a definite route between Andover and Grand Falls. The engineers had reported upon two or three feasible routes, and as early in the spring as possible they would make further surveys, when the route would be entirely agreed upon. In addition to all that, within the last two or three days a bill had been introduced in the Federal Parliament to guarantee the bonds for the construction of the three great bridges across the St. John at The Mistake, across the Kennebecasis, and across the St. John at Andover. If it were not intended to build the railway between Grand Falls and Andover, why a bridge at Andover? Whether the opposition believed that the Valley Railway was going to Grand Falls or not was a matter of indifference to the government and to the members of the government side of the House. He had given the people of the province every assurance within his power that the railway would be built, and again he reiterated the assurance that as soon as possible that portion between St. John and Andover would be commenced, and immediately thereafter steps would be taken to let the contract for the section between Andover and Grand Falls."

Was Troubled for Years With Kidney Disease

And This Treatment Cured Me—This Statement Endorsed
By a Baptist Minister.

The great majority of people are familiar with the extraordinary curative powers of Dr. Chase's Kidney-Liver Pills. But for the benefit of those who are not, we continue to publish from day to day reports from persons who have been actually cured.

"The case described in this letter was an extreme one, and the writer was in a very low condition when he began the use of these pills. The cure was so marked that Mr. Mosher's pastor did not hesitate to vouch for his statement."

By their unique combined action on the liver, kidneys and bowels, Dr. Chase's Kidney-Liver Pills cure in

complete cases which defy the action of ordinary kidney medicines. Mr. W. H. Mosher, Brockville, Ont., writes: "I used Dr. Chase's Kidney-Liver Pills, and firmly believe there is no medicine to equal them. I was troubled for years with kidney disease, and this treatment has cured me. When I began the use of these pills I could only walk from my bed to a chair. Now I can go to the field and work like any other man. Dr. Chase's Kidney-Liver Pills are an excellent medicine."

This statement is certified to by the Rev. E. H. Ematt, Baptist minister of Brockville, Ont. By awakening the action of liver, kidneys and bowels Dr. Chase's Kidney-Liver Pills cure Constipation, Headaches, Chronic Indigestion, Kidney Disease, Liver Complaint, and Backache. One pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto.

TOOK THE ADVICE OF HIS FRIEND

Stomach Trouble and Rheumatism
Relieved By "Fruit-a-tives"

MR. L. LABRIE

504 Champlain St., Montreal.
"I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen."

A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me."

LOUIS LABRIE.
"FRUIT-A-TIVES" is the famous medicine made from fruit juices. 50c. a box, 6 for \$2.50, trial size, 25c. All dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Howard T. Nixon returned home last week from Presque Isle where he has been spending the winter as scaler for a lumber concern.

Wendell Tedlie is spending a few days with his parents, Mr. and Mrs. Henry Tedlie. Rumor says that this young man is soon to enlist for over-seas service.

The United Baptist held their monthly missionary meeting at the home of their president, Mrs. John Nixon.

Mrs. Warren White, Hartland, has been visiting Mr. and Mrs. Jas. McClary.

Earle Dow and little daughter Ardine of Houlton spent the week-end with friends here.

Rev. Mr. Peters, who has charge of a pastorate near St. John spent a few days with his family here.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Salty Spit and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—10-cent box from your druggist will keep you feeling good for months.

Florenceville Notes

Mrs. Charles Boyer, jr., has moved to West Glassville, where she will live with her brother during the summer.

Granny's Talk to Young Mothers

"Granny" Chamberlain. "Few young mothers realize the extent to which a cold lowers the system and makes it susceptible to contagious diseases. It has been proven that the majority of diseases arise from germs, but it is not widely known that a healthy system will repel their attacks."

Mothers should never allow a cold to run for twenty-four hours without attention. If this is made a rule there will be less sickness for young mothers to worry over. A good reliable medicine for coughs, colds, croup and bronchitis should always be kept in the home where there are children. You may say that you have no confidence in cough medicines, but that is because you have never tried

Chamberlain's Cough Remedy

This medicine is thoroughly reliable and has stood the test of nearly half a century. No, it will not hurt the children—there is nothing in it that would even injure the baby."

Yours for Health —Granny Chamberlain
