Point and Pointers.

Our Pulpit is made beautiful each Sunday by the fresh flowers, the handiwork of God, much to the pleasure of the pastor. Thanks to the thoughtful hearts that thus minister in God's house.

Do not miss one of the Sunday Evening Services from this on. The sermons to young men are based on the life of Joseph, and are of interest to all.

We have been told that our stormy Sunday congregations are large comparatively. Yet we seem to have some "fair weather Christians" who are exceedingly delicate on a rainy Sunday, but are well on rainy Monday. We look for complete and rapid recovery, and yet the disease is serious.

The better lighting of our Church has been left in the hands of the Finance Committee for prompt action. We may expect soon to see our Church cheerfully lighted.

The Young Men's Class hold a free social and entertainment on the evening of May 19. All are invited. A most enjoyable time is anticipated. We hope to have more of these socials.

The Ladies have decided not to open their mite boxes until the last of June. Further notice will be given. Miss Ada Smith, has been appointed Assist. Sec'y. of the W. M. A. S.

The B. V. P. U. Committees are getting nicely to work. Older people are especially invited to attend the Friday evening services.

A Welsh Minister suggests the formation of a new Society, to be called, "The Society of Encouragers." Its members are always to be on the lookout for kind words that were spoken of other people, and to pass them on to such people.

Three things to govern—temper, tongue and conduct.
