## CIRCULAR.

HAMILTON as a residence is unsurpassed for healthfulness and beauty of location.

The building will accommodate 250 Boarders.

The rooms for Boarders are lofty, and have glass ventilators, connecting them with unusually lofty and spacious halls.

Each Sitting-Room is carpeted, and furnished with everything necessary to convenience and comfort.

The Institution Drawing-Room (25 by 60 ft.) is well furnished, and looks out upon a beautiful fountain.

The Dining-Hall (36 by 70 ft.) is airy, light, and finished in fresco, with panelled walls and emblematic designs beautifully executed.

There are cold, hot, and shower baths, accessible at all proper times.

A spacious Play-ground, enclosed, with covered walks, will afford ample room for out-door exercise in all varieties of weather, and prove an inducement to healthful physical action.

There are three large School Rooms, (30 by 60 ft.) furnished with chairs and tables suited to the comfort of the Student.

The Recitation-Rooms are large and airy. In no cases will classes be crowded together, and obliged to breathe fetid and unwholesome air.

# ALUMNÆ ASSOCIATION,

"*Vita sine literis mors est.*"

This Association was established June 26th, 1863. The objects in view are the promotion of kindly feeling among the members and the advancement of the interests of the Institution with which it is identified.

At the meeting held in June, 1875, the Association repeated the offer of a prize (\$5) for the best Essay, subject, "A Hundred Years Ago;" the competition to be open to the whole school.

Also a prize of \$20 for the best Essay on "The Ideal World, what it is, and how far it should control our Practical Life."

P.S.—The first prize was awarded to Miss Annie Lister, and the second to Miss McIlwraith. Miss Clara Haskell was awarded the prize for the Literary Society.

The next Annual Meeting will be held at the close of the Collegiate year. In addition to the private meeting, there will be Literary and Social Exercises, in connection with which the prize Essay will be read. Particulars will be duly announced, and a large attendance of Alumnae is desired.

Any Graduate may become a member by presenting name and the amount of the subscription (one dollar) to the Treasurer.

## REMARKS ON COURSE OF STUDY.

### PENMANSHIP.

Daily exercises in Penmanship are required, until good execution is attained.

### READING AND SPELLING.

Particular attention is given to perfecting students in these branches.

### COMPOSITION.

Composition is made a specialty, and will be required throughout the entire course, in forms varying with the advancement of the Student. At the proper stage it will be connected with the principles and practice of literary criticism.

### MUSIC.

Prominence is given to *Vocal Music*, in which the Students receive instruction.

It is designed to afford the best facilities in the departments both of Vocal and Instrumental Music. The selection of music will be under constant supervision, and only that will be allowed which is conducive to the cultivation of the most pure and elevated taste, as well as the most rapid progress of the pupil in the acquisition of this delightful accomplishment.

Beyond this general training, those who desire it are instructed in select classes, and in private lessons.

### WAX FRUIT AND FLOWERS.

An accomplished teacher will instruct in this beautiful art, if required.

### DRAWING AND PAINTING.

The course of study in this art is systematic, comprehensive and artistic, laying a foundation in the laws of perspective, and proceeding so progressively as to lead the student pleasantly on from elementary penciling from models to original sketching, and coloring in oil, in water, or in pastel.

## MISCELLANY.

### LECTURES.

Frequent informal Lectures will be given upon topics connected with health, manners, etc.

Courses of Lectures will be delivered on Chemistry, Natural Philosophy, History and *Æsthetics*.

### LIBRARY.

The Institution is furnished with a Library of nearly five hundred newly-selected volumes of general reading and for reference, also a Reading-Room.

A Cabinet of Geological and Botanical specimens, and of Historical and General Curiosities and Illustrations of Natural History has been commenced, and will be carried on as rapidly as circumstances will allow. More than a thousand Geological Specimens are in the Cabinet, containing an assortment of the fossils of all the strata, both of this Continent and of Europe. Additions are constantly being made to this collection under the supervision of Prof. Wright. Contributions and exchanges are invited.

### APPARATUS, MAPS, Etc.

The Institution is furnished with a fine set of Maps, Globes, Physiological Charts, a Microscope, and Philosophical and Chemical Apparatus.

### LITERARY SOCIETY.

*"As ye sow so shall ye reap."*

This Society, called the "Reapers," is confined to students of the third and fourth years, and is presided over by a member of the Faculty. Its object is Literary Improvement. Weekly meetings are held, at which original articles, and selections from the best authors are read, varied with music, etc.

Its paper is called the "Sheaf," and is read at stated times during the year, before a select audience.

### MERIT ROLL.

A record of standing, literary and moral, is daily kept; and cards corresponding to this record are given to the Students Weekly, and should

be transmitted to parents for their information. An Honor Card is received by pupils entitled to it, at the end of each term.

### HONORS OF THE INSTITUTION.

Two courses of study have been established, a Classical and an English; and Diplomas will be given to those who have satisfactorily completed either of them. The title of M.L.A., or Mistress of Liberal Arts, is given to the former, and M.E.L., or Mistress of English Literature, to the latter. Certificates may be had by those who have passed examinations in a partial course.

A good moral standing is necessary in order to obtain either Certificate or Diploma.

### BOARDING, Etc.

The Institution, as a home, is designed to be the abode of comfort and pleasant associations.

Rooms are carpeted and furnished throughout, so that the pupil requires nothing in addition. Napkins are not provided.

The provision for the table is wholesome and abundant.

### GOVERNMENT.

It is intended that the government of the Institution shall be firm without being arbitrary; that it shall be founded upon confidence in the pupils, and that its tendency shall be to teach them self-control, obedience to *principles*, and a conscientious regard for right.

No young lady will be allowed to retain her connection with the school whose example tends to encourage indolence or insubordination, or whose influence is in other respects injurious.

### PRINCIPLES.

Truthfulness in opposition to pretence in anything, patriotism, love of home, devotion to parents, simplicity, inartificiality, avoidance of *heartlessness* and *display*.

### DRESS, Etc.

Every young lady must be provided with thick boots, umbrella and overshoes.

School-room dresses should be simple and inexpensive, with high necks and long sleeves.

Every article belonging to a Student should be marked with her full name before leaving home.

Very little jewellery or spending money should be at her disposal.

Carelessness and the possibility of dishonesty in servants, etc., make it proper that all funds should be deposited with the officer appointed for that purpose.

#### STUDENTS' CORRESPONDENCE.

Students are allowed to correspond with the home circle without any supervision; but correspondence beyond the home circle is not allowed without special permission, and letters not having this permission may be opened by the Principal or forwarded to the parents, as he may judge best.

Some Students have had too large a correspondence, occupying too much time, and diverting attention from school duties. This will, in future, be controlled.

Candies, cakes, and eatables generally, sent from home, cause the receiver one or two days' sickness, and are a most pernicious kindness.

#### SESSION HOURS.

For recitation and study, from 15 minutes to 9 to 1.30 P.M. Study hours, 6.45 to 7.30 A.M.; 4.30 to 5.30 P.M.; and 7.30 to 8.30 P.M.

It is understood to be necessary that Day Students should spend at least two hours in study at home. Parents may be assured that something is wrong unless this is done.

Punctuality in the attendance of Day Students is of the utmost consequence. Tardiness results not only in loss to themselves, but is injurious to classes, and tends to general disorder. Tardiness and unexcused absence will stand against Department on the Cards. All excuses must be signed by the name of Parent or Guardian.

#### VISITING AND RECEIVING VISITS.

STUDENTS' RECEPTION DAY.—Saturday afternoon.

All persons, except immediate relatives, wishing to visit Students, are expected to present a letter from Parents or Guardians, or to be otherwise suitably introduced. Visits without this preliminary must be declined.

Students are allowed, at proper times, to visit such families as the Parents or Guardians may name to the Governor or Principal, but not to remain out over night, or over the Sabbath, except at the house of some near relative. The last Friday or Saturday in each month is the time appropriated to these visits. Friends who are invited must call for the young ladies and return with them.

When Students visit friends in the city, they will not be allowed to go except in charge of some one fully responsible. They will not visit any but

the families, nor to be allowed to visit from the house, to make calls, walk about the streets, or visit shops and stores. Where this rule is violated Students cannot be allowed to visit.

Young ladies are not allowed to *receive* invitations until they have been submitted to the Principal or Governor.

It is hoped that persons *entitled* to call upon Students will adapt themselves to the hours of the Institution. Officers would not like to disoblige, but must refuse permission to Students to see their friends except in *special cases*.

### SHOPPING.

It is desired that Students should be supplied, if possible, with all necessary things before leaving home. To provide, however, for necessities that may occur, Students will be permitted to do shopping once a quarter, always accompanied by a teacher.

### RELIGIOUS INSTRUCTION.

Bible-class every Sunday evening under the care of the Governor, in addition to family worship and the usual religious exercises at the daily opening and close of the school.

Earnest efforts will be made to produce a strong conviction of the paramount importance of personal religion.

### ATTENDING DIFFERENT CHURCHES.

The Students attend those Churches selected for them by their Parents or Guardians; and all Students are required to attend on each Sabbath, unless excused.

If Students desire during the year to change their place of worship, permission will be given only under very unusual circumstances. If desired for any whim or subordinate reason, it will in no case be granted.

The religious opinions of Students will be carefully guarded.

Collegiate price will be charged when a Student takes Latin. Students taking lessons of the Professor of Music will be charged \$10 per term.

☞ Twenty per cent. discount is made to daughters of Clergymen of all denominations.

**ADMISSION OF STUDENTS.**

Pupils are admitted at any time, and are charged for their board in proportion to the time of their connection with the School, except at the close of the Session. No deduction will be made for absence during term. It is earnestly desired that Students should be present at the organization of the School, both at the beginning of the year and after the Christmas Holidays. No change in the classes can be made to accommodate those who are tardy in

their return after the holidays. Tuition is received only for the term or half term. Pupils from a distance are required to board in the Institution, except in the case of those who have near relatives in town.

Whenever a pupil is entered in College, the Faculty consider that an implied contract is made between themselves and the patron, by which the latter is as much bound to continue the pupil in College until the close of the Term, as the Faculty are bound to instruct her for that time. Those who take away their daughters for a few days, without weighty reasons for such absence, not only impair the scholarship of their daughters, but impose unnecessary trouble upon the Faculty, and introduce a restlessness in the minds of all, very unfavorable to study.

#### LEAVING THE COLLEGE.

It is requested that definite and particular arrangements be made by Parents and Guardians, and indicated to the Governor of the institution, respecting the leaving of Students at the close of the term, the time of their leaving, and the company with whom they shall leave.

All payments of money due the College, must be made before the Student leaves.

Notice of half a term must be given to the Governor before the removal of a Student.

#### CORRESPONDENCE.

Letters respecting any of the departments of Instruction, the admission or dismissal of Students, their studies, etc., should be addressed to the Principal, REV. DR. RICE, directly, and not through the Student. Letters pertaining to the finances of the College, and applications for Circulars, to the Financial Secretary, REV. W. P. WRIGHT, M.A., B.D.
