

DEVONSHIRE IN FAREWELL WHEN COMMONS ENDS

Maritime Railway Estimates Last to Come Before Canadian Legislators.

COPP CRITICISES C. N. R. MANAGEMENT

Too Many Private Cars Hauled, is Complaint, While People Pay High Rates.

(Continued from page 1)
He took Mr. Hanna to task also for saying that Canadians did not know they had a national system of rail ways. It would be more to the point if Mr. Hanna and his fellow directors would do something to popularize the road. The whole thing was a business proposition. The people of Canada would not use the national rail ways unless facilities equal to those of other railways were provided. Mr. Copp protested that the management of the Intercolonial Railway was now located at Toronto. At Moncton, the former headquarters, it was impossible to find an official with the least authority. It was also to be regretted that the railway was manned by employees from Toronto, while the men who had been trained on the line and who understood the people and local conditions had all been removed.

There were altogether too many private cars in use by the railway officials. Considering that other people had to pay triple rates for Pullman accommodation, they were not pleased to see railroad travelling snubbed at public cost.
New Brunswick, among all the provinces, had received the least consideration in the matter of railway construction.

The requests of the maritime delegation were further urged by James Melissas, Kings, P. E. I.; J. E. Sinclair, Queens, P. E. I.; J. H. Sinclair, Antigonish-Guysboro and O. Turgeon, Gloucester. Mr. Melissas said that if the minister would issue bonds, the people of Prince Edward Island would take up sufficient to pay for the standardization of the gauge on the island.

Governor-General's Speech

The speech in part stated that trade had been taken to increase the scope of the country by the ratification of commercial agreements with France and the British West Indies. The attempt to arrange for joint control by the Dominion and the Province of Ontario of the levels and the flow of the Lake of the Woods water system having become abortive, by reason of a bill concerning the Lake of the Woods Control Act has been failed to pass the Ontario Legislature, legislation had been enacted declaring certain works in that system to be for the general advantage of Canada and providing for control by the Dominion in the interests of all parts of the country having rights therein. A further step toward the solution of the problem of the national railways had been taken in the passage of an Act to acquire possession and control of the Grand Trunk Railway System and provision was made for reviving arbitration proceedings to ascertain the value of the stock.

Sydney Coal for Montreal.

Sydney, N. S., June 5.—At least one million tons of Cape Breton coal will be shipped to the Montreal market by the Dominion Coal Company this summer, according to Alexander Dick, general sales agent of the company who is in the city.

Seigneur Refloated.

Montreal, June 5.—After 1,600 tons of her cargo had been lightened the "Canadian Seigneur," which had been stuck fast in the mud of the river just outside the harbor since last Wednesday was successfully refloated tonight.

Used Axe in Assault.

Halifax, June 5.—While a crowd of after-church strollers looked on Nick Mellick, a Russian, was assaulted and knocked on the head with an axe by a fellow countryman whose name is given as Bill Kenny on the main street of Halifax about half past ten o'clock tonight.

DRURY COVE ATHLETIC ASSOCIATION MEETING

The annual meeting of the Drury Cove Athletic Association was held on June 3, 1921, at the home of the President, T. E. Simpson. A large percentage of the members were present. Several new members were recruited into the club. A large amount of business was disposed of.
The following officers were re-elected by acclamation for the second term:—
Hon. President—Lieut.-Col. E. Massey, D.S.O.
President—T. E. Simpson.
Vice-president—A. L. Harding.
Secretary—K. H. Brown.
Treasurer—L. H. Sandall.
The following executive committee was elected:—Mrs. H. Sandall, Miss M. Howe, R. Evans, W. G. Drake, J. E. Arrowsmith.
The past season has been a very profitable one for the club, both socially and financially. Previous to last year the club was solely a men's club, but last year the membership was extended to the ladies; the ladies responded heartily. The club has the grounds in condition unusually early and expect to have an active season this year.
The club will be represented at the New Brunswick Tennis Association's annual meet, which is to be held at Rothesay this year.

Thousands of persons were cared for last night in churches and court houses at the Congress Hotel, and in private residences.
Food was issued from the court house to the destitute and others able to buy food could do so only after obtaining a health permit limiting the amount purchased. The city has been without lights, gas and water since the flood came Friday night. Candles and kerosene lamps were at a premium today. The city water supply is polluted and instructions have been issued to use only boiled water.
One artesian well flowing lithes water was the only source of supply for drinking water. North Pueblo today. The city water supply is polluted and instructions have been issued to use only boiled water.

Four More Drown.

Las Animas, Colo., July 5.—Four persons, all of them Mexicans, and three of their children, are known to be dead, and many others are believed to have perished by the overflowing of the Rio Grande river last night flooding the city. Warning was received from La Junta to take to the hills, but the city was virtually surrounded with water before the alarm could be passed around. Many houses were washed into the streets and some down the river.

Floods in Texas.

Proctor, Tex., June 5.—The Texas and Pacific railroad tracks near here are under water for a distance of about 1,200 feet at a depth of from three to five feet, and traffic has been suspended as a result of the overflowing of the Pecos river.

Jack Dempsey Getting Advice

Flood of Letters, Regarding His Coming Fight, Reach Him Daily.

Atlantic City, N. J., May 18.—While secluded in his training camp at the National Stadium grounds, Jack Dempsey finds some diversion from his rigid routine in the perusal of a never-ending flood of written admonitions regarding his coming fight with Georges Carpentier at Jersey City on July 2.
The voluminous advice is coming from nearly all over the world. While it affords him amusement, it may eventually get on the champion's nerves and it is likely that much of the "how, Jack, if I was you," stuff will soon be his enemy.
Dempsey is carrying around a pocketful of the worst epistles for checking purposes. The more insistent of the advisers even go so far as to make drawings showing what an animated cartoon style just what blow Jack should use to circumvent the nimble Carpentier in close quarters.
If there is any serious side to this matter of amateur ring generalia handing out their free-for-nothing advice, it is in the fact that it has stirred Dempsey into writing back a bit more of his opinion of Carpentier and the coming fight than at any time since he has arrived down this way.
"There need be no fear that I will take any chances with Carpentier," Dempsey declared. "I'd be a fool to risk even a chance of not putting him away at the outset of a man's club. I'm just plugging along, working toward the pink of fighting shape by July 2, and if I don't knock Carpentier out it will be no fault of mine. I'm training just as hard and consistently for Carpentier as I ever did for Jack Willard."

Who Will Cop The 1921 Championships

Well Known Baseball Writer Makes a Guess at the Winners in Leagues.

By DEAN SNYDER.
Judging from the interest shown in these leagues that already have blown off the baseball lid, 1921 is to be the biggest year baseball has ever had.
Box office receipts in the majors are soaring to new high marks for early games. Thousands of bugs will soon be crowding out to watch the minors.
They're asking "Who'll cop?" Basing my judgment on the best obtainable statistics from all parts of the country and on personal observation of many of these teams, I'm going to hazard an answer and hope the teams to win in their respective circuits.
National League—New York.
American League—Cleveland.
American Association—Louisville.
New International League—Baltimore.
Pacific Coast League—San Francisco.
Texas League—Fort Worth.
Southern Association—Memphis.
Three-Iys League—Bloomington.
Eastern League—New Haven.
Western League—Tulsa.
Western Canada League—Calgary.
Giants—Indiana.
The New York Giants still look like the best club in the National League. The team is well balanced. The D. Soale has a punch both on the field

Now! a Better, Purer Ice Cream It Is Carbonated

Here is the most startling story ever written about ice cream. It is the story of the discovery of a new method for making super-pure ice cream while doubling its flavor and quality. Prof. W. Paul Heath, writer of this story, is the discoverer of this new method of making carbonated ice cream. He is a scientific expert on purity food products and has contributed to modern food manufacturing some of its most priceless sanitary manufacturing methods. This story is of vital interest to every man, woman and child.

What Is Carbonated Ice Cream?

By PROF. W. PAUL HEATH (inventor of the Heathside method of manufacturing Carbonated Ice Cream)

MY SPHERE in scientific invention has been the preservation of purity in food products. For many years I have studied ice cream manufacturing for the purpose of improving the methods and increasing the purity of the product, one of the best and finest foods you can eat.

I was prompted to make this study after finding out ice cream manufacturing methods. Here is what I discovered: The ice cream manufacturer safeguards all the elements and ingredients that go into ice cream—SWEET ONE. He is scrupulously particular about his milk, his cream, syrups, fruits, sugar and all other elements that make ice cream soft and creamy. He has a near 100 per cent. pure as he can get them, he freezes these ingredients in COOLMOM AIR.

Famous Scientist Praises Carbonated Ice Cream

Professor R. M. Washburn, of the University of Minnesota, America's leading authority on milk products, says: "Repeated tests of carbonated ice cream show clearly that carbonating will bring out the flavor and increase the tastiness of the product, and that the presence of this gas destroys bacteria and prevents other bacteria from growing."

Safeguarding Your Ice Cream

To explain this better I will say that if you examine ice cream under a microscope you'll find that all through it are countless thousands of tiny bubbles or cells. It is these cells, full of atmosphere, that make ice cream soft and easy to eat. But for these cells, mixed in by the paddles in freezing, ice cream would be frozen in a hard, solid mass, like ice, and would be almost impossible to eat and not at all palatable.

Common Air Is Always Dangerous

Mixing common air with ice cream is always dangerous. You know how carefully the housekeeper guards against air when she is putting up fruits or vegetables. She fills the jars to the top, then sterilizes the full jars to expel every last atom of air, and screws down the lids tightly, using a rubber ring, to prevent air getting in. The same is true of ice cream. The fruit or canned vegetables will spoil.

Makes Ice Cream More Delicious

The same carbonating which brings out the flavor of syrups and ice cream in your ice cream soda brings out and intensifies the flavor and quality of ice cream. It emphasizes the fragrance and taste of ice cream and gives it an added richness and smoothness.

PURITY ICE CREAM IS CARBONATED

For years we have made the purest ice cream money and brains could produce. When the Heathside Carbonated method of making ice cream was offered to us we realized that it would add ONE HUNDRED PER CENT. purity and safety to our ice cream. So, at great expense, we secured the exclusive right to this new method of manufacturing. Our ice cream is today the purest and best that pure ingredients and scientific purity methods can produce. It is more delicious. Don't accept any other; whether you buy

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are especially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. and at the bat. The outfield is stronger than last year. The pitching is the best in the league outside of Brooklyn. Runner-ups—Pittsburg and Brooklyn.

This Speaker's Cleveland Indians appears to have their old punch back. They still play the way from behind and win. The Alabama substitute, Riggs Stephenson, blooms like a genuine find. The pitchers haven't settled down yet. But they have it in them and Speaker is the kind of a leader to get the best from them. Runner-ups—Yankees and St. Louis.

Colonels—Orioles.
Louisville in the American Association seems likely to break St. Paul's string of pennants. The Colonels have practically the same team that finished second to the Saints last year. St. Paul has lost four star players—Goldie Rapp, Hargrave, Brazil and Coumbe. All the other clubs, with the exception of Kansas City, have lost strength. St. Paul and Toledo will give the Colonels the hardest fight.

Jack Dunn's Orioles in the New International League looms as a citizen winner. The Orioles are practically a major league club. Dunn refused to bow to the draft. He likewise turned down an offer of \$150,000 for three stars. The same team has won two straight pennants. Other clubs sold their stars. The Orioles didn't. Buffalo should give the Orioles their hardest fight with Toronto next.

Frisco—Fort Worth.
I'm picking San Francisco to win the Coast League flag. Manager Gray's material to lift his club from a sorry material to life his club from a fourth place outfit of last year to the top. He has added Ellison, Rath and O'Doul from the majors and Kelly from the Association. Already the Soles have won a long string of consecutive victories since the season opened. The Los Angeles club is second choice. Sacramento should fight Verron for third place.

In the Texas league, Fort Worth still holds the big palm, according to dogs. The 'C's are practically the same that beat Little Rock in the little World series of the south last fall. Jackie Ats has tested pennant gray. Every club has been strengthened, particularly Dallas, which will push Fort Worth to the wire.

Memphis—Bloomington.
The Memphis Chicks appear to be the best club out in the Southern Association. Spencer Abbott's bunch is young in years but old in experience. The club has the fighting spirit. Little Rock has lost its chief star, Tony Brottom, Bin Miller and Chief Yellowhorse.

Pooris and Moline will give Bloomington, winners in 1920, a battle this year. Bloomington seeks to make it three pennants in a row. Manager Joe Dunn has a bunch of big league outfits to fit into holes left by players sold up. Pooris is the strongest contender right now although Earl Mack's club at Moline has been strengthened by help from Connie's Athletics.

New Haven—Calgary.
New Haven's Indians under Chief Bender have been strengthened to win another Eastern league pennant. Springfield and Bridgeport are probable contenders.

The fight in the Western Canada league will be between Calgary and Regina. Manager Joe Devine of the Calgary team has the backbone of his club that won last year to build around, which should be in his favor. Regina has shown a lot of speed in spring training and his pitching staff is strong.

There is a present-day tendency to sneer at parliaments and legislatures. The British parliamentary system is not perfect; it has been a gradual development of a thousand years, but it is the best method of democratic rule which has yet been devised.

MERCHANTS BANK OF CANADA
MAKES STRONG ANNUAL REPORT;
DEPOSITS GAINED \$6,000,000

Current Business in Country Kept Up Well, Even During
Period of Deflation—Profits show All Dividends Con-
fortably Earned—Increase in Capital to \$10,500,000.

The annual statement of The Mer-
chants Bank of Canada will this year
attract special attention. This is the
first annual statement of any of the
larger banks to make its appearance
since the period of drastic changes in
business set in.

There will be reason for satisfac-
tion on the part of the shareholders,
inasmuch as in a quiet season earnings
have been well maintained. While, as
was expected, they are somewhat
lower than for the previous year, they
are well above the 1919 figures.

The general statement of assets and
liabilities also reflects the changes
that are occurring in business. It is
a very satisfactory feature to note
that savings deposits which represent

the savings of the people, show a sub-
stantial increase. Profits last year amounted to \$1,402,820 against \$1,686,156 the pre-
ceding year and \$1,383,569 in 1919. Added
to profits in 1920 were \$200,000 pre-
mium on new stock; last year \$1,060,000
was added from the same source,
which, with previous balance at credit
of profit and loss of \$390,775, brought
total available profits of the bank up
to \$2,713,595. Out of this was de-
ducted \$1,272,635 for dividends and
bonds, \$96,583 for circulation tax, and
\$1,050,000—the premium on the new
stock—for reserve fund, leaving a
balance for carrying forward of
\$293,375.

A comparison of the profit and loss
account for three years follows:

Table with 4 columns: Year (1921, 1920, 1919), Profits, Premiums on new stock, Previous balance. Total 1921: 2,713,595; 1920: 2,960,139; 1919: 1,821,643.

The bank's liabilities to shareholders
amount to \$20,356,564 against \$17,138,160 the preceding year, and its
liabilities to the public amount to
\$169,717,470 against \$179,988,921 the
preceding year.

The latter change is made up of a
decrease in non-interest bearing de-
posits of nearly 17 millions, an in-
crease in savings deposits of nearly
seven millions, an increase of bal-
ances due other Canadian banks of
about two millions, a decrease of
\$220,000 in balances due to foreign
banks, bills payable of \$142,907
against none the preceding year, a
decline of \$1,400,000 in acceptances
under letters of credit and a satisfac-
tory decline in note circulation.

Among the bank's assets, current
coin shows little change, deposits in
central gold reserve, cheques on
other banks, balances due by other

banks, and call loans outside Canada
are lower. Increases are shown in
call loans in Canada, and Dominion
notes.

Among the security assets an in-
crease is shown in Dominion and
Provincial Government securities of
about 3 1/2 millions and in railway and
other bonds, debentures and other
stocks, of a half million, and a small
decline is shown in Canadian mun-
icipal securities, and British, foreign
and colonial securities, other than
Railway.

Total assets show at \$190,267,409
against \$187,387,855 in 1919, a decline
of \$7,020,446, or 3 1/2 per cent. Time
deposits now amount to \$120,994,543.
Current loans and discounts total
\$109,183,592 against \$118,198,913. The
moderate decline in total deposits
and total assets reflect the with-
drawals of temporary government
funds held the preceding year.

Orphans' Friend
Coming To St. John

J. D. O'Connell Writes from
Cuba That He Will Reach
N. B. Next Month.

The following letter from J. D.
O'Connell, the orphans' friend is self
explanatory:

Editor of The Standard,

St. John, N. B.
Dear Sir,—Kindly publish the fol-
lowing: I am leaving here May 31st
for the Southern States where I give
several "Orphan picnics," then I go
by automobile to Washington, Balti-
more, Philadelphia and New York
and after spending a week or so there
will go to Bangor, Maine, where I
give another picnic. I expect to ar-
rive in New Brunswick about the mid-
dle of July and will give my annual
picnic in the Maritime Provinces the
latter part of July and August. My
address during the month of June
will be Waldorf Astoria Hotel, New
York, and early in July Bangor House
Bangor, Maine.

Financial Report

Total receipts for the year from all
sources amounted to \$1,675.66. Miss
M. E. Munn, asst. treasurer, reported
treasurer's statement receipts \$1,158.09, ex-
penditures \$1,079.15.

Mrs. George Gibbon reported \$261.30
for missions. Mrs. Amos Horton stated
that the Sunshine Class, a small class
of ladies, had raised \$395.77. Several
contributions to the work of the
church have been made by the school.

The secretary reported total enroll-
ment 279, not including the Cradle
Roll of 61. Last year's enrollment
was 282, showing a gain of 28. Average
attendance for the year was 310,
a gain of 15. The average attendance
for the last three months reached the
excellent average of 242. Reference
was made to the great loss sustained
by the death of Rev. W. R. Robinson
and the passing of Mrs. James Munde
who was a daughter of the first super-
intendent of the school.

perance.

WHAT A TONIC
DOES FOR YOU

AND WHY YOU NEED IT, IN SO
MANY INSTANCES, YOU
ARE RUN DOWN, NERVOUS OR
HAVE HAD TO ENDURE GREAT
STRAIN OR WORRY OF ANY KIND.

A tonic is something that puts tone,
energy, strength and endurance into
you. It gives a push to your heart,
making it pump the blood over your
body more vigorously; it makes your
lungs expand more fully and thereby
take up more strengthening oxygen
from the air you breathe; it makes
your kidneys work better and carry
off the poisons which would otherwise
accumulate in your body; it makes
your digestive apparatus perform its work
better and give your blood the mater-
ial it needs for feeding and sustaining
your body; it makes your brain act
more vigorously and enables you to
think more accurately and for long
periods without fatigue, thus bring-
ing you greater success in whatever
business, profession or undertaking
you are engaged.

When you are rundown, nervous,
half sick, down-hearted and about
ready to give up experience of many
years has shown that one of the best
remedies to pull you out of this bad
predicament is good old organic iron.
But be sure the iron you take is or-
ganic iron, the kind that is found in
plants, and not metallic iron which
people usually take. Organic iron
may be had from your druggist under
the name of Nuxated Iron. It often
increases the strength, energy and en-
durance of weak, nervous, tired out
folks in two-weeks' time. Beware of
substitutes. Always look for the word
"Nuxated" on every package and the
letters N. I. on every tablet. Sold by
all druggists.

MEETINGS FOR THE
RED CROSS CAMPAIGN

Meetings for the spread of informa-
tion regarding the Red Cross Mem-
bership Enrollment campaign have been
arranged by the campaign committee
in York county. Mrs. G. A. Kahring
leaves this morning to address gather-
ings in Fredericton and other centres
in the county, and it is expected that
this section of the province will show
the same enthusiasm which has been
displayed elsewhere in New Brun-
swick.

LEFT ON THE ROAD.

A merry excursion to the country
in a donkey cart rig brought an un-
pleasant end to a party of young men yesterday
when the king bolt in their wagon
broke, and while they were pitched
precipitately to the dust their horse
turned and bolted back toward the
city drawing the shafts and front
wheels behind it.

OBITUARY

Leonard J. McLean.
Newcastle, N. B., June 5.—The death
occurred at Medicine Hat, Alta., on
Sunday, May 22nd, of Leonard J. Mc-
Lean, a former resident of New-
castle, N. B., at the age of forty-one
years after a long illness. He moved to
Medicine Hat about 15 years ago and
at the time of his death was man-
ager of the Redcliffe Rolling Mill in
that city. He is survived by his par-
ents, Mr. and Mrs. Angus McLean,
brother, Laurence, and one sister,
Gertrude, all residing at Medicine
Hat.

J. W. Holland.

Newcastle, N. B., June 5.—The death
occurred at Redbank on Tuesday,
May 24th, of Mr. James W. Holland,
aged and respected resident of
that village, after a long illness,
aged 75 years. He was for a large
number of years in the employ of
Messrs. D. & J. Ritchie Co. He is
survived by a widow, two sons, Wil-
liam J. and Vincent, at home, and
four daughters, Mrs. Wm. Kirkpat-
rick, Douglastown, Mrs. William J.
Keyes, Everett, Washington, Estella,
and Mrs. J. W. Holland, Newcastle,
Newcastle, and Beatrice, R. N. at
home.

Joseph Sullivan.

At Kouchibouguac, Kent County,
on Wednesday, June 1st, the death
occurred of Joseph Sullivan, after a
lingering illness of consumption. De-
ceased was the son of the late Daniel
Sullivan and is survived by his moth-
er, four sisters and four brothers.
The sisters are Mrs. M. Connors, Har-
court, Mrs. Cutler, St. John, Mrs.
William J. and Vincent, at home, and
four daughters, Mrs. Wm. Kirkpat-
rick, Douglastown, Mrs. William J.
Keyes, Everett, Washington, Estella,
and Mrs. J. W. Holland, Newcastle,
Newcastle, and Beatrice, R. N. at
home.

Mrs. S. E. Spragg.

The death of Mrs. Susanna E.
Spragg took place Saturday morning
at the residence of her daughter, Mrs.
Gilbert Ducey, 96 Victoria street.

Mrs. Spragg, who was in her eightieth
year, had been ill for about three
months. She was the widow of Jo-
seph Spragg, and is survived by three
sons, Daniel, of Hatfield's Point; H.
Bert, of Minto, and Edward, of Giff-
ordville, and two daughters, Mrs. Gil-
bert Ducey and Mrs. Scott Aklerley,
both of this city. Funeral service was
held at the home of Mrs. Ducey, Sun-
day evening at 8.30. The body will be
taken this morning to Hatfield's Point
for interment.

Rev. Dr. John Leishman.

News has been received of the death
of Rev. Dr. John Leishman, at home
of his daughter, Mrs. Wm. McGregor,
Regina, Saskatchewan. He is sur-
vived by his wife, who was Miss Carrie
Glassup, of Kingston, Ontario; two
sons and one daughter, viz. Bryson, of
Regina, Ontario; Dr. Arnold, of Win-
nipeg, and Mrs. Wm. McGregor, of
Regina; also eight grandchildren. The
late Dr. Leishman was born in Rich-
mond 75 years ago, and ordained in
this city in St. John's Presbyterian
church, fifty years ago. His remains
were taken to Fleming, Sask., where
for many years he was minister of the
Presbyterian church, from which he

War Prices Are
Remaining Firm

Large Drop in Price of Eggs
and Cream Unnoticed in
Ice Cream Emporiums.

It has been hard work for the war
producers to continue to add to their
unlucrative profits in these post-bellum
days of slumping prices, but in one
line at least the merry postlude of
putting up the sneezes at the public's
expense continues unabated, namely,
in the manufacture and sale of ice
cream.

Early in the war ice cream sold for
sixty cents a quart, but as the price
of cream went up, the price was boost-
ed to seventy cents, and there it
stays, although cream, which during
the war, cost anywhere from three to
three dollars and a half a can, and
in some cases even four, has dropped
down a dollar to a dollar and a half,
and may now be bought for two dol-
lars a can.

The ice cream manufacturer is run-
ning a close second by the soda fountain
artists, who, in addition to purveying
the ice cream manufacturers' wares,
handle a line all their own. Milk-
shakes and egg drinks have been re-
duced five cents each in various em-
poriums about the city which cater
to the vagaries of the palate in the
way of light refreshments. Egg drinks
cost a quarter a throw when eggs
sold for eighty cents a dozen, and
milk-shakes commanded fifteen cents
per can when milk was selling at seven-
teen cents a quart. Today eggs are
selling at thirty-five cents, or lower,
per dozen, a drop of forty-five cents,
and milk at twelve cents a quart, is
down five cents.

So it is that in the matter of these
light refreshments, which constitute
the essentials of the nation's favorite
indoor sport, the public continues to
pay the price, and the cash registers
still tinkle merrily.

resigned a year ago on account of his
health. J. Leishman Sutherland and
Roy A. Davidson of this city are
nephews of the deceased.

FUNERALS

The funeral of Mrs. T. Geo. Crack-
sell, who died on Thursday in Saint
Luke's Hospital in New York, was
held Saturday afternoon from Trinity
Church to the Church of England
burying ground. Rev. Mr. Gabriel con-
ducted the services.

The body of Miss Phoebe Aklerley
who died in Boston last winter, was
brought here on the Boston train
Friday and taken on the steamer Ma-
jestic Saturday morning for burial at
Cambridge, Queens Co. Mrs. Char-
lotte Black, of St. John, and Mrs. G.
N. Fowler, of Boston, sisters of the
deceased, accompanied the body to
Cambridge.

AMUSEMENTS

WOMAN PLACED UNDER ARREST SHOT HERSELF

Fires as Vehicle was Caught in Traffic jam at 34th Street and Broadway.

WAS HELD AS A LABOR AGITATOR

Mrs. Julia Warshoff, Accused by Spectacle Maker, Probably Will Die.

New York. — Mrs. Julia Warshoff, 522 West 131st street, was arrested late yesterday afternoon by Patrolman Joseph Fallon of Traffic B at Broadway and Thirty-third street and placed in a closed automobile to be taken to the West 141st street police station. The car was held up at Thirty-fourth street as it went down Broadway because of the press of traffic at the rush hour. There were automobiles pressed all about the automobile containing the woman and the policeman, and several other persons working their way across the street and massed on the sidewalks.

Preached Sermon of Intense Interest

"Social Reform or Christianity as Cure for World's Woes."

An interesting and thoughtful discourse on the subject "Social Reform or Christianity as Cure for World's Woes" was preached last evening at Knox church by Rev. R. M. Legate. The text was taken from St. Matthew's Gospel, 23:25. The illustration was that of making clean the outside of the cup, with the advice to first make clean that which is within the cup.

ADDRESS OF A VERY OLD LACE BONNET TO A VERY YOUNG BABY.

Baby, dear baby, so long have I waited to meet you, my darling, and you, questioning eyes. To bring you from the far distant past all the greetings of the old days. That you in the gloom of the ages arise.

AS A WOMAN THINKETH

By HELEN ROWLAND (Copyright, 1920, by The Wheeler Syndicate, Inc.) The White Woman's Burden

"The constantly changing fashions in dress are a sign of woman's progress." Thus announces a Western newspaper, with manlike finality. Shades of Ananias! And of Sapphira! Suffering Stenographers, Badgered Business Women, and Fagged Paddists!

THE CALL OF THE ROAD.

I ken a road a bonnie road, An' the like o' it's unco few— Where the fairies dance to the Pipes o' Pan

An sport in the mornin' dew; Where the violet raises her modest head In the lush-green grasses, as by I tread, Ah! 'Twas built for me an' you.

I ken a path, a winding path Through the forest green and gay Where "Jacks-in-the-pulpit" all in a row May preach for you lika day; There are emerald mosses, and lichens fine, Feathery ferns an' columbines, Ah! It's grand in the month of May.

I ken a path, a bonnie path, An' 'o' the ocean wide, Through the waven' field o' grain, Turning from green to mellow gold, Washed sweet by the summer's rain; With scarcely a fall in weed in sight, It fills the soul with a keen delight, And a grateful heart's refrain.

I ken a path, a narrow path, An' it leads to the Hills o' Home, Sometimes it is smooth, an' some times rough, Yet we'll reach there just the same; For the beacon light shines bright and clear, As we journey on free year to year— Ah! to hear the "Welcome Home." —Jean Knox.

Bill Naylor Leads Sells Floto Circus

Popular Amusement Representative Here Yesterday—Advertising Squad Today.

Dust off the peanuts; get your throats ready for the pink lemonade, for the news has come that the second greatest circus in the world, Sells' Floto, is coming to our city, and with the news came William B. Naylor, or rather he brought the news and was welcomed by his many newspaper friends in St. John with open arms.

Sells' Floto closed a big week in Boston on Saturday night, and will come to St. John intact, with three rings and two tracks, and over two hundred feature acts, including the famous Hannaford family head-on by the world's greatest clown break-neck rider, Poodles. This big act was brought over from England three years ago, has played for sixteen months at the New York Hippodrome and is the highest paid circus act in the world today.

Contra to reports sent out by other circuses this season, Sells' Floto will parade in St. John, the management recognizing the value of the parade, and the interest and pleasure it gives to thousands of children, the circus will play here Monday, June 20.

RECORD STAKES PROMISE BANNER YEAR OF RACING

Limit for Half-Mile Tracks Reached in Brockton's \$40,000 Meet—World's Records Threatened—Interesting Review of the Fast Ones Today and Those of Former Years.

By W. H. COCHER.

The present boom of light harness racing is due largely to the half-mile tracks. During the past 19 years, the average on the double oval has jumped from a few hundred dollars to thousands, the limit being reached this year with a \$40,000 program for four days' racing at the Brockton Fair in October and \$22,000 for a race meeting at Windsor, Conn., in July. Large purses bring out big fields as well as racing material that can handle any of the horses that drop in from the mile tracks to measure their speed with the speedy two-uppers. A few years ago a mile in 2:10 over a half-mile track was considered a remarkable performance. Now it is an everyday affair. It would not be a difficult matter to arrange a program that would show an average rate of speed for a day's racing below that figure.

Greene started the half-mile track in 1903. He trotted in 2:06 at Omaha, Neb. Four years elapsed before that figure was changed. The new mark was made at Allentown, Pa., where Sweet Marie trotted in 2:07 and George G. in 2:06 3/4. After this pair passed on, James Farley drove Locust Jack in 2:05 at Baltimore and Harry Alice made two trips around a Kansas track in 2:08 3/4.

In 1909 Frank Burgess started the Koshan 2:10 list with Nahma by driving her in 2:09 1/4. Equine Bulkeley was delighted with the showing of the handsome daughter of Peter the Great. She also paved the way for another brilliant day at the historic track in 1911, when Ulan placed the half-mile record for trotters at 2:02 3/4, the week after Bennoch drove the European bred horse, Willy, in 2:07 3/4 at Monroe.

In the past as at present, the paced the way in the matter of extreme speed on the half-mile tracks. In 1914 Tom Patch started the 2:05 list over a combination park, where the May State Circuit will later next month, with a mile in 2:04 1/4. He drove him. Four years later Andrew made two trips around the Lima, Ohio, track behind John R. Gentry in 2:04 3/4.

Prince Albert was the next record maker. His flash was at Allentown, where he paced in 2:03 1/2. In 1919 Dan Patch appeared at the same course and made a mile in 2:03. He was the world's record, but at present the champion divides the honors with Sign G. the latter having equalled it in 1918 in the third heat of a race at Des Moines, Iowa.

Of the other feet footed pacers that whizzed around the half-mile rings, Directum I. turned the time at Woodbury, N. Y., in 2:02 3/4 and Billy M. in 2:04. The track at Kutztown, Pa., made a return for Lizzie March in 2:02 3/4, Rosa Hal in 2:03 1/4, and Peter Stevens in 2:04. May Richmond recently exported to England, paced a half-mile track in Kansas in 2:04 1/4 and The Mel, another star, won at Port Haron, Ohio, in 2:04 1/2.

This year with the large amounts offered for free-for-all pacers on the half-mile rings, there will be a general reduction of track records with chances of a few of the world's records being changed. Springfield, Mass., with a \$6,000 open event for his fair in September, expects to see the 2:01 1/4 which Directum J. made there last year reduced before the money is awarded. In that event, the "Black Panther" from Providence, R. I., Single G., Margaret Dillon and Grace Direct.

The 1921 half-mile track campaign will open at Friday, Ohio, this week. Then after a skip of seven days on account of the sale of the Rockport track, the stables will move on to Berea, Akron and Canton. Of the pacers which will appear at such meetings, none will attract as much attention as Prince Lorse. He is booked to meet Kokomo George, Solomon Boy, Queen Ohio, Gray Eagle, and Miss Crowe, with which Berry forced Direct C. Burnett out in 2:07 at Windsor last October.

The quality of the trotters engaged for the meetings in northern Ohio raises that this series is a curtain raiser for the Grand Circuit. The group engaged includes Alexander B., Don de Lopez, now in Stoker's stable, Dorothy Day, Mack Forbes, Harry Chapman, Edith Carter, Ramco, Edgars, Spyer, Little Peter, Ben McGeeper, The Ace and Hickory Bill. The names of the last two recall the race in which they started at Lexington in 1919. Erickson was up behind Hickory Bill and did everything he could to lose it without falling out of the sulky. Mitchell would not come on with The Ace and McDonald could not land either of the first heats with Harvest Tide. After the race, Scott Townsend, who at that time owned Hickory Bill, remarked: "I have tried to win many a race and could not, but that is the first one I ever tried to lose and failed."

The \$10,000 offered by the Bay State Circuit for the summer series in New England will bring together the best collection of racing material ever seen on the half-mile tracks. The first race will be trotted at Combination Park. From there the stables will move to Woonsocket and after stopping there for four days make week stands at Avon, Windsor, Springfield, Northampton, Greenfield, Worcester, and back to Combination Park at Medford. The date of this meeting will bring it the week prior to the Grand Circuit arrival at Reading.

The list of trotters engaged for a try through this circuit includes Peter J. and Lobe Riddell, both of which best 2:05 in races last year. Fenesta, which was retired in 1919 on account of lameness after winning at Cleve-

Halifax Stable At Fredericton

L. R. Acker's String of Fast Ones Are in Charge of "Red" Hanfin.

Fredericton, June 5.—The racing stable of L. R. Acker, the Halifax Theatre man, has arrived here and his four horses, as well as two others owned by Nova Scotia horsemen that are in charge of Driver "Red" Hanfin, are now located at the Fredericton Park Association's Park, where the training camps now include about twenty horses that are being prepared for the Maine and New Brunswick Circuit's campaign.

Mr. Acker's string consists of Rip n' Fly, a pacer and single, and Worthy, 2:17 1/2; Peter Verde and Trizie Azworthy, trotters. All four have come from Minnesota. L. L., the two record members of the stable last year and the others early by spring. The other members of the stable are Confection, a bay pacer mare, by the Northern Han, with a breeder's record of 2:13 obtained on the half-mile track at Minocla last fall, and John D. Forbes, a handsome big trotter by J. Malcolm Forbes, the former being owned by C. H. Dewitt, of Bridgton, N. S., who campaigned Terrace Queen, 2:04 1/2, some years ago, and the latter being the property of Charles E. Smith, of Halifax, who is well known in connection with harness racing in the Maritime Provinces.

It is unfortunate that Roy Marth did not purchase Royal Mack in time to name him in the early closing events. His presence would have added interest to the 2:13 business, as he was always on a trot and never failed to show among the leaders in the big events. His presence would have added interest to the 2:13 business, as he was always on a trot and never failed to show among the leaders in the big events. His presence would have added interest to the 2:13 business, as he was always on a trot and never failed to show among the leaders in the big events.

The slower classes of the Bay State Circuit present the names of a lot of fast horses. Some of it has been on the go for several seasons, as is shown by such names as Oros, Karol, Benson, Helen, Brookes, he was charged with but two breaks, while as almost everybody knows he won second money in three Transylvania. In 1918, he was in 1917, and in 1918 and Prince Lorse the following year.

At present the two-year-old division is almost an unknown quantity. The three-year-old will be at Avon, bringing together Silvio, Brooks, Gainer, Moccasin, and Scamp Spratt, Guavaya, Little Mary, and Mr. Hoover, while Josephine Sharp and Andrea, a brother to Sanardo, are named at Northampton and Greenfield.

The four meetings of the Orange County Circuit will parallel a portion of the Bay State. It will provide entertainment for the patrons of racing at Woodbury, Monroe, Goshen, and Middletown. Now that has been beyond the boundaries of the county in which it was started, its name should be changed to the Western Circuit, in memory of the man who laid the button and made it go when summer racing was a dead letter in the Empire State.

Races Arranged For Moosepath

A three minute class of horses is being made up for the Matinee racing at Moosepath, giving an opportunity for owners of well bred horses to try out their colts. It has been previously going the half mile circuit. This event will be staged next Saturday afternoon as one feature of the programme. The racing record at Moosepath is held by Peter A'Fren in 2:15, while the trotting record by Border Prince in 2:16 3/4. Some of the local horses to start during this season and their owners follow:

Peter Farren, O'Keefe; Touz, Rice; Una B. Haggard; Barones, Wilson; Forefather; Philbrick; Dillon; Dunas; Billie Miller; Yerwood; Elsie K. Karney; Cable, Graham; Border Prince, Jr.; Woods; Happy Chinese; King; Fincher; Brown; Darling, Mackin; Bing, Clark; Jim Tramp; O'Keefe; Black Laeris, Mackin; Echo Todd, Jr. Short; Loyalist Lady; Horgan; Kingsvale; Stuart; Victor, Jr.; Craft; Singer; Short; Miss Kaverer; Walker; Jack D. Evening matinee races have been arranged for June 15 and 22; July 6, 13, 20, 27. The afternoon dates are June 12, August 6, 13, 20. Exhibition races, 5th to 9th September and Overcoat meet Thanksgiving Day.

Scotchmen Won At Winnipeg

Winnipeg, June 5.—The touring Scotch footballers continued their conquering methods at the expense of the Manitoba representatives here on Saturday. The score 3 to 1, which hardly tells the merits of the two teams, though the locals made a splendid showing and kept the redoubtable visitors bustling at times, which served to make the game most interesting.

St. Peter's Team Won From Commercials

Eighteen Hundred People Watched the North Enders Outplay Their Opponents.

Eighteen hundred people on Saturday afternoon witnessed the St. Peter's win from the Commercials on St. Peter's grounds by a score of eleven to two. The Commercials started out well in the first of the game, and then only. They scored one run in the first inning and another and their last one in the third. It was this inning that the Saints started and landed seven men across the plate. The North-enders scored three more in the sixth and one in the eighth. They pounded Doak of the losing team for fifteen hits, while eight hits were made off Hansen. The official score and summary follows:

New Team For The West End League

Atlantics Have Dropped Out and the Carletons Will Take Their Place.

Owing to the poor showing made by the Atlantics in the West End Intermediate League the team has dropped out of the race and their place has been taken by the Carletons, which is composed of some players who made good last season. The Carletons will make their first appearance this evening when they try conclusions with St. Roses. The schedule for this week follows: June 6—St. Roses vs Carleton. June 7—St. George vs Portlanda. June 8—Portlanda vs St. Roses. June 9—Carleton vs St. George. The five leading batters in the league to date who have played in four games follow: McKinnon, St. Roses 529 C. Moore, Portlanda 509 R. Merryweather, St. Georges ... 486 Capon, Portlanda 456 J. O'Toole, St. Roses 448

Audacious Won At Belmont Park

Foreign Stable's Horse Captured Suburban Handicap Saturday With Mad Hatter Second

Belmont Park, N. Y., June 5.—Audacious, in the Foreign stables, ridden by C. Kummer, with 120 pounds won the Suburban Handicap yesterday by a half length from the Hancock stable's Mad Hatter, ridden by L. Sande, after a quarter mile drive through the stretch. Remington Park finished third, six lengths back; while the favorite St.terminator, was a distant fifth, never having offered serious contention. Eight horses started. The winner was quickest to begin, but was taken under restraint, while Dr. Clark and finally Mad Hatter supplanted off Hansen, 1; off Doak, 1. Struck out, by Hansen, 7; by Doak, 5. Passed ball, Russell, 2. Wild pitch, Hansen. Left on base, Commercials, 6; St. Peter's, 5. Time of game—One hour and forty minutes. Umpire, Howard and Connelly. Scorer, Carney. Attendance, 1,800.

Fifty-Eighth Annual Meeting of The Merchants Bank of Canada

Sir H. Montagu Allan, the President, Draws Attention to the Principal Features of Bank's Progress During Year of Expansion—Bank Now Has 400 Branches and 2,997 Shareholders.

D. C. Macarow, General Manager, States That a Certain Optimism is Not Only Warrantable and Desirable, But Even Essential—Reports Gain of \$7,000,000 in Interest Bearing Deposits for Year.

The fifty-eighth Annual Meeting of the Shareholders of The Merchants Bank of Canada marked the close of a satisfactory year for the Bank. The annual report indicated that business had well maintained during the period of readjustment and that there was a steady increase in the number of shareholders of the Bank, the total number now being 2,997, as against 2,622 a year ago, an increase during the year of 375.

The President, Sir H. Montagu Allan, in presenting the Annual Report, spoke as follows:

I beg to submit the Fifty-Eighth Annual Report and Statement of The Merchants Bank of Canada for the year ending the 30th April, 1921, to gether with the statement of the Profits for the same period.

The general depression in business which has been felt to a greater or lesser degree in every country in the world for some months past has affected the business of the Bank to some extent, but we hope the worst point of the depression has been passed, and that there will soon be a change for the better.

In the meantime, although we do not feel there is any cause for anxiety in regard to the future prosperity of this country, we feel called upon to re-examine our position in relation to our various undertakings and commitments.

It is gratifying to be able to tell you that our London Office, which was referred to last year as a new venture, is now well established and is building up a valuable and profitable connection.

In New York we have acquired an excellent building in the heart of the financial district, No. 38 Wall Street, and our Agency was established there on the 28th March last.

We moved into our new office on King Street, Toronto, early in May, and we are satisfied that we have secured a most desirable and profitable location.

We have in record with deep regret the loss by death of three of our Directors, two of whom were Vice-Presidents, Mr. K. W. Blackwell, Mr. Andrew J. Dawes, and Mr. Thomas Long.

We have in record with deep regret the loss by death of three of our Directors, two of whom were Vice-Presidents, Mr. K. W. Blackwell, Mr. Andrew J. Dawes, and Mr. Thomas Long.

New Members on Board of Directors.

The position of Vice-President was filled by the appointment of Mr. F. Howard Wilson, and the vacancies on the Board were filled by the appointment of Mr. John Bailie, Mr. Ross H. McMaster, and Mr. Norman J. Dawes.

We are in common with the Directors of the other Banks in Montreal, subscribed on behalf of the Bank to the Fund raised for McGill University by the campaign last autumn.

The Directors have pleasure in stating that the members of the staff as a whole have performed their duties in a satisfactory manner, and they recognize that the success of the institution is largely due to their loyalty and co-operation.

STATEMENT OF THE RESULT OF THE BUSINESS OF THE BANK FOR THE YEAR ENDED 30TH APRIL, 1921. Table with columns for various financial metrics and their values.

This has been disposed of as follows: Dividend No. 122, at the rate of 12 p. c. per annum, \$274,833.60; Dividend No. 123, at the rate of 12 p. c. per annum, \$24,623.00; Dividend No. 124, at the rate of 12 p. c. per annum, \$26,264.48; Dividend No. 125, at the rate of 12 p. c. per annum, \$24,568.24.

H. MONTAGU ALLAN, President. D. C. MACAROW, General Manager. REPORT OF THE AUDITORS TO THE SHAREHOLDERS OF THE MERCHANTS BANK OF CANADA.

In accordance with the provisions of sub-sections 19 and 20 of Section 56 of the Bank Act, we report to the shareholders as follows: We have examined the above Balance Sheet, the Books of Account and other records at the Chief Office of the Bank...

We have obtained all the information and explanations we have required. In our opinion, the transactions of the Bank which have come under our notice have been within the powers of the Bank, and the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Bank's affairs...

VIVIAN HARCOURT, GORDON TANSLEY, Auditors. (of the firm of Deloitte, Piender, Griffiths & Co.) Montreal, 23rd May, 1921.

Adoption of Report. In moving the adoption of the report Sir Montagu Allan said: "I have very little to add to the report I have already presented. But I wish to add to it that during last autumn we found that it was advisable to make a new issue of notes of the Bank...

The General Manager, Mr. D. C. Macarow, in rising to make his annual address, was received with much applause by the Shareholders.

Following the President's concise yet comprehensive review of the situation, as reflected in the year's statements, there is little left for me to add beyond, perhaps, a word or two by way of amplification.

The trend of our interest-bearing deposits for the same period has been steadily upward, an increase in that Department of about \$7,000,000 being shown, but this has been more than offset by the decline in the total ordinary deposits. A year ago, however, under the heading of Demand Deposits a sum of about \$10,000,000 stood to the credit of the Government in connection with Victory Loan payments.

Current Loans and Discounts, apart from loans to cities, towns, municipalities and school districts, stand at \$109,183,502.80 as against \$113,198,000 last year, a reduction of \$4,000,000 in the twelve months' period. It will be seen, therefore, that this Bank continues to extend its ample share of confidence to the industries of the country, including support, in

full measure, to our largest individual source of production and wealth, agriculture. In this latter connection it may be said that the situation in Canada suffered severely by the disappointing out-turn of last year's Western crops.

There are indications that the monetary position, broadly speaking, is less stringent and that the general liquidity of credit now in evidence is continuing to develop further.

Supply and prices are becoming broadly co-ordinated to demand, though it must be said that retail prices are keeping step with wholesale in the downward movement. A levelling in this respect, it is obvious, must take place as soon or later it will before the deadlock between buyer and seller can be effectively broken and activity in trade supplies stagnation.

Annual Report Adopted. There being no discussion by the Shareholders the President then put the motion for the adoption of the Annual Report, which was unanimously carried.

It was moved by Mr. John Patterson, seconded by Mr. W. B. Blackader, that Messrs. Vivian Harcourt and Gordon Tansley of Deloitte, Piender, Griffiths & Co., be appointed auditors of the Bank, to hold office until next annual meeting. The motion was unanimously adopted.

On motion of Mr. Alfred Piddington, seconded by Mr. S. M. Baylis, Messrs. John Patterson and Colin Campbell were, by unanimous vote, appointed scrutineers, and directed to cast one ballot for the election of the following persons as Directors:

Sir H. Montagu Allan, Mr. F. Howard Wilson, Sir Frederick Orr-Lewis, Bart., Hon. C. Ballantyne, Mr. Farquhar Robertson, Mr. George L. Gains, Mr. Alfred B. Evans, Mr. T. Ahearne, Lt.-Col. Jas. R. Moodie, Hon. Lorne C. Webster, Mr. E. W. Kneeland, Mr. Gordon M. McGregor, Mr. John Bailie, Mr. Norman J. Dawes, Mr. R. H. McMaster.

Mr. Colin Campbell: "Before this meeting adjourns I wish to propose a vote of thanks to the Chairman and the Directors of the Bank for the able manner in which they have carried on the work of the Bank during the past year, which has been one of unusually complex difficulties. I am sure we are all thankful for the report they have presented today, and that if they keep on presenting such reports we shall keep on thanking them."

This vote of thanks was immediately carried, with applause. The President—"For myself and the Directors I must express our gratitude to you for the expression of appreciation of the work we have done during the past year. It has been a difficult year during this reconstruction period, and there have been many anxieties connected with the management of a Bank of this magnitude. But on the whole everything has gone well, and I thank you for this renewed expression of confidence and approval."

This concluded the business of the meeting, which then adjourned. Election of Officers. As a subsequent special meeting of the Directors, Sir H. Montagu Allan was re-elected President, and Mr. F. Howard Wilson, Vice-President.

Wheat Opens Easier And Declines More

July and October Offerings Drop But Cash Demand Good and Premiums Higher

Winnipeg, Man., June 5.—In sympathy with the prevailing weakness on the Chicago market lately, the local wheat market opened easier and lower yesterday. In the future market July wheat opened 2 7/8 to 2 3/8 cents lower at 1.75 to 1.72 1/2, and later fell to 1.73 3/4, with October opening 2 1/4 cents lower at 1.38 and at the low point went to 1.32 3/4.

In the cash wheat market there was a good demand with prevailing premiums higher than recent days, from 18 to 20 cents being paid for the top grades. Owing to limited offerings the trade was only fair, being more in the nature of re-selling.

CLOSING QUOTATIONS.—Wheat, July 1.74; October, 1.32 1/4 bid. Oats, July, 48 1/8 bid; October 47 1/8 bid. Cash prices: Wheat, Northern, 1.94; No. 1 northern, 1.91; No. 2 northern, 1.81; No. 4, 1.74; track, 1.78.

THE WEATHER

Toronto, June 5.—Pressure is high over the lake region and low over the Rocky Mountain range. Weather has been warm with scattered showers throughout the West, but continues fine and comparatively cool from Lake Superior to the Maritime Provinces.

Maritime—Moderate to light winds; fair, not much change in temperature.

Northern New England—Fair Monday and Tuesday; not much change in temperature, moderate to variable winds.

AROUND THE CITY

THE RED CROSS.—The Red Cross at Salisbury is being highly congratulated upon their splendid work for the Red Cross membership campaign, having secured sixty new members.

TO ROTARIAN CONVENTION.—Miles E. Agar left here Sunday for Montreal to embark on the Empress of Britain for Liverpool. Mr. Agar is en route to the International Convention of Rotarians to be held in Scotland.

ROW OVER A DOG.—"Ye got a quit kickin' my dog aroun'" an elderly resident of Acadia street adopted the slogan last Saturday night, and for a while made things real lively for a couple of lads who had been tormenting his canine. Peace-makers stepped in before a real row could be staged.

NAMES OMITTED.—Among the names of the prize-winners at the Masquerade Dance at Bonforth on June 4, were Miss Rosa Comeau, who won the children's prize was omitted, also those of Mrs. A. P. Patterson, Miss Mary Robertson and Miss Alex Rogers, whose costumes received honorable mention.

FIVE DEACONS ORDAINED.—At the close of a most impressive service which was preached by the pastor, Rev. Isaac Brindley, in Ludlow St. Baptist Church last evening, the five deacons who were recently elected were officially ordained, Edgar Christopher, William Fulton, George T. King, R. Hunter Parsons and Renwick J. Anderson.

RESIGNED POSITION.—Nelson McEwen, who has been secretary of Boys' Work at the Y. M. C. A. here for the past year, has resigned his position. He will complete his work on July 15, and after a vacation extending to September 1, he will take up the same work at the Vaughan street branch of the Winnipeg Association.

AGAINST SETTING FIRES.—Leaflets warning people against setting fires in the country and thus destroying valuable lumber are being distributed to passengers on outgoing trains by Boy Scouts. The lesson, it is hoped, may remain in the minds of those receiving this advice, until some warm dry day, and the scouts are commended in spreading abroad the admonition to carefulness.

THE PAY CAR.—The crowd returning from the ball game cast many longing eyes at a motor drawn up on Douglas avenue Saturday afternoon, as they watched the laborers engaged on the work approaching it for their pay envelope. As the car was filled with a number of hunky young men, it did not look as though a gunman would meet with much success in molesting it.

HAPPY YACHTING PARTY.—On Friday the staff of C. F. M. Co. Ltd., went on a yachting party up the river on the "Gracie M." starting from Millidgeville at 10 o'clock and arriving at Crystal Beach at about 12. After a good substantial dinner all went ashore to participate in the sports and dancing at the Sons of England picnic. At five o'clock they started for Millidgeville, where they had supper and a dance in the club house, and wound up the day by a drive back to town in the bus. The arrangements were under the direction of Bob Anderson, the owner of the "Gracie M." and Miss Irene Ryan, and the outing was a most enjoyable one to all present.

VITAL STATISTICS.—Seventeen deaths were recorded in the city during the week ending June 4 from the following causes: Pneumonia, two; premature birth, two; cerebral hemorrhage, two; senility, convulsions, cardiac failure, natural causes, brain tumor, corrosive poisoning, pulmonary tuberculosis, tuberculosis of intestine, laundries and inflammation of bowels, carcinoma of gastro-intestinal tract.

There brides swelled the number of marriages last week to eighteen. There were twenty-five births during the week, ten boys and fifteen girls.

BROTHERHOOD CLASS ELECTED OFFICERS

At a meeting in Ludlow street Baptist church the following members were elected as officers in the Men's Brotherhood Class: George T. King—President, Hazen Hamilton—Vice-president, John McLean—Secretary, M. Mullin—Treasurer, Lookout Committee—A. McKenna, W. Crawford, Visiting Committee—John White, J. Burnett, Entertainment Committee—M. Matthews, R. J. Anderson, H. Hamilton.

Midnight Fire In West St. John

Two Family House on Woodville Road Totally Destroyed Saturday Night

Saturday midnight a blaze broke out in a two-family house on Woodville Road. The cause of the blaze was attributed to the defective kitchen flue in the lower flat, occupied by Samuel Treacart, and quickly spread upstairs to the flat in which Gordon B. Smith lives.

Discovered By Women

The blaze was discovered by the women in the house about 12 o'clock, and one of the children had to run for help and ring in an alarm from box 212, as Mr. Treacart and Mr. Smith were both absent from the house at the time. The West St. John fire department was quickly on the scene, but as there was no water service they were powerless to help and the doomed building collapsed about an hour later. If there had been any water service at all, no doubt the house could have been saved from utter destruction, but as it was both families lost all the furniture and clothing that they possessed and had been asleep their chances of escaping from the building would have been very slight. Mr. Smith, the occupant of the upper flat, estimates his loss at about \$2,000, and carried about \$1,000 insurance. Mr. Treacart's loss is estimated at about the same with about only \$400 insurance. The house is owned by L. P. D. Tilley and is insured.

Saved Bicycle

A sensational feature of the fire was the attempt of Master Arthur Smith to rescue his bicycle from the burning house. He went through the dense smoke upstairs after the wheels, but when he reached it the staircase was burned away and he fell through the floor and a mass of burning timbers, luckily falling on a mattress in a downstairs room from where he got out of the house without any injury. This is the third house in this section to be burned, any one of which might have been saved had there been any fire protection of any description.

One Dozen Drunks Were Dealt With

Eight Dollars or Two Months Jail Handed Out to the Gathering in Police Court.

Sitting Magistrate George Henderson presided in the police court Saturday during the absence of Magistrate Ritchie, who spent the holiday with friends in St. Stephen. Twelve "loyal" drunks were given the option of \$8 or two months. One of them was also charged with begging money on Rodney wharf, and another with breaking a window in the Asia Cafe on Mill street. He paid his fine and made good the damage. Thomas Barret, East St. John, and Charles Tillet, were each fined \$10 for leaving their horses unattended on the street without leg straps. Tillet was unable to pay up and was sent to jail.

A summons was issued for Arthur Foster who failed to appear in answer to a similar charge. A case against Charles Beckwith, charged with soliciting passengers within the rail at the C. N. R. depot was postponed.

Impressive Talk To Young People

Rev. Isaac Brindley Preached Interesting Discourse in Ludlow St. Baptist Church.

Yesterday morning in Ludlow street Baptist church the pastor, Rev. Isaac Brindley, gave one of his monthly talks to the young people of the church. He took as his subject, "Where do you live?" based on "Where dwellest thou?" and Jesus said, "Come and see." John 1, Chapter 1, Verse 38-39. The speaker said it is more than a question of locality, geology or geography, it is a question of dominant interests and spiritual relations. You may know the number of a house where a man lodges and the street, and yet never know where he lives. Two men born of the same parents, dining at the same table, sharing the same room, and they may be leagues apart, continents and deserts may be between them. Mr. Brindley made three points: Where do you live in thought? What are the recreations of our young people? What purposes are they serving? Christ lived in the world with a consciousness of the presence of the Father and his supreme mission was to do the will of the Father and all his life was one great example of sacrifice for others.

Presbyterian Will Be Held This Week

The Presbyterian, which is the convention of the Presbyterian Women's Missionary Society, will meet in St. John this week, the 7th, 8th and 9th of June. Sessions will be held at St. Andrew's church. About sixty delegates from the St. John Presbytery are expected to attend. Among the speakers will be Mrs. Harvey Morton of Tanapuna, Trinidad, who will tell of work among the East Indians living in the West Indies.

GARDEN PARTY SATURDAY

The Motorists' and Conductors' garden party at Seaside Park Saturday afternoon was only fairly well attended. St. Mary's Band furnished a programme of music.

Executive of Navy League in Session

Meet at Halifax When Most Encouraging Reports of the Work Were Heard.

The Dominion executive of the Navy League of Canada held a very successful business session in Halifax last week, according to President Armstrong and Secretary Allan, who returned to the city on Saturday night.

Aemilius Jarvis, of Toronto, president of the league, presided at the meetings, which were held in the new Navy League building, near the terminal. There were representatives in attendance from Alberta, Manitoba, Ontario, Quebec, New Brunswick, Nova Scotia and Prince Edward Island. The reports represented showed that the league was doing a good work from coast to coast in maintaining seamanship in the provinces, training, in relief, and in awakening among the peoples of the dominion a greater interest in naval and mercantile marine development and in general education work along maritime lines.

New Brunswick Report

The New Brunswick report, which set forth in detail the excellent work that had been accomplished during the past winter at this port, and the co-operation that had been extended to the division by the Daughters of the Empire and other women's organizations throughout the province, awakened a great deal of enthusiasm. The success that had attended the essay competition carried on in New Brunswick amongst the school children was very favorably commented upon, and it was decided to continue these competitions so as to awaken in our boys and girls a greater interest in all that the maritime stands for. It was also decided to carry out an educational propaganda from coast to coast.

Budgets Received

Budgets from the several divisions were received and it was decided to use all available funds this year to strengthen the league in various parts of the country. In this connection a grant was made to the St. John Seaman's Institute for the extension of its building and in the expansion of its work among sailors.

The election of officers resulted in the re-election of Aemilius Jarvis as president, and of Gordon B. Jackson as secretary, and D. A. Paine as treasurer.

A resolution, setting forth the views of the league with respect to the strengthening of Canada's relation with the mother land, was adopted and was ordered to be forwarded to the Imperial Conference in London through the medium of Premier Meighen.

A great deal of other business was transacted, the executive concluding its sessions at midnight on Friday. The representatives of the Halifax branch of the league extended many courtesies to the visiting delegates. They were entertained at luncheon on one of the Royal Mail steamships; also at a 5 o'clock tea by Lieut. Governor Grant at the Maritime Hotel, and at a banquet on Friday evening in the Halifax Club. The same afternoon they were entertained on a trip around the harbor.

Power Co. Workers Slow To "Sign Up"

Recognition of the Principles of Their Union Chief Issue—Giving Up Flats.

With only five days remaining in which to comply with the dictum of the Amalgamated Association of Street Railway and Electric Workers, has yet made an application to the superintendent of the department for work. One of the men stated yesterday he would like to keep his job, even at reduced wages, but he could not be a party to the breaking up of his union or deprive himself of membership by individually negotiating with the management.

Give Up Flats

It is understood that several of the employees of the company have given notice to their landlords that they will vacate their flats this month. These men have expressed the opinion that their connection with the New Brunswick Power Company is near its end, and they have made arrangements to seek a livelihood elsewhere.

It is also said that the company has addressed a letter to each of its employees calling attention to the opportunity of making application to the superintendent of department, with which each is connected, if they intend to continue on their present job. A rumor was current last night that the company had extended the time for making the applications one month. This report could not be confirmed.

TO ELECT RECTOR

A meeting of the congregation of St. John's (Stone) church was called for June 21st for the purpose of electing a rector for the parish.

Fire Box Antics Caused Excitement

Triple Alarm Sounds for Lunch Cart Fire—Paradise Row Dwelling Damaged.

The jamming of the mechanism caused a triple alarm to be sounded when the hook was pulled from box 73 at 7:20 yesterday morning. In consequence a great many who hastened to attend, was thought to be a real big fire met with disappointment.

The blaze was located in Young's Quick Lunch, on North Market street, and did not attain great proportions, although the cart was gutted and the small shed in which it was housed was also damaged to some extent.

The "dog-cart" was closed at about 5 in the morning and nothing was noticed until some time after seven o'clock when it was discovered in the upper flat, occupied by Mrs. Elizabeth Garrett, and it is believed to have been caused by a defective flue. The loss was about \$400.

Longshoremen Meet At Halifax Today

Several from This City Join Large Delegation from States—Shipping Dull.

The annual convention of the Atlantic Coast District, International Longshoremen's Association opens in Halifax today. The following from the city are in attendance, going to Halifax Saturday evening: J. E. White, representing the North Shore Union and the Seamen of St. John; J. J. Morrissey, the District Council, and D. W. Webster, who represents the Shippers.

The local representatives were joined in the city by a large delegation from Boston, New York, Hampton Roads, Portland and Baltimore. It is expected that the day will be consumed by the convention in the consideration of business.

Deserters Gave Themselves Up

Two Men Belong to H. M. S. Valerian—Man and Woman on Theft Charge.

Five drunks were arrested over the week-end, two on Saturday, and three Sunday. Two prisoners were held for the Kings County authorities, Charles and Elva Sutherland, on a theft charge. They were arrested by Constable N. W. Hawkins.

Rural Dean Sampson Preached On Habits

Interesting Sermon Listened to in St. John's (Stone) Church Last Evening.

Rural Dean Sampson, of St. George's church, in an interesting sermon preached at St. John's (Stone) church last evening took for his subject, "Habits," pointing out that the non-church going habit is one which has been formed by a number of persons and urging that the good habit of assembling for Divine worship should be revived. In a forceful way the preacher broke bad habits, but still harder to break good habits. He quoted the words of Bishop Butler, who said "There are three steps to heaven—good habits, character," and added that the three steps will lead to destruction if the acts, habits and character are no good.

Five Young Fellows Taken To Dorchester

Proceeding to the Train Saturday Morning They Purposely Attracted Attention. Flashing their hand-cuffed hands and clashing the chains that shackled their feet at every available opportunity, to attract the public gaze and add to their notoriety, the five young desperadoes who sprang into the public gaze some two months ago by their cross-country flight via Musquash and Lepreau, were taken to the Maritime Penitentiary at Dorchester Saturday to serve time.
