The copy filmed here has been reproduced thanks to the generosity of:

Manuscript Division,  
National Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Division des manuscrits,  
Archives nationales du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

GOVERNMENT HOUSE,  
*Kingston, 7th June, 1842.*

MY LORD,

In obedience to the instruction contained in the concluding paragraph of Your Lordship's Despatch, of the 4th April last, No. 116, I have the honor to transmit to Your Lordship herewith, a Statement of the charges on the Civil List, for the year 1841. Your Lordship will observe that the salaries of the Civil Officers are put down at their annual amount, but the Contingencies are the sums actually paid for the period between the 10th February, the day of the Union, and the close of the year.

GOVERNMENT HOUSE,  
Kingston, 11th December, 1843.

MY LORD,

I have the honor to submit an Address from the Legislative Assembly of Canada to Her Majesty, relating to the Civil List.

The immediate departure of the Packet prevents my adding such remarks on the subject of this Address, as it will be my duty to submit to you as soon as possible.

I have, &amp;c.

(Signed,)

C. T. METCALFE.

The Right Honorable  
Lord Stanley, &c.

*Extract of Despatch from The Right Hon. Lord Stanley, Secretary of State for the Colonies, to The Right Hon. Sir Charles Bagot, G. C. B., &c., &c., &c.*  
dated,

DOWNING STREET,  
4th April, 1842

"Having now answered all the questions to which your Despatch has given rise; it remains only that I should request you to furnish me, with as little delay as possible, with a Statement of the present fixed charges upon the Civil List, within which it is absolutely necessary that you should bring the whole expense of these Departments of your Government which are charged upon it; and it will also be desirable that you should send me an account of the Contingencies which, on your accession to office, you found chargeable on the same fund, and pressing unduly on your resources for the current year."

*Extract of Despatch from The Right Hon. Lord Stanley, Secretary of State for the Colonies, to The Right Hon. Sir Charles Metcalfe, Bart., G. C. B., &c. &c.*  
dated,

DOWNING STREET,  
1st February, 1844.

"I have received and laid before the Queen, your Despatch of the 11th December, and the Address to Her Majesty therein enclosed, from the Legislative Assembly of Canada, on the subject of the Civil List. The Queen has been pleased to receive that Address very graciously, and has commanded me to acquaint you in reply, that Her Majesty learns with regret that any portion of the enactment by which a free Constitution was restored to a part of Her Dominions, should appear to the Legislative Assembly of the United Province of Canada, to furnish matter of reasonable complaint. Her Majesty is well assured that the only objects sought by Her Parliament in making, by that enactment, provision for a Civil List, were to give stability and security to the great Civil Institutions of the Province; to provide for the adequate remuneration of able and efficient Officers in the various Public Departments;

“ and to enable Her Majesty to make moderate provision for the declining years  
“ of those whose best days had been devoted to a faithful discharge of public  
“ duties, or who, by eminent services, might have merited the favour of the Crown.  
“ Her Majesty is fully persuaded of the concurrence of Her faithful subjects in  
“ Canada in effecting these objects. Her Majesty would gladly owe the means of  
“ attaining them to the spontaneous liberality of Her Canadian people ; and when-  
“ ever due and adequate provision shall have been made for them by the Legislature  
“ of Canada, Her Majesty will be prepared to recommend to Parliament the Re-  
“ peal of so much of the Act of Union as relates to this subject. Until Parliament  
“ shall have assented to such a recommendation, Her Majesty, equally with all  
“ Her subjects, is bound by the provisions of an enactment to which Her sanction  
“ has been given.”
