Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Anglican Church of Canada  
Synod Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Synod Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## Church Association of the Diocese of Toronto.

The Executive Committee of the Church Association beg leave to submit to its Members a statement of the work in which they are engaged, and in furtherance of which contributions are invited from all friends of Evangelical Truth who desire to maintain the Church of England in its integrity and purity as a Protestant Church.

1. The Protestant and Evangelical Divinity School, for training young men of earnest piety and sound evangelical principles, for Holy Orders, specially merits the warmest sympathy and encouragement. The Rev. J. P. Sheraton, M.A., a clergyman of approved piety and learning, has entered on his duties as Principal, at a salary of \$1,500 per annum. The school at present numbers ten young men, preparing for the Ministry, to six of whom a scholarship of \$120 per annum is paid, amounting in all to \$720; and applications from three others are now under consideration. No object calls for more earnest prayer, along with a cheerful contribution of the funds requisite to place the Divinity School on a permanent footing.

2. At the request of the Lord Bishop of the Diocese, the Association has undertaken to aid Missions within the Diocese held by Evangelical Clergymen; and engagements have thus far been entered into, with the concurrence of the Bishop, to the extent of \$1,800 per annum.

3. The "EVANGELICAL CHURCHMAN," an organ of sound Protestant and evangelical teaching, after an experience of nearly two years, has met with a success hitherto unequalled by any religious newspaper in Canada. Already letters have been received from the authorities of the sister Church, in the United States, representing the Boards of the American Church Missionary Society, and the Evangelical Education Society, of New York, and of Philadelphia; not only commending the paper in high terms, but expressing a desire that the "EVANGELICAL CHURCHMAN" may be made the medium for disseminating Evangelical principles, and Church and Missionary information throughout the United States. All the more urgent is the call on every sound Protestant churchman in Canada to promote its circulation throughout the Dominion.

The Executive Committee accordingly earnestly invite the members of the Church Association, and all friends of Evangelical Truth :—

To make those various branches of the work now undertaken, the subjects of earnest prayer.

To give practical evidence of their sympathy in the good work by subscribing to the several objects, according to their ability.

To pay promptly the annual subscription of \$1, due by each member of the Association.

To induce all who are in sympathy with the good work to become members of the Association; and subscribers to the "EVANGELICAL CHURCHMAN."

Members, especially in the country, are apt to regard their individual Dollar, as a trifle; but united action is the truest source of strength, and nothing is more encouraging evidence of a widespread sympathy in the good work than the prompt response of all members to the annual call for their subscription.

As compared with other Churches, the amount annually subscribed by members of the Church of England in this Diocese for religious purposes, is small. This has unquestionably originated, in part at least, from many conscientiously withholding their contributions from work which they could not view as soundly Evangelical and Protestant. Now, however, that all Evangelical Protestant Churchmen have the opportunity afforded to them of co-operating in the work of their own Church, in full accordance with their principles, it is earnestly hoped that such a manifestation of Christian liberality will result, as shall suffice to remove the stigma of grudging and inadequate response to the claims of Christ and His Church.

The true practical evidence that Evangelical Churchmen are in earnest, will be best furnished by the hearty response in the form of contributions to the above Church schemes of not less than \$10,000 per annum.

Signed on behalf of the Executive Committee.
