ANNUAL REPORT

For the Year Ending December 31st. 1899, with the
Office Bearers for 1900.

Toronto :

PRINTED BY IMRIE GRAHAM & COMPANY, 31 CHURCH STREET
1900.

TORONTO, March 20th, 1900

To the Members and Adherents,

College Street Presbyterian Church:

The Managers have pleasure in presenting you with a copy of the "Annual Report" for 1899, and ask a careful perusal of the same. In this way you will become more conversant with the work here, and you will thus be led to take a still deeper interest in the work of the church.

Faithfully yours,

THE MANAGERS.

The Board of Managers would earnestly impress on every member and adherent of the congregation the great importance of using our weekly (white) envelope system regularly this year. It is our only source of revenue. It is of the utmost importance that our revenue this year be large, and if all join it can be so. Those not yet using this envelope should join in this effort. It is the duty of every one to do so and thus become helpers.

GENERAL INFORMATION

ALL SEATS BEING FREE, the maintenance of the Church depends entirely upon the voluntary contributions of the members and adherents. It is therefore the duty of every member and adherent to undertake to give a certain sum of money EACH SABBATH.

Upon the first day of the week let every one of you lay by him in store as God hath prospered him—1st Cor. xvi. 2.

As envelopes will be issued to anyone contributing five cents and upward weekly, the system is within the reach of all.

It is to be hoped that every member and adherent of the Church, whether old or young, who has an income, will ask for envelopes and give according to his or her means.

Statements will be rendered quarterly showing with what regularity contributions have been made.

A committee of the Managers is in attendance at the close of the weekly prayer meeting to allocate sittings.

Envelopes can be obtained in the vestibule before or after any of the Sabbath services, from Mr. J. Bennett who is in attendance there.

“Every man according as he purposeth in his heart, so let him give, not grudgingly or of necessity; for God loveth a cheerful giver.”—2nd Cor. ix. 7.

SESSION REPORT.

The year 1899 has been saddened by the removal through death of two of our much respected elders, Mr. Alex. Findlay and Mr. Donald Cameron. At the time of their call from us, suitable expressions of sympathy were conveyed to the sorrowing families, and yet we could not make this brief statement without a reference to their work and worth as men and elders. May He who calls away His workmen to higher service also raise up in our midst able and faithful men to take their places in His work here. The following members and adherents were removed by death during the past year and all deeply and tenderly mourned; Mrs. Readman, Mrs. McKay, Mrs. Willmott (Sr.), Mrs. Willard, Mr. Paul Willard, Mr. Sturrock (Sr.), Mr. D. Rennie, Mr. John Lockhart, Mr. Williams (adherent), Mr. Williamson (adherent).

During the year 112 members were added to the Roll—by profession 41, and by certificate 71. On the Roll at present there are 868. The ordinance of Baptism was administered to 32 infants and one adult—33 in all.

What is our need as we are about to close the old century? More true waiting upon our God—more earnest and loving study in His word—more of Christ and less of self—yes, all of Christ and none of self.

GEO. E. DALBY,

Session Clerk.

REPORT OF BOARD OF MANAGERS.

In presenting the Annual Report for the year 1899 just closed, the Board of Managers are pleased to note that there has been quite an increase of revenue over 1898, although some of the departments have not reached the same amount as last year, yet the total amount raised this year for ordinary expenses and for reduction of floating debt, exceeds that of last year by \$1,208.70. The weekly offerings, as you will see by the printed statement in your hands, are, open \$1,052.33, and envelope \$3,972.78, or a total of \$5,025.11, being an increase of \$264.56 from the same source over the previous year.

While a large number of the Congregation have very faithfully and regularly kept up their weekly offerings, there are quite a number who, so far as known, have contributed nothing, and some have done very little for the support of ordinances among us. This should not be, for every one has a duty here to perform. In response to over 200 envelopes and circulars sent out last June, about 25 have availed themselves more or less regularly of this privilege and thus helped to carry on the work. Ere we pass from this part of our report, let us very kindly, but very urgently, press upon all to do what in them lies toward the weekly offerings and thereby enable us to meet all our current expenses, so that all we receive from other sources may go to reduce our floating debt.

FLOATING DEBT.

As stated in a circular issued to the congregation in April last, there was a demand made for the retiring of the overdraft from the Bank of \$6,025.00, which has been standing for a number of years, and that demand has been repeated several times since, as they are very desirous of being relieved from it. While pressing this matter very strongly and closely, they have always been very obliging and given us from time to time what we required, which has enabled us to keep our credit good.

Following up the issue of the circular in April last, the Managers visited the homes of the congregation throughout the several districts, with the result that so far \$1,393.80 has been paid to the Treasurer for the reduction of the over-draft

at the Bank. While not as successful as we had hoped to be, yet we take it as an earnest of the good things yet to come. We may add that there is still an amount of \$151 unpaid of the amount promised, the receipt of which the Managers hope soon to report.

As a very few of our members are held personally responsible for the re-payment of the floating debt to those who advanced the moneys, it is not desirable that this obligation should be borne by them any longer.

We would recommend that a monthly or quarterly collection be taken up for this special purpose, by envelope, similar to what has been in use the past nine months, and which seems to have worked in a very satisfactory manner.

The Managers wish to make special mention of the valuable services rendered by Mr. W. E. Raney, who has since removed from Toronto, in having the interest on the mortgage debt reduced from 5 to $4\frac{1}{2}$ per cent.

We would also thank the members of the Junior Bible Class and their teacher, Mrs. Joss, for the very substantial assistance rendered this year, as the result of the Congregational Birthday Party held by them, also the Woman's Association and other departments, for their hearty co-operation in the work throughout the year just passed.

Your Board regrets to report the death of one of their number during the past year, in the person of Mr. Alexander Findlay, after a prolonged illness. He was always a cheerful and willing worker, and has been greatly missed.

Your Board has received during the year the resignations of Messrs. Sharpe, Urquhart, Wm. Bennett and C. G. Smith, but no action was taken by it in the matter, and the congregation is asked to deal with the resignations of those whose terms have not yet expired, namely, Messrs. Wm. Bennett and C. G. Smith, who have one and two years respectively, to run.

It is necessary to elect two members for one year, in place of the late Mr. Alexander Findlay and Mr. Raney, also six others for three years, whose term of office has expired.

All of which is respectfully submitted.

W. P. MCCULLOCH,
Secretary.

C. R. PETERKIN,
Chairman.

SABBATH SCHOOL REPORT.

While the results of our labors in the Sabbath School have not been all that we would like, yet there is great reason for thankfulness to the Lord of the harvest for the measure of success attained during the year 1899.

The attendance during the year was lower than we had expected, judging from that of 1898, but while this was the case the contributions of the school were fairly good.

The frequent changes in the teaching staff and the lack of teachers at times may have had an injurious effect not only upon the attendance, but also upon the general standing of the school.

Thanks are due to the teachers, as a whole, for the faithful and efficient work done by them, as shown in the number of those young people who have been led by their instrumentality to profess their faith in Christ.

A very successful concert was held in behalf of the Library, netting \$35.00.

The Sabbath School Committee of the Y. P. S. C. E. has rendered efficient service in supplying, to some extent, the places of absent teachers.

On looking over the work for the year, while there is great reason for humility before God, on account of our shortcomings, yet we take courage for the future in the thought that we are co-workers with God in the conversion and the building up of our young people in the knowledge of Divine Truth.

The average attendance for 1899 was 403 ; for 1898, 447.

Total amount collected..... \$520 46

Apportioned as follows:—

Church Treasurer	214 00

<i>Assistant Secretary</i>	MISS HAVILL.

The past year has been one full of interest to every member of the Class. Our studies have been in the book of Acts ; they have proved interesting and helpful, and we feel sure the members have been led to study their Bibles better, and that a deeper spiritual life is the result.

We wish to thank our Pastor for his untiring efforts on our behalf ; also Miss Robertson for her faithful services as organist.

We are pleased to report that our collections have been larger than for the last two years. The average attendance, has been 35 per Sabbath.

<i>Treasurer</i>	J. FINDLAY.
<i>Organist</i>	MISS M. LOOSE.

In reviewing the work of our Society for 1899 we are constrained to say, "Surely the Lord has been with us and blessed us all the days of this year."

The departure of quite a number of our young people and the addition of 17 new members to our roll, balances our membership at the beginning of the new year at 106, (100 Active and 6 Associate). The Annual Committee Reports presented at our last business meeting show a spirit of earnest activity in their respective branches of the work.

Our weekly prayer meetings have been attended by an average of about 60. The weekly contributions have averaged \$2.39; the total amount received by our Treasurer being \$124.44, which has been divided as follows:

Home and Foreign Missions	\$34 10
Church Treasurer	56 00
Current Expenses	20 95
Union Fees, etc.	2 00
Balance over	11 39

We appreciate the kindly help and sympathy of the Session, and the words of praise and encouragement from our Pastor have indeed been a great incentive to officers and members, although our unworthiness is ever before us, and we humbly pray for more zeal in our future endeavors "For Christ and the Church."

Space will not permit our going into details regarding the different features of the work. Suffice it to say that "Trusting in the Lord Jesus Christ for strength," our desire is that our individual and united efforts may all tend to His honor and glory, "whose we are and whom we serve."

We look forward to the closing year of the century as one full of opportunities to which Christian Endeavor must be alert, and we hope that the coming year will be characterized by a considerable increase of membership and a deeper interest taken in this work of Christianity, and that by the unanimous and combined efforts of all, the ultimate results will show 1000 to be the banner year of our Society, whose unwritten pages of history will be handed down to future Endeavorers as a record of an unbroken line of progress and perseverance.

Let us all with God's help try to accomplish this end.

Yours in Christian Endeavor,

W. P. McCULLOCH,
President.

During the past year 12 regular meetings were held, with an average attendance of 17.

There are now 38 members on the roll, 22 of these being members of the General Society.

In April, Mrs. Taylor, of the China Inland Mission, gave a very interesting talk about her work in China.

In September a quantity of clothing, quilts, etc., also the sum of \$8.00, were sent to the Northwest Supply Fund.

At our Thank-Offering meeting in October, the offering amounted to \$33.20.

Our prayer for the New Year before us is; "that a rich blessing may rest upon all our efforts to deepen Missionary interest, and that the Church may awake to more earnest prayer and increased liberality for the extension of Christ's Kingdom."

During the past year 20 regular meetings were held, with an average attendance of 16.

Two musicales were held in the homes of Mrs. C. R. Peterkin and Mrs. Wood. These were largely attended and were very enjoyable, the combined proceeds amounting to \$30.00.

Monthly meetings were held during the summer in the homes of several members for the purpose of keeping up the interest of the Association.

In August the members with their friends, (about 60 in all) held a pic-nic to Island Park, when a very pleasant time was spent.

The Visiting Committee have done good work by calling on new members as they connect with us.

\$93.28 have been received from the "Cent a-day boxes."

Quilts and clothing to the value of \$12.00 were handed to the W. F. M. S. to be sent to the Northwest.

The needy ones in our congregation have not been forgotten. On December 23rd nine families were comforted and cheered by the Christmas baskets sent to them, besides the sum of \$23.05 expended during the year.

In doing this work we feel greatly blessed, and realize more and more the truth of these words, "It is more blessed to give than to receive."

During this year we decided to receive not only girls into the membership of our society, but boys also. Our number has not been as large at any time as we could have desired, and we know that if many of the young people in our Sabbath School would come once to our meetings they would require no pressing to become members. The meetings are all full of interest and blessing. We always have good singing, and for this we are indebted to Miss Martin who presides so faithfully and efficiently at the organ. During the year we have also been assisted by Miss Readman and Mr. Thomas (members of the senior society).

Our offering for missions was seven dollars which we allocated as follows: \$5 to North West missions and \$2 to the Hospital for Sick Children. Then from the general fund we gave \$7 to Mr. Peterkin for the debt fund.

We go forward into the year 1900, trusting in the Lord Jesus Christ for strength to do whatever He would like to have us do.

REPORT OF MISSIONARY ASSOCIATION.

Officers for 1900.

<i>President</i>	REV. A. GILRAY.
<i>1st Vice-President</i>	REV. R. GRAY.
<i>2nd Vice-President</i>	MR. JAMES TURNBULL.
<i>3rd Vice-President</i>	MR. THOS. A. WILSON.
<i>Secretary-Treasurer</i>	MR. WM. ELDER.

<i>Executive Committee</i>	REV. GEO. CUTHBERTSON.
	MR. ROBT. WILSON.
	MR. JNO. BREMNER.
	MR. JOSEPH ROWLEY.
	MR. THOS. HENDERSON
	MR. JOHN GILCHRIST.
	MR JOHN MUTCH.

In presenting the annual report for 1899 the Missionary Association would respectfully direct the attention of the congregation to some changes which took place in connection with our Missionary work, during the year. After five years of

faithful and efficient service Mr. James Turnbull retired from the office of Secretary-Treasurer. On November 29th, a special Missionary meeting of the congregation was held, and after careful consideration it was unanimously decided, 1st to discontinue the free distribution of the *Record* among the families of the congregation at the end of the year; 2nd, to discontinue the visits of the lady collectors at the same time; 3rd, and from January 1st, 1900, to receive our missionary offerings by special red envelopes, on the first Sabbath of each month, along with the regular weekly offerings.

It was provided that those who wished to continue the *Record* could forward their subscriptions through the Secretary of the Missionary Association. The total amount received during the year was \$347.17; of this sum \$93.35 has been paid out, leaving a balance for Missionary purposes of \$253.82. Of this balance the sum of \$95 was paid over to Dr. Warden, \$7.00 in May for Aged and Infirm Ministers Fund, and \$88 in October on account missions, this latter amount to be allocated to the various funds at the annual meeting.

The lady collectors received the sum of \$325.52, an increase over 1898 of \$40.20, but our total contributions as compared with the previous year show a decrease of \$13.54. This decrease is accounted for in this way: in the receipts for 1898 there are two items, viz., a special contribution from the Y.P.S.C.E. of \$12.75 and a special collection from the congregation of \$45.97, and two other small items amounting to \$4.85, and the expenditure for 1899 was \$5.50 in excess of 1898.

The twenty-four districts of the congregation gave an average of \$13.56 each. The largest amount from a single district was \$38.30, and the smallest \$2.63. Taking our membership on January 1st, 1899, at 840 the average contribution per member for missions last year was about 39c., or less than one cent per week from each member. The congregation as a whole will surely consider this a very small average, indeed it is almost a reproach on our profession as a Christian people. It is earnestly hoped that our missionary offerings for the year 1900 will show a substantial increase. The above is respectfully submitted.

Toronto, February 28th, 1900.

WM. ELDER,
Secretary.
