VOL. III.

Issued Biennially by the

UNION PUBLISHING COMPANY

INGERSOLL:
PRINTED BY G. F. GURNETT AT THE "CHRONICLE" PRINTING OFFICE, THAMES STREET
1888.

# PREFACE.

The publishers in presenting the third edition of their Business and Farmers Directory of the counties of Frontenac, Hastings, Lennox, Addington and Prince Edward, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village, with post-office, lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain,

Respectfully Yours,

UNION PUBLISHING CO. OF INGERSOLL,

INGERSOLL,

## ON THE BANKS OF THE BEAUTIFUL RIVER. H. M. ESTABROOKE.

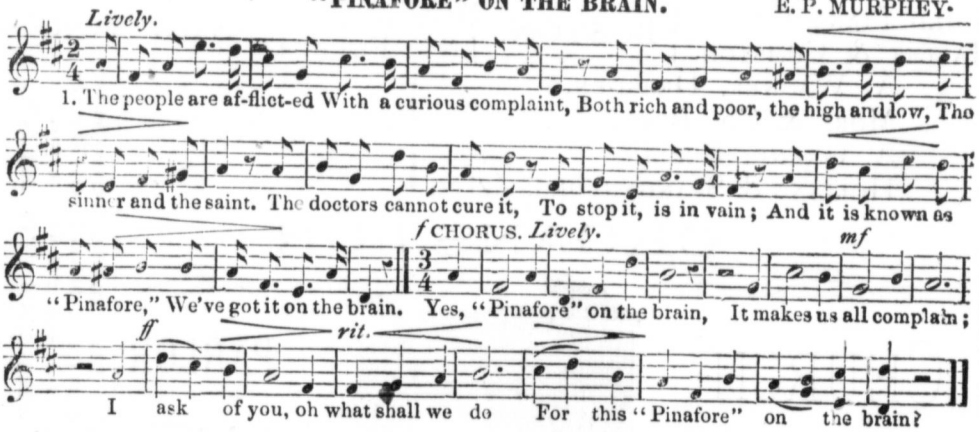

2 There softest of breezes are blowing,
And blossom the fairest of flowers;
There sweetest of waters are flowing
Forever through fairy-like bowers.
The skies are unclouded by sorrow,
No shadows fall dark o'er the way;
No yesterday there, nor tomorrow,
But time is forever to-day.—*Chorus.*

3 O beautiful region immortal!
Bright home of the glorified souls!
Fair city, through whose open portals
Sweet music unceasingly rolls!
A glory about thee is blending,
A radiance brighter than day,
And the songs of the seraphs ascending,
And borne thro' the bright land away. *Cho*

## "PINAFORE" ON THE BRAIN. E. P. MURPHEY.

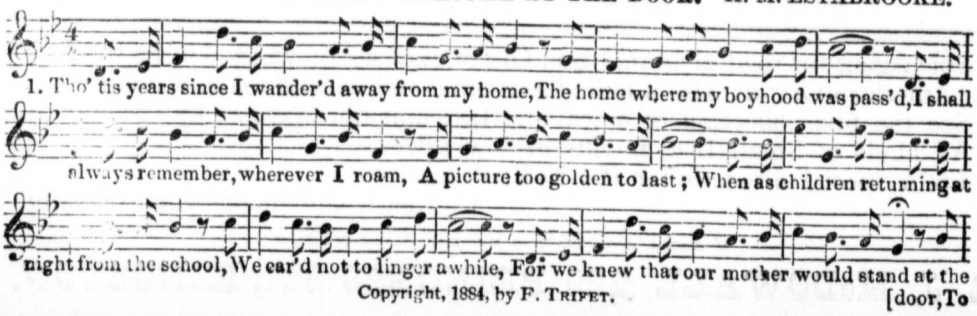

2 It comes to us at morning,
And it lasts all day and night:
And haunts our sleep, we cannot rest,
Nor lose its clutches quite;
It's run the country over,
From Mexico to Maine—
Nobody's free from "Pinafore,"
We've got it on the brain.—*Chorus.*

3 Our young men and our maidens,
With the middle-aged and gray,
Both lawyers and our ministers,
And judges feel its sway;
A million of its victims
Are numbered with the slain—
All carried off by "Pinafore,"
We've got it on the brain.—*Chorus.*

# GRAVEL ROOFING

## H. S. PARMELEE,

BELLEVILLE, - - ONTARIO

---

This roofing is pronounced by my patrons the best in the Dominion, and especially valuable for Mills and Factories having large flat roofs.

I will furnish estimates for roofing in any part of Ontario. Samples of Felt sent by mail when requested.

All work done under my own personal supervision, and guaranteed satisfactory.

---

Cornwall, Ont, Sept. 27, 1887.

H. S. Parmelee, Esq., Belleville, Ont.

Dear Sir,—You have re-roofed our weaving mill, which is 600 feet long by 125 feet in width, with your patent three-ply felt and gravel roofing. You have also covered a new goods warehouse just newly built which is 175 feet by 68 feet with the same, and both are done in a most workmanlike manner. We believe these two roofs to be as perfect of their class as it is possible to make them and that they cannot be surpassed by any in the Dominion of Canada, We are pleased to state that you fulfilled the conditions of your contract in every particular. Yours Very Truly,

THE CANADA COTTON MFG. CO.,
Per D. MacINNES, President.
