The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. REPORT OF THE
MANAGING COMMITTEE

OF THE ST. GEORGE'S SOCIETY, FOR THE YEAR 1859.

At the close of its year of office your Committee is much pleased to report that the St. George's Society of Toronto, has continued to prosper and increase in usefulness. Your Committee has endeavoured to promote the true objects of the Society, which are, the relief of the suffering and the encouragement of mutual and friendly intercourse amongs all classes of Englishmen.

The number of members is not so large as at the end of the year, 1858, when 487 were on the roll, but many of them were very much in arrear with their subscriptions, and the Committee for that year in its Report, recommended its successors to revise the list, striking out (according to the By-laws), the name of every one who had no right to be classed as a member. Your Committee after mature consideration, adopted this recommendation and 155 names were accordingly erased from the list, leaving a total of 332 bona-fide members whose names were published with the Annual Report for 1858. Since the commencement of the year, 47 new members have been added, making the total now 379.

The depression in trade and the scarcity of employment, have been the means of causing the demands on the Society to be more than equal to the receipts, therefore continuous efforts were required to provide for the relief of the necessities of the poor. In the distribution of charity, the aim has been to hold out to the worthy applicant every facility and invitation to present his claims, and at the same time to guard the fund devoted to so sacred an object by every possible means against the unworthy and undeserving. Your Com-

mittee has by strict examination and careful scrutiny generally arrived at a correct estimate of the merits of each case as it has presented itself. In some instances, however, it may have judged too leniently, and assistance may have been given to those who were not really entitled to it, but your Committee believe that it has never, by judging too harshly, refused the really deserving. Whatever inconvenience or loss of time may have been experienced by your Committee, the grateful and heartfelt thanks of many an honest Englishman and woman have been sufficient repayment, and it must be gratifying to every member of the Society to know that almost daily during the past year some portion of his contribution was being employed in the good work of charity, in comforting the sickly, the hungry and the down-hearted. The remembrance of the good that has been done, should encourage our successors to renewed exertions, for on the energy of their management materially depends the future success of the Society.

During the year about 300 cases of distress have been enquired into, and relieved to the extent the funds of the Society would permit. It would occupy too much space to give the particulars of every case, but in compliance with a wish expressed at the December meeting, your Committee will now allude to a few of the cases which may not prove uninteresting.

Two widows of Englishmen who died in this country have been assisted to return to England, and several poor families aided with passes to Montreal and Quebec on their way home. Four members of the Society, and a life member of the Quebec St. George's Society, have been materially assisted during the past year. A respectable young man, a clerk from Liverpool, had \$10 loaned to him to proceed to New York, for which he gave security, and is now doing well. Another was loaned \$8 also on security and is doing well; the money in both cases will no doubt soon be repaid to the Society. An old Englishman with a large family received assistance three

or four times during last winter—in the summer he obtained employment and was getting on comfortably, until the fire in Sheppard street again reduced them to destitution—they lost their all. This misfortune induced your Committee again to come to their aid, and a good new cooking-stove was purchased for them from Messrs. Richey & Harris (who supplied it at a reduced price) which with other assistance enabled them to re-furnish their home and they are doing well once more. An emigrant, a hawker of Crockery, from London, arrived here with his family in July, he could not find employment and to add to his difficulties, his eyesight became affected, now he is totally blind of one eye, with a cataract in the other, which will, it is feared, ultimately destroy the sight. About three months ago, amidst his poverty and troubles his wife gave birth to twins. This extremely severe case was brought before the notice of the Committee, and it was resolved after thorough examination, that something should be done to enable himself or wife to earn a livelihood. The Committee, with the assistance of three Ladies, made enquiries, and found them really deserving of help, consequently the wants of the family were supplied, their arrears of rent paid, and a basket with a stock of cheap crockery, furnished the man to commence his old business as pedlar; the total expense being about \$26. He is now making a living and will most likely manage without further aid from the Society. This case has demonstrated the feasibility of a Ladies' Committee being appointed to visit female applicants at their own homes. A resolution was adopted at the Quarterly Meeting in April, authorizing the Committee to invite the co-operation of Ladies for that purpose when necessary or expedient.

Twenty-five families, who formed part of the three or four hundred sent out in 1857, by the Woolwich Emigration Society, principally dock-yard workmen, have frequently received assistance during the past year, most of them were in very destitute circumstances during the winter 1858-9, and continuous relief had to be afforded to keep them from actua

starvation. The Committee cannot express too strongly its condemnation of the barbarous system adopted on several occasions by quack philanthropists in England (particularly those of Woolwich) in shipping to the colonies their unemployed workmen, without regard to the ultimate well-doing of the emigrant, or whether he would find employment in his new home or not. This city was in 1857 crowded with men accustomed to work only at one branch or description of dock-yard labour, which was not carried on at all in Toronto; a ship, for instance, has not been built here for several years, yet several of the emigrants were ship-carpenters, and good for no other employment. The majority of those poor people were reduced from comparatively comfortable circumstances in England to miserable poverty in Toronto. Your Committee has since Spring followed the course it adopted in 1858, namely to assist them to remove to other places in Canada or the United States and and some back to England.

The Woolwich emigrants have been a very heavy burthen to the Society, more particularly in the winter of 1857-8, when to alleviate their distress, the Reserve Fund was exhausted and a large debt contracted, part of which still remains unpaid.

During the past year, the Society has been called upon, either wholly or in part, to bury ten English persons, namely, four children and six adults; amongst the latter was Middleton, a young man who committed suicide in November from want, leaving a wife and eight children behind him; he had unfortunately not applied to the Society, or he might have been temporarily relieved until he had found employment. The widow and children are at present provided for but the Society may have to assist in their future maintenance.

Three of the ten interments were in the burial ground belonging to the Society in the St. James' Cemetery.

A subscription list was formed to purchase a piece of ground in the Cemetery to be the property of the Society. The plot chosen consists of 28 lots. The Society has paid for

the four corner lots, and the Church Wardens have agreed to reserve the remainder for the Society.

Now that this ground belongs to the Society, it may be a consolation to many a poor death-stricken Englishman to know that when he quits this world, his body will, at the hands of his fellow-countrymen receive a decent interment, and the members of the Society will have the gratification of knowing that when an Englishman dies, be he ever so destitute his remains will be properly cared for, and sacredly protected.

For the purpose of raising additional fund it was resolved to get up a Concert on the 1st March, under the direction of Mr. Carter who with several Ladies and Gentlemen, amateurs, as well as professional, kindly gave their services gratuitously on that occasion. The Concert was under the patronage of their Excellencies the Governor General and Lady Head; also of Lady Robinson, Hon. Mrs. De Blaquiere, Mrs. Prondfoot, Mrs. Widder and Mrs. J. B. Robinson; and was very successful, realizing the sum of \$130 84, clear of all expenses.

On St. George's day, the Society attended a full Choral Service in St. James' Cathedral. The psalms and responses were chaunted by a full Choir, conducted by Mr. Carter, and composed of upwards of one hundred vocalists. The prayers were intoned by the Rev. Mr. Denroche. The lessons for the day were read by the Rev. Dr. Scadding, and the sermon preached by the Rev. T. S. Kennedy; the two latter chaplains of the Society. The collection amounted to \$99 87.

In compliance with a resolution, adopted at the June Meeting, an Excursion took place to Lake Simcoe, on the 19th of July, which was so very successful that your Committee was encouraged to give the friends of the Society another opportunity, on the 11th August, of enjoying a day's pleasure in the country, at a Pic-Nic, on the shores of the Lake near Mimico. The nett profits from these excursions amounted to \$79 86.

A Concert under the leadership of Mr Carter, followed by a Ball, came off on the 10th January 1860. The attendance was large, nearly three hundred being present. The per-

formances at the Concert were highly appreciated, and taken as a whole, it was one of the most successful that ever took place in this city. The profits realized were \$103 58.

Great credit is due to those ladies and gentlemen who have assisted the efforts of your Committee in the cause of charity, by their aid at the Concerts as well as at the Church Service, and the best thanks of the Society are due to them, for their services. As a token of respect, and in consideration of the very valuable services rendered to the Society, Mr. Carter was, at the Quarterly Meeting in July, unanimously elected an Honorary Life Member.

The annual and good old English custom, of distributing beef and vegetables to the poor on Christmas eve, was not forgotten by your Committee—Subscription lists were formed and very handsome donations were collected in aid of that object, a list of the several contributions is herewith attached. The distribution took place at the building formerly Lamb's Hotel, King Street west, which was kindly granted for the occasion by the proprietor, Samuel B. Harman, Esq. It commenced at three o'clock in the afternoon, and continued until about ten in the evening. The following is a list of the disbursements.

Beef, mutton, &c.....	4,051 lbs.
Bread and flour.....	2,484 "
Potatoes, 162 bushels, or.....	9,720 "
Turneps or carrots, 30 bushels, or.....	1,800 "

Total 18,055 "

A little over nine tons of eatables.

In addition to the above, twelve cords of wood, \$19 in groceries and over 300 cabbages were distributed. The total value of the whole being estimated at \$471 36. The recipients of this bounty were as follows :

187 families, English, representing.....	853 persons.
135 " other countries "	583 "
322 "	1,486 "

The charity was intended to be for the English poor only, but, to the really deserving no difference was made. Many a poor family was thus enabled to enjoy a Christmas dinner, which they could not have obtained but for the timely aid thus afforded them by the St. George's Society.

The Society being now incorporated and in a flourishing condition, it is very desirable that gentlemen who occupy a position in life which enables them to afford it, should become Life members of the Society. The subscription is \$20, which is invested, and the interest alone applied to the ordinary expenditure. In Quebec about £1,400 has been derived from this source and invested—and nothing has so much tended to add to the permanency of the institution.

Your Society has an investment of \$585 in the British American Insurance Company. During 1859 the Committee has deposited with the Provincial Permanent Building Society, and withdrew one hundred and eighty dollars, which had been invested in it. The Society now owns a City Debenture for \$125, and a Yorkville debenture for \$100; making a total permanent fund of eight hundred and ten dollars. The last year's statements showed a balance due the Treasurer of about \$5; now there is a balance of cash in hand of \$87 71, nearly enough to pay off the debt due by the Society still unpaid, amounting to \$89 13.

Before closing the report, your Committee wish to call the attention of the Society to the fact that there are ten of the *original founders* of the Society still on the list; they well deserve the thanks of the other members of the Society for their perseverance in supporting the Society through good report, and through evil report for 24 years—their names are Messrs. Henry Rowsell, George P. Ridout, Joseph D. Ridout, William Wakefield, John G. Howard, John Sleigh, George Gurnett, John W. Brent, Thomas W. Berchall and J. D. Humphries. Mr. Rowsell served the Society for twenty years as Treasurer; Mr. G. P. Ridout occupied the presidential chair three years,

Mr. Joseph D. Ridout, four years, and Mr. William Wakefield for three years; Mr. J. D. Humphries has on several occasions freely given his professional services in aid of the objects of the society.

All which is respectfully submitted,

THOMAS BROWN,
President.

HENRY SHAW,
Secretary.
