TODAY THE EMPIRE CROWNS HER SAOR KING

LONDON'S MILLIONS KEPT VIGIL ON CORONATION'S EVE

At Midnight Dense Crowds Began to Leave Their Homes to Take Possession of Every Point of Vantage for the Morrow's Pageant—People Spent the Night Cheering and Singing the National Anthem.

SKY GAVE PROMISE OF REAL KING'S WEATHER

LONDON, June 21.—The British nation shows not the slightest sign of diminishing favor toward monarchical government. A half century of quiet life under Queen Victoria has been succeeded by a stirring decade, which has seen a coronation and two state funerals.

The eve of the coronation found London at the highest point of fever heat. Immense crowds of the preceding days became to-night a seething mass. All detours to secure a view of the coronation procession, which was to be held from which to view the morning's royal procession. The streets in the west end were almost utterly impassable.

Myriads waiting around the route to watch the brilliant decorations, which were illuminated till long after midnight for the special distraction of the waiting throngs, who thus were enabled to enjoy a magnificent spectacle. Occasional by the sound of bugles announced the approach of troops just arrived in London, marching to their camps to snatch a few hours of rest before dawn.

At the house of parliament, where the ministers and members are entertaining large numbers of guests, preparations have been made. Tents have been erected in the palace yard, where 2,500 guests will be served during the coronation.

MONTREAL BREAD MERGER

Another Firm Likely to Enter, Says Report. MONTREAL, June 21.—(Special.)—Messrs. Cawthra Mulock and Mark Bredin, accompanied by their solicitor, A. M. Stewart, of Toronto, have again been in Montreal on the bread merger business, but returned last night to the west. It was rumored that Messrs. Stuart, Limited, well-known bakers had agreed to join the proposed combine, but Mr. W. J. Stuart, a member of the firm, would neither deny nor confirm the report. He believed that the Toronto mergers were going to build a huge concern in Montreal, but beyond that he would not say.

GEORGIAN BAY CANAL

Vote of \$3,000,000 Expected When the House Resumes. OTTAWA, June 21.—It is learned that the draft of supplementary estimates assumed in the cabinet council this spring contained an appropriation of \$3,000,000 for the commencement of work on the Georgian Bay Canal, but that, for some reason, the amount was held back. Remarks of Hon. Rodolph Lemieux and other members forecasting a commencement of the work in the "very near future" are taken as indicating that the supplementary vote will be forthcoming in the further supplementary estimates to be brought down when the house resumes. Especially will this be the case if there is to be a general election fall.

TO ATTEND STATE DINNER

C. C. James, deputy minister of agriculture, goes to Ottawa this morning on the C. P. R. train with President Falconer. To attend the coronation's state dinner, presided over by Earl Grey. Both gentlemen will be officially decorated with the Cross of St. Michael and St. George, which has just been bestowed on them by the King.

HON. JOHN COSTIGAN HONORED

EDMUNDSTON, N.B., June 21.—The banquet tendered to Hon. John Costigan at St. Basil last evening by his friends, to mark the completion of 50 years of continuous service in the legislature of New Brunswick, was a great success. A handsome gold chain and a suitable engraved locket were presented to Senator Costigan as a memento of the occasion.

FOOT BRIDGE AT BAY-STREET

Controller Church says he will receive proposal to build a foot-bridge across railway tracks at the foot of Bay-street, as it will be five years before the viaduct is ready. The bridge, he says, will cost about \$10,000. The crossing was blocked for more than seven minutes yesterday and fifteen people missed an R. and O. steamer in consequence.

PRINCE AND PEOPLE

The New Democracy on Coronation, 1911. Let the King rule; but in the nation's hand. Let the King hear; but best his People's voice. Let the King judge; the Law will be his guide. The King makes war; but for the Nation's cause; The King is leader; but by Wise men led; The King is king; but first must be a Man; The King has Right divine; by Faith alone, The son is King; his father feared the Law. God guide the People when they make the Kings; God bless the King when he takes up the Crown. Man reigns when all the People make the Law; God reigns when Prince and People keep the Law. —W. F. M.

CONTINUOUS DISPROOF OF THEORY OF FROZEN NORTH

Report Issued, Covering Journey to Hudson Bay Taken by Earl Grey Last Summer. OTTAWA, June 21.—(Special.)—By permission of the governor-general a report has been prepared by R. W. Brock, director of the geological survey, covering the journey to Hudson Bay, taken by Earl Grey last summer. His Excellency is credited in the report with a lively interest in "the continuous disproof of the theory of the frozen north."

The conference was private.

FATE OF RECIPROcity HOVERS IN THE BALANCE

Result of Amendment to the Wool Bill Now Renders it Impossible to Say Whether Enough Votes Can Be Mustered to Pass it Without Amendment. WESTERN Republicans, who have taken the reciprocity measure under attack, are now being forced to make a choice between a vote on the wool bill and a vote on the reciprocity bill. The result of the Gore motion was to disrupt completely the lines that have formed in the senate that cannot be forestalled now when a vote can be reached on the reciprocity bill or whether enough votes can be mustered to pass it without amendment.

MOOSE JAW, Sask., June 21.—(Special.)—The second day of R. L. Borden's tour beyond Winnipeg has been distinctly encouraging from his point of view. He scored a great personal success, and he has distinctly turned the flank of a pro-reciprocity meeting in a settlement largely composed of those who had come from the United States.

A \$35,000 FIRE?

Blaze in Victoria Clothing Company Proves Costly. Thirty-five thousand dollars is the figure set for the loss by fire at the premises of the Victoria Clothing Company's premises at 50 Catherine-street on April 2nd last night. The greatest damage was done by smoke and water, as the quick work of the firemen, combined with the fact that the way of the flames thru the elevator shaft was stopped by the elevator standing at the first floor up.

CONTROLLERS AT ODDS WITH HEALTH OFFICER

Storm Arises When Dr. Hastings Orders Public Drinking Cup From City Hall.

The controllers tackled the drinking cup problem yesterday for the 'steenth time. Incidentally they discovered that the big doctor who sits in the medical health officer's chair can hit back hard.

"We boss this lean-to," they said to the M.H.O. "You can run us if you like but not this building nor the innocent, defenceless inmates thereof. We be bosses of the city hall."

Fortified Himself. Then Dr. Hastings hired him to the city solicitor to seek legal advice on the matter. Yesterday morning he again appeared before the board of control to insist on the correctness of his position in ordering the abolition of the public drinking cup.

"According to this letter from the city solicitor," said he, "I have the power under the public health act, of ordering the removal of the public drinking cups from this and every other public building. The property commissioner is the man to do it in this building and I have so ordered him."

But, being stiff-necked and rebellious the board of control objected still and again and yet.

"All regulations adopted by the board of health should be sent to this board," said Controller Spence.

"Carried," said the other controllers unanimously and vigorously and also with determination. They were not to be moved.

Stood All Undaunted. But Dr. Hastings was nowise daunted by this attitude, and these vociferations of the board of control.

any chances on the views of the aldermen. "I know my powers and will use them," he stated in a most conciliatory fashion. "I will report this to council as an order—not a request."

Controller Hocken got gas. "Why not supply syringes with which to squirt water into the glasses and clean them out?" he asked with unbecoming levity.

This was more than the M.H.O. could countenance. Assuming an expression of magisterial severity he handed out a stern rebuke to the light hearted controller.

"This is a matter of import to the public health and too serious to be made light of," he said chidingly. But the acting mayor wasn't the least bit scared at the aspect of the medical health officer.

"You take your orders from the board of control," said he to the property commissioner, who was waiting patiently in the neighborhood of the display of fireworks.

So ye public drinking cup remains for the present. But the fight is not yet ended—oh no—there'll be more presently also anon.

The medical health officer will eventually enforce the regulation re the public drinking cup in all the public buildings, offices, hotels, etc., of the city.

NO ADVANCE WORK.

The question of doing advance work by day labor on the trenching for the duplicate intake pipe at the Island came up before the board of control yesterday.

Acting Mayor Spence wanted a start made at once, but the city engineer reiterated his statement, made at a previous meeting of the board of control, that to do so would be to waste both time and money.

Controller Ward voted with the acting mayor, but as Controllers Hocken and "Church supported the city engineer, the entire job will be left to the contractor. Contracts will be let next week.

No Bridge Yet.

The recommendation of the works committee that a steel and concrete bridge of 100-ft. central span be built across the western lagoon at Turner's Bay was not entertained by the board of control yesterday. They referred the whole matter back.

Estimate of Board of Health for Central Dispensary. The local board of health yesterday recommended to the board of control that the city establish a central tuberculosis dispensary. They estimated that it would cost \$25,000 to secure the site and put up the building. Maintenance was estimated at \$5000 per year.

"We are already spending about \$200 per year on this work," observed Controller Hocken.

"The most prominent physicians in the city have promised to give their services to the dispensary," said the medical health officer.

While the board of control approve the project they will confer with the board of health and other interested parties before making any decisive move.

THINK THE POLICE SHOULD GET THEM.

The new regulation of the street railway calling for people to make enquiry re lost articles at the Lansdowne car barns was discussed by the board of control yesterday. "It is very inconvenient for the bulk of our people to travel all the way to the west end of the city on business of this nature," said the acting mayor.

"I think that we should find out from the city solicitor whether we can compel the company to hand these articles over to the police."

"I think the common law will cover the situation all right," said Controller Hocken.

City Solicitor Johnston will be asked to report on the matter. Nolan Admits Guilt. James Nolan, from Montreal, pleaded guilty in police court yesterday morning to five charges of sneaking

thieving from various houses in the city, which he entered by stealth during the day time. He will be sentenced June 29.

"Accidents Will Happen!"

A SINGLE misstep—stumbling in the dark—the form slips from the compositor's grasp and goes crashing to the bottom of the stairs where it lies a hopelessly "piled" mess of type, rules, cuts, "furniture" and quoins—the work of hours, of days, in ruins! All has to be sorted, distributed and set up again at the employer's expense. For accidents such as these are beyond human control. Worse, still, however, the customer frets and fumes and grows impatient at the delay. You temporize with excuses. But no matter how plausibly put, excuses cannot successfully bolster up the deficiencies of an irregular business system. Hence the customer decides finally to go elsewhere with his printing order another time. The accidents, expenses, and generally disastrous consequences that follow the practice of such slipshod methods of handling stock and forms can be effectually prevented by the installation of

OTIS FENSOM FREIGHT ELEVATORS

Forms can be taken quickly and safely to and from the pressroom without danger of

accidents; and the printed sheets can be transferred in the same way without risk of crumpling, as often happens when carried by hand up the stairway. In view of these facts, it is obvious that cost systems will avail little toward conserving profits, so long as the attempt is made to run a modern printing office without the practical aid of an elevator. If your present shop should not require a belted elevator, we have a Hand Power Elevator which will render excellent service where loads are light or where it is desired to save space. These elevators can be installed anywhere, and, as they are equipped with our improved steel roller bearings, simplicity and ease of operation are assured.

**Note and Comment**  
Oh, yes, the Young Torontos make no secret of playing Dandeno and Barnett, like any culprit who confesses when caught with the goods. Why were their names omitted from the line-up at Brook-

It is a well-known fact that the Crescents are a strictly amateur team, who carefully refrain from playing with or against professionals, except when sportsmen like the Young Torontos put one over on them.

Toronto professional clubs have frequently volunteered to make the trip to Brooklyn for the \$100 guarantee given and the good time, but were invariably refused. Bill Tait, President of the United States, was a guest at Bay Ridge one day this month, when Montreal were the Crescents' opponents, however, not the Montreal N. L. U. team, but, instead, a team of M. A. A. amateurs, True, N. L. U. twelve used to meet the Crescents, but that was the time they were rated as simon-pures.

The A. U. of C. accepted the C. L. A. as an affiliated organization, and thus the governing athletic body took upon itself the duty of keeping the game free from professionalism, and the very fact that the pros. were taken along clandestinely shows that the Young Torontos knew they were breaking the amateur law, and they must take the consequences.

**B. U. A. C. NOVICE BOUTS**  
Mackay and Hitchen the Winners—Fair Crowd.

The novice boxing bouts of the British United A. C. attracted a fair crowd to their clubrooms, West King street, last night. W. Hitchen of the Evangelist A. C. had his own way in the 112-pound class, and won both the preliminary and final bouts easily, but D. Mackay had to go the best he knew how to get the decision in the 125 pounds. He was up against P. Jackson in the preliminary, and it was the closest kind of a bout, but after a minute's boxing in the extra round Mackay stopped Jackson at a right to the stomach. In the final he met Murray, who had been given a decision over Caird of Newmarket, much to the disgust of the spectators, and, although he had good margin, was very tired at the finish.

112-pound class—Preliminary—W. Hitchen, Evangelist A. C., beat W. Klen, unattached, C. Kerrigan, Riverdale A. C., beat A. Pherrill, B. U. A. C., F. Pacey, B. U. A. C., best J. Ashton, Ashley School, Final—Hitchen beat Pacey, Kerrigan defeated Pacey.

125 pounds—J. Murray beat W. Caird, Newmarket; D. Mackay, Corinthian B. C., beat P. Jackson, West End. Final—D. Mackay beat J. Murray.  
The judges were F. Lansdowne and W. Pettie. Referee, Lou Marsh.

**SOCCER FOOTBALL TO-DAY**

President's Side Play Committee's Team on Bathurst-street Grounds

A great deal of interest is being taken in the big soccer game which will be pulled off this morning at the Eaton Athletic grounds on Bathurst street, a little above Davenport-road. President Tom Robertson was asked to pick his very best choice from the T. & E. League, and a special committee was appointed to select a team to oppose it. The result is that two very strong and evenly matched teams will battle for supremacy. This event will serve as a test game for the purpose of selecting Toronto's very best team to represent the association against London, England, and London will open their tour of Canada, and the States in Toronto on Friday.

Both teams for to-day's game are quite confident of victory. All the players are anxious to play to the honor of meeting the Corinthians, and may be depended upon to go it hammer and tongs all the way. This will be one of the fastest soccer games seen in Toronto this season. Ladies will be admitted free to the grounds, and are only five minutes' walk from Bathurst and Dupont-streets. George Campbell, the famous right back of the Thistles, will captain the president's team, while George McEwen, the well-known half-back of the Thistles, will captain the league team. It seems a coincidence that both captains are Georges in the big Coronation Day game. The game will commence at 10:30 prompt, and the teams will line-up as follows:

Team	League Com.
Goal	Williams
Goalkeeper	Gillespie
Right back	Robinson
Left back	Marshall
Centre half	Wright
Right half	McEwen
Left half	McEwen
Outside right	Robertson
Inside right	Shires
Centre forward	Rowe
Inside left	Foster
Outside left	Young
Reserves	Rimmer, Small, Cameron, Gray, Turner, Altken, Fidler, Black, Blair.

GUELPH, June 21.—Guelph had to fight all the way to win the game from Berlin to-day. The Leafs had a good lead early in the game, but the Dutchmen rallied in the fifth, driving out four runs. They made another in the sixth, tying the score. Guelph scored the winning run in the sixth. Fryer, who opened the game in the box for Guelph, was derided in the fifth. Muir being substituted. Two hits off Muir, and he was benched, being replaced by Mason, who finished the game. Mueller, for Berlin, pitched a fairly good game, but was hit in bunches several times. **Canadian Racing Associations Grant Many Licenses**

At the meeting of the Canadian Racing Association at Hamilton yesterday the licenses of jockeys E. Dugan and C. Shillings were restricted to the horses of their contract employers, Mr. Belmont and Mr. Hildreth.  
Trainer Willie Martin was fined \$100 for attempted intimidation in connection with the running-up of his horse, Eye Straw, after a selling race. The further entry of the stepphacher Expansionist was ordered refused on account of his bolting in races. His stake engagements stand. The following licenses were granted:

Trainers—A. G. Blakely, J. M. Brown, G. Campbell, W. V. Conran, J. Coyle, H. Craven, P. Delany, A. Ewing, J. Evergreen, F. G. Fox, M. Gorman, M. Gorman, C. L. Mack, W. Martin, J. H. McDonald, M. **Can Torontos Trim Tecumsehs In To-day's Game?**

The big lacrosse game at the island this afternoon will be the greatest crowd of the season. Both Tecumseh and Toronto are in fine fettle for the contest, and it should be one great battle. The ball will be faced at 3:30 p.m. sharp, and it will be started promptly at that hour, and it should be a very exciting one. All games at the island will start at the appointed time. The line-up will be as follows:

Torontos—Goal, Tierney; point, McNarey; cover-point, Harshaw; defence, Powers, Braden, Stagg, Querrie, Munton, Wick; home, Dandeno, Longfellow, Kalls; outside, Cameron, inside, Irwin.  
Tecumseh's—Goal, Kinnman; point, Green; cover-point, Yeaman; defence, Graydon, McKenzie, Rovinsky; centre, Peiker; home, Collins, Querrie, Munton, outside, Durkin; inside, McGregor.  
Referee—Fryer, Muir, Mason and McWhirter. Judge of play—Jim Kavanagh of Montreal.

Billy McIntyre is attending a convention at Buffalo, so will not be able to officiate in to-day's game at the island.

The British Columbia Lacrosse Association wired President Murphy of the N. L. U., asking him to name the officials for the five games still to be played in the series between Vancouver and New Westminster.

The Athletics of St. Simons will practice this morning at ten o'clock on the Don Flats, in preparation for the game with St. Simons on Saturday.

Barney Quinn may be resurrected to play goal for the Birds on Saturday. President Murphy has appointed Wm. McIntyre referee and Ed. St. Pere as judge of play in the Coronation Day game at the island on Saturday.

Sailors Beat Long Branch. Long Branch sent two rinks to R.C.Y. C. lawn yesterday, and lost, as follows: Long Branch, R. C. Y. 1-0. A. Dale, H. Chisholm, T. Mitchell, H. Armstrong, S. J. Kyle, J. E. GOD SAVE THE KING.

Sundry few and occasional voices have made themselves heard in disparagement of the coronation ceremonial. It is ridiculous as antiquated, as a relic of feudalism wholly alien to the spirit of twentieth century democracy.

The obsequies of a king, the coronation of his successor touch the heart of the wide flung nations and dominions which compose the British Empire.

Naturally the street railway counsel would disclaim any desire to obstruct the city project of installing car lines in vacant territory outside the limits covered by the street railway contract.

THE SUN AND "THE SOVEREIGN"

The persons who enjoyed warm weather indoors all last winter lived in houses heated by "Sovereign" hot water boilers.

"The Sovereign" has all the appearance of the old style hot water boiler—but it is different in so many ways that a detailed description would take too long to tell.

We will send you the names of your neighbors who live in houses heated by the "Sovereign" boilers and you may ask them how comfortable they were last winter.

The Sun and "The Sovereign" The persons who enjoyed warm weather indoors all last winter lived in houses heated by "Sovereign" hot water boilers.

"The Sovereign" has all the appearance of the old style hot water boiler—but it is different in so many ways that a detailed description would take too long to tell.

We will send you the names of your neighbors who live in houses heated by the "Sovereign" boilers and you may ask them how comfortable they were last winter.

ing the day. Long before dawn drums and trumpets gave evidence that 50,000 troops were preparing for their strenuous duties and the people waited curiously to see them march out. Sev- eral regiments encamped in the out- lying district started out to-night for their appointed positions along the route amid the cheering of the crowd.

Even outside the limits to which the royal procession is confined, the ani- mation of the people was unprecedent- ed. Everywhere illuminations blazed in many colored designs, and those who later on intended to proceed to the centre of the city pushed their way thru the packed streets giving voice to admiration, singing, playing instru- ments and cheering. Many of them carried bundles of provisions for to- morrow's needs.

The portraits of the King and Queen are displayed on every hand. They called forth cheers and cries of "God Save the King" when it was an- nounced to-night that the Prince of Wales had been gazetted a midship- man thousands took up the song: "God Bless the Prince of Wales." The au- thorities have taken the most careful measures to prevent accidents.

Where the gathering will be densest ambulance stations have been located and are carefully equipped for day and night service. On many of the promi- nent streets to-night many exhausted women were treated.

The Seamen's Union has offered to negotiate truce terms to enable the excursion liners to attend the coronation review at Spithead.

HAD KIDNEY TROUBLE.

COULD NOT CROSS THE FLOOR PAIN WAS SO GREAT.

Mrs. Hazel Hess, Winchester Springs, Ont., writes:—"I was troubled with my kidneys for five years. They were so bad, at times, I could not cross the floor for the pain. The doctor could not do me any good and a friend advised me to use Doan's Kidney Pills. I bought six boxes and now I have been cured for over four years. I will recommend them to every sufferer."

No woman can be strong and healthy unless the kidneys are well. When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to filter out of the blood are left in the system. Then how important it must be to see to it that this system of sewage be not clogged up.

Doan's Kidney Pills are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure backache and all forms of kidney and bladder trouble.

Doan's Kidney Pills are 50c. per box or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. If ordering direct specify "Doan's."

BORDEN MAKES IMPRESSION AT WEYBURN

Continued From Page 1.

side than the United States was chal- lenged and the speaker, who had been the whole meeting when he promptly cited Nova Scotia, New Brunswick and Quebec.

A moment later he stated that the prices of other farm products than barley and wheat were higher in Canada than in the United States. "Just now," called out a grain grower, "but it did not use to be."

An Apt Retort. "Are we not dealing with conditions to-day?" asked Mr. Borden, amid general laughter, which he promptly applied to the difference in conditions between 1890 and now.

In conclusion he was cheered when he asserted that the last chance which the United States had for reciprocity had gone by twenty-five or thirty years ago.

The reception at Estevan in the morning was cordial, but the meeting was more critical and Mr. Borden was put thru a questioning by one farmer. He was asked if he would give free trade with England, and refused because of the injury it would do to Canadian industry. He was asked if he would make agricultural implements free, and replied that he would do what was just after inquiry by the tariff commission.

A statement by T. W. Turritt that the opposition was under the influence of the Canadian manufacturers was met by a question by one farmer, who asked if he would make agricultural implements free, and replied that he would do what was just after inquiry by the tariff commission.

After the meeting at Weyburn Mr. Borden came on here. On the way up he spoke briefly at Yellow Grass, Lang Milestone and Rouleau. The meeting here to-night made seven for the day. Civic leaders were tendered the Conservative welcome at Estevan and at Moose Jaw.

Decrease in Bees. According to the June bulletin of the department of agriculture, there are 3315 fewer colonies of bees in Ontario now than at this time last year, and the honey crop will be considerably shorter than last year. The price of honey is expected to jump. In May of last year there were 23,730 colonies. There is a falling off in colonies of from 937 to 840 in York County. In Wentworth 293 to 246; in Welland 371 to 245. In the large honey-producing counties of Ontario there are from 5 to 20 per cent. fewer bees than last year.

Auto Racer Killed. MILWAUKEE, June 21.—Walter Donnelly of Cincinnati, driving a Cino car in a 50 mile automobile race at State Fair Park, was killed to-day when his car ran into a fence. Donnelly's skull was fractured against a post. He died in a hospital.

Coronation Display at Catto's. A fine coronation display of flags symbolizing the unity of the British Empire, is being shown by John Catto & Son.

Coroner Dr. S. Singer's jury brought in the foregoing verdict, after hearing the evidence in the case of the elderly lady who was hit by a Metropolitan car at Brier Hill-avenue, Eglinton, on June 9, and died later in St. Michael's Hospital.

Motorman Warsaw, for one year an employe of the company, said he saw the woman 300 yards off, and turned off the power and blew the whistle. She stepped off the track and stepped on again when the car was only ten feet from her.

William Dunn, who witnessed the accident from a point 250 yards down the road, said the woman walked up the centre of the tracks "as straight as she could go."

A. E. Brockebury of Bedford Park thought she might have been confused and therefore not recognize the car as a thru one.

Dr. M. Crawford and Dr. McCormack brought the woman to the hospital. She did not appear badly injured at first, but died suddenly about a week after the accident.

Chief Coroner Johnson read the post-mortem, which showed death to be caused by blood poisoning, originating in a rupture of the spleen.

Bargains in Player-Pianos. More and more the player piano grows in popularity. Heintzman & Co., Ltd., 193-195-197 Yonge-street, have on hand a few player pianos, used for demonstrating purposes, that have been put in good condition and are really as good as new, but will be sold at a large reduction from the first price. 4524

NEWS OF WEST TORONTO

Rev. R. Seaborn to Be New Rector of St. Cyprian's.

WEST TORONTO, June 21.—(Special.)—A very pretty wedding took place last night at 7 o'clock at the residence of Mr. Robert Kemp of Alexander-avenue, when his daughter, Mary May, was married to Rev. Alex. Mustard, B.A., son of Mr. Alexander Mustard, Rev. T. Beverley Smith, B.A., assisted by Rev. Beverley Kelchman, performed the ceremony in the drawing room, which was decorated with cut flowers. Following the ceremony a reception was held by the bride's mother, after which the happy couple left on a tour thru New York and the Southern States. On their return they will reside at 90 Alexander-

The Rev. R. Seaborn, who has been rector of St. Mark's Anglican Church for many years, has been appointed successor to the rectorate of St. Cyprian's Church, Toronto, to take the place of Rev. C. A. Seager, who is leaving for Vernon, B.C.

At the annual election of officers for Victoria Lodge, A. F. and A. M., held in the Masonic Hall, Amette-street, the following were elected for the ensuing year: W. Master, W. Bro. W. E. Birrell; S.W., Bro. F. Ford; J.W. Bro. L. O. Horner; chaplain, Bro. Rev. R. Seaborn; treasurer, W. Bro. J. S. Hill; secretary, W. Bro. W. E. Birrell; S.D., Bro. T. O. Schurber; D. Bro. F. B. Hartney; Tyler, Bro. C. Miller. Com- mittees were appointed for music and sick visiting.

The last vocal recital of the season was held in the College of Music Hall to-night by the pupils of Mrs. and Miss McGill. The program was an exceptionally good one and consisted of selections from such masters as D'Hardelet, Tolstol, Mendelssohn, Marzials, Nevin, etc.

NORTH TORONTO. (Special.)—Mr. Robinson sold his property, including two stores, with a frontage of about 150 feet on Yonge-street and a depth of 120 on Sherwood-avenue, for \$2000. The price, even in these days of prosperity, is considered a good one.

Police Magistrate Ramsden disposed of some 20 cases here this morning. All the way from Alderley riding up to offences of a serious nature, James Chappell, a laborer, living at Bedford Park, was arraigned on a charge of assault, preferred by a domestic. Chappell evidently did not realize the seriousness of the charge, and in order to allow him to consult with a solicitor, Magistrate Ramsden remanded the case for a week. Chappell's own bond was accepted for \$50, and that of his mother for a similar amount.

Adam Bell, charged with supplying liquor to a minor, Herbert Smith, aged 15, on Victoria Day, was assessed \$20 and costs.

On Friday evening, June 24, on the grounds of William Maguire, corner Broadview-avenue and Yonge-street, the Eglinton Presbyterian Church will hold their fourth annual garden party and strawberry festival. Silver collection at the gate, and refreshments served from 5.30, during the evening. The North Toronto Citizens' Band will be present during the evening. Given favorable weather, the garden party on Friday evening will be a record-breaker in attendance and interest.

A GREAT EVENT. Venerable Couple Celebrate Sixty-sixth Marriage Anniversary.

JACKSON'S POINT, June 21.—(Special.)—An event rarely met in the annals of the province was the celebration here on Sunday at their summer home by Mr. and Mrs. Robert Clarke of the sixty-sixth anniversary of their marriage.

Mr. Clarke in his 93rd year and his venerable partner 89, and both are in possession of more than the average share of good health and spirits. Coming from England in the year 1819 with his parents when six months old, Mr. Clarke is probably the oldest immigrant from the motherland in York County to-day.

The venerable couple spend much of the summer season at their Jackson's Point home, and here on Sunday they received the congratulations of a host of friends. W. A. Clarke, assessment commissioner of York Township, is a son.

An ever widening circle of friends

For the time being the evening service at Fisherville Church will be held at 7.30 p.m. This hour seems to be coming into favor both in country and city and will be convenient to farm workers in this neighborhood.

DOVERCOURT. Special patriotic services will be held at Davenport-road Church (Presbyterian) on Sunday, 25th June next at 11 a.m. Rev. F. J. Maxwell, the eloquent speaker, will preach, and at 3 p.m. a grand rally of the men, women and children of the parish will take place, at which Mr. W. K. George, leader of the Boy Scouts, will give a

Stepping in front of a light-engine at a late hour Tuesday night, John Morquay, a young Orkney man, was instantly killed and his body crushed and mangled beyond recognition at the new Humber bridge.

Morquay had been talking with his fellow workmen outside the boarding car, near the new Humber River bridge, had gone into the car to get a drink and stepped out in front of the engine. Coroner Forbes Godfrey was notified and later the remains were removed to Norman Craig's undertaking rooms.

The unfortunate young man had few friends and no relatives in this country and the authorities yesterday were trying to locate a family by the name of Gibson, with whom Morquay is said to have lived in the city before starting to work on the cement piers of the bridge here.

Who Owns Horses. The police are searching for the owner of a team of heavy draught horses, light bay in color, found at the corner of Collegiate and Bathurst-streets on the morning of June 11. No. 1 has two white hind feet, white forehead; it would weigh about 1350 lbs; no shoes. No. 2 has three white feet, full white forehead, docked tail; it would weigh about 1400 lbs; no shoes. Both are 6 to 7 years old. The horses are in Smith's livery stable at 464 Bathurst-street.

SMALL FARMS AND INTENSIVE CULTIVATION

The Intensive Cultivation of small farms is of great importance to a growing and already congested city, like Toronto. The crowding of non-producers into the cities, where many must live in unhealthy surroundings, and the increased cost of living is a serious social problem.

The remedy is the Five and Ten Acre Farm Or Market Garden. This Little Farm

must be devoted to the raising of little things that bring big prices; crops with which any man can make a small farm as profitable with his own labor as he could make one of many more acres.

By having a little land, and understanding it, and caring for it, nursing it as you would a child—Independence is attained. The old, weary days of clerkship and salary are at an end.

In fancy, see yourself On Your Own Little Farm

forty-five minutes from your own lot, 25 x 50 feet, and a tenement to live in—sick children, sickly wife, no pleasure in life, and nothing to look forward to.

Back Up. Be a Man. Throw off the yoke. See Mr. Hayes at once; do not delay; make up your mind that

### LOYAL CELEBRATION AT NIAGARA CAMP TO-DAY

Elaborate Ceremonial Parade to Be Afternoon Feature—Bivouac in the Evening.

NIAGARA-ON-THE-LAKE, June 21.—(Special.)—To-morrow the military camp will be in a whirl of festivity in honor of King George's coronation. A ceremonial parade will be held in the afternoon, when the troops will form up on the level ground west of Fort George, with the officers and colors posted, in review order. Lt.-Col. A. T. Thompson, brigadier, commanding the 5th Infantry Brigade, will be in command.

First the bands will play for the royal salute, and the troops will march past in squadron and quarter column. Advancing in review order the division will again perform the royal salute, and, removing the head dress, give three cheers for King George V.

Tent pegging and other sports will follow, on the enclosure in front of the divisional headquarters. A military melee will be put on by men of the 8th Mississauga Horse, as well as portions of horseback wrestling and tilting. Brig.-Gen. W. H. Cotton and Lt.-Col. Hendrie will act as judges.

A Merry Bivouac. In the evening a bonfire and singing will be held, in which men from all the units will take part. An excellent program is being prepared under the personal supervision of Major C. C. Bennett.

Squadron, 2nd Dragoons, and the bands of the 4th and 7th regiments, have received permission to leave camp at 7 a.m. for Hamilton, to take part in the coronation ceremonies at that city. The City of Hamilton have provided \$500 for the purpose of transportation, and two special trains will take the boys out early in the morning.

The band of Nos. 2 and 12 Companies C.A.S.C. will leave on the "Chicoora" at 8 o'clock for Toronto to take part in coronation festivities there. They will not return until Friday morning. Three signallers of the 2nd Dragoons and two of the 37th Regiment have been declared medically unfit by Lt.-Col. Grant, A.M.O., and have been struck off the strength of the camp.

Pte. R. Lee, No. 11, F. A., and Michael Regan of the 20th Regiment, appeared before Magistrate Sheppard for disorderly conduct, this morning, and were fined \$1 and costs or 14 days and \$10 and costs or 60 days respectively. Lee was to-day struck off the strength of his corps.

Thirty-five Hundred Men at Camp. The corrected lists show the numerical strength of the camp to be 3509 men, including the permanent force of 240. If the camp was full strength the men would number 4945, showing the militia regiments to be about 1300 under strength. There are 1059 horses on the grounds.

Today the men commenced their musketry instruction. Early in the morning, with bands playing, one regiment after another marched thru the town to the rifle ranges. After a short lecture the men commenced firing. Shooting for efficiency pay will commence about Friday.

Y. M. C. A. Sports. The Y.M.C.A. sports program opened last evening when the 75 yards dash and standing broad jump were contested. An exceptionally large crowd attended the opening meeting.

The events resulted: 75 yards dash—(1) Sgt. F. G. Sadler, 7th Regt.; (2) Trooper T. Wilcox, 2nd Dragoons; (3) T. Arthur, 7th Signal Corps. Standing broad jump—(1) Asst. Paymaster S. Starling, 20th Regt.; (2) Pte. Reynolds, 7th Regt.; (3) T. Arthur, 7th Signal Corps.

At the first camp consisting, so far as the infantry is concerned, of but one brigade under Lieut.-Col. A. G. Henderson, the difficulty of recruiting several communities was frequently under discussion, and it was decided that efforts be made to form an Infantry Association similar to the associations of the cavalry and artillery arms of the service. The brigadier and the commanding officers of the regiments of the brigade, with Captain Hunter and Lieutenant Dunham, were chosen a committee to meet the officers of the 2nd camp. As a result of correspondence with the Brigadiers of the 5th and 19th brigades the committee

The Canada Life Secures the Services of Mr. T. G. McConkey as Superintendent of Agencies.

Mr. T. G. McConkey, who has been for some years past, the superintendent of agencies for the North American Life, and recognized as one of the most successful field men in Canada, has been appointed by the Canada Life as their superintendent of agencies. Mr. McConkey has made a name for himself as a good organizer and producer, both in connection with his past work as agency superintendent, and in the active interest he has taken in the Life Underwriters' Association throughout Canada. He first entered the life insurance business thru the Montreal office of the New York Life, afterwards becoming their agency supervisor for Ontario. For seven years he was provincial manager of Quebec for the North American Life, and later came to Toronto to superintend their agency forces.

In association work he has been the means of promoting a large number of the organizations in Canada, and the forming of the Dominion Association, of which he is honorary president, was largely due to his efforts. In the organization of the field forces and writing of new business the practical experience and ability of Mr. McConkey will undoubtedly be of great service to the Canada Life.

**FARM WEALTH IN PORTO RICO.** A preliminary statement by the Census Bureau gives Porto Rico a wealth of \$82,730,000 in farm land and buildings, and of \$7,111,000 in farm implements and machinery. The farms number 58,371, an increase of 49.6 per cent. since the devastating hurricane of 1886. The average value of farm land and buildings is \$39.97 an acre, and of farm land alone \$33.48. The total farm acreage is 2,688,000, a gain of 18.6 per cent., of which 1,570,000 acres are improved, an increase of 28.5 per cent. in the eleven years. The amount paid for farm labor in 1910 was \$12,452,000 and for fertilizers \$311,000.

Small farms are the rule in Porto Rico, 42,000 being of less than 20 acres each. Only 200 are of 100 acres and over, and only 300 are of from 500 to 999 acres. Owners operate 46,779 farms, of which 41,208 are free of mortgage. The tenant farms number 10,880, and 1300 are run by managers.

White farmers operate 44,521 farms, and farmers, in 1910 the war department reported 25,617 white owners and 1841 white renters. 7556 colored owners, 669 colored renters, and 429 for whom no definite tenure report was secured.

**Treasure Trove.** The curious povers and duties of the coroner under traditional law, are illustrated by a recent incident at Southgate, England. Some workmen digging in the Amberley-road found a large number of ancient coins. Immediately the coroner was called and he empaneled a jury. A expert numismatist testified that the coins were "Long Cross" pennies of the reign of Henry III, 1207 to 1272. The jury then found a verdict that the coins were ancient, that they had been concealed and that their depositor was unknown. "Then I seize the coins as the King's treasure trove," said the coroner—and he did.

**England's Woman Judge.** The London Chronicle has noted several feminine justices of the peace, but there has been only one lady judge. This was a certain Lady Berkeley, who complained to Henry VIII. of trespass that had been committed on her estate, with assaults on her servants. The King very obligingly granted her a commission of assize, armed with which she apprehended and prosecuted the offenders, empaneled a

## Corn and Oats Advance Sharply

### Damage Reports Are Insistent

#### Wheat Settles Down a Little, But Gains a Fraction for the Day—Coarse Grains the Feature.

CHICAGO, June 21.—With crop damage reports reaching into North Dakota, and with the market at any time, the market advanced sharply, but averaging 1/4c under the top level reached to-day. On the other hand, corn and oats held steady, with the latter finishing 1/4c up, and the latter at 1/4c to 1/2c advance. Hog products gained 1/4c to 1/2c.

Some localities in Minnesota, as well as in North Dakota, sent word of barn having been done to the growing fields of wheat, and there were fears expressed regarding a possible wide-spread of the plant owing to deficient moisture. All crops, nevertheless, business here was on a big scale. September range between 1/4c and 1/2c, closing at 1/4c net higher, at 1/4c to 1/2c.

Corn was excited at times, and when the day ended was still climbing, after having attained the steepest point so far this season. September range at 1/4c to 1/2c, and closed at 1/4c, a net advance of 1/4c. Cash gains were firm, but did not keep pace with futures.

Oats showed more strength and wildness than other grains. Frightened shorts competed with cash buyers, and some investors, and carried prices to the top-most figures yet reached on the crop. Upper and lower levels touched by the September option were 43 1/2c and 41 1/2c, with last sales 1/4c to 1/2c up, at 43 1/2c to 41 1/2c. Provisions advanced, owing to the cause of a light run of hogs. When the crop dispersed, pork had become more expensive by 1/4c to 1/2c; lard 1/4c to 1/2c to 1/2c, and ribs 1/4c to 1/2c to 1/2c.

advices, and with the exception of July, which was unchanged, the market was easy, 1/4c lower. Settling was due to the fact that reports from America were less sensational, and the advance in Buenos Ayres was entirely due to American strength. Russian crop advices are favorable, and this country is still offering freely. Following the opening, July declined 1/4c on large arrivals, while the distant months were supported and advanced 1/4c to 1/2c, with some shorts nervous on fears of a further American advance.

# 51 Hard to Engender Speculative Enthusiasm in Stock Market

## NO OPPORTUNITIES FOR QUICK RETURNS.

World Office.  
Wednesday Evening, June 21.

Preceding the holiday the dullness of the market was further emphasized to-day. Any speculative interest left in the market is held by the mining issues, and there is a little realizing of some speculative listed stocks held on margin for the purpose of buying the active Porcupines. Both in the New York market and here the large interests are waiting for an absolute assurance on the crops before trying to move the prices of securities higher. No opportunities for quick turns are at present in sight in the Toronto market.

## Small Trading in Stock Market Prices Merely Hold Their Own

### Nothing New in New York To Engender Active Trading—Toronto Market Shows No Vitality.

World Office.  
Wednesday Evening, June 21.

The Toronto market to-day had the usual disposition and business was limited almost entirely to business for the public.

The selling was not important, and in some cases was incited by speculators who have become disturbed, because the market has ceased to display much vitality.

Prices were almost unchanged from yesterday, and the only real firmness displayed was in Toronto Ralls, which sold at 138 1/2.

Heaviness in Mackay is attributed to the discussion at the imperial conference on a state owned cable. Not much of the stock is coming out, but in the unlisted section of the exchange there was a fair volume of business. Some Extension and Preston were in principal demand in the Porcupines, and each gave evidence of the demand for the shares.

The investment demand for securities in general has been materially reduced and is not expected to assert itself until after the first of the month.

## WALL-STREET POINTERS.

American stocks in London heavy.

Regular Lehigh Valley dividend.

Judge Gary, chairman of U. S. Steel, sails for Europe.

Lehigh Valley and Reading directors meet for dividend action.

Pittsburg interests see improvement in iron and steel outlook.

Vice-President of Seaman's International Union says strike has been compromised.

Amount of American Tel. & Tel. stock listed on Paris Bourse is 300,000 shares.

## LONDON.—Copper close: Spot, 45 1/2; 90, decline 1/2; futures, 45 1/2; 180, decline 1/2.

Sub-treasury lost \$37,000 to the banks yesterday, and since Friday has lost net \$375,000 to the banks.

## PITTSBURG.—The American Steel & Wire Co. has officially announced the out of \$2 a ton in wire products.

Local and southern bankers defer action on cotton bill of lading plan and ask Liverpool interests to make clearer terms.

## Manganese Steel Rail Co., incorporated in Delaware, with \$4,000,000 capital, to manufacture and deal in iron and steel products.

Judge LaCombe decides that express company doing interstate business cannot be required to take out local licenses for drivers.

## PITTSBURG.—It is reported that the U. S. Steel Corporation has made a cut of \$2 a ton on wire products. It is said that the action was taken at the meeting in New York yesterday.

Supreme Court Justice Guy has granted application of Chas. M. Carbot of Boston, who owns 55 shares of U. S. Steel stock, for writ of mandamus compelling company to permit him to inspect stock books.

## Conservative purchases of good stocks not directly affected by the reported crop damage should be made in case of any weakness. Activities of the last hour yesterday suggest some further efforts to get prices down, but thus far very little real stock has come upon the market. The low-priced railroad issues are in good shape, and should be taken now and averaged if necessary.—Financial Bulletin.

## BOMBAY BANK RATE LOWER.

BOMBAY, June 21.—The rate of discount of the Bank of Bombay was today reduced from 5 to 4 per cent.

## SMALL MARKET IN LONDON.

LONDON, June 21.—Money and discount rates were quiet to-day. Trade

## THE DOMINION BANK

Notice is hereby given that a dividend of three per cent. has been declared upon the Capital Stock of this institution for the quarter ending 30th June, 1911, being at the rate of twelve per cent. per annum, and that the same will be payable at the Head Office of the Bank and its Branches on and after Monday, the 3rd day of July, 1911, to shareholders of record of 20th June, 1911.

## RIO EARNINGS.

The gross earnings of the Rio de Janeiro Tram Light and Power for week as received by cable were as follows: This year, \$250,794; last year, \$206,832. Increase, \$44,462.

## ON WALL-STREET.

Erickson Perkins & Co. had the following: Stocks showed the usual hesitation to-day, but held pretty well, considering the strength of the grain market. So long as grain acts this way and until we get liberal rains in the drought regions, stocks will pursue an uncertain course. Good range ought to come before long. If they do, the bears in stocks will have a chance to cover at higher prices.

## WALL-STREET POINTERS.

American stocks in London heavy.

Regular Lehigh Valley dividend.

Judge Gary, chairman of U. S. Steel, sails for Europe.

Lehigh Valley and Reading directors meet for dividend action.

Pittsburg interests see improvement in iron and steel outlook.

Vice-President of Seaman's International Union says strike has been compromised.

Amount of American Tel. & Tel. stock listed on Paris Bourse is 300,000 shares.

## LONDON.—Copper close: Spot, 45 1/2; 90, decline 1/2; futures, 45 1/2; 180, decline 1/2.

Sub-treasury lost \$37,000 to the banks yesterday, and since Friday has lost net \$375,000 to the banks.

## PITTSBURG.—The American Steel & Wire Co. has officially announced the out of \$2 a ton in wire products.

Local and southern bankers defer action on cotton bill of lading plan and ask Liverpool interests to make clearer terms.

## Manganese Steel Rail Co., incorporated in Delaware, with \$4,000,000 capital, to manufacture and deal in iron and steel products.

Judge LaCombe decides that express company doing interstate business cannot be required to take out local licenses for drivers.

## PITTSBURG.—It is reported that the U. S. Steel Corporation has made a cut of \$2 a ton on wire products. It is said that the action was taken at the meeting in New York yesterday.

Supreme Court Justice Guy has granted application of Chas. M. Carbot of Boston, who owns 55 shares of U. S. Steel stock, for writ of mandamus compelling company to permit him to inspect stock books.

## Conservative purchases of good stocks not directly affected by the reported crop damage should be made in case of any weakness. Activities of the last hour yesterday suggest some further efforts to get prices down, but thus far very little real stock has come upon the market. The low-priced railroad issues are in good shape, and should be taken now and averaged if necessary.—Financial Bulletin.

## BOMBAY BANK RATE LOWER.

BOMBAY, June 21.—The rate of discount of the Bank of Bombay was today reduced from 5 to 4 per cent.

## SMALL MARKET IN LONDON.

LONDON, June 21.—Money and discount rates were quiet to-day. Trade

## Steel Trade Improves Bookings Are Larger

Lower Prices Prove Attractive to Buyers—Steel Trust Output Increased.

The Iron Age, the official organ of the steel trade of the United States, says in its weekly review: An improvement in demand is quite unusual in June and hence this year's developments are highly gratifying. The volume of business is increasing, being larger in nearly every branch of the trade, including pig iron. The prices now being made are evidently proving attractive to buyers. The bookings of the United States Steel Corporation are steadily increasing, and this week its steel plants are operating to fully 66 per cent. of their ingot capacity, against 68 1/2 per cent. last week. Behind the best showing made for two months, a feature of the current pig iron market is the disposition of large consuming interests to buy under cover.

## A Sure Evidence of Industrial Growth

Canadian Locomotive Company Forced to Double Capacity to Meet Demands of Trade.

One of the best evidences of the real development of Canada is shown in the history of her industrial and transportation enterprises. For example, the first C.P.R. transcontinental train crosses the continent but a quarter of a century ago; to-day the C.P.R. has gross earnings of over \$100,000,000 per year. The same may be said of the Canadian Locomotive Company. The plant is not only the oldest in Canada, but has grown from a small beginning to its present capacity of 1,000 locomotives per year. This year has been found entirely inadequate to supply the enormous demands made upon the company, and they have decided to meet the demand by doubling the capacity of their plant. They are also providing for further extensions should business warrant it.

## Cotton Markets

Erickson Perkins & Co. (J. G. Besty), 14 West King-street, report the following prices on the New York cotton market:

## MONTEAL STOCK MARKET

MONTEAL, June 21.—Trading on the Montreal Stock Market to-day was of a holiday character, little disposition being shown to trade with a holiday in prospect. The only issues to show any activity were Toronto Ralls, Montreal Power and Detroit United. Toronto Ralls, after selling at 138 1/2, was bid at the close. Montreal Power was strong, advancing to 10 1/2, with 10 1/2 and 10 1/2 asked at the close. Detroit United sold at 72 and 72 1/2, and 72 1/2 and 72 1/2 asked at the close. Nova Scotia Steel was quiet, selling at 101, and Steel Corporation sold at 57 1/2. Richardson sold at 117, with 117 1/2 and 117 1/2 asked at the close. Lake of the Woods was steady at 142. Other price changes were slight and the market extremely dull. Crown Reserve after selling at 32, weakened to 30, with that figure bid and 31 1/2 asked at the close.

## SOUTHERN TRACTION EARNINGS.

May earnings of the southern traction companies, Rio and Sao Paulo, showed handsome increases over the same month last year, the Rio statement being especially good, the net earnings being \$118,726 in excess of May, 1910.

## Local Bank Clearings.

This week (5 days) \$20,946,840

Last week (6 days) \$6,427,288

## Vanity's Excuse.

The peacock spread his gorgeous tail and strutted around, proud of his magnificence.

"Still," he squawked, "I'm only doing this for the credit of the family; my wife ought to wear the bustle, you know, but she doesn't."

## Overdoing It.

"I've always been very much struck with the works of nature."

"Lor, professor, I do hope as you've never been struck with lightning!"

Baltimore American.
