ONE CENT In Greater Saint John.

TWO CENTS Elsewhere.

MOVE TO RAISE PORT GRAIN RATES KILLED

CHARGES STAY AT ONE CENT A TON THIS YEAR

Bullock Resolution To Lift Them To Five Cents Rejected

GOES TO COUNCIL

Definite Action Is Taken After Meeting of Port Committee

THE City Council decided today that it would not make any changes in the port charges on grain for this year, the recommendation of Commissioner Bullock that the rate be five cents a ton, instead of one cent a ton as at present, being defeated by a vote of three to two.

TRAFFIC FIGURES. An increase of 62 steamers, due almost wholly, he said, to the potato and sugar shipments.

A decrease of 10,917 tons in the general cargo outward, exclusive of sugar.

A falling off of 78,128 tons in the amount of grain shipped.

These figures covered the traffic over both the city and government wharves but did not include what had gone over private wharves.

The majority of the committee were of the opinion that the rate should stand as they were for this year.

RESOLUTION KILLED. When the council went into session following the port committee meeting, Commissioner Bullock moved that the rate for grain through elevator chutes be five cents a ton and the harbor by-laws be amended accordingly.

On the vote being taken the mover and seconder voted for the motion and Mayor Potts and Commissioners Harding and Wigmore against it and His Worship declared it lost.

W. B. SNOWBALL IS LIKELY CANDIDATE

No Opposition Expected at Liberal Convention at Chatham Tomorrow.

NEWCASTLE, Sept. 15.—The county convention of the Northumberland Liberals is to be held in Chatham Wednesday at 2.30 p.m.

Holland To Reduce Military Forces

THE HAGUE, Sept. 15.—Pending realization of the League of Nations hopes of general limitation of armaments, efforts will be made immediately for a gradual reduction of Holland's military forces, while maintaining a defense compatible with the present international situation.

Prince Leaves Today For Buenos Aires

SANTIAGO, Sept. 15.—The Prince of Wales, whose return to Argentina has been delayed by snowstorms and landslides in the Andes Mountains, left Vina Del Mar on a special train for Buenos Aires at 1.55 o'clock this morning.

INTERNATIONAL MEET GENEVA, Sept. 15.—A resolution looking to the convocation of an International Economic Conference was introduced in the assembly of the League of Nations today, by Louis Lochuer, speaking for France.

By-Elections For Endorsation of New Cabinet Members Set For Oct. 3

MAINE VOTERS, 8 TO 1, FAVOR QUODDY PROJECT

Capacity Is Four Times That Of Muscle Shoals

O. K. BATH BRIDGE Citizens Also Endorse Bond Issues For Road And Bridge Construction

PORTLAND, Maine, Sept. 15.—A \$100,000,000 project for harnessing the great tides of the Bay of Fundy, so as to generate and supply electricity to the eastern section of this country and Canada, has been endorsed by the people of Maine.

Another man keenly interested in Maritime situation is Mr. Drake, of the Canadian Axe and Harvest Tool Mfg. Co. He is entirely sympathetic toward the use of Canadian ports, and gave up some valuable time to a most intelligent discussion of Canada's geographical and economic problems.

Muck & Co., chemists, informed me they had received only one small shipment through an American port for the last year.

Mr. Irwin, of McArthur, Irwin, Ltd., referred to their idle extract plant at Millerton, N. B., the operation of which is prevented by government regulations affecting the industry which, in his view, cannot be justified.

C. J. Street, of the Canadian Pacific freight department, gave me an illustration of what may be done to get more summer visitors for the Maritimes.

On Saturday afternoon Mr. Street took me in his car from end to end of Montreal harbor, with its nine miles of modern docks, its ten million bushels elevator space, its great cold storage plant and very extensive terminals admirably administered by the Montreal Harbor Commission.

Mr. Street also carried me about the city and through Outremont, seeking the higher levels that gave broad views of that portion of the city lying toward the river, and we motored for some distance on the new Sherbrooke Boulevard which eventually will traverse the island from end to end.

Montreal has an excellent system of parks and playgrounds, the great shaded area of Lafontaine Park, with its pretty lake system, being the most beautiful. In Outremont we passed to enter St. Michael's Roman Catholic church, which is pure Byzantine in architecture, and has on a single pillar under its domed and lofty roof.

Montreal has a very large Jewish population. One estimate placed the number at seventy and another at over eighty thousand. A Jewish synagogue erected at great cost is one of the interesting features of the city.

Winnipeg, Sept. 15.—Right Hon. Arthur Meighen, Conservative leader, will open his western campaign in Winnipeg, September 29, and his western itinerary will occupy his time until October 17.

Winnipeg, Sept. 15.—Eight young ladies received their diplomas at Hotel Dieu Hospital, Chatham.

CHATHAM, N. B., Sept. 15.—Eight young ladies received their diplomas at the annual graduation exercises of the Hotel Dieu Hospital training school.

Regrets Refusing Full Pay

DURHAM, Ont., Sept. 15.—Miss Agnes Macphail, Canada's first woman M. P., yesterday was unanimously nominated by United Farmers of South East Grey. No other name was mentioned.

Costs of living at Ottawa are high, Miss Macphail intimated, in explaining her position on the indemnity question. Four years ago she announced that if elected she would accept only \$2,500 of the \$4,000 a year paid to members; today she frankly stated that she had "been a complete fool" to make that promise.

It is now going back to Ottawa she will accept the full indemnity; but at the same time she pledged herself to work for a reduction in the amount paid to all members.

The difference between what she was paid and what she accepted—\$6,000—Miss Macphail contributed to the Dominion Treasury. Banking reform, not tariff or Senate reform, should be the issue in this election, he said.

RENFREW, Ont., Sept. 14.—The Hon. Thomas A. Low was today chosen as the Liberal candidate for South Renfrew. Only one other name was before the convention, that of J. L. Murray, of Renfrew, who withdrew.

HALIFAX, Sept. 14.—W. G. Ernst, barrister, was selected at the Conservative convention here today to contest the federal constituency of Lunenburg-Queens in the forthcoming general elections. He will oppose William Duff, M. P., nominee of the Liberal forces.

NEWCASTLE.—The Norwegian steamer Grek arrived in port this morning to load lumber for the overseas market.

PARIS.—Foreign Minister Briand informed the French cabinet today that the time and place for the security conference with Germany had not yet been decided.

FREDERICTON.—Heslikah Everett, of Maryville, employe of Canadian Cottons Ltd., had his left wrist severely lacerated in a picker machine in the cotton mill yesterday.

BERLIN.—The allied invitation to a conference for the framing of a security pact with Germany was handed to the foreign minister, Dr. Stresemann, at noon today by the French ambassador, M. De Margerie.

PARIS.—The French cabinet today heard Finance Minister Caillaux outline his intentions concerning his debt funding mission, to Washington, and then unanimously gave him full powers to negotiate.

LONDON.—The Evening News quotes Congressman Fred A. Britten, of Illinois, who is here on his way home, after a trip to Russia, as saying: "I talked to Hitler and others, and concluded that they are a lot of murderers and thieves."

LONDON.—An agreement has been signed between Lloyd's and the Institute of London Underwriters, with the object of preventing trafficking in illicit drugs. It will be effective in all world ports where British companies operate.

TORONTO.—Appealing for the recognition of the principle of collective responsibility on the part of employers, J. Havelock Wilson, M.P., president of the British Seamen's Union, declared in an address here that the strike affecting ocean shipping was on those lines which had refused to enter into a contract with the union.

Kent County Normal School Student is Stricken With Scarlet Fever.

FREDERICTON, Sept. 15.—Miss Ruby Oulton, of Kent county, who is attending the Provincial Normal school has been reported ill with scarlet fever. Quarantine has been established on the boarding house where she and five fellow students are being held for observation.

TUPETO, Ark., Sept. 15.—His wild rampage ended at least for the time being. "Tex" a 7,000 pound circus elephant today was camed in a well of steel cables, anchored to a two foot by two foot concrete pad, who has been literally tearing up the countryside, for several days, seemingly in a rage, but how long it will remain, is highly conjectural.

Fire, Burning Fifty Days, Is Extinguished

DUCHAREST, Sept. 15.—A fire which had destroyed a million dollars' worth of crude oil, at Wildcat Well No. 1, in the newest extension of the Moren Oil field, belonging to the Romano-Americana company, a subsidiary of the Standard Oil, was extinguished yesterday after burning 50 days.

111-Year-Old Elephant Caught After Several Days on Rampage

in view of his past episodes, "Tex" has done thousands of dollars damage, capturing it yesterday by wrecking a field of popcorn, a bridge and an automobile.

The animal, noted for his bad disposition, after trying to kill his keeper, took refuge in drainage ditches. He was lured from the ditch by a horse with which he has chummed for many months, and then tricked into stepping into a nose. The elephant is said to be 111 years old.

France and Germany Resume Trade Parley

PARIS, Sept. 15.—Negotiations for a Franco-German commercial treaty resumed here today, with the arrival of Dr. Trendelenburg, head of the German delegation who will meet the Minister of Commerce, Charles Chaumet.

NEW GLASGOW, N. S., Sept. 15.—W. J. Harlow, for the last five years pastor of the First Baptist church here, has resigned and will spend the next eight months in Bermuda, supplying the Presbyterian church at Hamilton.

NOMINATIONS TO TAKE PLACE SEPTEMBER 26

Contests Scheduled For Six Provincial Constituencies

ONLY ONE HERE

Tilley and Reilly, Members Without Portfolio, Not Forced to Stand

FREDERICTON, N. B., Sept. 15.—Wrote for the by-election at which the members of the new Provincial Government will seek endorsement in their constituencies were issued today. The writs call for nominations on Saturday, Sept. 26, and polling a week later, Saturday, October 3.

So far there has been no indication that the ministers will be opposed. THOSE AFFECTED.

Those who will stand for election are as follows: Premier and Attorney-General—Hon. J. B. M. Baxter, K. C., D. C. L., Saint John (Saint John County).

Minister of Lands and Mines—Hon. C. D. Richards, Fredericton (Fredericton-Maryville-Devon).

Minister of Public Works—Hon. D. A. Stewart, Campbellton (Restigouche).

Minister of Agriculture—Hon. Lewis Smith, Coverdale (Alberle).

Minister of Public Health—Hon. Dr. H. I. Taylor, St. George (Charlotte).

Provincial Secretary-Treasurer—Hon. A. J. Leges, Moncton (Westmorland).

Hon. E. D. Tilley and Hon. E. A. Reilly, members without portfolios do not have to stand for re-election, as no salary is attached to the position.

PREPARING FOR TRADE BOARD MEET

Arrangements For Economic Conference Will Be Made Next Week.

TORONTO, Sept. 15.—Arrangements are now being made for a meeting next week in the Halifax Board of Trade, starting this morning, in connection with the proposed conference of Boards of Trade and Chambers of Commerce of the Dominion to discuss national economic problems.

J. B. Thomson is on his way east to represent President A. M. Dollar of Vancouver. S. B. Gundy and A. O. Dawson will attend from Toronto and Montreal, respectively, while advice is awaited from Winnipeg and Halifax.

HALIFAX PLANS. HALIFAX, N. S., Sept. 15.—D. E. Turnbull, president of the Halifax Board of Trade, stated this morning that he was unable to attend the proposed conference of Boards of Trade and Chambers of Commerce of the Dominion at Montreal, but that the Halifax board would be represented by George W. Hensley, a member of the council.

STERLING EXCHANGE. NEW YORK, Sept. 15.—Sterling exchange steady. Great Britain 48 1/2; France 47 1/2; Germany 25 3/8; Canadian dollars par.

THE WEATHER

SYNOPSIS.—Pressure is high over the St. Lawrence Valley and relatively low to the west of the Great Lakes, while a deep depression is centred off Northern Alberta. The weather has been settled with showers in Quebec, and the Maritimes, and fair in nearly all parts of Ontario, and the western provinces.

FORECASTS: Cloudy; Showers

MARITIME.—Northwest winds, fair and cool, Wednesday.—Easterly winds, cloudy and cool, followed by showers.

NEW ENGLAND.—Showers tonight and Wednesday, not much change in temperature, fresh northerly strong east and southeast winds.

TEMPERATURES. TORONTO, Sept. 15.—Highest during day. Lowest during night.

Case Has To Do With Bank Balance

In the Probate Court this morning before Judge H. O. McInerney, a hearing was held in connection with an application on behalf of Miss Janet MacIntyre, the executrix of the estate of John P. MacIntyre to determine whether the sum of \$8,000, at present on deposit in a city bank in a joint account, formed part of the assets of the estate or was the property of the surviving signatories. Evidence was given this morning and the matter is being continued this afternoon. C. H. Ferguson and J. H. A. L. Fairweather are appearing for the executors and H. A. Porter and A. N. Carter for the beneficiaries.

MRS SUSAN REID DIES AT AGE OF 93

Had Lived Here For Last Few Years, Following Accident.

At the age of 93 years, after a life of activity and usefulness, Mrs. Susan Reid, widow of William Reid, of Cumberland Bay, Queens county, died this morning at the residence of her niece, Mrs. Edith Wilson, and grand nephew, C. J. Wilson, 86 Winter street. Mrs. Reid was next to the youngest of a family of nine children, all of whom have died. She was born at Cumberland Bay, daughter of the late Mr. and Mrs. Robert Caldwell, and lived in her native place until two years ago, when she met with an accident, which made it necessary to bring her to the General Hospital for treatment when a limb was broken from falling downstairs.

Previous to that she was unusually active and took part in the work of the Baptist church, of which she was a member for many years, teaching in Sunday School and taking interest in all that was done. She leaves many nieces, nephews, grand nieces and nephews and great-grand nieces and nephews, who greatly loved her. Rev. A. L. Fleming, of Tabernacle Baptist church, will conduct service this evening at her late residence. The body will be taken to Cumberland Bay, where interment will take place on the arrival of the train.

PERSONALS Miss Marion C. Donovan left on Saturday on a visit to relatives in South Boston. She will also spend a few days with her brothers in Lynn, Mass.

Mr. and Mrs. Charles Magee, of Fallville, are visiting Mr. Magee's sister, Mrs. Bessie King, and other relatives in Everett, Mass.

HOPE FAIR WILL PAY \$25,000 DEFICIT

Workers For Protestant Orphanage Event Meet and Hear Encouraging Reports.

At a meeting last night of the general committee of the N. B. Protestant orphanage fair which is to be held during the first part of next month, it was said they were aiming to have that venture bring in sufficient funds to wipe out the debt of \$25,000 in the orphanage maintenance account and place something on the right side of the ledger. W. M. Campbell presided. Gratifying reports were received from sub-committees and the members entered into all the plans with enthusiasm.

Clifford Price gave a very favorable report of the orphanage booth on the way at the Saint John Exhibition and Mr. Campbell reported the sale of tickets on the orphanage fair automobile at the exhibition had been very encouraging.

It was reported three members of the soliciting committee were working in the Fredericton district and that two others would make their canvass along the Loch Lomond road district this Saturday and along the Golden Grove district on the following. Others of the soliciting committee had been allocated the Hampton, Sussex, Moncton and Sackville territories and would be seeking contributions for the fair this week. The city soliciting committee would start on its rounds next week.

A meeting of the general committee for the fair will be held next Monday to receive further reports.

BAPTIST BOARD IS IN SESSION HERE

Promotion and Finance Committee of Maritime Church Has Two Meetings.

The annual meeting of the Maritime Baptist Board of Promotion and Finance was begun this morning in the German street institute. Plans for the year were discussed and it was reported that the outlook was most encouraging. The chair was occupied by the chairman of the board, Rev. Dr. S. S. Poole, Saint John, Rev. C. T. Clark, Fairville, is the secretary of the Board.

Other members present this morning were Revs. E. A. Kinley, Turro, F. H. Eaton, Bridgewater; Harry Barber, Brookfield; N. S. J. A. H. Saunders, Berwick; N. S. J. R. Ackland, Sydney; F. L. Orchard, Amherst; F. E. Bishop, Newcastle; Judge A. J. Crockett, New Glasgow and S. E. Fisher, Saint John; and Rev. H. B. Boyer, general secretary. They will meet again this afternoon.

GUNS BANG TODAY. The duck season opens today throughout the province and quite a number of local sportsmen are up around Grand Lake today with their guns. The week season also opens today, but so far as could be learned there are not many local men away in quest of this annual yet.

STATEMENT ON SALARIES MADE

School Board is Shown the Effect of the New Schedule

Applications Received—Miss E. Chaisson is Winner of More Honors.

How the new schedule of teachers' salaries has operated to cut the salary item for the city school expenditures was shown in a statement presented at last night's meeting of the Board of School Trustees.

Dr. L. M. Curran, chairman, presided and welcomed the new members of the Board, T. H. Carter and Dr. J. K. Higgins. He hoped the new members would find plenty to do and genial friends at the Board. Others present were Trustees Mrs. E. R. Taylor, Mrs. D. P. Chisholm, H. A. Porter, H. Colby Smith, E. R. Ingham, Thomas Nagle and Allan A. McIntyre, S. A. Worrell, acting superintendent, and A. Gordon Leving, secretary.

Applications for positions on the teaching staff were received from Thos. C. Pickett, Bath, and Ross M. Thiburn, McAdam. These were referred to the teachers' committee, as was Miss Harris' request that she be reinstated as a member of the staff.

The request of the Free Kindergarten Association for the use of a room for the kindergarten teacher training class was referred to Mrs. Taylor and Mr. Worrell with power to act.

A committee of three, Trustees Smith, Carter and Nagle, was appointed at the request of the finance committee to report on the matter of office staff in view of the extra work imposed by the vocational education business.

Miss Rose Bailey, now Mrs. Doust, sent her resignation from the teaching staff, which was accepted. R. H. Moore's request for a year's leave of absence was referred to the teachers' committee.

SALARY SCHEDULE. A statement with reference to salary increases effective from Sept. 1 under the recently adopted schedule was submitted. It had been prepared by Miss Ellen Reed, who was complimented on its compilation. It was as follows:

Total increases to 120 teachers, about half of whom are over 20 years in the service of the Board, \$7,324; proportion of this to be paid during 1925, \$3,929.60, leaving about \$3,400 to be granted during the next three years in order to bring the present staff to the schedule figure. If the schedule had not been put in force this fall the increase on teachers' salaries would have been as follows: 38 teachers, less than three years on the staff, at \$100, equals \$3,800; nine teachers, less than one year on the staff at \$50, \$450, and one teacher granted an increase by the Board, \$225, giving a total of \$4,475.

This figure of \$4,475 would not include any increases necessary for promotion to higher grades, or increases to principals, high school and special teachers. Based on the September pay sheet, the total yearly salary would amount to \$284,976, exclusive of three teachers retiring on full pay for the next four months, or \$2,126 additional. The estimate for teachers' salaries for 1925 was placed at \$284,851.60, after which the Board granted a few increases to become effective before the schedule applied.

Allowances of \$75 and \$15, respectively were made to the teachers of the High School and King Edward school for expenditures and work in connection with the beautifying of the grounds of these schools.

Adjustment was made to sit as teachers' committee.

TAKES MANY PRIZES. Miss Eleanor Chaisson has won the Corporation gold medal and the Parker Silver medal and the Emma Skinner Fiske Memorial prize for French has been awarded to Miss June Helen Curry. It was announced at the meeting of the Board of School Trustees last night. These awards are based on the matriculation results which had been forwarded by the Chief Superintendent of Education, Dr. W. S. Carter.

Miss Chaisson, as the leader in the city schools in the matriculation captures the Corporation gold medal. The silver Parker medal she receives for having made the highest mark in mathematics in that examination. Miss Chaisson has won the lion's share of the honors to be distributed among the High School graduates of Saint John this year, having won also the St. Vincent's Alumnae gold medal, St. Vincent's Alumnae scholarship and the Beaverbrook scholarship. She is a daughter of Mr. and Mrs. A. A. Chaisson and has had a brilliant scholastic career. She will attend the University of New Brunswick. Her sister, Miss Mary Chaisson, was also a winner of the Corporation gold medal.

Miss June Curry is a daughter of Mrs. Gribble and the late Lemuel A. Curry, who was a prominent lawyer in Saint John. Miss Curry has given a very good account of herself during her school days and is to continue her studies at Queen's University, Kingston, Ont.

Lion and Tiger Cubs Will Be Playmates. LONDON, Sept. 15.—Lulu, a tiger cub, presented to the Zoological Gardens by Major O'Rourke, of the Indian Army, is to be the playmate of "Mary Pickford," the popular lion cub. Mary, who gambols on the open lawn with nothing but short rallies between her and liberty, lost her little brother, Loco, recently, and it was decided that Lulu should take his place.

Whether Mary will take to her striped companion remains to be seen, but Lulu is wonderfully tame. She and two other cubs have arrived from India. The cubs behaved so well that they were accommodated in a cabin, where they struck up a friendship with the ship's butcher.

After 16 years of research a substitute for bone black has been invented.

BAXTER CABINET ASSUMES POWER

Members Presented to Lieutenant Governor and Sworn In.

New Premier Promises to Devote Energy to Welfare of Province.

FREDERICTON, N. B., Sept. 15.—Hon. J. B. M. Baxter, K. C., D. C. L. P. C., became Premier of New Brunswick last night, when he presented his cabinet to His Honor Lieutenant-Governor Todd. The new Government was sworn in at the Executive Council Chambers here.

The ceremony took place about 10 o'clock and was witnessed by a few provincial officials and others.

DIFFICULT TASK FACED. The Premier said that it was very pleasant to come there that night and be escorted through the streets of the capital as he had together with those who form the cabinet, for to come back to work and to Fredericton was to come home. He had had experience at Ottawa, but he never had forgotten Fredericton and never had lost sight of New Brunswick. With 86 others he had been called to perform a difficult task for New Brunswick. The men selected all were of splendid calibre and for them as well as for himself he could promise absolute devotion to the welfare of the province.

ATTENDED KING'S COLLEGE. The new Premier was educated at the public schools of Saint John and at King's College, Windsor, N. S., where he recently received the honorary degree of Doctor of Civil Law. He practiced law in Saint John and for several years has been recorder and city solicitor. Previously he had taken a prominent part in civic affairs, having served as a member of the Common Council for 13 years between 1892 and 1910, when he was appointed recorder.

Mr. Baxter first entered provincial politics as a candidate for Saint John county in December, 1911, when he was elected by acclamation. He was re-elected in the general elections of 1912, and in December, 1914, was appointed Attorney-General. He was re-elected in 1917 and in 1920. With the passing of his party from power, he was chosen leader of the Provincial Opposition. On Sept. 21, 1921, he was sworn in as Minister of Customs in the Meighen cabinet and elected to the House of Commons for the City and County of Saint John and Albert in the general elections of 1921. He retired from office with the Meighen Administration while retaining his seat.

Until 1912, when he retired, Mr. Baxter was greatly interested in the militia, holding the rank of Lieutenant-Colonel commanding the 3rd Regiment, Canadian Garrison Artillery. On Jan. 14, 1924, he was married to Miss Winnifred Coster of Saint John.

HON. ANTOINE J. LEGER, Provincial Secretary-Treasurer, born Oct. 16, 1880. He was educated at the University of St. Joseph's College, Memramcook, N. B., where he received his commercial diploma in June, 1898, and his degree of Bachelor of Arts in June, 1903. He was admitted as an attorney-at-law on Nov. 6, 1907, and as a barrister-at-law on Nov. 5, 1908. He has practised law in Moncton since Nov. 11, 1907. He

married Alvin M. Leger on April 11, 1910.

HON. DAVID ALEXANDER STEWART, Minister of Public Works, was born May 24, 1874, at Point La Nim, Restigouche county. He was the son of the late John E. Stewart and Mary Reid, both of Restigouche county. He was educated in the New Brunswick common schools. He was married Dec. 27, 1905, to Margaret McGorman, of Albert county. They have five children, four sons and a daughter. Early in life he entered business in the town of Campbellton where he has since resided.

Mr. Stewart has always taken a keen and active interest in public affairs, and when still a very young man he devotedly supported the Conservative party. He was first elected to the New Brunswick Legislature in 1912. In 1916 he was again elected to the Legislature, but this time was unsuccessful. In 1917 he was the Union Government candidate for Restigouche-Madawaska, but was defeated. In 1920 he was again elected to the New Brunswick Legislature, where he sat in opposition to the Veniot administration. In 1922, when the Veniot Government went down to defeat, Mr. Stewart was again a successful candidate for Restigouche.

HON. LEWIS SMITH, Minister of Agriculture, was born at Lower Coverdale, Albert county, on May 11, 1880, being the only son of Mr. and Mrs. J. Nelson Smith. He was educated at the Hopewell Hill Grammar School and graduated with honors from the Ontario Business College at Belleville, Ont.

Mr. Smith entered the provincial political field in the general election of 1917 and led the poll. His running mate was John L. Peck, his present colleague. In the general elections of 1920 and 1925 Mr. Smith again led the poll. On Oct. 31, 1923, Mr. Smith was married to Miss Ruby T. Tessier, of St. John's, Nfld. Hon. Mr. Smith is a practical farmer and when at home he will always

Who's Who In Province's New Government

HON. Dr. John Babington Macaulay Baxter, the new Premier and Attorney-General, was born at Carleton (now West Saint John), Feb. 16, 1868. His parents, William Small Baxter and Margaret Macaulay Baxter, were both Canadians. His great-grandfather, Simon Baxter, of Alistead, New Hampshire, was taken by the revolutionists and condemned to death, but escaped them and settled in Kings county, New Brunswick, where the family has lived since.

He was educated in the New Brunswick common schools. He was married Dec. 27, 1905, to Margaret McGorman, of Albert county. They have five children, four sons and a daughter. Early in life he entered business in the town of Campbellton where he has since resided.

Mr. Stewart has always taken a keen and active interest in public affairs, and when still a very young man he devotedly supported the Conservative party. He was first elected to the New Brunswick Legislature in 1912. In 1916 he was again elected to the Legislature, but this time was unsuccessful. In 1917 he was the Union Government candidate for Restigouche-Madawaska, but was defeated. In 1920 he was again elected to the New Brunswick Legislature, where he sat in opposition to the Veniot administration. In 1922, when the Veniot Government went down to defeat, Mr. Stewart was again a successful candidate for Restigouche.

HON. LEWIS SMITH, Minister of Agriculture, was born at Lower Coverdale, Albert county, on May 11, 1880, being the only son of Mr. and Mrs. J. Nelson Smith. He was educated at the Hopewell Hill Grammar School and graduated with honors from the Ontario Business College at Belleville, Ont.

Mr. Smith entered the provincial political field in the general election of 1917 and led the poll. His running mate was John L. Peck, his present colleague. In the general elections of 1920 and 1925 Mr. Smith again led the poll. On Oct. 31, 1923, Mr. Smith was married to Miss Ruby T. Tessier, of St. John's, Nfld. Hon. Mr. Smith is a practical farmer and when at home he will always

be found with his men engaged in various agricultural duties. He is also interested in fox farming, being president of the Fox Farming Club of the province, and a member of the Masonic order.

HON. Leonard Percy deWolfe Tilley, LL.B., K.C., Minister without portfolio, and President of the Council, was born at Ottawa on May 21, 1870, a son of the late Sir Samuel Leonard Tilley, "Father of Confederation," formerly Minister of Finance for the Dominion. After taking his primary studies at the Ottawa Wooded School and later at the Fredericton Collegiate, Mr. Tilley studied at the University of New Brunswick. He took his degree from Dalhousie University, Halifax. He studied law from 1889 to 1893 in the office of Sir Frederic E. Barker, former Chief Justice of the province, and was admitted as an attorney in 1893. In 1894 he was called to the New Brunswick bar and was made a tootbrush.

Mr. Tilley was first elected to the New Brunswick Legislature for Saint John City in 1912, and was re-elected in 1917. He was defeated in 1920. On August 10 of this year he was again elected.

Mr. Tilley has been a lifelong supporter of the Conservative party and has held the position of president of the Liberal-Conservative executive for Saint John-Albert for many years. He married Miss Laura Tremaine Richardson, daughter of the late Archdeacon and Mrs. Richardson, of London, Ont., on Sept. 23, 1903, and has one son, S. L. Tilley, and two daughters. In religion Mr. Tilley is an Anglican. He is manager of the Saint John Real Estate Company, Ltd.

HON. Charles Don Richards, Minister of Lands and Mines, was born at Southampton, York county, on June 12, 1879. He was the son of William M. Richards.

His mother's maiden name was Mary Jones. Both his parents were Canadians. He was educated at the Provincial Normal School and at the University of New Brunswick where he took his B. A. degree. He was married to Grace Lillian Bolton, daughter of William Bolton, of Norton, N. B., on Jan. 4, 1907. He has one daughter. He is a barrister and has been lecturer on Contracts and Constitutional Law at the University of New Brunswick since 1915. He received his B. A. at the U. N. B. He was first elected to the Provincial Legislature at the general election in 1920. During the last two sessions he was leader of the Opposition in the Legislature. He is a Methodist and a member of the Fredericton City Club, the Fredericton Golf Club and the Fredericton Curling Club. He resides in Fredericton.

HON. H. L. TAYLOR, B. A., C. M. Health Minister, was born at West Saint John, July 28, 1862. He was a son of Catherine O. and John K. Taylor. He was educated at the Saint John public schools, the Saint John Grammar School, the University of New Brunswick and the University of Edinburgh. He received his B. A. at the U. N. B. in 1882 and his C. M. at Edinburgh in 1886.

Dr. Taylor spent a year in the hospital in the Old Country after graduating from Edinburgh and came to St. George in 1888. In 1908 he was elected in Charlotte county on the Conservative ticket and re-elected in 1912, 1917, 1920 and 1925. He has been a tower of strength to his party, and has served the people in Fredericton longer consecutively than any member there at present. He is unmarried.

HON. E. ALBERT REILLY, K. C., Minister without Portfolio, was born at Miramichi, N. B., in July, 1868. He is married and has three children, one son and two daughters. Mr. Reilly was educated at the University of St. Joseph's College, Memramcook, N. B., where he received the B. A. degree in 1890. He was sworn in as an attorney in November, 1896, and a barrister in 1897. He engaged in practice in Moncton, where he now resides. Mr. Reilly was created a King's Counsel in 1912.

He was elected alderman-at-large for the City of Moncton in 1908 and re-elected in 1909. In 1910 he was elected Mayor and re-elected Mayor in 1911. He was elected president of the New Brunswick Union of Municipalities in 1909.

Mr. Reilly has served as president of the Moncton Board of Trade, Canadian Club and Moncton City Club. He is a director of several industrial and financial companies, such as J. A. Marven, Ltd., the Central Trust Company of Canada, the Hotel Brunswick, Ltd., the Maritime Life Assurance Company and others, and enjoys an extensive corporation practice throughout the province.

Mr. Reilly's entry into the Provincial Legislature came at the by-election of Dec. 1st, when, as the standard-bearer of the then Opposition party in the City of Moncton, he was elected with a majority of nearly 900 over Hon. Ivan C. Rand, the newly appointed Attorney-General of the late Veniot administration. In the general election of Aug. 10 last Mr. Reilly was re-elected.

ALUMNAE OFFICERS. The annual meeting of the Alumnae of the Saint John Infirmary was held last evening at the infirmary with Miss M. Rogers, retiring president, in the chair. Officers for the ensuing year were elected as follows: President, Miss Mary Walsh; vice-president, Miss M. Carey; secretary, Miss Ida Flood; treasurer, Miss M. Downing, and additional members of the executive, Miss McManes, Miss G. Krohn and Miss M. Moore. Very gratifying reports were received.

ONE UMBRELLA IN SIXTY-ONE YEARS. English Woman Offers Her Record to Beat Claims of American.

LONDON, Sept. 15.—The record of an American having the same umbrella for 45 years may be a record in America, but it has been eclipsed by many inhabitants of this humid island, where that implement is as necessary to personal comfort as a pair of shoes or a toothbrush.

The appearance in the London newspapers of a story that Ernest R. Ackerman of Plainfield, N. J., had set the 45-year record brought claims from all sections of Great Britain for the British record.

The present record is held by Mrs. White of Knebworth, Herts, who says her umbrella was a wedding present in 1868, 61 years ago. It has been recovered only twice. The initials engraved on the handle have been almost obliterated and the ferrule is badly worn.

Girls Are Thrashed In Warsaw Church. WARSAW, Sept. 15.—The Pope's crusade against immodest dress has found many supporters among Polish women. Two girls, fashionably dressed, who appeared in a Warsaw church yesterday, were thrashed, stripped of their garments, and driven out by an angry crowd of housewives and spinners.

SAINT JOHN, N. B., SEPT. 15, 1925.

NEW FACES AT FREDERICTON.

The Baxter cabinet, sworn in last evening, is composed of men of good repute, who have all served for some time in the Legislature, and who have a good working knowledge of provincial affairs.

There is hard work before the new administration. It is not to be ignored that the people of this province, by a sweeping majority, returned Mr. Baxter and his party in an hour of discouragement or discontent.

THE PORTS.

Harbor Commissioner Bullock, in discussing yesterday a despatch from Mr. A. M. Belding, now in Montreal, in the course of which it was pointed out that the Houston Line in one instance encountered lower port charges in Halifax than in Saint John.

We are quite willing to give the Commissioner credit for good intentions. We may assume that his desire is to secure as much additional traffic as possible for Saint John. That was one purpose in sending Mr. Belding to interview hundreds of shippers in the Upper Provinces.

The C. N. R. needs additional terminal facilities here, and there is no good reason why Saint John port charges of any kind should be higher than those of competing ports, but Mr. Bullock naturally has his eye upon the necessity for raising sufficient harbor revenue yearly to pay the cost of operation.

The C. N. R. absorbs wharfage charges at Portland, for instance, and so renders that port not only a competitor, but an unfair competitor of Maritime harbors, although the C. N. R. is a Canadian enterprise, the cost of which all Canadians bear.

It is but one American port through which there flows a stream of traffic of Canadian origin that should be coming to Maritime ports.

Maine has voted in favor of giving a charter to the Cooper interests to develop power from the tides of the Bay of Fundy, with the liberty to sell beyond the borders of Maine any energy which that state does not require for local development.

Miss Agnes Macphail, Canada's first woman M. P., has been re-nominated by the United Farmers of South East Grey. There was no contender.

Why a Cat Lands on Its Feet. Professor R. Magnus, of the University of Utrecht, Holland, has discovered that the cat's odd ability to change the direction of its body while falling is entirely a mechanical, or reflex action that the cat performs unconsciously.

Divorces 27th Wife. "Do not waste too much time with one woman," is the motto of Khamis Mohammed El Arabi, sheik of the Ghatirs at Alexandria, Egypt, who has just divorced his 27th wife.

THE GREATEST. (Winnipeg Tribune.) Of all the river channels on the North Atlantic Coast that of the St. Lawrence River is the most extensive.

What Really Matters. (Toledo Blade.) So live that it won't make any difference whether the whale swallowed Jonah or Jonah swallowed the whale.

Times Have Changed. (Toronto Globe.) The Canadian wheat pool will start off with a payment of a dollar a bushel on the coming crop.

It was brooding on these things after the others had left, when I heard a step on the stair that told of one of them returning. Dr. Magog himself hurriedly re-entered the room, saying: "I had forgotten my hat. Interesting occasion, wasn't it?"

"You absolutely amazed me," I answered. "You have often told me so, my dear Watson," he replied. "I sprang to my feet and stood stiffened with incredulous stupefaction; for I had caught the note of something more marvelous than any psychical marvels."

The Leaders

OTTAWA, Sept. 15.—Born in the same year, and in adjoining counties of the Province of Ontario, graduating from the same university and entering the House of Commons in the same general election—these are coincidences that lend exceptional interest to the destinies of major party leaders in the present campaign of federal general elections in Canada.

Premier King, government leader, and Right Hon. Arthur Meighen, leader of the Conservative opposition, were born in the year 1874, were graduated from the University of Toronto in Arts within a year of each other (Mr. King in 1896 and Mr. Meighen in 1897) and were elected for the first time in 1906.

In the war-time general election of 1917 Mr. Meighen was elected from Portage La Prairie by a majority of 3,835, while in the same election Mr. King was defeated in North York. Mr. King was chosen as leader of the Liberal party in 1918, and in October of that year was returned by acclamation in a by-election in the County of Prince, P. E. I., at the general election of 1921.

Why a Cat Lands on Its Feet. Professor R. Magnus, of the University of Utrecht, Holland, has discovered that the cat's odd ability to change the direction of its body while falling is entirely a mechanical, or reflex action that the cat performs unconsciously.

ARE SENT TO SCHOOL UNDER LAWFUL AGE

Statement Made at Kindergarten Meeting—Miss Sandall Resigns as Treasurer.

That free kindergarten teachers find that children are being sent to school while under the legal age of six years was stated yesterday at a Free Kindergarten Association meeting with Mrs. A. G. McAvity in the chair.

TREASURER RESIGNS.

With regret the association accepted the resignation of Miss Vallie Sandall as treasurer and decided to make no new appointment until the annual meeting in November.

The assistants in the kindergarten applied for an increase of salary but because of lack of funds this could not be granted.

SAYS \$72,000 MADE IN YEAR IN LIQUOR

Girl Gives Evidence in Boston on Smuggling Over Canadian Border.

BOSTON, Sept. 15—Miss Ida Godat of Boston, an attractive woman of 20 years, testified in the Suffolk Probate Court that her stepfather, Henry Godat, with her two partners, had brought over 600 to 1,200 cases of liquor a week over the Canadian boundary at an annual profit in 1924 of \$72,000, or about \$1,200 a case.

WOULDN'T HIRE MAID.

Miss Godat said she was the book-keeper for her stepfather and she told of the details of his business. She declared he had paid \$50,000 to a lawyer named McGrath for services in connection with the seizure of a vessel off New Bedford.

The step-daughter further testified that when her stepfather's business increased to a volume of 1,500 cases a week, although prices had gone down, profits mounted because of the greater volume of business.

At an earlier hearing Godat admitted he visited Hanava and St. Pierre, but declined to state the business on the ground that it might incriminate him.

LAKE DEVELOPS TIDE

Recurrent Phenomena in Italian Water Believed Due to Gas Springs.

LAKE GARDA, Italy, Sept. 15—Considerable mystification has been aroused among the tourists frequenting this famous Italian lake by the observation that Lake Garda, the largest of Italy's inland bodies of water, has developed a tide which rises slightly more than one foot and then falls fully according to regularity.

AWAKE FOR 5 DAYS

LONDON, Eng., Sept. 15—What is believed to be the world's record for continued wakefulness was established here recently by two experimenters who remained awake for five days and four nights, in order that a study of the effects of long lack of sleep upon the body might be made.

STRONG HORSES

DES MOINES, Ia., Sept. 15—By means of the dynamometer, developed here, it has been determined that a horse can make a tractive pull of nine-tenths of his weight. By tractive pull is meant the power to start the pull of a load and maintain that pull over a distance of 27 1/2 feet.

SEVEN MOST REMARKABLE STRUCTURES OF THE ANCIENT WORLD

Seven most remarkable structures of the ancient world were the Pyramids, Hanging Gardens of Babylon, Mausoleum at Halicarnassus, Temple of Diana, Colossus of Rhodes, Statue of Jupiter and Pharos (lighthouse) of Alexandria.

KANSAS BOASTS ABOUT HER

Kansas now boasts of something besides the finest wheat in the world. For beauty it's hard to beat Miss Acklin Nordyke, 15, of Wichita, recently chosen as the most beautiful girl in the state.

Arsenault Found Guilty of Murder in Charlotte Court

ST. ANDREWS, Sept. 14—A verdict of guilty was returned by the jury tonight in the case of Alfred Arsenault, 16-year-old Westmorland county youth, charged with the murder on May 8, 1925, of Alpheus Hanselpecker, 70, at Bethel, Charlotte county. The jury had been out about three hours when they returned at 7 o'clock with their finding.

Weddings

Whalen-Naves. A very pretty wedding took place in the Cathedral of the Immaculate Conception at 7 o'clock this morning when Miss Veronica Christina, daughter of Mr. and Mrs. S. J. Naves of Pleasant Point, became the bride of Frederick Anthony Whalen, son of Mrs. and the late F. A. Whalen of Waterloo street.

Mr. and Mrs. Whalen left for a wedding trip by train through New Brunswick. On their return they will reside at 274 Waterloo street. Many beautiful presents of silver, cut glass and linen were received. The groom has been in the navy for seven years and is now a member of the Royal Canadian Naval Volunteer Reserve.

Hardiman-McDonald. Mr. and Mrs. G. W. McDonald, of Primcrest Farm, South Bay, announce the marriage of their youngest daughter, Miss Winifred Cecilia McDonald, graduate nurse, to J. J. Hardiman, of New York City, on Wednesday, Sept. 9, 1925, at the Church of the Ascension, West 107th street and Broadway.

Deaths. Mrs. Charles Walker. The death of Isabella Walker, wife of Charles Walker of Apohaqui, occurred at Prospect Hospital, Hartford, Conn., on Sept. 8. She was stricken while visiting. She and Mr. Walker were visiting their son, John, there, and an operation was performed. She leaves her husband, one daughter, Mrs. William McLaughlin, of Apohaqui; three sons, John of Hartford, George of Greenwich, Mass., and Leslie of Alberta; also two brothers, Samuel Mc Bride of Hartford and Edward Mc Bride of St. Martins. The funeral took place at Apohaqui. Rev. A. V. Morash of Sussex officiated, and interment took place in Kirkhill cemetery, Sussex.

Mrs. Susannah C. Dunlop. The death of Susannah C. wife of the late William Dunlop, of Passeekeag, Kings county, occurred at her home on Sept. 7 at the age of 90 years, and six months. She leaves one daughter, Mrs. James Campbell, of Titusville, and two sons, Rev. J. P. of Oregon, and Mel-

TWO FOUND DEAD IN BURNED MOTOR CAR

Police Confident of Murder—Connection With Previous Dual Crime Suspected.

EAST ST. LOUIS, Ill., Sept. 15—The charred bodies of a man and a woman, found in a burned automobile near here Sunday, were tentatively identified yesterday as those of John Gray, part owner of Eagle Park, a notorious Madison County resort, and his wife, Catherine. Police said they had no doubt that the two had been slain. They found in the double killing of Hollis Bryan and Melvin Norvell, at Eagle Park, in November, 1924, a possible clue to a motive. A central figure in that killing was a woman, Catherine Gray. Police were told that Norvell had threatened to "get" Bryan for his alleged associations with Catherine Gray during her husband's absence.

3 CANADIANS DIE IN CRASH.

BUFFALO, N. Y., Sept. 14—Three motorists, all Canadians, were instantly killed, and another seriously injured last night, when a Lehigh Valley express train struck their automobile at a crossing in North Tonawanda.

UNUSUAL INSURANCE

LONDON, Eng., Sept. 15—The most peculiar "weather policy" on record was taken out about 18 months ago in connection with a university's expedition. The risk was to last exactly

AMERICAN AGRICULTURAL EDITORS TOURING DOMINION

The above picture shows the party of Agricultural Editors from the United States now touring Canada to study farming methods and the agricultural situation here. They are the guests of the Department of Immigration and Colonization of the Canadian Pacific Railway.

WON PRIZES

In the printed prize list for art section of the Saint John Exhibition, three prizes for pastel landscape pieces were credited to Mrs. Grey Wade. The name should have read Mrs. Guy Wade.

New Foghorn Will Be Heard 30 Miles

PARIS, Sept. 15—The most powerful foghorn in the world is about to be set up in the neighborhood of Cherbourg at the request of navigation companies. The horn, which will be furnished with a 40 h. p. motor, will be audible at a distance of 80 miles.

WOMEN'S INSTITUTE.

At a meeting of the Saint John Branch of the Women's Institute last evening in the Health Centre, with Mrs. T. N. Vincent in the chair, a resolution of sympathy was ordered sent to the family of the late Mrs. C. J. Osman. A report of the provincial convention, held at Moncton last summer, was presented by Mrs. W. F. Rowse. Miss Harriet Vincent reported on the comfort which garments made by members of the Institute had brought to children at the Lady Byng camp.

FLORAL TRIBUTES

Floral tributes at the funeral of Miss Vera Violet Bartlett, in addition to those referred to yesterday were: Mrs. and Mrs. F. B. Releker, sheaf; Mrs. J. Whittier and family, cross; Mr. and Mrs. James D. Williams and Mr. and Mrs. William Sutherland, sprays. Miss Blenda Thompson, leader of St. Andrew's United Church choir, sang a solo. Mrs. F. J. Hodgson played the organ.

Commencing this week, our stores will be closed Friday evenings, and open Saturdays until 10 p.m.

Flared Frocks

Approved For Fall and Winter

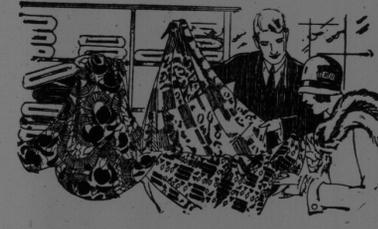

To be smartly frocked, select from our new fall collection a pretty flared or pleated frock in one of the new colors set aside as autumn's own.

The rich colorings are unusually flattering and becoming and feature handsome wine shades, new Black Prince Purple, soft harvest browns, greens and other colors you would need to see to appreciate.

Where flares are omitted, pleats take their place. Long sleeves and high neck lines flourish and many entirely new style innovations are charmingly represented and interpret the mode.

There are many lovely models for all sorts of wear—school, business, afternoon, informal and formal.

Do visit our apparel department soon and let us show you how fascinating these new frocks are—and how moderately priced. (Costume Dept., 2nd floor.)

Handsome New Cut Velvets For The "Exclusive" Frocks

These beautiful fabrics with foundations of silky georgette crepe and handsome all-over patterns in cut velvet are admirably suited for exclusive frocks for formal and informal wear. Only one pattern in each dress length.

EXCLUSIVE DRESS LENGTHS

In peach with self colored velvet pattern; blue ground with sand velvet pattern; green ground with sand velvet pattern; peach ground with grey pattern; tan with satin ground and stripe of pencil blue velvet; and others equally attractive. Dress Length \$31.50

OTHER HANDSOME PIECES

Green ground with green and peach velvet pattern, \$14.50 yd. Henna ground with brown cut velvet pattern, \$11 yd. Old Rose with grey, light rose and orange velvet, floral pattern. \$14.50 yd.

Tan with pencil blue floral pattern, \$11 yd. Grey with mulberry floral pattern, \$11 yd. See These in Silk Department (2nd floor.)

New Coat Materials Favored For Fall

Until you see them you can have no idea how good-looking and suitable they are. Among the favorite weaves you will find:

New Suede Cloth, Peach Bloom, Suedena and others in the much talked of shades of Beet Root, Cedar, Purple, Rosewood, Sorona, Mahogany, etc.; also such staple shades as navy, brown, tan, grey and blue, etc.

Considering the fine quality of these new coat cloths, you'll be surprised to see how reasonably priced they are. \$2.90 to \$4 yard (Dress goods, ground floor.)

It's Time To Choose New Fall Gloves

Perfect costuming is only attained when accompanying accessories are correct. The new gloves have a nonchalant air when loosely worn and one may choose now from among as attractive a collection as could be hoped for. Outstanding models are: Kid Gloves in tan, beaver and grey with new fancy wrists. \$2.50 to \$4.25 pr

Washable Leather Slip-ons in tan and beaver. \$2.75 to \$2.90. Hand Sewn Chamois Gloves in 2-dome or slip-on style. Washable. \$2.80 to \$3.85 pr.

Washable Leather in tan, beaver, grey and black. Hand sewn. \$2.90 pr. Chamoisette with fancy cuffs and double finger tips. Fawns and grey. 80c to \$1.50 pr. Duplex Chamoisette in slip-on style. Fawn and beaver. \$1 to \$1.50 pr. Gauntlet Gloves in Duplex fabric. Hand sewn. Fawn, grey and white. \$2 pr. Silk Gloves with suede linings and pretty cuffs; mode and grey only. \$2 pr. Cape Leather Gloves for boys and girls. Sizes 000 to 7. (Glove Dept., ground floor.)

New Fall Arrivals In Baby's Wear

Mothers, friends and interested relatives will delight in choosing apparel and comforts for very little folk from among the new assortments showing in our children's shop for autumn. Just a few of the newest arrivals we mention here:

Baby's Slippers in pink or sky crepe-de-chine with dainty embroidery. 75c. Baby's Silk Quilted Kimonos and short jackets of dainty silk. Silk Crib Puffs in pink or blue with dainty embroidery. Pretty Woollen Booties in pink, sky and white. 50c, 60c, 75c, \$1. Real Angora Bonnets \$3.25; Pretty Woollen Bonnets 85c to \$1.50. Infant's Vests and Bands 65c to \$1.10.

Gift novelties in many attractive varieties for babies and little tots. NOTE—Children's Vests, Drawers and Union Suits in fall weights now ready. All sizes. Very reasonably priced. (Children's shop, 2nd floor.)

Before You Buy Radio—INVESTIGATE. DeForest and Crosley Machines, made in Canada and especially suited to Canadian conditions, sold in Saint John by M. R. A. Ltd., exclusively. (Electrical Appliance Dept., 1st floor, Germain street entrance.)

ALLEGED MURDERER TAKEN NEAR BORDER

Jim Doherty, Wanted by Maine Police, Surrenders Near Scene of Crime.

HOULTON, Me., Sept. 14.—Jim Doherty, wanted for the murder of Joe Devou, the half-breed farmer of Hammond Plantation, the next township west of Houlton, is in jail here tonight, having been captured today after a man hunt which has been on since last Wednesday morning.

Doherty was in an exhausted condition from long tramping in the woods and had nothing to say. After being fed, he sank into a deep slumber for hours. He will be arraigned in the Municipal Court Tuesday, probably on the charge of murder.

Adventures of the Twins

By OLIVE ROBERTS BARTON

THE ALARM CLOCK.

"What kind of a clock shall we repair next?" asked Nick, when Tick Tock had finished tightening and oiling and winding the nice old grandmother clock in the cheery case that stood on the floor.

"Why?" asked Nick and Nancy in surprise. "They are ugly, aren't they?" "Certainly not," said Tick Tock decidedly. "Nothing is ugly that is useful, and an alarm clock is one of the most useful things in the whole wide world."

"It used to be that when the sun went down, people went to bed," went on the fairy. "Then when the sun came up again, they got up, too, because they were rested. But in these days of electric lights and movies and good books and automobiles and shows and everything on earth almost to keep them awake, people don't go to bed until 11 or 12 o'clock."

"Daddy says that the man next door wakens him with his lawn mower at 6 o'clock," laughed Nick. "Well," said Tick Tock, "the world can't depend on lawn mowers or the milk-man to waken it up every morning. So it depends on alarm clocks. Come! We'll see what is wrong with Mister Smith's clock. I happen to know that he has been late at the office for two days. If he is late again tomorrow it may go hard with him."

pect to do good work besides. If he wants to be a good business man and get on at the office, he'll have to get more sleep. Now let's see what is wrong with the clock.

"The reason that Mister John Smith's alarm clock doesn't go off is the alarm," he whispered. "I'll wind it for him and leave him a note."

"If you don't forget me, I won't forget you. If you want me to ring, give me a good turn or two."

"THE CLOCK." To Be Continued.

Lop-Eared Bunny Hats Latest Thing For Fall

LONDON, Sept. 14.—"Bunny" hats promise to be all the rage here this fall.

The hat which is of soft felt or velvet has a fairly full crown and follows closely the shape of the head. It is finished with a narrow rooled-up brim.

The distinguishing feature of the hat, and from which it gets its name, are two long "ears" of material which hang down from the side of the hat giving the general effect of a lop-eared rabbit.

The cornerstone of the original capital building in Washington was laid by George Washington Sept. 15, 1798.

FREE 10-Day Tube Mail the Coupon

If teeth are "off color"

Clear whiteness can be quickly regained this new way, and your gums firmed and toned

Your teeth are simply film coated. Remove that film and wonders are worked. Send coupon for test tube.

JUST because your teeth seem dull, don't believe they are naturally "off color."

You can restore them to clear whiteness very quickly. Dental science has made some important discoveries in lightening cloudy teeth—a new method in tooth and gum treatment.

It acts on new principles. In a few days you can work a transformation on your teeth. Can change your whole appearance.

Now a 10-day test is being offered. Just send the coupon. It's just a film that mere brushing won't combat. Run your tongue across your teeth. You will feel a film—a slippery, viscous coating that dulls and clouds their beauty.

Ordinary methods won't successfully combat it. That's why, no matter how hard you try now, your teeth remain "off color."

Remove that film and what you see will amaze you. You are simply you, hiding their beauty now. . . . just you, one clear tooth to yourself. Send the coupon before you forget.

New methods Whiten teeth, Firm the Gums. Film is charged, too, with most tooth and gum troubles. It clings to teeth, gets into crevices and stays. Gears by the million multiply in it and lay your teeth open to decay. They, with tartar, are the chief cause of pyorrhea.

Old methods failed in combating it successfully. Then new ones were found and embodied in a new type dentifrice called Pepsodent.

It acts to curdle the film and then remove it. Then to firm the gums and protect them. Send coupon. Results are quick and convincing. Largely on dental advice the world has turned to this new method.

A few days' use will amaze you. The difference will be noticeable. You will note it. Those with whom you come in contact will note it. Like dingy grime on ivory.

FREE Mail Coupon for 10-Day Tube THE PEPSODENT COMPANY. Name, Address, City, State, Zip.

GRAND HONORS FOR MRS. F. L. GREARSON

Greetings Are Extended by Pythian Sisters to New Maritime Chief.

"Grand Honors" were tendered Mrs. Frank L. Grearson, Grand Chief of the Maritime Domain, Pythian Sisters, last evening at the meeting of Moulton Temple, No. 14.

At the meeting of Moulton Temple last night Mrs. O. R. Black, Most Excellent Senior, was in the chair. Plans were made for holding a social meeting on the following Monday to extend further honor to the Grand Chief, and to greet also, Mrs. E. Ellsworth, of Loyalist Temple, No. 13, who was elected Grand Senior at the annual convention.

A satisfactory report of the Grand Temple meeting in Fredericton was presented by Mrs. William Brown, past chief of Moulton Temple. Arrangements were made for assisting at the New Brunswick Protestant Orphanage Fair and all committees in this connection were appointed.

Allotment Holders Raise Big Vegetables

LONDON, Sept. 12.—Astounding vegetables were recently on view at the Birmingham Town Hall for the allotment-holders' garden produce exhibition.

Vegetable marrow weighing 20 lbs., parsnips a yard in length, onions scaling 8 lbs., and runner-beans measuring two feet are some of the exhibits. This produce, which covers the floor of the town hall and fills the basement as well, represents the work of 20,000 allotment holders.

There were 14 collective exhibits by allotment associations.

COMING TO ST. MATTHEW'S. Rev. Dr. J. A. Morison will return to Saint John to take up ministerial work in St. Matthew's church, Douglas avenue. He has not been in pastoral work for some time.

Is Honored

Mrs. Frank L. Grearson, of Saint John, honored at meeting last night.

WASPS CAUSE TWO MOTOR CAR WRECKS

Attack Drivers on English Road and Cars Get Into Difficulties.

LONDON, Sept. 15.—A swarm of wasps caused accidents to two London motorists on the Riverhull road at Witham, Essex.

George Bannister, of Streatham, accompanied by his wife and two children in a motor-car, was driving round a bend in the road when he was surrounded by wasps.

He had to fight hard to beat them off his face. During the struggle the motor-car swerved across the road and landed in a deep ditch. The motor-car was badly damaged, but the occupants escaped serious harm.

Two hours later James Haines, of Wanstead, came motoring along the same road with his wife and four children, and at the spot where the first motorist was attacked, Mr. Haines suddenly found a swarm of angry wasps buzzing round his head.

In beating them off he temporarily lost control of his motor-car, which swerved and crashed into a telegraph post. In this case also the motor-car

Dainty Sandwiches

Mix one cream cheese with half cup of finely chopped walnuts and one tablespoonful of Lea & Perrins' Sauce. Spread on thin slices of whole wheat bread from which crust has been removed. Use the sauce.

was seriously damaged, but the occupants were unhurt.

A wasp's nest was afterwards found near the roadside and was destroyed.

Seven Seas Chapter of the Imperial Order of the Daughters of the Empire held its first meeting of the new season last evening at the residence of Miss Jessie Hartt in West Saint John and made preparations for holding its annual gift shop on Nov. 14. One new member was welcomed and there was a good attendance at the meeting.

Now your grocer has the cheese you like so well in this handy size.

KING OFF TO MARITIMES

OTTAWA, Sept. 14.—Premier Mackenzie King left Ottawa this afternoon on a speaking tour which will take him through the Maritime Provinces during the next ten days. This part of his pre-election tour ends with an address in Quebec City on Sept. 23. After that he will probably return to Ottawa for a few days before again taking the road in Quebec province or Western Canada.

FAREWELL SAID TO REV. MR. STEWART

St. Phillip's Pastor is Eulogized and Receives Purse in Gold.

At a meeting of the congregation of St. Phillip's African Methodist Episcopal church last evening, Rev. Claude Stewart, retiring pastor, was presented a purse of \$75 in gold as a farewell gift from the people on the eve of his leaving for another field.

The presentation was made by Mayor F. L. Potts. Rev. William Lawson acted as chairman for the gathering and with him on the platform were Rev. J. J. Pinkerton, Rev. E. Styles, H. Usher Miller, and John Jackson.

The meeting was led in prayer by Rev. Mr. Pinkerton, who spoke feelingly of the ability, courtesy and gentleness of Rev. Mr. Stewart and prayed for his success in future fields.

Rev. Mr. Lawson, as chairman, spoke of the ability and the same lines and called on Miss Ethel Bustin for a vocal solo.

The Mayor said that he had not intended to make any public appearance for some time on account of poor health but, when asked to be present on this occasion, had put aside other engagements and come.

He spoke of the success of the work in St. Phillip's church and declared that the guiding spirit behind all the good had been the pastor.

Mr. Stewart was leaving behind a record unequalled in the history of the congregation, he declared. He did not know of anyone in the city who had accomplished as much for the good of humanity and God with as little means as his disposal.

In thanking the congregation for its part, Mr. Stewart said his labors in Saint John had been a pleasure and, now that the time for parting had come, he wished the people the blessing of God.

St. Phillip's Band gave a selection. Mr. Miller, the next speaker, declared that he saw many in the congregation whom he had known for some time and many with whom he had worked. He spoke in praise of Rev. Mr. Stewart and his work and said he hoped the people would give as good support to the new pastor.

Professor McCallum gave an organ solo.

Mr. Jackson spoke of the work done by the pastor in the five years in Saint John, among the notable things being the organization and growth of the Toy Band, Helping Hand Society, Miss Missionary Society and the church band. He advised the congregation to put the new minister in Mr. Stewart's place and make him walk as fast as Mr. Stewart had. On behalf of the stewards and trustees he thanked Mr. Stewart and wished him Godspeed.

Rev. E. Styles said he had had much work on hand but had not hesitated to come and say farewell to Mr. Stewart. He liked the colored people, he said, having spent 13 years working among them in the West Indies. He knew Mr. Stewart as a Christian and a gentleman and was sorry to be losing a friend. He closed by warning them that the church could not run on its reputation and that the good work must be continued.

The meeting closed with the benediction and with a selection by St. Phillip's Band.

Bare Knees And a Bee Cause Motor Accident

LAKEPORT, Cal., Sept. 15.—Roller stockings and a bumble-bee caused an automobile accident near here in which four children were injured.

May Jarbo, 16, was driving the car when the bee sought refuge on her bare knee, causing her to lose control of the machine. Three other children in the automobile were slightly bruised when the car skidded into the ditch.

Social Notes of Interest

Among those who motored from town yesterday and were guests of Miss Helen Cudlip, Rotheray Park, at a tea in honor of Miss Elizabeth MacLaren, were Miss MacLaren, Mrs. W. L. Caldwell, Miss Dorothy Hooper, Mrs. Lawrence MacLaren, Miss Frances Kerr, Mrs. Cecil West, Miss Emily Sturdee, Mrs. Daryl Peters, Miss Kathleen Sturdee, Miss Barbara Jack, Miss Audrey McLeod, Mrs. Hortense Maher, Miss Margaret MacLaren, Miss Christian Edwards, Miss Ann Armstrong, Miss Grace Kuhring, Miss Ruth Ryan, Montreal.

Mr. and Mrs. Peniston Johnston left on Sunday by motor for F. E. I. Mr. and Mrs. Johnston will be the guests of Mr. and Mrs. Fred Murray in Charlottetown for a few days.

Mr. and Mrs. James Gilchrist and family have returned to town, having spent the summer at Duck Cove.

John Leslie, comptroller for the C. P. R., and Mrs. Leslie, of Montreal, who have been touring in Nova Scotia, passed through the city on Friday evening and were met at the Union station by their friends, Mr. and Mrs. E. J. Hodgson, who visited with them on their private car "Quebec." They have gone to the White Mountains where they will visit before returning home.

Mr. and Mrs. Howard Wilcox, of Newton, Mass., are the guests for a few days of Mr. and Mrs. Alfred Morrissey, Hazen street.

Mrs. Reginald Gooday and two children, who were visiting Miss Ada Bayard at C. J. Coeter's, have returned home.

Miss Nellie Melrose, who has been visiting her parents, Mr. and Mrs. Arthur Melrose, at Westfield, returned on Saturday to Montreal, where she is training at the Royal Victoria Hospital.

Mr. Edward Broderick, son of Dr. and Mrs. E. J. Broderick, Union street, left on Saturday evening for Boston, where he will take his first year in medicine at Tufts College.

Mrs. Adelaide Lynch, of 187 Bridge street, announces the engagement of her youngest daughter, Elizabeth Agnes, to Mr. Joseph Charles Cal-

Cloth Dresses

Flared and Furred

Just in

\$29.75 to \$34.75

They are newer conceptions of the advancing fashion mode—the proper weight to wear now with a smart fur piece and may serve in the winter wardrobe for all round wear, fabrics are poret twills and charmenes, the shades in accord with fashion's color range for Fall, including brown, fawn, navy and wine shades—the popular flared skirt effects are accentuated by soft bands of fur in lighter shades, rich silk embroidery and gold stitchings add to the attractiveness of some.

HOSIERY SPECIAL!

Rayon Silk and Wool Sports Rib at \$1.25 a Pair

A fashion novelty woven hose in smart two tone mixtures as cocoa, fawn, brown and black with silver.

Warning to seekers of beauty

When your complexion is at stake, use a soap made solely to foster good complexions

PALMOLIVE Soap is made for ONE purpose only... to foster good complexions. It is not intended for laundry work. Not even for fine fabrics. It is a skin soap alone. To protect your skin, that is the only kind of soap that you should use.

In old days, women were told, "use no soap on your faces." For soaps were too harsh. Then Palmolive came. A soap made of cosmetic oils. A soap made to be used freely, lavishly on the skin.

Women tried it, and were amazed. They told others—and better complexions resulted. Palmolive soon became the leading toilet soap of the world. In France, home of cosmetics, it became a leader. French women largely discarded French soaps for Palmolive. Today Palmolive Soap is one of the two largest selling toilet soaps in France.

That is because Palmolive is a unique creation, based on 60 years of soap study. A soap made solely to guard your youthful charm.

But on your skin, don't expect the cosmetic results of Palmolive from any soap claimed to be good for all purposes... No "jack-of-all-trades" soap should be used for your complexion.

Don't let anyone mislead you into believing that ordinary toilet soaps, or cleansing soaps, will bring you Palmolive results. They won't—no ordinary soap can.

There are soaps at 25 cents and over, which approach Palmolive in results. But Palmolive sells for 10 cents... no more than ordinary soaps. Enormous production brings you this modest cost.

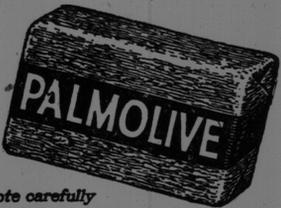

Wash, launder, cleanse with any soap you wish. But when beauty is at stake, take care. Use Palmolive, a soap you know is safe to use. It is nature's formula to "Keep That Schoolgirl Complexion."

FOR GERMS

Soaps to "destroy" germs should be used only by advice of a physician. All soaps "remove" germs to a certain degree. Palmolive will "remove" germs as well as any soap safe for toilet use.

The real difference in soaps is in their action on your skin. Some are too harsh, others crudely blended. Palmolive Soap is a unique creation, a blend of rare cosmetic oils; a soap made for one purpose only, to foster good complexions. Don't expect Palmolive complexion results from any strong "medicated" soap, from any "jack-of-all-trades" soap, from any soap claiming alike for fabric washing and the skin.

(MADE IN CANADA)

Note carefully the name and wrapper. Palmolive is never sold unwrapped.

MANY CANADIAN ATHLETES TAKEN BACK INTO AMATEUR FOLD

APPROVED LIST INCLUDES TWO MEN FROM SAINT JOHN

National Registration Committee Has Been Abolished and Executive Now Has Power To Grant Re-instatement

A CHANGE in the procedure in dealing with applications for re-instatement in the amateur fold through the abolition of the national registration committee and granting of power to the executive to order reinstatement if deemed advisable, was probably the main feature of the annual meeting of the Canadian Amateur Athletic Union, according to A. W. Covey, vice-president, who returned home yesterday.

MANY APPLIED.

There were a large number of re-instatements asked for, and 35 of them were granted, two of them being Saint John men, Eddie S. Hansen and Albert Latham. Of the 82 applicants, 89 were from the Maritime Provinces. Fourteen of these were granted. Probably the outstanding rejection in the Maritimes was that of Roy Ford, over whom considerable trouble arose when A. C. Miller, president, granted him a card. Of the three applications from Saint John, one was rejected, that being the application of Joe Tansman. It will be noticed in the list below that most of the Middleton athletes who broke into semi-pro ball last year have been reinstated.

The length of the Maritime list is quite noteworthy and will cause much rejoicing in the hearts of certain sportsmen. Here is the complete list for Canada, published for the first time in the Maritime Provinces.

LIST OF REINSTATED.

The following is the complete list of Canadian athletes who were reinstated and whose applications were rejected at the annual meeting of the union, according to Mr. Covey, who acted as chairman.

- Alberta:—Reinstated: James Root, J. R. Dillingham, C. D. Osterland, W. J. Morrison, Thomas Watson. Rejected: William Walker and E. P. Heimer. British Columbia:—Reinstated: Sid Deserac, George Almsmith, W. H. Grady. Rejected: L. Foley and W. A. Sibbets. Quebec:—Reinstated: J. K. Jocks. Ottawa Valley:—Rejected: J. A. McKell. Ontario:—Reinstated: A. Clark, H. J. Woods, E. McKewen, George Sparks, Guy Smith, T. W. Meville. Saskatchewan:—Reinstated: Fred Wilson. Maritime Provinces:—Reinstated: Carmen Lowerson, Albert, N. B.; George Elliott, Truro; G. V. McLean, Moncton; J. A. Reagh, H. A. Phinney, A. Dodge, G. L. Andrews, H. G. Goucher, all of Middleton, N. S.; R. H. Stewart, Moncton; M. Fleming, Cape Breton; Eddie S. Hansen, Saint John; Albert Latham, Saint John; Bob Algie, Moncton; Carl Fisher, Middleton; John Fryer, Moncton; Blair Carroll, Newmarket, Ont.; Hector Grimley, Newmarket, Ont. There were two new applications for reinstatement from the Twining boys, Halifax, suspended by the Maritime Provinces Association, and these applications were granted. Manitoba:—Reinstated: Alex. Irwin, W. Borland, O. Wynaught. Rejected: Percy Buzza, J. W. Aseltine, T. Johnston, H. Copp.

PLAY TOMORROW

Water Department Team Meet Bathurst Wednesday Afternoon.

The Water Department team, strong favorites for the New Brunswick title, leave tonight for Bathurst to play the first game of the finals at 8 o'clock on Wednesday afternoon. The powerful local team will have its best line-up for this game. The return game will be played here on Saturday afternoon.

There was considerable disappointment in Truro yesterday when rain caused the postponement of the final game in the series between Westville and Springhill to decide the amateur baseball championship of Nova Scotia. The game will take place at Truro on next Saturday afternoon, weather permitting. This will be the sixth game between these teams, each having won two games and a fifth being a tie.

MATINEE RACE.

There will be a matinee race at Moosepath Saturday afternoon, with a 2.40, named race and ladies' race on the programme. Local horses will compete.

The Old Reliable RECIPRO 5 Always the Best Never Equalled For 40 Years

Protest Against St. Peter's Intermediates Is Disallowed

Along The Sport Trail

By JOHN J. DUNLOP.

THE SPIRIT OF AMATEURISM W. E. FINDLAY, retiring president of the Canadian Amateur Athletic Union, in his annual address said he regretted the useless prodigality in supplying amateurs with equipment and the frequency with which officials ignore the amateur spirit if not the letter of the law.

"The problem of inculcating the true spirit of amateurism seems to me increasingly difficult, and I am afraid it will continue to be so just as long as we have with us the two evils of a desire to 'win at all cost' and of placing of undue value on 'gate receipts.' Before we can have amateurism as it should be properly understood and practiced, we must divorce ourselves entirely from the idea that the primary function of amateurs is to entertain the public, and that the winning of an event and the value of the gate receipts are the first considerations. Amateur athletics should always be followed as a recreation, and that being the case the same individual benefit is derived whether one wins or loses. We should not concentrate on specialization to the detriment of encouraging the participation of those who are imbued with the spirit of recreation in their athletic pursuits, and that their success should be measured by whether they are world beaters or not. We want fewer people in the stands and more on the field of play. I can realize that under present practices the expense of carrying athletes is a problem facing club executives, but is there not a remedy? The practice of supplying not only necessary equipment but articles that are not by any means needed, adds so much to the expense, that the executive of clubs, or the individuals who are in control, have a reason to depend almost entirely on what they receive at the gate from the general public."

In his very next paragraph, Mr. Findlay deprecates the drastic punishment meted out to athletes who listen to the voice of the tempter and pleads for a suspension for a specific term as more humane than a life sentence outside the fold. Which prompted A. W. Covey, chairman of the Registration Committee, to remark later on that he had some 20 cases for re-instatement in his files and that if Mr. Findlay's advice were to be followed, most of these would be restored to grace.

This problem of amateurism is like that famous question, "Who won the war?" It has never been settled and as human nature is just human nature, it probably never will be settled. So long as there is a dividing line just so long will there be someone to step over it. The thing to do then is to meet conditions as they are and be practical about this matter. It never hurts us to talk about the millennium but talking will not bring it about. Now, in the good old days, Halifax and Saint John used to stage inter-city competition on a larger scale than at present in cricket and hockey and wonder of wonders, these old timers actually paid their railway fare and these expenses over and back. That was the spirit of amateurism of 100 per cent. calibre. We should think what might happen if you asked an athlete to pay his expenses in these days of elections and prohibition. The carnage would be terrific.

Mr. Findlay deprecates the "useless prodigality" and the two evils "win at all cost" and "gate receipts." There is only one real and lasting remedy for this and that is "make no charge whatever for amateur sport." Is Mr. Findlay prepared to go that far? Is anyone prepared to go that far? To meet the competition faced on them by professionals, expenses of amateur sport must be met. Otherwise, you are going to have a tough job promoting sport. It is true our young men do not possess the ideals of amateurism that did our forebears and that is to be regretted. Such, however, is the situation. It is all right to take in generalities but there is the practical side of the question that cannot be overlooked if the future of amateur sport is considered. In another article we shall deal with this matter further.

Mr. Turner Replies

W. H. Turner, vice-president of the New Brunswick of the Maritime Amateur Oarsmen's Association, under whose direction arrangements for the Ross Memorial Trophy race were made, and about which there is some controversy in local sporting circles at present, said this morning he had done everything in his power to see that proper arrangements for the race were made. He said he had secured the very best set of officials for the race possible. When the scheduled time came to stage the race, as referee, he said, he had postponed it an hour, owing to rough water. Later, it was rowed, and Giggay had won. He said he could not understand why the

Some Recent Epigrams

(Boston Transcript) The belief in the perfectibility of man in this world is neither Pagan nor Christian nor scientific. It is the latest heresy—Dean W. L. Ingr. Advertising is the greatest force for good in America today; more subtle and persuasive than the church, the theatre, or the new liberal magazines.—Charles C. Baldwin. I believe the conception of all life is contained in the concept of motion. One day the film may go beyond just human action and show the meaning of life itself.—Douglas Fairbanks. The soul of Sport is neither sun nor storm, neither gaiety nor grief; it is a dark contentment midway held between ecstasy and sleep.—Waldo Frank. Our whole system of criminal justice, devised for rural, pioneer, agricultural America, needs to be studied functionally with reference to the needs of the urban, industrial America of today.—Dean Roscoe Pound. There are more rats driving automobiles than in Singapore—Percy Hammond. Europe sees Americanism as a sort of Philistine uprising against the free spirit of man; as a conspiracy of dull and unimaginative men, fortuitously made powerful, against all the ideas and ideals that seed seem to their betters.—H. L. Mencken. Al Johnson got more art in him than all the stuff I saw in London and Paris.—Morris Gest. Our institutions were not devised to bring about uniformity of opinion; if they had been, we might well abandon hope.—Charles Evans Hughes. Education today is as pagan as the ancient priests. It knows no saint, no salvation, no creed, no God.—The Reverend J. Frank Norris. I am not one of those who find the world in a bad way. It is getting better all the time.—Attorney General Sargent. A self-contained profession is a conspiracy against the laity.—George Bernard Shaw. Mr. Ruth has at least scored another home run.—Bart Haley. I'm a hot-headed guy, and I guess I said a lot of things I shouldn't of—George Herman Ruth.

British Consols Cigarettes. For the convenience of British Consols users in St. John the card pictures can be exchanged at The Ogilvie Building, 71 Dock Street.

JOE LAMB GETS OFFER OF TRIAL IS REPORT HERE

Reported That Frank Hunter and Fred Reid Absent This Year

THE demand for hockey players to perform on the biggest circuit in the history of Canada's national winter game is so great now that Maritime Province clubs can expect to have some of their star players receive some flattering offers before the ice forms in the big rinks. Even at this early date it is understood an offer of a try-out has been sent to one of the star young forwards on the Sussex team, champions of New Brunswick and runners-up for the Maritime crown last year, and champions in 1923. This is "Joe" Lamb, the husky young player on the dairy town team, and the outfit that is ready to give him a fair trial is the Ottawa Senators, former world's champions. It is said Lamb will accept the chance and go to the Dominion capital. The Sussex boy is not out of his teens yet, but he has shown enough ability to warrant his friends predicting fine things for him. He is not only fast and tricky, but has weight in the bargain. Last year, he played regular on the team and acquitted himself very well. His going would make quite a gap in the Sussex line-up, particularly in view of the fact that Frank Hunter and Fred Reid probably remain in New York this winter and also that it is not considered likely that Fred Reid will be back in the line-up this year.

PITTSBURG IN

MONTREAL, Sept. 15.—Just now, judging from the straws that show which way the wind blows, there is a serious possibility of Pittsburgh joining the National Hockey League. President Frank Calder absolutely declines to discuss it, but a dispatch from Ottawa, where the officials of the Ottawa Hockey Club and Tommy Gorman, manager of the New York Hockey Club, are supposed to be keeping in touch with pro hockey affairs, says: "Although the hockey year has not yet started, the hockey pot is beginning to simmer." According to inside information, Pittsburgh has taken out a membership in the National Hockey League with Lionel Conacher as manager. Roy Schooley, who has had charge of the Quebec Gardens in the Smoky City for several years, has resigned and Howard Rigby has been appointed manager. Conacher was the captain of the other day soundung up his team for the coming season.

The Referee

How many times have Cecil Leitch and Joyce Wethered won the British women's golf title?—W. A. C. Six, three pieces. Did Jack Malone ever knock Mike O'Dowd?—C. F. E. Yes, in one round in 1923. How old is Wally Schang of the Yankees and how long has he been in the major?—S. S. 8. Schang is 35 and has been in the majors since 1913.

How long has Jacques Fournier of Brooklyn been in the majors and with what clubs has he played?—W. A. C. Since 1912, with the exceptions of the 1917-18 seasons, and has played with the Chicago and New York Americans and St. Louis and Brooklyn in the National League.

Enjoy Your Shave

To enjoy the morning shave without a mourning rave is the luxury of the man who uses Williams Stick. Heavier lather holds in the moisture that softens every hair instantly. A lubric quality in this lather helps the razor do a perfect job quickly. And it contains the precious ingredient that soothes the skin and leaves it smooth and flexible.

Williams Shaving Stick. Nearly a century of knowing how. Insist on Williams Made-in-Canada Products

Retained His Title

This is the fighting face of Paul Berlenbach, Astoria, N. J., who easily defended his title against Jimmy Slattery, Buffalo, at New York last week.

BALTIMORE TO OPEN FOUR-GAME SERIES AT LOUISVILLE SEPT. 30

CHICAGO, Sept. 15.—The little world series between Louisville, winners of the American Association, and Baltimore, winners of the International League flag, will open in Louisville, September 30, President Hickey of the American Association said yesterday. Four games will be played in Louisville on September 30, and October 1, 3 and 4. The series in Baltimore will probably open October 6.

NEW YORK, Sept. 15.—Major league clubs are enmeshed in their final inter-seasonal tussle of the 1925 season today, with first division teams pitted against the leaders, in both circuits. Pittsburgh regained its winning stride after taking four setbacks in a row by whacking out a 9 to 4 victory over the Robins yesterday. Al

The Tourist Crop

President E. W. Besty of the Canadian Pacific Railway some time ago estimated that the tourist crop was worth \$136,000,000 a year to Canada. We now have from Dr. F. E. Doolittle, president of the Canadian Automobile Association, that in a few years this "crop" will be worth \$300,000,000 a year, which granted that this year's Western wheat crop comes up to 900-1,000,000 bushels, is actually more than the value of this latter crop.

Quill Beats Darcy

Frankie Quill, the well-known New England welterweight boxer, scored a decisive win over John Darcy at Lowell last week. The Boston boy showed good form all through the bout and never was in danger. A hard right in the fourth forced Darcy to take a count of eight. The bell also saved him in the next round. Quill's speed and hard punching slowed up the rugged Darcy early in the bout. Quill weighed 142 and Darcy 146 pounds.

Out Of Cloth With A Body

The Triple C Tailors could never have lasted more than a month in their out of the way location if their stuff had been anything else but the best. No windows—no fancy trimmings—nothing to attract the eye of the passer-by. Just a dull doorway leading up a flight of stairs down on Dock street. There must be something good up those stairs. At a price to make the climb worth it. Did it ever occur to you to see what there is to it? They're open tonight.

TRIPLE C TAILORS UPSTAIRS N. B. POWER BLDG.

TITLE HOLDERS WILL NOT MEET MARTELLO TEAM

Say Martellos Lucky Not To Get Longer Suspension

THE protest of the Nationals team of the Intermediate Baseball League regarding the game won by St. Peter's a few weeks ago over which gave the Saints the championship for the year, has been disallowed and the game will stand as a win for St. Peter's, according to an announcement today. The protest of the Nationals was based on a play in which a Nationals runner was ordered back to first by the umpire-in-chief. The final score of the game was 3 to 0.

REPLIES TO MARTELLOS

M. Dever, captain of the St. Peter's team, in reply to F. O'Rourke, manager of the Martellos, who claim they are entitled to participate in a play-off as games they forfeited while under suspension would have given them a chance for the title, said today he thought the Martellos rather lucky not to be suspended for a longer period than they were, in which case they would have had to concede many more games than they did. He claims that the Martellos should not receive any special advantages over the other teams in the league, particularly in view of the fact that they violated an amateur ruling.

ENGLISH LEAGUE

First Division

COMPANY GETS WARM WELCOME

Carroll Players Heartily Received as They Open Stock Season.

Former Members and New Ones Make Excellent Impression in Good Play.

There was no doubt about the warmth of the reception tendered to the F. James Carroll Players on the opening of their fourth season of stock at the Opera House last evening.

THE BRIDE

The play was "The Bride," and it is billed as a three-act comedy. It is all that and then some more.

The leading lady, Helen Lewis, is a talented and attractive actress, with a pleasing voice and manner.

Edward Cullen, leading man, makes a good appearance, plays in an accomplished manner and promises to become a very popular favorite.

Of the ability of Owen Coll and Miss DeWales little need be said. They were cast in important and exciting roles and the applause with which their work was rewarded was significant.

In William Townshend, who has visited Saint John before with W. S. Hawkins, Mr. Carroll has a gem of a character man, who played his way last evening to instant favor.

Allys Dwyer, the ingenue, is a charming, petite little miss, who plays her part in fine fashion, looks well and exhibits a pleasing, cultured personality.

In addition to directing the performance, Forrest Cummings handles an exciting and tricky comedy character role with the art of experience. The stage

Notable Gathering of Screen Stars In Imperial Picture

With the entertainment excitement of Exhibition Week over Saint John settled back to its cool-weather enjoyment last evening with bumper houses in all theatres.

A gallery of favorites and a rousing good story make Reginald Barker's new production one of entertaining quality.

James Kirkwood played the part of Ward Trenton, in love with Grace Durland (Norma Shearer), but unable to obtain a divorce from his wife (Winifred Bryson).

The picture opens with a primitive Indian dance done to the beat of a tom-tom.

Alaska Picture at Gaiety Theatre Has Stupendous Nature Background.

Life passes in emotional review at the popular Gaiety Theatre, where "The Chechacos" is holding forth.

The production was written and directed by Lewis H. Monson, who for many years was chief assistant to Burton Holmes of travelogue fame.

Tonight will see the last presentation of "The Chechacos" at the Gaiety.

MARRIAGE FILM AT QUEEN SQ. THEATRE

Interesting Ince Production is Given With Prominent Players in Cast.

"If Marriage Falls," which through its hold and absorbing discussion of the divorce question and its powerful human and appealing characterization has been enthralling large audiences at the Queen Square Theatre.

ENO excels because it is the one simple, pleasant and, above all, natural way to ensure internal cleanliness.

It excels, too, because of its purity, its unchanging high quality, its freedom from purgative mineral salts and sugar and flavouring matter.

The rule of our grandparents—ENO's "Fruit Salt" first thing every morning—is as sound to-day as ever it was.

CITY RECEIVES BID FOR LOT IN CENTRAL PART

Offer for King and Carmarthen Location Turned Down, 3 to 2

DAMAGE OF \$5,000 IN LAST RAINFALL

Commis'r Frink Estimates Cost to Streets—Flood Brings Protest.

An offer to purchase the lot at King street East and Carmarthen street, on which the city stables were formerly located, was before the Common Council this morning, but no action was taken.

Commissioner Frink moved that an application of the New Brunswick Telephone Company to set a number of new poles, guy wires and laterals in Leinster, Pitt and Carmarthen streets be granted subject to certain changes in location suggested by the road engineer and agreed to by the Telephone Company.

Commissioner Wigmore asked if any attempt had been made to have the Telephone Company use hydro poles, and Commissioner Frink said this had been suggested to the company, but they said it was not their policy to do this.

WOULD BUY CITY LOT

Commissioner Frink submitted a letter from A. H. Likely, in which Mr. Likely said he had a client who wanted a lot in the central part of the city and was willing to pay \$4,000 for it.

Commissioner Harding objected to the sale of this lot, as it was wanted for a central fire station. He had secured certain information from an architect, but had not intended to say anything to the council until he had a concrete proposition, but in view of the motion of Commissioner Frink he must say what he had in mind.

Commissioner Frink said the idea of a central fire station had been in the air for the last 40 years and did not seem any nearer an accomplished fact. If one were built it would probably cost \$75,000 to \$100,000.

Commissioner Bullock said the latest idea was to decentralize rather than centralize fire stations, and he thought the price offered was a fair one for the site.

COMPLAIN OF FLOOD.

J. B. Day and James McKee appeared to complain that their properties in St. Andrews street were flooded at times because the sewer was not large enough to carry off the water, and the properties were being destroyed and rendered not fit for tenancy.

Commissioner Wigmore said the trouble was caused by the excessive rainfall filling the catch basins and that the basement of Mr. Day's house was six feet below the level of the street.

Commissioner Frink said the estimated damage to the city streets by Saturday night's storm was \$5,000. The matter was referred to Commissioner Wigmore for a report.

Inches, Weyman & Hazen asked that the city pay for a plate glass window broken in the Admiral Beatty Hotel while the sidewalk was being laid. This was referred to Commissioner Frink for a report.

A letter of thanks from Rev. A. L. Fleming for the attendance of members of the council at the anniversary service in Stone church was filed.

An appeal of William Webber from his 1925 assessment was set down for hearing on Thursday morning at 11 o'clock.

Commissioner Bullock was given authority to pool the harbor estimates for the year. He said this was the first time this had been necessary, but as there was an over-expenditure on some work he would have to pool the accounts.

On motion of Commissioner Bullock, a lot in Prospect street, Fairville, was sold to Miss Dorothy I. Bryant for \$200.

Leyland Liners Take Cattle at Halifax

The steamers of the Leyland line taking Canadian cattle during the next few weeks will load these at Halifax. It was learned this morning.

The Winnifredian is due at Halifax on Sept. 21 to take on cattle and also supplies. Three vessels of this line, the Caledonian, Winnifredian and Devonian, loaded close to 2,000 head of cattle here during the latter part of July and the month of August.

Thomas Nagle, of Nagle & Wigmore, local agents of the lines, said this afternoon that the Leyland line was a subsidiary of the White Star Line and that their usual port of call was Halifax. He said that the fact that the vessels were able to get large shipments of apples and other freight at that port was the chief factor in making the change during this season of the year.

Local News

DID NOT MEET. A meeting of the International Longshoremen's Association, local 273, called for last evening, was postponed owing to lack of a quorum.

ENGAGEMENT ANNOUNCED. Mr. and Mrs. J. S. Gibbon of 161 Douglas avenue, Saint John, announce the engagement of their youngest daughter, Greta Grace, to Lloyd C. Ryan, the marriage to take place in October.

NETHERWOOD RESUMES. Among the girls who will attend Netherwood Girls' School at Rothesay are Misses Marguerite Carvell, Lillian Kribb, Nina Goding, Eleanor Foster, Cecelia Kirby, Nancy Blanchard, Jean McAvity, Virginia Spangler and Sally Peters. The school reopened today.

TO WED IN OCTOBER. Mrs. Katherine Hurley of Castle street, announces the engagement of her daughter, Ellen Gentivie, to C. Edmund Collins, son of Mrs. Catherine Collins, of Newburyport, Mass., formerly of Saint John, the marriage to take place in Lynn, Mass., near the latter part of October.

CHILDREN LIVE HERE. At Marysville on Sunday night J. William Dubar died. He is survived by his wife, two sons and six daughters. Mrs. Fred T. Yeomans of Saint John is one. There also are Mrs. Stephen McManis; three brothers, of whom A. L. Dubar of Saint John is one, and one sister, Mrs. Mary J. White of Marysville.

RETURN FROM WEST. W. P. Hurley, who about two years ago was manager for Robinson's Clothes, Ltd. here, and who was transferred to the management of the company's branch in Winnipeg, has returned to Saint John and again has taken charge of the local branch. Mr. Hurley has many friends in the city and is being heartily welcomed on his return. He and Mrs. Hurley, who formerly was Miss Florence McIntyre, of Saint John, are making their home in Waterloo street.

TO ADDRESS CANADIAN CLUB. Rev. C. V. Pilcher, D. D., professor at Whitefield College, Toronto, is to address the Canadian Club at their luncheon at the Admiral Beatty Hotel at 1 o'clock on Sept. 23. His subject will be "Impressions of a Recent Trip to Germany." Dr. Pilcher was born and educated at Oxford, Eng. He took his doctor's degree at Oxford University. He has just returned from Europe where he made an intensive study of European conditions. He is coming to Saint John in connection with the centenary celebration exercises at Stone church.

IS GIVEN SHOWER. Miss Edna E. Brown, one of the brides-elect, was the recipient of a shower last evening at the home of Mrs. Terence A. O'Donnell of 68 Meeklenburg street, when Miss Greta A. Norwood and Miss Gertrude Rose were hostesses with Mrs. O'Donnell. Many lovely gifts were presented to the guest of honor. Refreshments were served after an evening of dancing was enjoyed.

PAYING WATER RATES. Quite a number of citizens called at City Hall this morning to pay their water rates for 1925. Thursday of this week is the last day on which the discount can be obtained. After that date water rates will be issued and there will be constant fees in addition to the interest charge to pay, it was said this morning at the office of the city chamberlain.

THREE IN ONE. A natural curiosity, in the form of an ear of corn with three cobs on it, was shown this morning by S. Sharpe, farmer, of Westfield, who found it yesterday while gathering a part of his crop of corn. Mr. Sharpe said this was the first time he had ever seen an ear of corn with three cobs, and he had raised corn all his life. All the cobs were perfectly formed and of good size.

SAYS WEST OPTIMISTIC. Optimism is the ruling spirit of Western Canada, said Mrs. H. A. Goodwin, wife of the pastor of the Portland United Church, who arrived home yesterday after a two months' visit to her mother, Mrs. James Jones, of Fortin, and relative in Alberta. Mrs. Goodwin said that the business men were looking forward hopefully to the results from the wonderful wheat crop—the best for six years. The wheat growers were jubilant over their lands, which stretched for miles in golden beauty. Mrs. Goodwin drove for 200 miles through the wheat belt and saw nothing else in all that region but the waving rain.

As Hiram Sees It. MONTREAL, Sept. 12.—Well, I thought I was down to Lower Cove last night. I ran into a party—here was Jack Newman and Jack Kearns and Charlie Adams and their folks and a feller named Nolan and his wife that used to live down to McAdam Junction. They told me about the other folks from down Saint John way—and we had a great time. This is a great town. There's a lot of folks from New Brunswick here now. Times ain't none too good—nuther. Two fellers told me they lookin' round fer somethin' fer their boys to do—and they couldn't seem to strike anything. The place keeps on growin'—but somehow it ain't easy fer everybody to get work. I seen some idle shoe factories yesterday and some others that ain't doin' much. You'd never think anybody was hard-up if you staid round the hotels an' went to shows an' dances—ain't things like that. Some folks pump out money like water. Don't it beat all? HIRAM.

PERCY THOMSON PLANS LINKS AT GLEN FALLS

Project for Public Golf Layout For Next Summer.

PROPOSES 9 HOLE COURSE AT FIRST

Daily Charge Would be Cumulative Till Membership Fee Met.

The healthful advantages of a public golf course may be placed within reach of Saint John families, possibly next summer, if plans of Percy W. Thomson are carried to a successful conclusion. This project calls for a nine-hole golf course at Glen Falls, open to the public, and it is in such an advanced stage that Mr. Thomson now is negotiating with the owners of the property for the site he has selected, and provided a reasonable price is offered, he declared last evening he would proceed to put his plans into effect.

TELLS OF PLAN. His proposal is to lay out a nine-hole course first. "In many of the larger cities where municipal courses are in operation," Mr. Thomson said, "there is a straight charge made for each game. It is our idea to set a price of 50 cents a day and make this cumulative until a payment of \$15 is made, when the person then becomes a member for the year. Regarding club-house, we do not need anything very elaborate in this direction and they could be remodeled on the site for this purpose. The site is within easy reach of the city and is served by a street car line. I am hopeful of putting my ideas into effect." Golf clubs, he said, could be hired for the games.

Public golf courses have proved successful in other cities. Practically all of the large cities in Canada, and the United States have them. Winnipeg has no fewer than four municipally-controlled courses, in addition to 12 private ones. Chicago has 13 of them, to mention one United States city alone, and these courses are thronged daily with golf devotees.

SPEAKS OF WINNIPEG. W. P. Hurley, a Saint John man who has just returned from Winnipeg, says that the city-owned courses there are thronged from daybreak until nightfall. "They sure have the bug out there," he says. "Their system is very interesting. The park you sign a register on entering the park you sign a register and receive a number. There is an attendant at the first tee, who calls off the numbers, and every 13 of them are through from daybreak until nightfall. They sure have the bug out there," he says. "Their system is very interesting. The park you sign a register on entering the park you sign a register and receive a number. There is an attendant at the first tee, who calls off the numbers, and every 13 of them are through from daybreak until nightfall. They sure have the bug out there," he says. "Their system is very interesting. The park you sign a register on entering the park you sign a register and receive a number. There is an attendant at the first tee, who calls off the numbers, and every 13 of them are through from daybreak until nightfall. They sure have the bug out there," he says. "Their system is very interesting. The park you sign a register on entering the park you sign a register and receive a number.
