TAPE WORM.

An Eminent German Scientist has recently discovered from a root extract, an absolute specific for Tape Worm

It is pleasant to take and is not distressing to the patient, but is particularly interesting and stupefying to the Tape Worm, which loosens its hold of its victim and passes away in a natural and easy manner, entirely whole, with HEAD, while still alive.

One physician has used this specific in over 400 cases without a single failure to void worm entire. Success guaranteed. No pay required until removed with head. Send stamp for circular and terms.
