Action Against

Was not possible to enforce the legislation. In providing a remedy they must look at the question from two points of view: "Is there any place for liquor as a beverage?" and "Is there any place for liquor as a medicine?" The penalty for violation of the law should be commensurate with the offence and the element of private gain should be eliminated as far as possible.

The maiden speech of W. H. Harvey, the recently-elected member for Kindersley, who during his maiden speech in the house described himself as the first representative of the Farmers' move-them. quest would not be necessary.

BENJAMIN HOLLINGER DIES SUDDENLY

Ремвиоке, Out. — Веприні Hollinger, discoverer of the far Hollinger mines, and one of Canada's most famous prospectors and mining magnetes, died suddenly here at his breakfast table. He had been in the best of health until his head dropped upon the table and physicians were hurriedly - sum moned. Before they arrived he was dead. Death was due to heart failure

******************************* Mearer to the Goal

At last we have made another Step in the right Direction. On account of the establishing of a third store at Kendal, Sask, we have been put into the position to buy goods in greater quantities and to buy them cheap. The new store at Kendal is modern in every respect and keeps a first class assortment of goods of every description. In connection with this business we have

opened a complete Lumber Yard. All our customers who know the business methods adopted by us, no doubt are aware of the fact, that the advantages reaped

by us are also to their best interests. Our stock is really too numerous to be mentioned in detail. We assure our customers that we hold for sale in every one of our stores only the best of goods.
