Ayer's -111 Sarsaparilla

intrinsic virtues, and sustained by its re-markable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ring worm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspépsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

## The Paily Tribune.

ST. JOHN, N. B., JUNE 7, 1872. The Ship Worm in Canada.

the Ship Were. His raisest with the stream of shiping we know that the standard energy of shiping we know the standard energy of shipin the Ship Worm. He relates that this short and can be wholly withdrawn into its

for the above particulars, has kindly shown me a piece of the original hull of the "Magdala," which is perforated in almost every direction. The burrows are about

sued a report, thereon in 1860." Mr.

Whiteaves then supplies some facts con

nected with the borer's operations that have a local interest for ship-owners in

and his suggestions and reflections, are equally interesting and instructive :-A careful study of all the ship worms een able to collect from Canadianes, shows that there are two species localities, shows that there are two species, also that each of these is imported, and not an original denizen of our shores. There are about 20 or 30 species of Teredo known to naturalists. The Teredo is a boring bivalve, having much closer affinities with the clam and cockle than with worms. All bivalves, when alive, burrow; the majority while the contract of the country while the clam and the clam and the country while the clam and the clam are the level store. in mud or sand, some in hard stone, while the ship worms always attack wood. No kind of wood comes amiss to them; they will burrow indifferently into the pine, elm, oak, cedar, mahogany or teak. In the Toredo, the body is worm like in shape, and the shells, which meet only at two points, are very small in proportion to the spinal. Mr. Gibson's Nashwaak Improve-

noticeable in the approach to the mills. and in the fields some great cattle may be seen grazing. E'er the road turns an i orings the right bank, that rises high from the mills, into view, the visitor's ear is LAWLOR'S EXTRA SPERM OIL, greeted with what might be mistaken for ripping noise made by the circular saws; terday morning before daylight to throw

rapidity with which they burrow is aston isbing. Generally, though not always, they bore with the grain of the wood, and burrows. Brunel asserts that it was the contemplation of a piece of wood bored by Teredines, that first suggested to his mind the idea of tunnelling the Thames. It is commonly supposed that the two shells are the burrowing agents, and they seem to the Montreal Gazette, tells the ship-owning public of Canada "what he knows" about struction of the centre bit, and circular file. Kee's celebrated Sarsaparilla Beer is sold

Ottawa politicians. Sandfield Macdonald PROVEMENTS

QUEEN

FIRE AND LIFE. CAPITAL, TWO MILLIONS STERLING.

Fourteenth Annual Report. THE Report and Accounts for the year 1871, presented to the Shareholders at the Annual Meeting on Thursday, 16th May, 1872, at which Bernard Hall, Esq., presided, showed, in the FIRE BRANCH.

That the Premiums for 1871, after deducting re-insurances, amounted to £208,509, and the losses to £127,502. The balance at the disposal of the Shareholders was appropriated in payment of a Dividend of Ten per cent.

The Fire Reserve Fund was increased to £100,000 by the Addition of £10,000, and The sum of £19,543 was carried forward to next year's Accounts. IN THE LIFE BRANCH,

That an amount equal to 85, 3 per cent. of the net premiums received in the year was added to the Life Fund, and that notwithstanding the divisions arising out of two Quinquennial Valuations and the payments of all claims and expenses, the amount at the credit of the Life Fund is equivalent to Sixty-six per cent. of the entire premiums received on every Policy now in existence, and 49, 7 per cent. of the Premiums on all Policies issued since the formation of the Com-New Business-First Quinquennium...

CHARLES W. WATTERS,

onr 8

JOHN MCLAUCHLAN. CARD. WATTERS & McLAUCHLAN

SHIP BROKERS Commission Merchants 56 WATER STREET, ST. JOHN, N. B Partnership Notice.

PUBLIC NOTICE is hereby given that the undersigned have entered into Co-Partner-hip for the special purpose of carrying on the Manufacture of Lumber

LUMBER TRADE at their Mills in CARLETON, on the Western side of this Harbour under the name and style of firm of BURPEE & ADAMS, St. John, N.B., April 16, 1872, apr 22 Nursery Rhymes, No. 9.

开架 A very lean pig, on a windy day, Stood alone by a garden gate; He couldn't get in. for the gate was locked, And sadly he moaned o'er his fake. Then he wiped his eyes with a ourl of his tail,
And gracefully stood on his ear,
And a trembling tear coursed down his spine,
Till his face turned the color of cuir. His snoot grew flat, and gray were his locks, When a knot-hole round he espied; And he sat on the silken folds of his paw, And peered through that loop hole wide. He saw the sun in a golden beam, Glint its rays on a bucket of mash, And his porcine feelings we'led upin his breest, And he went through that hole with a dash

Then his optic fell on some CATTLE SPICE,
As he glanced o'er the garden green;
And he smacked his lips and distended his With a relish uncommonly keen. He loaded his skin till it cou'dn't hold more And his sides began to expand His face got cheeky; stout grew his limbs, And he left for his native land. He reached the hole at the side of the gate And jumped for that circular c ack When his febrile pulse felt a normal shock And he fell en the broad of his back. And the Coroner sat on the fat remains Of that porker in his pride: And this was the verdict the Jury gave: 'Died from a swelled inside." - Hogg's Tales.

BEAVER, CHINCHILLAS, SIMPSON'S CATTLE SPICE will produce all this. For sale in any quantity at the Phar Apples.

MIRACULOUS

It is a perfect and wonderful article. Cures baldness, Mikes hair grow. A better dressing than any "oil" or "poma'um." Softens brash, div and wiry hair into Beautiful Silken Tresses. Above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR.

The whitest and worst looking hair resumes its youthful beauty by its use. It does not dye the hair, but strikes at the roct and fills it with new life and coloring matter.

The first application will do good: you will see the NATURAL COLOR returning every day, and

BEFORE YOU KNOW IT.

the old, gray, discolored appearance of the hair will be gone, giving place to lustrous, shining and beautiful locks.

Ask for Hall's Sicilian Hair Renewer; no other article is at all like it in effect.

See that each bottle has our private Govern ment Stamp over the top of the bottle. All others are imitations. R. P. HALL & CO., Nashua, N. H., Proprietor For sale by all druggists. H. L. SPENCER,
