Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE HISTORY OF THE UNITED STATES

SUMMARY OF THE HISTORY

The history of the United States is a story of growth and development. It begins with the first settlers and continues through the years of exploration, settlement, and the struggle for independence.

THE EARLY YEARS

The early years of the United States were marked by the arrival of the first settlers and the establishment of the first colonies. The Pilgrims and the Puritans were among the first to settle in North America.

The early years were also marked by the struggle for independence from Great Britain. The American Revolution was a turning point in the history of the United States.

The early years were also marked by the growth of the American economy. The discovery of gold and silver in California and the West led to a period of rapid expansion.

The early years were also marked by the growth of the American population. The number of people living in the United States increased rapidly during this period.

The early years were also marked by the growth of the American government. The Constitution was written and the federal government was established.

The early years were also marked by the growth of the American culture. The American way of life was developed during this period.

The early years were also marked by the growth of the American education system. The first schools were established during this period.

The early years were also marked by the growth of the American military. The American army and navy were established during this period.

The early years were also marked by the growth of the American industry. The first factories were established during this period.

The early years were also marked by the growth of the American transportation system. The first roads and railroads were established during this period.

The early years were also marked by the growth of the American communication system. The first newspapers and telegraphs were established during this period.
