Feb., 28th 1862. DR. LA' MERT

ON SELF-PRESERVATION.

Price, with Engravings and Cases, 25 conts; by post thirty cents.

ELF-PRESERVATION; a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of Manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagement that constitute the most cherished objects of existence.

By Dr. La'Merr, 37 Bedford square, Landon, Licentiate of the Royal College of Physicians of

By Dr. La Meer, 37 Belford square, London, Licentiate of the Royal College of Physicians of Edinburgh;

Member of the Royal College of Surgeons, England, &C.

The above work contains most useful and interesting information on the physiological changes, which occur in the Reproductive System during the periods of youth, priperty, and manhood; and on the due attainment of that degrees of functional vigour upon which the hopes of posterity depend. It also points out how all the striflutes of Manhood can be preserved to advance period of life, how they are lost, and how they can be recovered. It is free from the gross exiggirations, alarming description is, and dangerous is nedies so generally resorted to by persons, who, practising with false and render judicious treatment frequently above, and render judicious treatment frequently above.

ann. The Author is the only legally-qualified practitioner whose name stands on the Medical Register (the sole test of medical qualification), who has been exclusively engaged for a series of years 3,00 in the treatment of the various functional disor-3.00 in the treatment of the various functional disor5.00 ders of the nervous and reproductive system;
which, owing to the great discoveries of modern
science, are rendered subscretient to a rational,
simple, and casy mode of treatment.
At home for consultation daily from ten till two,
and from six till eight, either personally or by
letter.—37 Bedford Square, London, England.
Patients residing in the colonies can be successfully treated by correspondence, and remedies can
be forwarded in segrecy and safety to any indicase.

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years and can say, in confidence and truth of it what we have never been able to of any other medicine—never has it failed on a single instance to office a cure when timely used. Never did we know an instance of dissatisfaction by any one who used? On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effect and medical virtues. We speak in this matter, what we do know, after the ayears experience, and piedge our reputation for the fulfiliment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found, in fifteen or twenty minutes after the syrup is ad-
