A Chicago despatch of Saturday says, that the Fenian and revolutionary circles of that

city have been quite active recently in making preparations for an important forward movement. Letters have been received from Paris, from headquarters in Dublin of the Irish Revolutionary Brotherhood and the Fenian Council in New York, calling upon active revolutionists of Chicago to furnish their quota to the Irish being 2 to furnish their quota to the Irish brigade or legion now in process of formation and destined for active service against England in Egypt. Four officers have already accepted positions—Capt. Coventon of Farquabar County, Virginia; Lieut. Dick Morton of Culpepper; Lieut. Gelding of Falls Church, Virginia, and Serg. Blakely of Richmond. Seven officers of the Union forces, now residents of Chicago, have been selected. Fifteen thousand dollars will be subscribed in that city for the Chicago contingent and like sums from New York, Philadelphia and Boston contingents. It is also stated that a high command in the new Irish Brigade has been offered to a distinguished soldier, and rumor has it that he has accepted. This officer is said to be Gen Fitshigh Lee. The organization seems well planned, well digested and cohesive in all its parts. The various cities contributing FREDERICTON, N. B. quotas are reported as enthusiastic to the last degree. The brigade consists of 1,000 men, the infantry to be armed with Remington rifies, while the calvalry will carry sabres and Spencer rifles. AYER'S Hair Vigor

King Street.

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.
It checks falling of the hair, and stimu-

lates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 182: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AVER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "A Yen's Hair Vigors is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigors is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottlish Vocalists, writes from Boston, Mass., Feb. 6, 1880. "Ever since my hair began to give silvery evidence of the change which decting time procureth, I have used Avan's HAIR Vigon, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, oracing, actors, and in fact every one who lives in the eyes of the public."

in the eyes of the public."

MINS. O. A. PRESCOTT, writing from 18 Elm St., Charlestonn, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYKE'S HAIL VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing." We have hundreds of similar testimonials

These Shilting Tops have no rival, as a glance at the cut will show for itself; it is so simple it requires only one person to take it off or put it on, and when off no one would think a Top had seen on, as no unsightly ends are sticking out. When the Top is on its as firm as a rock. It ear he put on any carriage in use. Persons ordering Buggles or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880 Particular attention given to orders. Repairing done in the best manner, and at the shortest notice
