SIR : In compliance with your hints to Andrew in that city were going to disgrace torrespondents, and on the eve of the Ontario elections, I beg to ask if Mr. Mowat their nobility by promoting a gambling scheme. The prospectus is already out for or his party will explain why they contribute a similar affair projected by the orangemen large sums of public money to the Toronto of Belleville, and now the foresters of Winuniversity and other colleges, and then leave nipeg, Man., have under consideration a it in the hands of a council which the pub-'gift enterprise." What do these so-called lic holds no direct control over, to dictate to nevolent societies mean ? Do they think us whether our daughters shall or shall not be admitted to all or any of the branches of that it is right t ) break a most stringent and righteous law of their country in orde university education ; or if Mr. Mowat or that they may have patatial halls to meet party will pledge themselves to take suffi- freely. in ? Love of their native or adopted country cient of that five millions surplus capital acshould be sufficiently powerful, if nothing umulated in the Ontario treasury and es-

schleved by manipulation which are con-trary to the popular voice, and it is only rarely that "the machine" does not prevail. These words have a sterling ring and must command themselves to all sensible and un-biased people. Belonging to an able family, and himself a rising barrister, Mr. Mo-Dougall is a young man of more than ordin-ary ability, eloquence and promise, and his hundreds of friends in Toronto and Western Ontario will be delighted to know that he has so early come to the front to light the battle of right and freedom as against the

NO MONRY IN RIM

OTTAWA, Feb. 30 .- In looking over trade returns for the last f the following entry:

whether the narquis patronized the Ottawa trade or not, sud I ascertained that they see con

paratively little of his money. the greater quantity of groceries and provi sions used at Rideau hall are ordered from over the ocean and brought into the domin-ion free of daty. Only such articles as meat and fish are bought here, presumably for the reason the table there. neat and fish are bought here, presumably for the reason that these could not be im-ported in as fresh a condition as the vice-regal taste demands. His excellency boys his groceries, etc., from a London co-oper-

his groceries, etc., from a London co-oper-ative store, and shares in the profits of that concern; and as for clothing, neither he nor any of his numerous suite would deign to give a colonial tailor an order for a suit of clothes. Of course these noble gentlemen are perfectly free to spend when, where, and for what memory the plane but on and for what purpose they please, but one would think the governor-general himself might circulate a few thousands of his might circulate a few the alary among local tradesmen for good salary among local tradesities shopkeepers they can supply as well as the shopkeepers of London. The marguis' style of doing business is severely contrasted with that o his popular and now illustrious predecessor his popular and now illustrious predecessor who largely patronized the merchants Ottaws, Montreal and other Canadian citie

Every horse owner caring the least for his tock believes in St. Jacob's Oil.

A Printer's Adventure Monday morning, at a very early hour, a Hamilton Spectator compositor was going

home, wondering why it is that people who write long letters for publication are invariably the worst penmen in the country, he

was startled at an appearance on the side-walk before him. A figure in white ap-proached rapidly, and with noiseless steps. The compositor's hair didn't rise, because proactied rapidly, and with which trise, because the parted company with it shortly after his marriage, and his head is not now much more shaggy than a billiard ball. But he felt perturbed within. He was possessed of a desire to fly; but his feet were appa-rently rooted to the ground and he couldn't budge. The ghost came nearer and nearer, and the compositor's feet grew heavier and heavier, and although the mercury was toying with zero, he perspired freely. Presently the ghost's noiseless pro-crease brought him near enough for the freely. Presently the gnost's noise of the gress brought him near enough for the compositor to make him out. The spock turned out to be a lad of 14, same boots, gress brought

battle of right and freedom as against the machine and partizanship. Ottawa has a grand opportunity to redeem that if such work was passed on an English,

itself and we are glad to learn that the United States, or any other railway, and an prospects of its doing so are encouraging and hopeful.

ALLEGED STARTLING REVELATIONS.

The revelations of the last week or two at Dublin, concerning the murder of Lord responsible for anything that occurs. Cavendish and Mr. Burke, are very generally called startling : and revelations still more startling are said to be coming at an this evening in St. Andrew's hall, nominally early day. It may be worth while to en. in the interests of Mr. Carter, but really Morris appears as holding 1,000 shares and quire in what sense precisely these revela- as an opponent to factionism. When Mr. Mr. Leys is down for 500. You have so tions can properly be called startling.

From the first it was evident that these plume of "Bystander," he chose the most and injurious character of these land-grab murders of two public men of mark were appropriate of all titles. He is a bystander. bing concerns that it is superfluous to do result of conspiracy. It was certainly known that immediately after the murders four men reasoner, and one of the foremost scholars are of the number who seek to fill their were driven off in a car from the spot where of the day, he stands aloof from the petty the deed was done, and further, that the strife of partyism, and doubtless sees with driver of the car must have known of the regret, the extreme lengths to which our crime. Swords and knives are not apt to political leaders go and the degradation to kill anybody, unless used by human hands. which our representative party papers sub-All the circumstances favoured the belief mit us. It is not as a politician that Mr. that there had been, not only murder, Smith will appear on the platform to night, but conjpiracy to murder. Unless but as a well-wisher of the province and of on this supposition the boldness of the country. He desires to see the tone of the crime and its very sudden our public discussions improved. As a byand successful accomplishment, might in- stander, he knows our weakness and he deed appear unaccountable. What has ap- probably feels that when the opportunity peared rather surprising has been the fact offers to crush even in the slightest degree that, with all the exertions made by the the dragon of factionism, it is the duty of

large detective force at the disposal of the every broad-minded man who has any regard agers of banks at least should keep out of government, no clue to the discovery of the for the welfare of the country to step to murderers had been found, as far as the the tront. public were aware of. That they should be The methods of "Gen." Booth of the salfound, and the crime proved against them,

should not be counted surprising at all, in any civilized country. bulky man stepped forward in a dilapidated Where, then, does the surprise and the

startling effect really come in ? This answer jersey and trousers to correspond, and remust be made, not in the fact of an apparently strong case against a few men having result of his conversion. Suddenly, before materially. He is not himself known the audience, the man loosened two or three been presented before a court of first en. been presented before a court of first en-quiry; for that everybody must have expected, supposing that the murderers were ever to be found and convicted at all. the audience, the man loosened two or three stringe, kicked off the jersey and trousers, and stood confessed in the smart uniform of the armiy -trim, orderly and respectable. the army-trim, orderly and respectable. were ever to be found and convicted at all. Where it does come in, however, or may yet come in, lies in the connection that may be established between them and others in the matter. We are startled, or are to be startled, not at finding a few men ac-

cused as having been the actual murderers Mr. Mowat speaks in favor of Mr. John or conspirators concerned, but at the revela-Levs in East Toronto this evening. We tions concerning other parties suspected of trust that some elector will put the question being accessories both before and after the straight to him-do you intend to do your fact. The discovery of the parties more best to suppress the lottery mania ? Mr. immediately concerned need not be counted Mowat must not only answer that question very startling at all; the startling effect is straightforwardly, but must also explain in connection with the accessories to the why he has so far neglected his plain duty, crime, as yet unknown to the public.

"TOO MUCH WHISKY."

Our republican neighbors have a great whisky question on their hands just now, by proving himself equal to the position, little read. The present policy of the libut it is not one of either license or prohi-tion. The facts are substantially these: During some few years past American dis-tillers have been producing a great deal more whisky than the market would take, and every year the overstock of the article but it is not one of either license or prohihas been increasing. The first cost of made is not a fit person to make them. whisky is not much, probably not over The Yale Sentinel says : "Mr. Marcus twenty cents per gallon for spirit of the

Smith is reported at Ottawa as saying there ordinary retail strength. But the excise duty of a dollar per gallon are 7000 men at railway work in British makes a heavy addition, and, if this had to Columbia. "big gun officials" are coming irom Otawa they are met in San Francisco and "stuffed." Again they are surrounded on arrival at Vic-toria and told all sorts of stories to suit willing ears, and by the time they reach the railway they can only see through the company's spectacles; and passing over the road "like a flock of pigeons over a town," the distinguished visit-ors are in excellent humor with themselves and their entertainers, and by their silly and untruthful speeches cause intelli-gent and hoorable Canadians, at least, to hang their heads with very shame. If any person doubt this view of the case let him secure Sir Charles Tupper's speech as made at Yale, September, F think, 1881. The outcome of the governor-general's trip in a prepared coach over a small portion of the line is fresh in the minds of all the people upon the mainland, at least; but few had the moral courage to speak out like honest men. Our country appears unfortunately to be in the hands of influential Ameri-cans, who are only here to make their con-Manufacturer Says. Mr. Joab Scales of Toronto writes : A short time ago I was suffering from kidney complaint and dyspepsis, sour stomach and lame back, in fact I was completely pro-trated and suffering means pain. While in this state a friend recommended me to try a bottle of Northrop & Lyman's Veg-etable Discovery and Dyspeptic Cure. I must confess I did not have faith in any rectort medicine, but, like a drowning man men. Our could not have faith in any to be in the hands of influential Ameri-cans, who are only here to make their con-tracts pay the best they know how, and care very little for the province, or even the dominion. About sixty members of Toronto Typo-

Abont sixty members of Toronto Typo graphical union paid their last respects to the memory of the late James Kay yester day. Several handsome floral offerings were sent to the Continentel hotel. The remains were sent to Hamilton in charge of Harry Parr, secretary of the union, and A. J. Phillips. London Advertiser: The rumor that James Hamilton, conductor on No. 7 express, which collided with No. 8 at Dundas last Thursday, had left the conntry addenly, appears to be un-founded in the light of the fact that he was at the funeral of Engineer Muson at Hamil-ton Sunday. He is reported as saying that at the interial of Engineer Mison at Hamilton a strict scientine oragnosis would contend ton Sunday. He is reported as saying that he has no intention of leaving the country. but will see the investigation through. The benefit tendered to the late attaches of the Royal opera house came off at Albert position in society; we brush against them hall last evening before a very fair house, when we take our daily walks abroad; we The entertainment was a very enjoyable see them in the mirror which reflects our-one indeed, some of the features being equal selves."

The entertainment was a very enjoyable one indeed, some of the features being equal to many in the same line of business on the road. Master Tommy Oliver and the Ambler Bros, were especially good. With a little proper instruction Master Oliver would be quite a drawing card. The even-ing's amusement closed with McShane's comedy, which was well encored. The masonic fraternity will be pleased to hear that one of the conditions will be pleased to the donation of a thousand dollars made by a citizen for the establishment of a con-valescent hospital on the island, is that the sick child of any member of the craft de-siring admission to the hospital shall be given the preference, that is in cases in which there is any choice. All children will be received willingly, but the donor of the money made this condition in giving the contribution, and upon this condition it was accepted. the contribution, and upon this condition unpopular very soon; is so now in Cork.' it was accepted.

The Song of the Advertiser. am an advertiser great! In letters bold and big and round The praises of my wares I sound, respective is my estate. The people come, The people go, In one continuous, In one continuous, Surging flow...) They buy my g ods and come again; And this the reason 1 relate... I am an advertiser great!

There is a shop acro's the way Where ne'er is bead a humon tread, Where trade is paralyzed and deal, With ne'er a customer a day. The people come, The people come, But never there ; They do not know There's such a shop beneath the shies, Because he does not advertise; While I with pleasure existen plate That I'm an advertiser great.

The secret of my fortune lies In one small fact, which, I may state, Too many tradesmen learn too late-Then people come And people go In constant streams. For people know That he who has good wares to sold Will surfly advertise them well, And proudly 1 reiterste I am an advertiser great : - Denrer Trib excelled cuisine, make it specially attractive to the traveling public.
