## AGED AND INFIRM MINISTERS' FUND.

The Rev. Wm. Burns, agent for the Aged and Infirm Ministers' Fund, addressed the Synod, pressing the claims of the regular fund and of the endowment fund, upon the serious attention of the members of the Synod and their congregations. On motion of Mr. W. J. Dey, seconded by Dr. Laing, the following resolution was adopted:—

"That the Synod having heard the statement of the Rev. Wm. Burns, in reference to the Aged and Infirm Ministers Fund, express their gratitude at the progress made in raising an endowment, and commend both the endowment fund, and the regular fund, to the sympathy and liberality of the churches within the bounds."

## COMMITTEE TO STRIKE STANDING COMMITTEES

The Moderator nominated the following committee to strike standing committee, and report at an early sederunt: Messrs. John Gray, convener, A. Henderson, (Appin), A. F. Tully, A. McLean, John Eadie, R. Pettigrew, S. W. Fisher, W. Ross and J. C. Tibb, ministers, and Messrs. R. Rutherford, James Shields and George Leys, elders.

## INDUCTION AT LITTLE CURRENT.

Extract minutes of Bruce Presbytery were read to the effect, that a the induction of W. E. Wallace, at Little Current, on the 26th day of August last, only one minister of the Presbytery was present, the others having been unavoidably absent. Mr. Rennie, the member of the Presbytery, present, conducted the induction service in the circumstances, and the Presbytery now ask the Synod to condone the irregularity. On motion the Presbytery's action in approving of Mr. Rennie's action was sustained.

The hour of adjournment having arrived, the Synod adjourned, to meet again at 2 p.m., and was closed by the Moderator pronouncing the benediction.

## THIRD SEDERUNT.

At Stratford, and within Knox Church there, the nineteenth day of April, one thousand eight hundred and ninety two, at 2 p.m.

The Synod met pursuant to adjournment, and was duly constituted by the Moderator, with devotional exercises, Dr. McMullen engaging in prayer.

The minutes of former sederunt were read and sustained.

## OVERTURE ANENT AUGMENTATION FUND.

There was read an overture, transmitted by the Rev. D. J. Macdonnell, B.D., from the Home Mission Committee, asking the Synod to take into consideration, how the interest of the Augmentation Fund could be more successfully promoted by the oversight of Synodical committees, or otherwise, so that an equitable and economical administration of the fund may still further be secured.

Dr. Cochrane and Dr. Laing were heard in support of the overture.

The overture was then received.

After lengthened reasoning, the following resolution, on motion of Dr. Cochrane, seconded by Mr. Straith, was adopted:—The Synod expresses its satisfaction with the results of the Augmentation scheme, in aiding and developing weak congregations, until they have become self-sustaining. It greatly regrets the deficits that have arisen during the last few years, and earnestly commends the scheme anew to the interest and liberality of the church at large. The Synod approves generally, of the suggestion made in the overture for a Synodical Committee, which shall revise the applications of Presbyteries for grants for augmentation, before being presented to the General Assembly's Home Mission Committee, and will support any other well deserved measures that the General Assembly in its wisdom may see fit to enact. Further, the Synod is of opinion that the applications for grants from the Home Mission fund, should in like manner be revised by the Synodical Committee, before being transmitted to the General Assembly's Home Mission Committee.

REFERENCE FROM THE PRESBYTERY OF  
HAMILTON.

The Synod then proceeded to consider a reference from the Hamilton Presbytery *in re* Mr. James Watson's complaint. The finding of the Synod last year in this case was as follows:—

Presbytery of Hamilton acted irregularly (1) in taking action on the memorial of Mr. Henderson complaining of the action of St. Paul's session affecting himself, without recognizing the right to said-session to be heard at the bar of Presbytery in reference to the action complained of; and (2) in setting aside the action of the session, by giving Mr. Henderson a certificate of full standing from date, while professing not to interfere with the session's action. The Synod accordingly remits the case to the Presbytery, with instructions to cancel the certificate given by the Presbytery, and refer the memorialist to the session of St. Paul's, directing said session to hear and consider the professions of penitence made by him before the Presbytery and also before the Synod, that the session may decide whether the evidence of penitence is satisfactory, and if so, give him a certificate accordingly."

At a meeting, held the 15th May, 1891, the Presbytery, after considering the judgment of the Synod, passed the following motion by a vote of 14 to 6: "That inasmuch as the Presbytery finds difficulty in carrying out the decision of the Synod into effect, the matter be referred to next Synod for advice."

Dr. Laing stated the reference.

The reference was sustained.

Pending the further discussion of the reference, the hour of adjournment arrived, and the Synod adjourned to meet again at 7.30 p.m., the Moderator pronouncing the benediction.

#### THE HAMILTON PRESBYTERY REFERENCE.

Dr. Proudfoot presented the report of the committee on the reference from the Presbytery of Hamilton, which was in the following terms :

"The Synod regrets that the Presbytery should have difficulty in interpreting the decision of last year. The court now give the following interpretation of the decision in question, viz., that the cancelling of the certificate would have been fulfilled by declaring it cancelled, and making intimation thereof to the parties concerned ; and referring the memorialists to the session of St. Paul with a certified extract to that effect, and a copy of the Synod's decision was all that the Presbytery was required to do in order to fulfil the duty laid upon it by the Synod in that particular. The Synod regrets that this course was not taken by the Presbytery. In view, however, of all the circumstances the Synod is of opinion that no good would result from further prosecution of the matter, and, therefore, enjoins all parties "to follow after the things that make for peace," it being understood that Mr. Henderson be regarded as under the care of the session of the church in which he now worships, the session of St. Paul's Church having cordially consented to this in terms of section I4. of the book of forms."

Dr. Proudfoot intimated to the Synod that all parties had acquiesced in this judgment, and moved, seconded by Mr. Musgrave, that this be accepted as the finding of the Synod.

The Synod unanimously adopted the finding, and Dr. Proudfoot, at the request of the Moderator, engaged in prayer.

#### THE CHICAGO EXPOSITION.

Mr. McKibbin brought under the notice of the Synod, the proposal of the American authorities, to open the Chicago Exposition of 1893, on Sabbath, and proposed the following resolution :

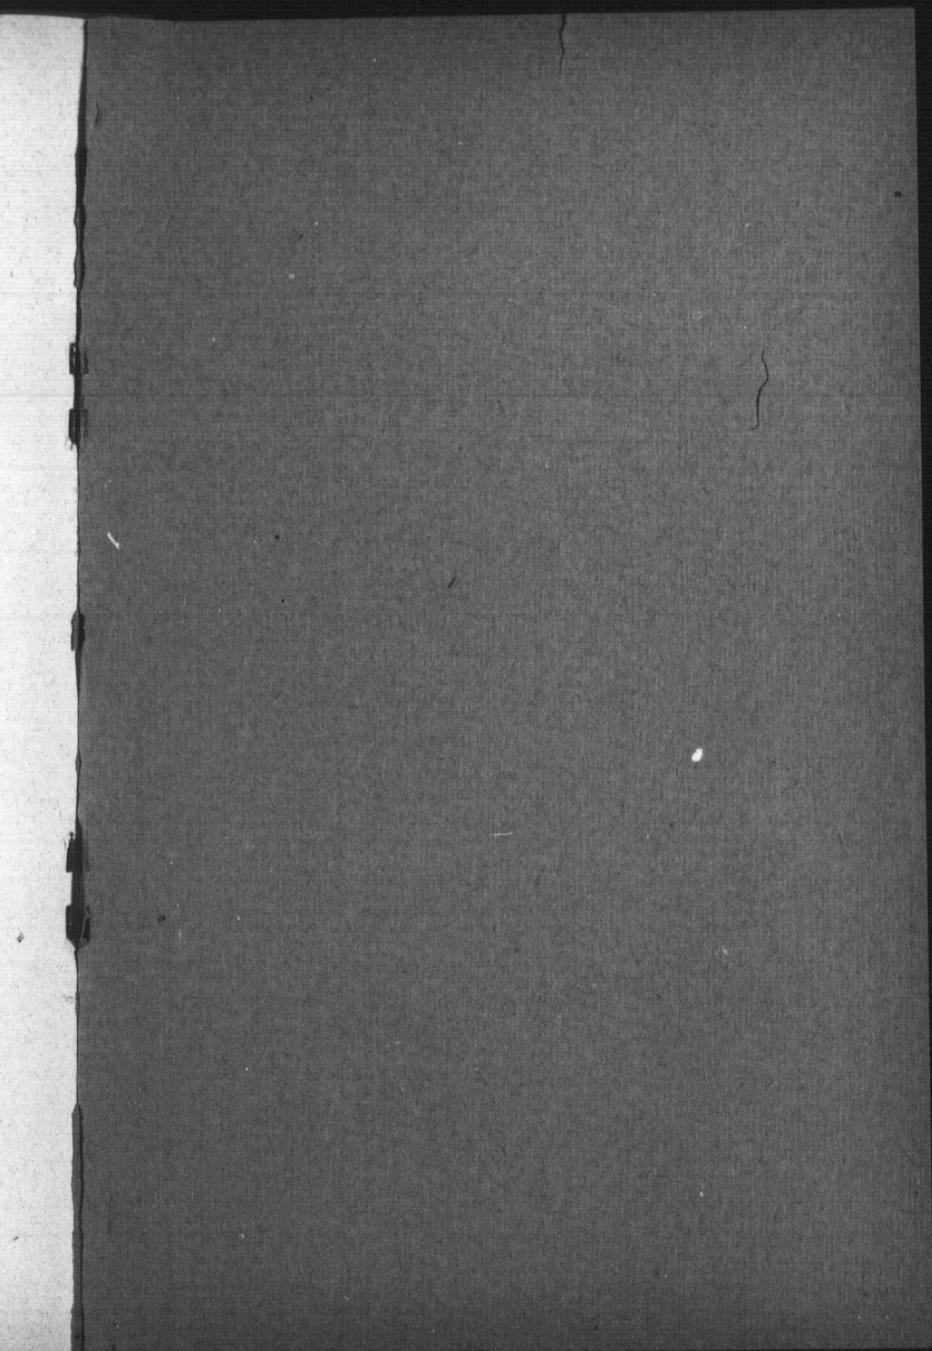

"That this Synod, recognizing its duty and privilege to maintain and defend to the uttermost of its powers the sacredness of the Sabbath, and noting the attitude with respect to the holy days, of parties in power, connected with the preparations for the World's Fair in Chicago, resolves to petition and hereby does petition the Government of our Dominion to firmly oppose and, as far as possible, repress any action done in the name of our country, or any exhibitor therefrom, that would look towards a participation in the threatened desecration of the Lord's Day. This resolution was adopted.

Dr. Cochrane moved that the Moderator and Clerk be instructed to prepare and transmit a petition praying that the Dominion authorities should not permit the opening on Sunday of the Canadian portion of the Chicago Exposition in 1893. This resolution was also adopted."

## VOTE OF THANKS.

On motion of Dr. Cochrane, the cordial thanks of the Synod were given to the ministers of Knox Church and St. Andrew's Church, and the office-bearers of Knox Church for the use of their building ; to the committee, who had made arrangement for the entertaining of members, for the business of the Synod, and to the railways for reduced rates.

The business being concluded, the Moderator, after devotional exercises, and prayer by the Rev. Andrew Tolmie, ex-Moderator, declared the Synod adjourned, to meet again in Knox Church, St. Thomas, on the third Monday of April, 1893, at 7.30, p.m., and the sederunt was closed with the benediction.
