The copy filmed here has been reproduced thanks to the generosity of:

British Columbia Archives and Records Service.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

British Columbia Archives and Records Service.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

University School

Mount Tolmie - - Victoria, B. C.

THIS SCHOOL has been founded by the amalgamation of the Queen's School, which was established in Vancouver in 1808, with the University School, which originated under the Rev. W. W. Bolton and Mr. J. C. Barnacle in Victoria.

The intention of the founders is to establish in this Province a school which shall maintain the best traditions of the English Public Schools, at the same time keeping in view the special needs of Colonial life.

BUILDINGS AND GROUNDS

SITE. The school and grounds occupy fifteen acres, situated on the rising ground at the foot of Mount Tolmie, commanding a wide view of the City of Victoria, the Straits and the Olympic Range.

THE SCHOOL HOUSE, completed in 1909, is of brick and concrete. It has a south frontage of 110 feet. It is capable of accommodating 100 boarders.

THE WARDEN'S HOUSE, completed in 1911, is also of brick, and capable of accommodating 60 boarders. This house is intended for boys between the ages of ten and twelve years of age.

THE CLASS ROOM BUILDING contains an Assembly Hall and eight large class rooms.

THE DINING HALL AND KITCHEN are in a separate building, connected with the main building by a covered way.

THE GYMNASIUM, measuring 100 x 30 ft., is fully equipped with gymnastic appliances. Adjoining this are the lavatories and locker-room, while the **Tuck Shop** and **Laundry** are in separate parts of the grounds.

There is steam heat and electric light throughout

WATER is supplied from the city system and there is a secondary supply from an artesian well on the grounds.

SICK-ROOM ACCOMMODATION. Both houses are well equipped with separate and specially arranged quarters in case of sickness, and any ordinary epidemic can easily be handled.

THE PLAYING FIELDS consist of about ten acres, including Football Grounds, a Gravelled Parade Ground and an excellent Cricket Ground.

THE CURRICULUM

The School Curriculum is so arranged as to enable a pupil to pass McGill and Toronto University Matriculation Examinations or the Entrance Examinations of the Royal Military College, Kingston, and the Royal Naval College, Halifax, or to enter business life.

All boys throughout the School are expected to take the regular curriculum, without exception of any kind, but special arrangements for commercial instruction can be made for older boys wishing to enter a business vocation.

Music, Advanced Drawing and Manual Training are extra.

RELIGIOUS INSTRUCTION

Religious Instruction, consisting of outlines of Old and New Testament, is taught throughout the School up to the Fifth Form.

Unless otherwise desired, all boarders attend service (Anglican) every Sunday.

SCHOOL REGULATIONS

LEAVE. Leave to go to town is granted only on Saturday mornings, subject to good conduct during the week. Boys may obtain leave to go for country walks on Saturday and Sunday afternoons from 2 to 5 p.m. Boys will be allowed to accept written invitations from relatives or friends approved by their parents, for Saturday or Sunday afternoons only.

Parents are earnestly requested not to ask leave for boys which interferes with school work or discipline.

POCKET MONEY and JOURNEY MONEY must in all cases be sent in advance to the Bursar; Maximum, 50c, seniors; 25c, juniors, per week.

SCHOOL CAP. All boys are required to wear at all times either the School Cap or Straw Hat with School Ribbon. No exception will be made to this rule.

ABSENCE. In all cases of absence from School, a note of explanation should be sent at once to one of the Principals. Parents are particularly requested not to keep boys away from School save under circumstances of unusual urgency. All boys are expected to be present on the first day of term.

INFECTION. A boy who has recently suffered from, or come in contact with any infectious disease must not return to School without a proper medical certificate.

NEW BOYS. All new boys must present themselves on the day before the opening of School, at 9.30 a.m., for examination.

STAMPS, Etc. Boys must be furnished with stamps and writing paper for home letters.

ATHLETICS

The founders of the School wish to emphasize the value of physical culture and games properly directed, not only as conducive to bodily vigor, but also as contributing in no small degree to the development of habits of self-restraint and self-reliance.

Furthermore the founders firmly believe in the truth of the School Motto: "Mens sana in corpore sano."

GAMES AND SPORTS. Rugby Football, Cricket and Hockey are the principal games.

Athletic Sports are held every year at Easter.

A CAMERA CLUB has been formed and boys are encouraged to take up the study of Photography.

CADET BATTALION. This Corps was organized in October, 1907, and was constituted a battalion in 1911. It is officered by the boys themselves, the O.C. having the rank of Cadet Major.

There is a Bugle Band connected with the Corps.

All the Companies are armed with the Ross Rifle. The Battalion is instructed by Mr. Harvey and Mr. Collisson, who hold commissions in the 88th Victoria Fusiliers, assisted by Mr. E. M. Willis and Sergeant Soper.

All boys of suitable age and physique are required to join the Corps, and to supply their own uniform, a neat and suitable khaki suit, with slouch hat and puttees.

MUSKETRY INSTRUCTION. Considerable importance is attached to shooting. All boys learn to use a .22 rifle on our own 25 yards range, all through the winter. From April to October the Seniors fire at the local range (200 and 500 yards) every Saturday, and compete in important matches with marked success. There are numerous substantial prizes.

The Corps has twice won the Championship of Canada.

EXTRA CLASSES. Classes for Boxing can be arranged for during the Christmas and Easter terms.

A Boxing Tournament is held in November.
