## MISSIONARY REPORT.

---

THROUGH the sustaining care of a kind and gracious Providence, we are permitted to present to its patrons and friends another ANNUAL REPORT of the MISSIONARY SOCIETY of the METHODIST EPISCOPAL CHURCH IN CANADA.

And, here, the Board of Managers desire gratefully to acknowledge the goodness of Almighty God in giving that measure of success which has accompanied the missionaries' labors during the past year. This success being given at a time when agricultural, commercial, and manufacturing interests were depressed, seems to mark this work as specially owned by God.

The very limited space at our disposal will necessarily oblige us to confine our remarks almost entirely to our own society. But it would be as gratifying to our own feeling as it would be encouraging to every lover of his race, into whose hands this Report may come, to trace what God has been doing in this and other lands, by the various benevolent and religious associations which aim at the amelioration of mankind. In short, however, whether we look to the east, the west, the north, or the south, there seems encouragement to the lovers of Zion; inasmuch as additional facilities are opening for the circulation of the Scriptures and the preaching of the Gospel, in the breaking up of old systems, hoary with age and consumptive with error, and in the substitution therefor of the glorious system of salvation by the "one Mediator between God and man."

If with us the past year was one of self-denial, toil and sorrow, it was also one of encouragement, success and joy. While our sphere of missionary labor has not been lessened, but somewhat enlarged, the work has been carried on at a less expense than on

the preceding year, thus showing that our missionaries have received a more liberal local support than hitherto, correspondingly lessening the claims on the funds of the Conferences, and so giving promise that the treasury will soon be relieved from existing embarrassments, the arrearages due the missionaries paid off, leaving the society at liberty to enlarge the work, which might at present be done to advantage, but however desirable to do so the financial state of the society would not justify the act. This to the Board of Managers is a source of deep regret, but hopes are entertained that, by the blessing of God on the society's endeavors, this impediment will soon be taken out of the way. "Men of Israel, help."

From the character of the Reports furnished by the respective missionaries during the year, the Board has gathered the evidence of the society's prosperity. This evidence embraces facts as well as figures. The figures show that the society's liabilities are less than last year, the facts that sites for parsonages and chapels have been secured, that parsonages and chapels have been built, or are in course of erection, that new congregations have been collected, new christian ties have been formed, but, above all, that many precious souls have obtained a good hope through grace, and have been introduced into the household of God and family of faith."

The degree of prosperity the Great Head of the Church has vouchsafed, unquestionably calls for our gratitude. It was not purchased, it was not merited. It was not through an affected and starched up importance, but by the simple exhibition of the truth. As said the Apostle, so would each true successor say, "my preaching was not in the words which man's wisdom teacheth, but in the words which the Holy Ghost teacheth;" and hence, "mighty to the pulling down of strong holds." "Hath not God chosen the foolish things of this world to confound the wise; and weak things of the world to confound the mighty; and things that are not, to bring to naught the things that are; that no flesh should glory in his presence." Devoutly do we offer a tribute of gratitude "to God, who always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place."

Dear friends, the Board hardly feel at liberty to close their remarks without taking the liberty to remind you that time is on the wing—that our opportunities for doing good will soon end, each one of us must soon give an account of his stewardship, for we are rap-

idly advancing towards the unseen—the *Eternal* world. These considerations should induce us to be diligent in improving our fleeting opportunities of usefulness. “Whatsoever thy hand findeth to do, do it with thy might.” But effort and prayer must go hand in hand. To pray for the spread of the Gospel, and the conversion of the world, when the means requisite to accomplish the work are withheld, is presumption. To give without prayer is to ignore the first great pre-requisite to success—the benediction of the Almighty. “Paul may plant, and Apollos may water, but God giveth the increase.” But while the eye is single, and the one grand aim is the glory of God, no labor shall be lost in this sacred cause. No fear of failure need be entertained. “My word shall not return unto me void,” saith the Lord. Throughout the whole earth “the wilderness and the solitary places shall be glad, and the desert shall rejoice and blossom as the rose.” It is God’s work. It is based on God’s infallible truth—the Bible. This is the tree of life, the leaves of which are for the healing of the nations. To plant this tree of life is to be engaged in well-doing of the noblest kind; herein let us not be weary, “for in due season we shall reap if we faint not.”

The Board presents with pleasure the following remarks forwarded by the Rev. J. C. Pomeroy, secretary of the Bay Quinte Auxiliary Society: “That part of the work entrusted to the care of the Bay Quinte Auxiliary Society has partaken of the general prosperity vouchsafed to the churches through the manifold grace of God; to whom be the glory forever. Amen. The work has been extending, and the cry is still borne back from beyond, come over and help us. The interests of the work have been strengthening, the influence deepening, souls converted to God, and the hearts of the laborers cheered by the promise of an abundant harvest of blessing and grace. We have at present twenty-one mission fields, embracing a large extent of country, employing the labors of twenty-five preachers, about 150 preaching places, and a membership of 1,500 persons, many of them yet desiring the word of life.

“Thus you perceive that as a society we have cause of thankfulness to the Giver of all good for the showers of blessings he hath sent all over our missionary territory. Does it not incite us to renewed effort, greater zeal, and larger liberality? Let us *pray* and *pay* with untiring faith until the *wilderness* shall have become the garden *budding, blossoming, and bearing fruit* to the honor of his great name. We subjoin a short digest of the report of Belle-

ville Juvenile Missionary Society in connection with the M. E. Sabbath-school of that place. The officers are President, Vice-President, Secretary, Treasurer, and Managers. Regular meetings are held on the first Sunday of each month. Proceedings are enlivened with appropriate speeches, singing, etc. Each class in Sabbath-school selects one of its own members for collector; so each class is given an appropriate name, such as conquerors, young missionaries, etc. The society has given Life Memberships in Parent Missionary Society to some of its members. Life membership in the Juvenile to others. The following are the amounts received for the last half year: November, 1860, \$9 65; December, \$5 46; January, 1861, \$9 04; February, \$8 10; March, \$5 13; April, \$8 27; May, \$5 00. Total \$50 65—a sum equal to the amount collected on many circuits. May God give his blessing to these youthful *Bands of Hope* indeed."

Brief statement of the Mission Work in the Niagara Conference, arranged according to the districts.

TORONTO DISTRICT.—Rev. W. Pirritte, P. E., had supervision.

#### SIMCOE MISSION.

This Mission is located in the County of York, Township of North Gwillimbury, with one appointment in the Township of Georgiana. We have in all six appointments, a membership of 59, and a full staff of official members. In supporting the missionary the people have done tolerably well during the past year. This Mission is not in as prosperous a state as could be desired. The missionary (Rev. W. Benson,) prays that the great Head of the Church may prosper his work on the Simcoe Mission.

LONDON DISTRICT.—Rev. W. D. Hughson, P. E., had supervision.

#### SANDWICH MISSION.

This work embraces part of the Townships of Romney, Mercea, Gosfield and Maidstone; ten appointments. There are 114 members, with a full board of stewards and class leaders, six local preachers, and one exhorter. We have succeeded in paying the \$40 due on the Leamington Church; we have also succeeded in securing a lot, on which we have raised a church and \$225 on subscriptions towards paying for it. We have taken thirteen into the Society during the year.

## ST. CLAIR CIRCUIT AND MISSION.

This work, says Bro. F. M. Finn, is confined, at present, to the Township of Sombra. There are seven regular appointments, 85 members, two chapels, and one parsonage. The friends have been very kind. During the past year a stove was given to the Mission by Bro. Jacob Dingman, and here I would say, if we had four or five more such men as J. Dingman and J. Lampman, we would cease to be pensioners on the missionary funds. There is a fair prospect of this section of country yet being the richest part of Canada. Its inexhaustible fountains of oil are likely to enrich its inhabitants.

## BROOKE MISSION.

This Mission embraces the Township of Brooke, and one appointment in Mosa. There are six appointments on the Mission, (all Sabbath) one class, 35 members, one class-leader, seven stewards, and one exhorter. In consequence of unavoidable circumstances, this work is not in as prosperous a condition as it doubtless would have been had not those adverse occurrences taken place. We have no doubt, if properly cultivated, this will, in course of time, become an interesting field of labor. We hope it will be continued, and pray for its prosperity.

## ENNISKILLEN MISSION.

This Mission is situated in the Townships of Enniskillen, Plympton, Sarnia and Moore. There are at present five appointments, and a membership of forty-six. There is a good parsonage and lot. This Mission, upon the whole, is of much importance, and I think, says the Rev. C. Burdett, that in a few years, with the blessing of God, it will be a self-sustaining field of labor.

DURHAM DISTRICT.—Rev. W. Woodward, P. E., had supervision.

## OSPREY MISSION.

This Mission, says the Rev. R. L. Tindall, has eight appointments, a membership of 78, is situated in a part of country destined to become very valuable for agricultural purposes. There is an efficient quarterly board, three local preachers, two exhorters, and, all things considered, it is certainly worthy of a place on our list of missions. The prospects are encouraging.

## COLLINGWOOD MISSION.

This Mission, says the Rev. D. Carscadden, is located in the Counties of Grey and Simcoe, and embraces parts of the Townships

of Nottawasaga, Collingwood, and Euphrasia. There are six Sabbath appointments, and five of them are in some of the most promising villages, viz: Collingwood Town, Nottawa Village, Thornbury, Creighleigh, and Williamstown. There are two frame chapels on the Mission, which were erected last summer; also a good parsonage lot. There are 33 members in full connection. Our friends have shown themselves quite willing to support the Church as far as they were able. The Missionary at present resides in Thornbury.

#### ST. VINCENT MISSION.

This, says the Rev. J. Foster, is an old field of labor, as far as some appointments are concerned; but it has grown from what was a work only requiring one man, to what now requires two men. Two appointments have also been given off to an adjoining field of labor. We have many very warm friends on this Mission, who are strongly attached to our Church. We have received 34 into the Society during the past year, but the members that have been dropt, or excluded, and that have removed, leave us with about the same number as was returned last year. We have 156 members, 9 classes, 12 Sabbath and 2 week-day appointments. The Mission has paid \$255 16 towards the support of its preachers, and \$90 07 of missionary money; being \$15 07 more than the appropriation.

#### TEESWATER MISSION.

Rev. E. J. Fulford occupied this field last year. This Mission is situated in the united counties of Huron and Bruce, reaching into Culross, Kinloss, Turnberry, Warwanosh, Morris, Grey, and Howick. There are twelve regular Sabbath appointments, and several week-evening meetings, with a membership of about sixty. The Sabbath congregations are good. We have one local preacher and one exhorter. The land is good, the people industrious, and the prospect very favorable. Teeswater Mission, we think, will yet rank with our best circuits.

#### ELMA MISSION.

J. H. Hilts, Missionary. This Mission is composed of parts of the Townships of Wallace, Elma, and Maryborough. There are on the plan at present seven regular appointments, and an occasional one. There are on the Mission fifty-five members, two local preachers, one exhorter, and three classes. Two chapels are in contemplation; for one the timber is got out, and towards the other some three hundred dollars have been subscribed. This Mission has paid this year \$68 77 missionary money, and \$186 to their preacher. The work is generally in a healthy state, though there has been no rapid growth during the past year. We have some very consistent and exemplary members, and some very warm and respectable friends on this charge. May the good Lord bless and prosper them.

## MELANCTHON MISSION.

In a report furnished to the *Advocate* Sept. 3, the missionary, Rev. J. McKay, says there are on this Mission 87 members, five classes, and a good staff of officials. We have seven appointments, embracing parts of three townships. The congregations are good, and we hope profit by the word preached. The Lord is reviving his work. The people are kind. Our table is well supplied, but money is scarce.

## MOUNT FOREST MISSION.

On this Mission, says Rev. W. H. Shaw, we have seven appointments, a steady membership, with good congregations. We have four local preachers, two exhorters, who are efficient brethren and always at their post. We are now completing three new Churches, which we expect shortly to be finished, one in the Village of Mount Forest, the other two in the country. We have the promise of a number of subscribers for the *Advocate*. Our Quarterly Meetings have been visited with the presence of our Lord and Master, and the society much encouraged under the faithful ministrations of our respected Bro. Woodward. The Quarterly occasions are anxiously looked forward to. The best of all is, "God is with us." Brethren, pray for us.

## KINCARDINE MISSION.

In my report (Rev. J. T. Davis,) from this Mission I am sorry that I cannot report more progress, and a greater degree of prosperity. Some additions have been made to society, but the taking of letters, etc., leave the numbers in society at about the same.— There are difficulties to be met here, but I think they are not insurmountable. We feel our weakness, but are laboring on in the name of the Lord. Brethren pray that the power of the Lord might be made manifest in this part of his moral inheritance.

## DURHAM MISSION.

This Mission, says the Rev. G. Wilson, is in the County of Grey, and embraces a part of the Townships of Normanby and Bentinck. There are six Sabbath appointments, embracing a membership of 62. One local preacher, four classes, four leaders, and seven stewards. Preparations are being made for the erection of a brick church on the Garafraxa Road. The prospects are good. To God be all the praise.

## MARYBOROUGH MISSION.

Rev. P. Hicks missionary. This Mission is composed of parts

of the Townships of Maryborough, and Arthur, with one appointment in Wallace. There are on the Mission eight appointments, two classes, two local preachers, and one exhorter. Membership forty-eight. We hope to succeed here by the blessing of God upon our labors. There is a new frame parsonage and a stable. The site and half acre was a free gift to the Church by Wm. Mitchell—a good friend the Lord raised up since Conference. The prospects, on the whole, are quite encouraging.

Statement of some of the principal fields within the bounds of the Bay Quinte Conference.

BAY QUINTE DISTRICT.—Rev. W. E. Norman, P. E., had supervision  
OMEMEE MISSION

Is a new field just broken up, yet already yielding its fruitage. It has been favored with the approval of God in blessing the labors of his servant, Rev. R. Earl, who has nobly sustained himself in the arduous labors and duties incident to a new field. He has labored upon this field for the past two years amid many discouraging circumstances, yet *not without success*. We have at present 17 members upon the Mission.

SEYMOUR MISSION.

From the Report of the Missionary we extract the following:—  
“The Mission embraces the chief part of Seymour, parts of Percy, Asphodel, Belmont, North Dummer, and Marmora. Twenty appointments in the work, thirteen classes, two chapels, one belonging to us and one rented for coming year. A steady advance has been made in the membership and in piety, and the societies are at peace throughout.”

MARMORA MISSION.

Has been highly favored of God during the past year. Two new classes formed, and the work extended. It presents a more promising aspect than ever before. It embraces part of Rawdon, Seymour, and Marmora.

ELZIVER MISSION.

From this Mission, the incumbent, Rev. S. Young, writes: “We occupy three townships, Elziver, Madoc, and Tudor. The country is extremely rough, roads ditto, also very muddy, and almost impassable at times. Inhabitants, for most part, poor but intelligent, and liberal according to circumstances; contributed to our support during the year about \$40. We have three classes numbering 71 members. Have had one revival; 17 received on probation.”

HUNGERFORD MISSION.

three years since the ground was taken up; we now have a membership of 182. They paid for support of missionary \$223, besides meeting all other claims. The work is extensive, reaching to the new settlements on the Madawaska river.

#### TAMWORTH MISSION

Is doing well. From Bro. Ferguson's report we learn that there is a good quarterly board, one local preacher, an exhorter, and a membership of 153. A church and parsonage in progress in the thriving village of Tamworth.

#### KENNEBEC MISSION.

From this field of labor the missionary, Rev. W. H. Snyder, reports as follows: "The Mission is situated in the townships of Kennebec and Olden, Country new and sparsely settled, land and people poor. A comfortable log parsonage and half an acre of land. Ninety members, of which 45 were added during the past year.—\$90 raised for missionary. Many features of improvement present themselves, among others school houses are being built, which will afford better accommodations for preaching than the private residences we have been using."

#### HINCHINBROOK MISSION.

This work has changed its boundaries a little, giving two appointments to Waterloo Circuit, and extending its boundary in the rear. There has been an addition of 76 members. They have raised about \$300 for church purposes. Brother Stratton, the missionary, writes, "We have some hard times, *but God is with us.*"

#### WOLFE ISLAND MISSION.

From the report of the incumbent, Rev. A McLaren, we extract, "In respect of site and geographical features it is so well known as to need no remark of description other than has been found or made in previous reports. In regard to general state we are able to report some considerable prosperity. The people have taken in hand to build a chapel, which will soon be finished, at a cost of \$800 or \$900. Numbers are 72. I would earnestly urge and recommend that an efficient and energetic man be appointed to that work, if any considerable progress or stability is to be hoped for or obtained."

AUGUSTA DISTRICT.—Rev. B. Smith, P. E., had supervision.

#### ROCKSBOROUGH MISSION

Is a part of the old Stormont, the other part becoming a self-sus-

taining circuit. "We have 8 appointments, (4 new ones,) 144 members, one chapel and parsonage in course of erection. Work in a healthy state, and the prospects are good," says D. Smith, "for its soon becoming a self-sustaining circuit."

#### RICEVILLE MISSION.

Is not so prosperous as it has been. A cloud has been hanging over it for some time. Circumstances unforeseen and unfavorable have been exerting a crushing influence upon our work, yet our friends are trustful and zealous. Pray for better days.

#### LA CHUTE MISSION.

Stands about as former years. If the missionary gave us a report we have mislaid it. However, from his verbal report at Conference, we infer that the work has been about stationary for the past year.

OTTAWA DISTRICT.—J. Q. Adams, P. E., had supervision.

#### TEMPLETON MISSION

For some cause has furnished no report, owing no doubt, to the illness of the brother to whom the charge was entrusted, but has not been abandoned. It is, we presume, alike prosperous with the others.

#### FITZROY MISSION.

Is a new field of labor. The missionary says, "We held a meeting in Arnprior, where we had no friends or any who knew anything about us. God prospered, and we formed a society of 20. There are four appointments.

#### RENFREW MISSION.

Situated in Ottawa Valley, contains a membership of 85. We have a comfortable parsonage, one church, and a site for a second, six appointments with large congregations and good influence. The missionary says, "We are thankful to God for past mercies. We have had some success in our work. A number have been added to our church, and our cause is in a very prosperous state."

#### WESTMEATH & EGANVILLE MISSION

Have been connected the past year under the united labors of Revs. Waite and Betts. It has enjoyed considerable prosperity, and the report of the missionary, Bro. Betts, recommends that Westmeath be left to sustain itself.
