NOTICE.

To secure prompt and efficient service, the following instructions should be carefully observed.

1st. Subscribers when calling Central Office will ring the bell, then place the telephone to the ear and listen for the Operators voice.

2nd. Do not ring after communication with the party wanted is established until through talking.

3rd. Calls from Central Office should be answered promptly.

4th. Be sure of the right number you want, before calling the Operator.

5th. Any defect in the working of the instruments or lines should be reported to the Manager at the Central Office, by mail or Telephone (No. 125), to which immediate attention will be given.

6th. No messages shall be transmitted by Operators. Conversations with Operators are strictly forbidden.

7th. No connection will be made during a thunder storm.

AVIS.

Afin de procurer un service prompt et efficace, les instructions mentionnées doivent être remplies avec soin.

1o Si le Souscripteur appelle le Bureau Central, il ne doit plus attendre pour la réponse de l'opératrice, immédiatement après avoir sonné, il doit placer le téléphone à son oreille.

2o Toute chose défective dans les instruments, lignes, etc., etc., doivent être rapportées au Bureau Central seulement.

3o Quand l'Office Central appelle un Souscripteur, il doit répondre immédiatement.

4o Pour aucune raison, la communication ne sera donnée durant l'orage accompagné de tonnerre.

5o N'oubliez pas de sonner après la conversation finie, ce serait la cause de beaucoup de retard.

6o Soyez certain que vous demandez le bon numéro avant d'appeler le Bureau Central

7o Aucun message ne sera transmis par les opératrices.

8o Toute conversation avec les Opératrices est strictement défendue.
