URPRISING CURE OF & CONFIRMED ASTH MA, AFTER FIVE YEARS' SUFFERING.

NA, APTER FIVE YGARS' SUPPRIME. The following testimonial has been sent to Professor Hollower, by a centimum named Middleton, of Scalland Road, Literpool. Sir,-Your File have been the means, under Pro-ridence, of restoring me to cound health, after five period, I have suffered the most dreadful attacks of Asthum, frequently of several weaks' duration, antend-od with a violent cough, and continual spitting of phlogm intermixed with blood. This co shock my constitution that I was sufficed for any of the active duties of fife. I was stateded by some of the most eminent medical men of this town, but they failed to give mo the slightest reliof. As a last remedy, I tried pairfect cure of the disease, totally endicated the cough, and restored tone and vigor to the chest and digestive organs.

eit, to Professor Holloway. Dear Sir, --In this district your Pille command a more extensive sale than any other proprietary asdi-cine before the public. As a proof of their efficacy in Liver and Billous complaints, I may mention the fol-lowing case: A lady of this town, with whom I am personally acquinted for years, was a severe sufferer from disease of the Liver and dignetive organs; her medical attendant assured her that he could do no-thing to relieve her safferings, and it was not likely she could service many months. This announce-ment naturally caused great alarm among her friends and relations, and they indexed her to make a trial of your Pilla, which as improved her general health that she was induced to continue them satil she resource a perfect ours. This is twelve months age, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of asymp briffs. CROUP, ASTHMA, AND CONSUMPTION. M., D. C., Aug. 4, 1863. J. C. Arzn. Dear Sir, ---My little son four years old has just recovered from a sovere attack of malig-nant Scartlet Fover, his throat was rotten, and every person that visited him, pronounced him a dead child. Having used your CHERRY PROTORAL in Califor-nia, in the winter of 1850, for a sovere attack of Bronchitis, with entire succes, T was induced to try it on my little boy. I gave him a tea-spoon-fal every three heurs, commencing in the morning, and by ten o'clock at night. I found a decided change for the better, and after three days use he was able to eat or drink without pain. better, and after three days use he was able to eat or drink without pain. Its use in the above named disease will save many a child from a premature gava, and relieve the an-ziety of many a fond parent.—For all affections of the Threat and Langs, I believe it the best medicine extant. A foeling of the deepest gratitude, prompts me in addressing you these lines,—but for your im-portant discovery, my little boy would new have been in another world. I are yours with start parents.
