The copy filmed here has been reproduced thanks to the generosity of:

Library Division
Provincial Archives of British Columbia

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library Division
Provincial Archives of British Columbia

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

APPEAL

FOR THE

DIOCESE OF BRITISH COLUMBIA.

THE COLUMBIA MISSION FUND was established in 1859, to aid the Church of England in the new Colony of British Columbia, the area of which equals that of France and England, in the Maintenance of Clergy, Catechists, and Teachers amongst both the European and Indian population ; also in erection of Churches, Schools, Parsonages, and Mission Buildings.

Assistance at this time is earnestly sought in consequence of the following circumstances, viz. :—

Several New Missions of peculiar interest have been recently, and almost of necessity, undertaken : such as the Rev. J. B. Good's removal to the *Thompson River Indians*, who urgently pressed him to come, and of whom 1,000 have placed themselves under instruction ; the new Mission to the *Tahk-ah Tribes* who inhabit 20 villages along 200 miles of the Pacific Coast ; permanent residence of a Missionary at *Cariboo*, the chief mining district of the Colony, &c.

Falling off in Subscriptions has taken place at home through death of friends, expiration of limited time of subscriptions, and other causes.

A Commercial Crisis, lasting four years, has greatly reduced resources in the Colony, and in spite of all efforts has placed the Mission in debt.

Reduction in the Grant of the Society for the Propagation of the Gospel 30 per cent. has rendered it impossible for the Clergy, already poorly paid, to exist upon the reduced incomes.

Urgent Call for extension of the work exists especially amongst the Natives of the Fraser and Thompson Rivers, in Queen Charlotte's Islands, and elsewhere, which if unheeded now must result in ground being lost, and openings neglected never afterwards to be regained.

There will be absolute necessity for giving up important work which God is blessing, and reducing the number of Clergy, if this appeal does not succeed.

Thus far the work has prospered, and the Church of Christ is being steadily planted in that new land ; for in Ten years, instead of one

Clergyman and one Church, there are 25 *Churches and Mission Chapels*, 21 *Residences*, and 11 *School Rooms*, 10 *Missions* have been opened to the Indian population, glebes for future endowment have been secured in many parishes, and 15 *Clergymen*, 13 *Catechists and Teachers* form the Ministering and Educational body, through whom, from 35 *centres*, the work of civilization is proceeding in all parts of the Colony.

The Native Indian race numbers 50,000, and the Europeans are scattered over a vast area of many districts, varying in population from a few hundreds to several thousands.

The Colonists are doing their utmost, making efforts with much self-denial, and the poor natives urge us not to desert them.

For the last two years the Bishop has borne personally the risk of keeping up the Mission; and not only has no one good work been allowed to drop, but *new work*, under circumstances of peculiar interest, has been undertaken, and this appeal is now made to the sympathy of the Church of England, and all friends of civilization, to relieve the Mission from its difficulties, and to further the work of Christ's Gospel in this important Colony of the British Empire.

£2,000 is required in *Annual Subscriptions*;—and *Donations* are earnestly sought towards the debt upon the Mission and extension of the work.

Contributions will be thankfully received by—

The BISHOP of COLUMBIA, 70, Upper Berkeley Street,
Portman Square, W.

And for the Columbia Mission—
