The copy filmed here has been reproduced thanks to the generosity of:

Library of the National
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
nationales du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

BY-LAW NO. 205.

A By-Law to Regulate the Proceedings in the Municipal Council of the Corporation of the City of Winnipeg, and the Officers and Committees thereof.

WHEREAS, it is expedient to pass a By-Law to regulate the proceedings in Municipal Council, and in Committees of the Municipal Council of the Corporation of the City of Winnipeg, and to define the duties of the several Officers of said Corporation and the manner in which said duties shall be fulfilled.

THEREFORE, the Municipal Council of the Corporation of the City of Winnipeg, in Council Assembled, enacts as follows:

MEETINGS AND ADJOURNMENTS OF COUNCIL.

1. In all proceedings had or taken in the Municipal Council of the Corporation of the City of Winnipeg the following rules and regulations shall be observed, and shall be the rules and regulations for the order and despatch of business in the said Council and of the Committees of the said Council.
2. The said Council shall meet every Monday in the year, at the hour of seven o'clock p. m., unless otherwise ordered by special motion, or unless such Monday shall be a public holiday, according to law, when the Council shall meet at the same hour the next following day, which shall not be such public holiday.
3. The Mayor may at any time summon a special meeting of the Council, and it shall be his duty to summon a special meeting whenever requested by a majority of the members of the Council.
4. Unless there shall be a quorum present in half an hour after the time appointed for the meeting of the Council, the Council shall then stand absolutely adjourned until the next day of meeting, unless a special meeting be duly called in the meantime, and the Clerk shall take down the names of the members present at the expiration of such half hour.
5. The members of the Council shall not leave their places, on adjournment, until the Mayor or other Presiding Officer leaves the chair.
6. As soon after the hour of meeting as there shall be a quorum present, the Mayor shall take the chair, and the members uncovered shall be called to order.

ORDER OF PROCEEDING IN COUNCIL.

- 7.** In case the Mayor shall not be in attendance, the Clerk shall call the meeting to order, until a chairman shall be chosen, who shall preside until the arrival of the Mayor.
- 8.** In the absence of the Mayor, one of the Aldermen present shall be chosen to preside during the absence of the Mayor, and at the meeting only at which he has been so chosen.
- 9.** Immediately after the Mayor or other Presiding Officer shall have taken his seat, the Minutes of the preceding meeting shall be read by the Clerk, in order that any mistake therein may be corrected by the Council.
- 10.** The Mayor or other Presiding Officer shall preserve order and decorum, and decide questions of order, subject to an appeal to the Council.
- 11.** When the Mayor or other Presiding Officer is called on to decide a point of order or practice, he shall do so without unnecessary comment, and shall state the rule or authority applicable to the case.
- 12.** The Mayor or other Presiding Officer may vote with the other members on all questions, and any question on which there is an equality of votes shall be deemed to be negatived.
- 13.** If the Mayor or other Presiding Officer desires to leave the chair for the purpose of taking part in the debate, or otherwise, he shall call one of the Aldermen to fill his place until he resumes the chair.
- 14.** Every member previous to his speaking to any question, or motion, shall rise from his seat uncovered, and shall address himself to the Mayor or other Presiding Officer.
- 15.** When two or more members rise at once, the Mayor or other Presiding Officer shall name the member who first rose in his place, but a motion may be made that any member who has risen "be now heard" or "do now speak."
- 16.** Every member who shall be present in the Council Chamber when a question is put shall vote thereon, unless the Council shall excuse him, or unless he be personally interested in the question, provided such interest is resolvable into a personal pecuniary profit, or such as is peculiar to that member, and not in common with the interests of the citizens at large, and in such case he shall not vote.
- 17.** When the Mayor or other Presiding Officer is putting the question, no member shall walk across or out of the room, or make any noise or disturbance, or when a member is speaking, no other member shall interrupt him except to raise a point of order, nor pass between him and the chair.
- 18.** A member called to order from the chair shall sit down, but may afterwards be permitted to explain, and the Council, if appealed to, shall decide on the case, but without debate; if there be no appeal, the decision of the Mayor or other Presiding Officer shall be final.
- 19.** No member shall speak disrespectfully of Her Majesty the Queen, or of any of the Royal Family, or of the Governor-General, Lieutenant-Governor, or person administering the Government of the Dominion or of this Province, nor shall he use offensive

words in or against the Council, or against any member thereof, nor shall he speak beside the question in debate, and no member shall reflect upon any vote of the Council except for the purpose of moving that such vote be rescinded, nor shall he resist its rules or disobey the decision of the Mayor or the Presiding Officer, or, in case of appeal, of the Council, on questions of order or practice, or in the interpretation of the Rules of the Council; and in case any member shall so resist or disobey, he may be ordered by the Mayor or other Presiding Officer to leave his seat for that meeting of the Council, and be removed therefrom by the Police for contempt of the Council and its rules, but in case of ample apology being made by the offender, he may, by vote of the Council, be restored forthwith.

20. Any member may require the question or motion in discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.

21. No member shall speak more than once to the same question, without leave of the Council, except in explanation of a material part of his speech, which may have been misconceived, and in doing so he is not to introduce new matter: A reply is allowed to a member who has made a substantive motion to the Council; but not to any member who has moved an order of the day, an amendment, the previous question, or an instruction to a committee, and no member, without leave of the Council, shall speak to the same question, or in reply, for longer than a quarter of an hour.

22. Upon a division of the Council, the names of those who vote for and those who vote against the question shall be entered upon the minutes, when any two members shall call for yeas and nays.

23. Questions may be put to the Mayor or other Presiding Officer, or through him to any member of the Council, relating to any bill, motion, or other matter connected with the business of the Council, or the affairs of the City, but no argument or opinion is to be offered, nor any facts stated, except so far as may be necessary to explain the same; and in answering any such questions a member is not to debate the matter to which the same refers.

24. No person except members and Officers of the Council shall be allowed to come within the bar during the sittings of the Council without the permission of the Mayor or other Presiding Officer.

25. No standing Rule or Order of the Council shall be suspended except by a vote of two-thirds of the members present.

26. In all unprovided cases in the proceedings of Council, or in Committee, the Law of Parliament shall be followed.

ORDERS OF THE DAY.

27. The Clerk shall have prepared or printed for the use of members "The General Orders of the Day," containing:—

- 1st—READING OF MINUTES;
- 2nd—ORIGINAL COMMUNICATIONS;
- 3rd—PETITIONS;
- 4th—REPORTS OF COMMITTEES;
- 5th—CONSIDERATION OF REPORTS OF THE EXECUTIVE AND OTHER COMMITTEES;
- 6th—GIVING NOTICE;
- 7th—INTRODUCTION OF BY-LAWS;
- 8th—UNFINISHED BUSINESS;
- 9th—MOTIONS;
- 10th—CONSIDERATION OF BY-LAWS;
- 11th—ENQUIRIES.

28. All communications, accounts and petitions shall be considered as having been referred to the proper Committee, unless otherwise ordered.

29. The business shall in all cases be taken up in the order in which it stands upon the "General Orders of the Day," unless otherwise determined upon by a vote of two-thirds of the members present, and without debate thereon.

MOTIONS AND ORDER OF PUTTING QUESTIONS IN COUNCIL.

30. One day's notice shall be given of all motions for introducing new matter other than matters of privilege and bringing up petitions and communications, and no motion shall be discussed unless such notice has been given, or the Council dispense with such notice by a vote of two-thirds of the members present without debate.

31. All motions shall be in writing and seconded before being debated or put from the Chair. When a motion is seconded it shall be read by the Mayor or other Presiding Officer or Clerk before debate.

32. After a motion is read by the Mayor or other Presiding Officer or Clerk, it shall be deemed to be in possession of the Council, but may be withdrawn at any time before decision or amendment, with permission of the Council.

33. A motion of commitment, until it is decided, shall preclude all amendments of the main question.

34. A motion to adjourn shall always be in order, but no second motion to the same effect shall be made until after some intermediate proceeding shall have been had.

35. When a question is under debate, no motion shall be received, unless to commit it, to amend it, to lay it on the table, to postpone it, to adjourn it, or to move the previous question.

36. The previous question, until it is decided, shall preclude all amendment of the main question, and shall be put without debate in the following words, "Shall this question be now put," and if this motion be resolved in the affirmative, the original question is to be put forthwith, without any amendment or debate.

37. All amendments shall be put in the reverse order in which they are moved, except in filling up blanks, when the longest time and largest sum shall be put first; and every amendment submitted shall be reduced to writing, and be decided upon or withdrawn before the main question is put to vote. Only one amendment shall be allowed to an amendment, and any amendment more than one must be to the main question.

38. In all motions for the appointment of any person to any office in the gift of the Council, the names of all candidates shall be submitted before any vote is taken, and the candidates shall be voted on separately in the order in which they are proposed.

39. When the question under consideration contains distinct propositions, upon the request of any member, the vote upon each proposition shall be taken separately.

40. After any question is finally put by the Mayor or other Presiding Officer, no member shall speak to the question, nor shall any other motion be made until after the result is declared; and the decision of the Mayor or other Presiding Officer, as to whether the question has been finally put, shall be conclusive.

41. Whenever the Mayor or other Presiding Officer is of opinion that a motion offered to the Council is contrary to the rules and privileges of the Council, he shall apprise the

members thereof immediately before putting the question thereon, and quote the rule or authority applicable to the case, without argument or comment.

42. Members shall always take their places when any division is called for.

ORDER OF PROCEEDINGS IN COMMITTEE OF THE WHOLE.

43. Whenever it shall be moved and carried that the Council go into Committee of the Whole, the Mayor or other Presiding Officer shall leave the Chair, and shall appoint a Chairman of Committee of the Whole, who shall maintain order in the Committee, and who shall report the proceedings of the Committee.

44. Previous to discussion on every By-Law or Report of a Committee in Committee of the Whole, the same shall be read out by the Clerk, who, on the request of any member, shall repeat the reading of any clause or clauses therein as may be desired by such member.

45. The rules of the Council shall be observed in Committee of the Whole, so far as may be applicable, except that no motion shall require to be seconded, nor shall a motion for the previous question, or for an adjournment be allowed; nor shall the number of times of speaking on any question be limited.

46. Questions of order arising in Committee of the Whole shall be decided by the Chairman, subject to an appeal to the Council, and if any sudden disorder should arise in the Committee, the Mayor or other Presiding Officer will resume the chair without any motion being put.

47. On motion in Committee of the Whole to rise and report, the question shall be decided without debate.

48. A motion in Committee of the Whole to rise without reporting, or that the Chairman leave the Chair, shall always be in order, and shall take precedence of any other motion. On such motion debate shall be allowed, and on an affirmative vote the subject referred to the Committee shall be considered as disposed of in the negative, and the Mayor or other Presiding Officer shall resume the chair, and proceed with the next order of business.

READING OF BY-LAWS AND PROCEEDINGS THEREON.

49. Every By-Law shall be introduced upon motion for leave, specifying the title of the By-Law, or upon motion to appoint a Committee to prepare and bring it in.

50. No By-Law shall be introduced either in blank or in an imperfect shape.

51. The question, "That this By-Law be now read a first time," shall be decided without amendment or debate; and every By-Law shall be printed immediately after the first reading thereof, and shall be read a second time before it is committed, and read a third time before it is signed by the Mayor.

52. Unless previously reported upon by a Committee, every By-Law shall, unless otherwise determined by the Council, be committed, after the second reading thereof, to a Committee, to report on the leading features of the same.

53. Every By-Law shall receive three several readings, and on different days previous to its being passed, except in urgent and extraordinary occasions, and upon a vote of two-thirds of the members present, when it may be read twice or thrice, or advanced two or more stages in one day.

54. When a By-Law is read in the Council the Clerk shall certify the readings, and the time, on the back thereof. After By-Laws have passed he shall be responsible for their correctness should they be amended.

55. Any By-Law for the appropriation of money brought in on the report of a Committee of the Whole, shall pass through all its stages without being again referred to the Committee of the Whole, unless upon special motion in writing.

56. In proceedings in Committee of the Whole upon By-Laws, every clause shall be considered in its proper order.

57. All amendments made in Committee of the Whole shall be reported by the Chairman to the Council, who shall receive the same forthwith. After report, the By-Law shall be open to debate and amendment before it is ordered for a third reading. When a By-Law is reported without amendment, it is forthwith ordered to be read a third time, at such time as may be appointed by the Council.

58. All By-laws, after having been printed and finally adopted by the Council, shall be pagged and bound up as a supplement to the minutes of the Council for the year in which they are passed, and shall have a separate index prepared for the same.

59. Every By-law which has passed the Council shall immediately after being signed by the Mayor, and sealed with the Seal of the Corporation, be deposited by the Clerk for security in the vault connected with his office.

PETITIONS AND COMMUNICATIONS.

60. Every petition, remonstrance or other written application intended to be presented to the Council must be fairly written or printed on paper or parchment, and signed by at least one person, and no letters, affidavits, or other documents shall be attached to it.

61. Every petition, remonstrance, or other written application, may be presented to the Council, by any member thereof, not signing or being a party to the same, on any day, but not later than the hour at which the Council convene, except on extraordinary occasions, and every member presenting any petition, remonstrance, or other written application to the Council, shall examine the same, and shall be answerable that it does not contain any impertinent or improper matter; and that the same is respectful and temperate in its language; he shall also endorse thereon the name of the applicant, and the substance of such application, and sign his name thereto, which endorsement only shall be read by the Mayor, or other presiding officer, or Clerk, unless a member shall require the reading of the paper, in which case the whole shall be read.

62. All petitions or other written communications on any subject within the cognizance of any standing committee, shall on presentation be referred by the Mayor, or other presiding officer, to the proper committee, without any motion; and no member shall speak upon, or shall any debate be allowed on the presentation of any petition or other communication to the Council; but any member may move that in referring said petition or other communication, certain instructions may be given by the Council, or that the said petition or communication be referred to a special committee, and if the petition or communication complains of some present personal grievance requiring an immediate remedy, the matter contained therein may be brought into immediate discussion, and be disposed of forthwith.

63. Any member may move to take up or refer any communication or petition made or presented to the Council during the year in which such motion is made, or during the year next proceeding such year, and whether such communication or petition has been

referred to a committee and reported on or not; but no motion shall be in order to take up or refer a communication or petition made or presented at any time before the commencement of the year next proceeding such motion.

APPOINTMENT AND ORGANIZATION OF COMMITTEES.

64. All Standing or Select Committees shall be appointed on motion of a member by consent of a majority of the Council, and any member of the Council may be placed on a committee, notwithstanding the absence of such member at the time of his being named upon such Committee.

65. Every member who shall introduce a by-law, petition, or motion, upon any subject which may be referred to a special committee shall be one of the committee, without being named by the Council, and shall unless he otherwise determines, be chairman of such committee.

66. Of the number of members appointed to compose any standing or special committee, such number thereof as shall be equal to a majority of the whole number chosen, exclusive of any *ex-officio* members, shall be a quorum competent to proceed to business.

67. There shall be annually appointed at the first or second meeting of each newly-elected Council, the following Committees, which shall compose the Standing Committees of the Council:

1st—THE STANDING COMMITTEE OF FINANCE.

2nd—THE STANDING COMMITTEE ON WORKS.

3rd—THE STANDING COMMITTEE ON FIRE, WATER AND LIGHT.

4th—THE STANDING COMMITTEE ON LICENSE AND POLICE.

5th—THE STANDING COMMITTEE ON MARKETS.

6th—THE STANDING COMMITTEE ON HEALTH.

7th—THE STANDING COMMITTEE ON PROPERTY.

68. Each Standing Committee of the Council shall consist of one member of the Council, from each Ward as the Council may elect at its first or second meeting as aforesaid, and the Mayor shall be *ex-officio* a member of all Committees.

69. The members of each Standing Committee of the Council shall meet at the City Hall for the purpose of organization, within three days after that on which they are appointed, or as soon as convenient thereafter, at such hours as the Mayor may direct, or in default of the Mayor naming such hours, then the City Clerk shall appoint the hours for such meetings.

70. The members of each Standing Committee of the Council, shall at their first meeting proceed to elect from among themselves a Chairman, and immediately after such Chairman has been elected, the day of the first regular meeting of such Committee shall be determined, and also the hour at which such meeting shall be held.

71. The regular meeting of the Finance Committee and of the Committee on Works, shall be held once in each week, except when otherwise ordered by the Council, and by each of the other Standing Committees as often as may be determined upon, but all such meetings shall be at regular stated intervals, and not less than once in each month.

72. Special meetings of standing Committees may be called by the Chairman when ever he shall consider it necessary to do so, and it shall be the duty of the Chairman, or in his absence from the City it shall be the duty of the Clerk of the Council, or the Clerk

of the Standing Committee, if a special Clerk shall have been appointed on that behalf, to summon a special meeting of a Committee whenever requested in writing to do so by a majority of the members composing it.

73. Members of the Council may attend the meetings of any of its committees, but shall not be allowed to vote, nor shall they be allowed to take part in any discussion or debate, except by the permission of the majority of the members of the committee.

(8) No order or authority to do any matter or thing shall be recognized as emanating from any committee unless it is in writing, nor unless it is signed by the chairman or acting chairman, and refers to the minute of the board under which it is issued.

75. It shall be the duty of every Standing or Select Committee

(1) To cause a notice of each regular and special meeting of such Committee to be served on each of the members thereof, at their residence or ordinary place of business, and also upon the Mayor, City Solicitor, City Chamberlain and City Engineer, on the day previous to each meeting being held.

7th. To present to the Council, on or before the last regular meeting of the Council in each and every year, for the information of the Council, and of the citizens generally, as well as for the guidance of the committees of the following year, a general report of the state of the various matters referred to the committees from time to time during the year, the work or business done through, or by such committee, and the expenditure made under their authority, or superintendence; such report shall also state the number of meetings the committee held during the year at which a quorum was present, and the number of meetings duly called, but at which there was no quorum, and how often each member was absent from the latter meetings, and shall contain such suggestions in regard to the future action of the succeeding committee as experience may enable the reporting committee to make in respect of the matters embraced in the report.

8th. COMMITTEE ON FINANCE.

77. In addition to the duties prescribed by law, or by the seventy-seventh section of this By-law, or by any By-law of the City of Winnipeg, the duties specially imposed on the Standing Committee on Finance shall be as follows:

(1). To supervise all contracts, orders, engagements, reports, recommendations, nominations, and proceedings involving the expenditure of money, of all or any of the other Committees above named, or of any officer of the Corporation; and no contract, order, engagement, report, recommendation, nomination or proceeding involving the expenditure of money of any of the said Committees, except as herein otherwise provided, or of any officer of the Corporation, shall have any legal effect or operation until the same shall have been laid before the said Finance Committee or until the Council shall have passed the same in the usual manner.

110. In case money appropriated to any particular purpose exceeds the amount which such purpose is afterwards found to require, the Chamberlain shall carry the surplus to the credit of an account to be opened in his books for unappropriated money, or carry the same to the general credit of the City on a resolution of the Council authorizing the same.

111. No money hereafter voted or raised for any purpose shall be applied to any other purpose, without expressly rescinding or repealing the Resolution or By-law by or under which the same was voted or issued, so far as such Resolution or By-law stated the purpose.

113. For the same purpose, in case the expenditure is for any work or improvement the superintendence of which, if authorized, would fall within the duty of the City Engineer or some other superior officer of the Corporation, the Committee shall first procure a report from such Engineer or other officer, on the subject of the proposed expenditure, and how far the same is, in his opinion, necessary or expedient with reference to such of the general interests and requirements of the City as fall within the department of such officer, with his reasons at large.

114. is interested in the property, for or in respect of which the money is proposed to be expended, and state to the Council how the facts are in those respects so far as ascertainable; this, in the case of a Committee shall be done in the report containing their recommendation, and except in a case of emergency, and then with the sanction of two thirds of those present, no action shall be taken or permitted upon any such report or proposal, until information of the matters referred to in this section is laid before the Council.
