FIFTY-SEVENTH ANNUAL REPORT

OF THE

Committee of Management of the St. George's Society

FOR THE YEAR 1892.

The Committee of Management have the honor to submit the following report of their proceedings during the past year, being the 57th since the foundation of the Society :—

Owing to the lamented death of their late esteemed Patron, the Right Reverend Dr. Williams, on the 20th April last, the customary anniversary service was not observed last year. The revenue has therefore been diminished to the extent of the offertory on such occasions.

Notwithstanding this, the report of the Sub-Committee of Charity shows that the Society has been enabled to respond to the many calls made upon it during the year. The Society has relieved 128 cases of distress during the year at an expenditure of (for details see report of Sub-Committee)..... \$449 74
Donations at \$50 each have been made to the Finlay Asylum, Ladies' Protestant Home, Women's Christian Association and Jeffery Hale Hospital. 200 00

Making total distribution..... \$649 74

It affords the Committee great pleasure to announce that the financial affairs of the Society continue in a prosperous state, the funded assets now amounting in value to about \$14,800.

We have to mourn the loss by death of two of the oldest life members, who have passed away during the year in the persons of Messrs. Richard Freeman and George Wakeham,

who have respectively been life members for the long period of 47 years; and of Mr. C. W. Wilson, a life member of 21 years standing.

We deeply regret also having to record the death of our highly revered Patron, the late Right Reverend Dr. Williams, Lord Bishop of Quebec, who for nearly thirty years filled that position, ever a warm friend of the Society, and who frequently appealed in aid of its funds at anniversary services, contributing also of his own means to its charitable work. The Society attended his funeral in large numbers last St. George's Day, thus testifying to the love and esteem in which our good Patron was held.

Five new members have been added to the roll, three life and two ordinary. The resident membership now stands at 132, of whom 59 are life members. Four of the new members are non-residents of Quebec, showing that much interest is taken in the Society by Englishmen residing in other parts of the Province. Your Committee would again urge upon all, the need of securing new members to fill up losses by death and other causes. We receive very few members voluntarily, by some exertion on the part of present members many might be obtained. We are much pleased to note a larger attendance at the meetings of the Society than formerly, thus showing increased interest in its work.

The directors of the Mount Hermon Cemetery have, since the last report, accepted the Society's offer of \$200 for the the vacant lot and path adjoining the Society's lot, this amount to be paid in four annual instalments, the first of which has already been paid, as shown in the Treasurer's statement.

Your Committee wish to place on record the valuable aid rendered at various times by the Revd. A. J. Balfour, Miss A. Healey and Miss Latimer, whose kindly offices have been much appreciated by the Sub-Committee of Charity.

In response to the request of the Society, the Right Reverend A. Hunter Dunn, Lord Bishop of the Diocese, has kindly consented to act as Patron in succession to the late Bishop.

Finding the need of a badge to be worn by the members when they meet together as a body, and in furtherance of a resolution adopted at a general meeting, held on the 26th April last, a small badge has been distributed among the members, who are invited to wear the same on occasions when the Society takes part in any public function, such as the anniversary service or otherwise.

Several of the members having expressed a desire to have an annual dinner, as is customary with most of our sister societies, the subject was discussed at one of the regular meetings last year, when it was decided that, if possible, the members should dine together this year. Nothing, however, was definitely arranged.

The principle is recommended of infusing some new blood in the Committee each year, so that all may have an opportunity of assisting in the good work.

The whole respectfully submitted.

F. BILLINGSLEY,
President.

H. STAVELEY,
Secretary.
