STILL ANOTHER SHOOTING FATALITY

Abraham Poirier is Accidentally Shot in Camp at The Upsalquitch.

LEAVES LARGE FAMILY

Still another shooting fatality occurred on Sunday afternoon when Abraham Poirier of Maria, P.Q. was accidentally killed by his nephew, Timothy Derosey of Paspebiac P.Q. It appears that Poirier handed his gun to his nephew who was lying in his bunk at the same time telling him there were three cartridges in it. Derosey removed two of the cartridges but the third one stuck. While endeavouring to extricate the charge it exploded killing Poirier instantly. His body was taken to his home on Monday via Dalhousie. He was about forty years of age, and leaves a large family in poor circumstances.

DEATH OF ANCIENT RESIDENTER OF ELDON

Mrs. Geo. Mann Dies in Hotel Dieu Result of Blood Poisoning.

Died at Hotel Dieu hospital on Monday, Nov. 4th Mrs. George Mann, at the advanced age of 79 years. The deceased lady had been a resident of Point Pleasant, parish of Eldon nearly all her life.

During the past year she had suffered from Gangeene in her right foot. About four weeks ago she entered the hospital here, and had her foot amputated at the ankle, but it was to late, blood poisoning set in and she passed peacefully away at 10.30 Monday night.

The remains were forwarded to Matapedia on the Limited, Tuesday night, where it was met by a number of relatives and friends and conveyed to her former home.

Funeral, which was conducted by Rev. C. A. Hardy, took place on Thursday at 1 o'clock.

Funeral bearers being her four sons and two son-in-laws which was according to her wish.

The deceased leaves a husband, five sons, Albert of Tide Head, Gordon and Finley at home, Walter of Campbellton and James of Mankato; two daughters, Mrs. Thomas Moores of Moores Settlement and Mrs. James Downs of Tide Head, one sister, Mrs. Christy Clarke of Merrillie and a number of grandchildren and great-grandchildren. Interment at Flat Lands cemetery.

DROWNING FATALITY AT EEL RIVER

Young Boy Drowned While Sliding on High Banks of Eel River

BODY RECOVERED

The four year old son of William Hamilton, was drowned on Saturday afternoon while coasting near his home with his younger brother at Eel River Crossing. It is supposed that in sliding near a high bank of the Eel River he went over, as when he was missed his sleigh and cap were found on the ice. All day Sunday parties searched for the body. Grappling irons were sent in by Mr. Hilyard, of the Dalhousie Lumber Co., and it was only on Monday afternoon that Mr. Alex. Levesque and a Mr. Lurette were successful in finding the remains of a promising boy near the new steel bridge at the mouth of Eel River. The bereaved family have the sympathy of the whole community in their affliction.

THE PRESBYTERY MEET AT MATAPEDIA

The Presbytery of Miramichi met at Matapedia on Wednesday and inducted the Rev. Mr. Miller to the new pastorate of that place.

Rev. T. P. Drumm, Rev. C. A. Hardy and Rev. P. Lebel took part in the proceedings. The Presbytery adjourned till next Wednesday to meet at New Mills to deal with a call from P. E. Island to the Rev. J. M. McLeod, New Mills.

NOT GRAND OPERA SHOULD BE COMIC

In our last week's report regarding the Pollard's Opera Company which is coming to the Opera House on Dec. 9th we stated, inadvertently they would appear in Grand Opera. This was wrong. This company of 40 people will appear in comic opera, and splendid arrangements have been made the management. They have placed the reserved seats at \$1.00 and numerous enquiries have been made for these.

TO HAVE RUNNING RIGHTS OVER I.C.R.

C.N.R. and C.P.R. May Use New Halifax Terminals When Completed

\$30,000,000 JOB

Ottawa, Nov. 12.—The preparation of working plans for the great deep-water terminals which are to be constructed at Halifax will shortly be commenced. The intention is to have the plans ready so that tenders may be invited as soon as parliament has voted the money for the work. While it is estimated that to complete the programme will require an expenditure of at least thirty millions of dollars, parliament will not be called upon to vote so large a sum at the coming session. Probably five million dollars will suffice for the first year's work.

It is understood that some of the large Canadian contracting firms are arranging to combine for the purpose of capturing this contract. During the last year or two British contractors have been walking off with the big things. Norton Griffiths captured a ten million dollar contract at St. John, and Sir Jackson got the contract for the Victoria breakwater.

The Canadian Pacific and Canadian Northern are to be given running rights over the Intercolonial to Halifax and free access to the big docks when they are completed.

The department of rail ways is arranging to operate all the sections of the National Transcontinental on which steel has been laid. The line, which was constructed through the wilderness, has produced settlements of a permanent character which require train service. Arrangements are being made to operate trains over a stretch of 150 miles westward from Cocharne, one fifty miles eastward from Cocharne, one from Quebec Bridge westward to the end of steel, and between Edmund-ton and Moncton in New Brunswick.

THE DUNCAN CASE IN POLICE COURT

Four Young Men Charged With Burglary—Case Withdrawn Against One

TWO COMMITTED

At the police court before police Judge Matheson, four young men named Daniel Dugay, Joseph Wedge, Warren Lavigne and Angus Dugay were charged with breaking into the store of Joseph Duncan on the evening of the 8th Nov. and stealing goods to the value of over \$700.

At the preliminary hearing today the Crown withdrew the charge of that against Daniel Dugay with the consent of complainant.

On the names of the other three called Warren Lavigne and Angus Dugay took their place before the magistrate. Mr. E. R. Richard prosecuted and after the charge was read evidence for the complaint was taken.

Joseph Duncan was the first witness, who gave evidence of locking

THE TEMPERANCE PARTY GET IN LINE

Large and Influential Meeting Held in Opera House on Monday Evening

THE FIGHT IS ON

A mass meeting under the auspices of the Temperance Federation was held on Monday evening in the Opera House. Mr. A. McG. McDonald in the chair.

The spacious house was well filled and the speeches of all were given close attention.

As certain persons are busy getting up petitions to have the council take a vote next May on the question of local option, the temperance people of the town are preparing for the fight, and this meeting was the opening of the campaign.

Supporting the chairman on the platform were Revs. T. P. Drumm, J. E. Purdie, C. W. Squires and J. H. Jenner, Messrs. W. P. Gray, H. A. Allan and other.

The store at 6.30 p.m. on Friday all secure and on entering Saturday morning found that the place had been entered through a broken pane of glass in a back window. He identified the goods which was produced in court. Some of the goods were recovered by himself in Robert Duncan's field behind a pile of brush, on the afternoon of Wednesday 13th inst. Daniel Dugay being called to the stand gave evidence of seeing the accused on the evening in question. Wedge told the witness he was going to make a haul of money. The three accused left his house about 12 o'clock at night returning between one and two with an armful of plunder each. Wedge said we got the good at Jos. Duncan's store. They put the stolen goods in Dugay's cellar and when back for another load. They since removed the goods, witness telling them they must remove the things as he did not wish them round his house. Witness identified the goods as being similar to the ones he saw accused with. He heard Wedge say he broke in the back window. Wedge has since left Campbellton on a schooner sailing from here for American ports.

Mrs. Lizzie Dugay, wife of last witness corroborated her husband's story. On being asked by the magistrate if they had anything to say they pleaded "not guilty" and elected to give evidence on their own behalf.

Their story bore out the testimony of the witness Dugay, they claiming that Wedge broke into the store and he called them from the sidewalk to give him a hand to carry the stuff.

The magistrate committed them to stand trial at the next sitting of the Supreme Court.

The capture of the burglars was a smart piece of work on the part of Chief Hughes and the local force. Being engaged on the lumber camp murder, they were unable to get properly working until Wednesday when a good piece of detective work placed the police in possession of the knowledge of where the stuff was hidden. The arrest of the parties was an easy matter after that.

The accused will be tried at the next sitting of the court.

SERIOUSLY ILL

The public generally will be sorry to know that Mr. George Cunningham is seriously ill at his home. He has served the public and the Post Office Dept. as mail carrier faithfully and well for the last twenty-five years. In all this time, it is said, he missed the night mail on two occasions only. He will be eighty years old on St. Andrew's day.

TERRIBLE TRAGEDY IN LUMBER CAMP

One Man Shot and Another Wounded by Peter Rioux, an Owner of Homestead.

RIOUX SUICIDES

(From Monday's Extra)
One of the most atrocious murders committed in New Brunswick in recent years was the killing of Elvin Annett, a lumber foreman, a native of Gaspé, P. Q., where his mother and father reside, and the seriously wounding of John Glover, a lumber jobber, by Peter Rioux, a settler about two miles from the little village of Anderson in this county, and on the International Railway.

That the murder was premeditated and was not committed in the heat of a quarrel, was clearly shown by the statements of those who were in the vicinity of the crime when it was committed. Rioux deliberately followed Annett from camp and shot him from ambush at a distance of about twenty five yards. Two shots were fired. The first missing the mark, but the second killing Annett instantly, the bullet striking him in the left side in the vicinity of the heart.

The murderer then returned to his camp, packed a small haversack, supposedly with food, and went into the woods in the opposite direction, to where Glover was at work, and fired one shot at him as he was standing on a log trimming off the branches. Glover was in a stooped position, swinging his axe, so the bullet, which struck him in the back, passed out of his shoulder, entered his cheek, passed through his eye and out his forehead. He is now in the Campbellton hospital in a serious condition, but may recover.

Such in brief is the story of the tragedy.

When word of the shooting was received here Saturday morning, Coroner A. Martin, M. D., and Judge Matheson took charge of the affair. The provincial authorities were notified and orders were issued setting in motion the necessary legal machinery for the apprehension

Searched Camp
The special train proceeded to Campbellton crossed. On board this express was Glover on his way to the hospital at Campbellton. Dr. Lunan examined him and found that he was standing the journey in good shape, and returned to Campbellton with him. The two young men, Jos. Arseneau and Arthur Patterson, who were with him at the time of the shooting and during the entire day, returned to Anderson on the special as their services and evidence were required by the coroner.

The Cook's Story

The cook, Sydney Sams, a native of Gaspé tells the following story:
After the other men had left the camp which was before daylight he saw Peter Rioux leave his camp which was only about six feet from the lumbermen's camp. He had his rifle with him and went in the direction taken by Annett. Some time later he saw Rioux return but without his rifle, enter the camp, and leave again with a small pack of haversack on his back. Rioux went into the woods in the opposite direction this time and a few minutes later Sams thought he heard a shot. Shortly after Arthur Patterson came into camp and told him Glover was shot. He went with him and the others and carried the wounded man to camp and later to Anderson.

The Shooting Of Glover

The particulars as related by the men who were with him:
Glover, Arthur Patterson, Jos. Arseneau, Anthony Arseneau and Edwin Campbell left the camp before daylight and went to the scene of their operations which were on the Rioux grant. They were engaged skidding up logs. They had been working some little time when they were startled by the report of a gun. Glover who was upon a log with an axe trimming off the limbs and was thus in a stooping position, fell over among the brush in a little hollow under the log, and a moment or so later called for help. Patterson who looked round in the direction of the sound saw the smoke of the rifle shot. Arseneau and Campbell went to Glover's assistance while Patterson was hurried off for the assistance of the gun. This was about 7:30 in the morning. Together they carried the injured man to the camp which was close by. There they made an examination of the wound and bound it up as well as they could. Glover was conscious all the time and talked with the men. They then made a stretcher of blankets, rolled Glover up warmly and started for Anderson which was about two miles distant over a road in which the men with their burden frequently went so their knees in mud. Arriving in Anderson Glover was made as comfortable as possible until the arrival of the express from Campbellton. On this train he was taken to St. Leonard's but as Glover wished to be taken back to Campbellton a doctor dressed his wounds on the train. Arthur Patterson and Jos. Arseneau stayed with the injured man until relieved by Dr. Lunan at Richards.

Rioux Made Threats.

These two men both state that they saw Rioux talking with Annett and Glover several times recently and understood that he had threatened to shoot if they cut the lumber on his lot, but he was not taken seriously. There had never been any very angry words.

The camp occupied by Glover and his crew was built some years ago by another lumber operator as was the camp occupied by Rioux. These two camps are situated on Range No. 22 and only a space about six feet wide separates them. Rioux lot is on No. 22 the line of which is only a few feet distant from either camp. Practically no improvements had been made by

The Shooting

Frank Patterson a young man and a native of Gaspé thus tells of the shooting of Annett:
About 6:45 a. m. I left the camp alone to go to a point about half a mile distant to clean the brush out of an old hauling road, which we were to use about half an hour later. I was joined by Annett. I saw Peter Rioux coming along the road in the rear of Annett about 50 yards. After Annett joined me we worked about five minutes when I was startled by hearing a rifle shot. I looked back along the road and saw smoke among the trees about 25 yards distant, but could not see any person. I heard Annett say "what's the matter, Peter" as he started towards where the shot came from and where I had previously seen Rioux. I was also looking in this direction when I saw the flash of another shot and heard the report. Immediately Annett fell with a groan and never moved. I was badly scared and ran into the woods towards the settlement, where I arrived in a short time, and gave the alarm. With a number of men I was returning to the spot when we met others coming out carrying a man. I at once thought it was Annett, but they told me it was

Homestead Law

The primary cause of the murder was undoubtedly the fact that Glover was cutting lumber and ties off the lot of one hundred acres which Rioux had made application for and had been approved by notice published in the Royal Gazette dated November 6th.

According to an act passed in 1875 any British subject over 18 years of age who owns no other property in the province can apply for a grant of 100 acres for settlement purposes only, and upon approval a permit is issued, which call for certain obligations which include the clearing of 10 acres and a three years residence. By this act if the lot so granted is leased timber limits, the lease of said limits has until the next August to cut off the lumber on this granted land.

In this present case the lessee of the

TERRIBLE TRAGEDY IN LUMBER CAMP

(Continued from page two)

timber limits were the Richards Manufacturing Company and they had given the ground in the vicinity including the Rioux lot to the jobber John B. Glover with instructions to cut over the Rioux lot at once. The men were following these instructions when shot.

THE MURDERED MAN

Elvin Annett, of Gaspe, aged about 21 years, was foreman for J. B. Glover, a lumber jobber for the Richards Mfg. Co. near Anderson. His father and mother reside in Gaspe. Was a quiet, steady man, respected and liked by all.

THE INJURED MAN

John B. Glover is a native P. E. I. but has worked here for a few years. A wife and five small children live at Athol. His mother and sister live at Gaspe. He is a jobbing lumberman for the Richards Mfg. Co. Is a hard worker and a quiet, inoffensive man. His wounds are very serious, but he may recover.

The Inquest

The following jury viz. John White, Max. M. Mowat, P. H. Blyth, J. L. Murray, H. Calder, A. Hopper and A. Savoie, were sworn and the inquest under Coroner Martin begun. Before hearing the evidence the jury were taken to view the body. The coroner pointed out the wound in the back where the bullet had entered also the holes in the clothing of the deceased and the place of the bullet's exit on the forehead.

The first witness was Frank Paterson whose story appears in another part of this issue.

Mr. E. H. Anderson gave evidence as to the locality of the shooting stating that it was about three miles east of the boundary line between the counties of Victoria and Restigouche.

Chief Hughes gave evidence as to searching the camp of Rioux, and Mr. A. E. G. McKenzie told of finding the empty shell near the spot indicated by the witness Paterson.

No other evidence being forthcoming it was decided to adjourn the inquest sine die, till a post mortem examination had been made. The jury were unanimously of opinion that they could arrive at a decision as to the cause of death without this, but it was necessary that it should be made to comply with the legal requirements of the case.

Finding the Murderer

On Saturday three men Thomson, Savoie and Aylward were left to guard Rioux camp. Early on Sunday no sign of him being seen they started out and very soon got on to his tracks. Following these they wound in and about the bushes for about three miles later coming upon the dead body of Rioux barely half a mile from his own camp.

Examining the body the searchers found two bullet marks, one a glancing blow on the temple and another through the body in the region of the heart. The wounds were all made from a Swiss Mauser rifle. After finding the body the posse returned to Campbellton arriving here about 11 p. m., leaving a guard over the dead body, awaiting the arrival of the coroner.

"It is a pleasure to tell you that Chamberlain's Cough Remedy is the best cough medicine I have ever used," writes Mrs. Hugh Campbell, of Lavonia, Ga. "I have used it many times and it has always been highly satisfactory." For sale by all dealers.

DALHOUSIE BOUND SCHOONER WRECKED

Dalhousie, Nov. 14.—Word was received here yesterday that the schooner "Greta" owned by Capt. Charles Powell, and on her way to Dalhousie with a cargo of hard coal had run ashore near Point du Chene. There will be great disappointment here, as a great many families depended on this cargo of coal to get their winter supply.

FOR AGED PEOPLE

Old Folks Should Be Careful in Their Selection of Regulative Medicine.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. TERRIBLE TRAGEDY IN LUMBER CAMP

One Man Shot and Another Wounded by Peter Rioux, an Owner of Homestead.

RIOUX SUICIDES

(From Monday's Extra)
One of the most atrocious murders committed in New Brunswick in recent years was the killing of Elvin Annett, a lumber foreman, a native of Gaspé, P. Q., where his mother and father reside, and the seriously wounding of John Glover, a lumber jobber, by Peter Rioux, a settler about two miles from the little village of Anderson in this county, and on the International Railway.

That the murder was premeditated and was not committed in the heat of a quarrel, was clearly shown by the statements of those who were in the vicinity of the crime when it was committed. Rioux deliberately followed Annett from camp and shot him from ambush at a distance of about twenty-five yards. Two shots were fired. The first missing the mark, but the second killing Annett instantly, the bullet striking him in the left side in the vicinity of the heart.

The murderer then returned to his camp, packed a small haversack, supposedly with food, and went into the woods in the opposite direction, to where Glover was at work, and fired one shot at him as he was standing on a log trimming off the branches. Glover was in a stooped position swinging his axe, so the bullet, which struck him in the back, passed out of his shoulder, entered his cheek, passed through his eye and out his forehead. He is now in the Campbellton hospital in a serious condition, but may recover.

Such in brief is the story of the tragedy:
When word of the shooting was received here Saturday morning, Coroner A. Martin, M. D., and Judge Matheson took charge of the affair. The provincial authorities were notified and orders were issued setting in motion the necessary legal machinery for the apprehension

DRINK CURE A MIRACLE

No, Just Sound Science
Many drunkards are sent to jail when what they need is medicine. Drink has undermined their constitutions, inflamed their stomachs and nerves, until the craving must be satisfied, if it is not removed by a scientific prescription like Samaria.

Samaria Prescription stops the craving, restores the health and appetite, and renders drink distasteful, even nauseous. It is odorless and tasteless, and dissolves instead in tea, coffee or food. It can be given with or without the patient's knowledge.
Read what it did for Mrs. C., of Vancouver: "I was so anxious to get my husband cured that I went up to Harrison Drug Store, and got your remedy there. I had no trouble giving it without his knowledge. I greatly thank you for all the peace and happiness that it brought already into my home. The cost was nothing according to what he would spend in drinking. The cure of drink was putting me into my grave, but now I feel so happy, and everything seems so different and bright. May the Lord be with you and help you in curing the evil. I don't want any name published."
Now, if you know of any unfortunate needing Samaria Treatment, tell him or his family or friends about it. If you have any friend or relative who forming the drink habit, help him to release himself from its clutches. Write to-day.

A FREE TRIAL PACKAGE of Samaria Prescription, with booklet, giving full particulars, testimonials, prices, etc., will be sent absolutely free and postpaid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence sacredly confidential. Write to-day. The Samaria Remedy Co. Dept. 77 49 Colborne Street, Toronto, Canada. Also for sale by Thos. Wran, Druggist, The Retail Store, Campbellton, N. B.

of the murderer, the carrying for the injured and the taking of the evidence by the coroner.
A special train was made up by the International Railway to carry the Coroner, Judge Matheson and others as well as a posse of fifteen special constables under the leadership of Chief of Police Hughes, to Anderson. Among those in the party were Judge Matheson, A. E. G. McKenzie, D. A. Stewart, M. P. P. M. A. Kelly, Dr. Lunam, E. H. Anderson, W. Comeau, and others, while the posse was composed of Chief Hughes, Max M. Mowat, P. M. Anderson, Wm. Savoy, L. Wallace, J. Aylward, A. Hopper, J. Keirstead, John White, Harvey Calder, P. Blyth, J. Imray, and others.

The train left here about four o'clock, arriving at Richards about 6.30, where supper was partaken of.

and the regular express for Campbellton crossed. On board this express was Glover on his way to the hospital at Campbellton. Dr. Lunam examined him and found that he was standing the journey in good shape, and returned to Campbellton with him. The two young men, Jos. Arseneau and Arthur Patterson, who were with him at the time of the shooting and during the entire day, returned to Anderson on the special as their services and evidence were required by the coroner.

Searched Camp
The special then proceeded to Anderson, arriving there about 8 o'clock. Immediately the posse under the guidance of an experienced woodsman, left for the scene of the shooting, as it was thought probable that Rioux might return to camp for the night. The posse marched with lanterns over the rough road, which was in a very bad condition, owing to the recent heavy rains and snow, in very short time, arrived at the camps and without any preliminary proceedings walked into the Rioux abode and found it deserted. The premises were searched and nothing found except the usual camp equipment, some food and a small grip containing a half bottle of gin and one mousier rifle cartridge.

Three men were left in charge of the camps, while the others returned to Anderson. On their return the posse joined the coroner and party at the scene of the shooting.

Shortly after the departure of the posse the coroner and a party, under the guidance of Robert Lynch, went into the scene of the shooting to bring out the body of Annett, which had remained at the spot under guard all day. After the walk of about two miles the scene of the tragedy was reached. The body was found lying face down, his axe on one side, and his hat on the other, slightly in advance. The men on guard had a bright fire burning. The coroner examined the body and Messrs. A. E. G. McKenzie and W. Comeau made a hasty search of the woods in the vicinity, with the aid of a lantern. They found the spot where the murderer stood behind a tree and fired the fatal shot. They also found the empty shell, which was for a Swiss Mauser rifle of about 45-70 calibre. This shell fitted the rifle used by Rioux.

The coroner then gave the necessary instructions for the removal of the body, which was placed on a stretcher and borne to Anderson, no light work, as the deceased was a large man, weighing about two hundred pounds, and the roads were very soft.

Upon arrival at Anderson the body was placed upon the special train and the coroner proceeded to empanel a jury and took the evidence of a number of witnesses, after which adjournment was made to Campbellton, and the coroner accompanied by a few of the party, returned to town, where they arrived at 3 o'clock Sunday morning. The body was handed over to undertaker Graham.

The Cook's Story

The cook, Sydney Sam, a native of Gaspé tells the following story:
After the other men had left the camp which was before daylight he saw Peter Rioux leave his camp which was only about six feet from the lumbermen's camp. He had his rifle with him and went in the direction taken by Annett. Some time later he saw Rioux return but without his rifle, enter the camp and leave again with a small pack of haversack on his back. Rioux went into the woods in the opposite direction this time and a few minutes later Sam thought he heard a shot. Shortly after Arthur Patterson came into camp and told him Glover was shot. He went with him and the others and carried the wounded man to camp and later to Anderson.

The Shooting Of Glover

The particulars as related by the men who were with him:
Glover, Arthur Patterson, Jos. Arseneau, Anthony Arseneau and Edwin Campbell left the camp before daylight and went to the scene of their operations which were on the Rioux grant. They were engaged skidding up logs. They had been working some little time when they were startled by the report of a gun. Glover who was upon a log with an axe trimming off the limbs and was thus in a stooping position, fell over among the brush in a little hollow under the log, and a moment or so later called for help. Patterson who looked round in the direction of the sound saw the smoke of the rifle shot. Arseneau and Campbell went to Glover's assistance, while Patterson was hurried off for the assistance of the cook. This was about 7-30 in the morning. Together they carried the injured man to the camp which was close by. There they made an examination of the wound and bound it up as well as they could. Glover was conscious all the time and talked with the men. They then made a stretcher of blankets, rolled Glover up warmly and started for Anderson which was about two miles distant over a road in which the men with their burden frequently went so their knees in mud. Arriving in Anderson Glover was made as comfortable as possible until the arrival of the express from Campbellton. On this train he was taken to St. Leonard's but as Glover wished to be taken back to Campbellton a doctor dressed his wounds on the train. Arthur Patterson and Jos. Arseneau stayed with the injured man until relieved by Dr. Lunam at Richards.

Rioux Made Threats

These two men both state that they saw Rioux talking with Annett and Glover several times recently and understood that he had threatened to shoot if they cut the lumber on this lot, but he was not taken seriously. There had never been any very angry words.
The camp occupied by Glover and his crew was built some years ago by another lumber operator as was the camp occupied by Rioux. These two camps are situated on Range No. 2, and only a space about six feet wide separates them. Rioux lot is on No. 12 the line of which is only a few feet distant from either camp. Practically no improvements had been made by

Rioux as his application for the homestead was only approved by the Crown Lands Dept. on Nov. 6.

The Shooting
Frank Patterson a young man and a native of Gaspé thus tells of the shooting of Annett:
About 6.45 a. m. I left the camp alone to go to a point about half a mile distant to clean the brush out of an old hauling road, which we were to use about half an hour later. I was joined by Annett. I saw Peter Rioux coming along the road in the rear of Annett about 50 yards. After Annett joined me we worked about five minutes when I was startled by hearing a rifle shot. I looked back along the road and saw smoke among the trees about 25 yards distant, but could not see any person. I heard Annett say "what's the matter, Peter" as he started towards where the shot came from and where I had previously seen Rioux. I was also looking in this direction when I saw the flash of another shot and heard the report. Immediately Annett fell with a groan and never moved. I was badly scared and ran into the woods towards the settlement, where I arrived in a short time, and gave the alarm. With a number of men I was returning to the spot when we met others coming out carrying a man. I at once thought it was Annett, but they told me it was

Glover and he had been shot. I told them that Annett had been shot dead. Later I went into the woods and guarded the body until the arrival of the coroner.

In order that our readers may understand the case clearly we print the following details as given a representative of the Graphic who went to the scene of the tragedy on Saturday afternoon.

The Homestead Law
The primary cause of the murder was undoubtedly the fact that Glover was cutting lumber and ties off the lot of one hundred acres which Rioux had made application for, and had been approved by notice published in the Royal Gazette dated November 6th.

According to an act passed in 1875 any British subject over 18 years of age who owns no other property in the province can apply for a grant of 100 acres for settlement purposes only, and upon approval a permit is issued, which call for certain obligations which include the clearing of 10 acres and a three years residence. By this act if the lot so granted is leased timber limits, the issue of said limits has until the next August to cut off the lumber on this granted land.

In this present case the lessee of the

TERRIBLE TRAGEDY IN LUMBER CAMP

(Continued from page two)

timber limits were the Richards Manufacturing Company and they had given the ground in the vicinity including the Rioux lot to the jobber John B. Glover with instructions to cut over the Rioux lot at once. The men were following these instructions when shot.

THE MURDERED MAN

Elvin Annett, of Gaspe, aged about 21 years, was foreman for J. B. Glover, a lumber jobber for the Richards Mfg. Co. near Anderson. His father and mother reside in Gaspe. Was a quiet, steady man, respected and liked by all.

THE INJURED MAN

John B. Glover is a native P. E. I. but has worked here for a few years. A wife and five small children live at Athol. His mother and sister live at Gaspe. He is a jobbing lumberman for the Richards Mfg. Co. Is a hard worker and a quiet, inoffensive man. His wounds are very serious, but he may recover.

The Inquest

The following jury viz. John White, Max. M. Mowat, P. H. Blyth, J. L. Imray, H. Calder, A. Hopper and A. Savoie, were sworn and the inquest under Coroner Martin begun. Before hearing the evidence the jury were taken to view the body. The coroner pointed out the wound in the back where the bullet had entered also the holes in the clothing of the deceased and the place of the bullet's exit on the forehead.

The first witness was Frank Paterson whose story appears in another part of this issue.

Mr. E. H. Anderson gave evidence as to the locality of the shooting stating that it was about three miles east of the boundary line between the counties of Victoria and Restigouche.

Chief Hughes gave evidence as to searching the camp of Rioux, and Mr. A. E. G. McKenzie told of finding the empty shell near the spot indicated by the witness Paterson.

No other evidence being forthcoming it was decided to adjourn the inquest sine die, till a post mortem examination had been made. The jury were unanimously of opinion that they could arrive at a decision as to the cause of death without this, but it was necessary that it should be made to comply with the legal requirements of the case.

Finding the Murderer

On Saturday three men Thomson, Savoie and Aylward were left to guard Rioux camp. Early on Sunday no sign of him being seen they started out and very soon got on to his tracks. Following these they wound in and about the bushes for about three miles latterly coming upon the dead body of Rioux barely half a mile from his own camp.

Examining the body the searchers found two bullet marks, one a glancing blow on the temple and another through the body in the region of the heart. The wounds were all made from a Swiss Mauser rifle. After finding the body the posse returned to Campbellton arriving here about 11 p. m., leaving a guard over the dead body, awaiting the arrival of the coroner.

"It is a pleasure to tell you that Chamberlain's Cough Remedy is the best cough medicine I have ever used," writes Mrs. Hugh Campbell, of Lavonia, Ga. "I have used it with all my children and the results have been highly satisfactory." For sale by all dealers.

A CORRECTION

The Chatham Commercial in a recent issue makes the following statement:—

"Campbellton seems to be having considerable trouble with its Mayor, who evidently has the coal market cornered, and according to the Campbellton press, about everything else that he can. He was asked to resign at the last meeting of the council, but refused, and now a petition is being circulated to force him to do so."

We beg to take exception to the editorial remarks of the Commercial and ask that he withdraw the paragraph.

The Campbellton Graphic is the only paper published in Campbellton and when the Commercial makes the assertion that the statement is according to the Campbellton press he makes a serious reflection upon the standing of the Graphic.

In no issue of our paper has anything appeared relative to the story the Commercial tells, and we can inform our Chatham contemporary that upon enquiry we are informed by the Town Council that the Mayor was not and never will be asked to resign, and they further inform us that the petition being circulated can only exist in the much too fertile brain from which the effusion printed in the Commercial emanated.

The paragraph we consider is a slur on the Campbellton Graphic and if the Commercial's informant is the Frederick-Cleaner-Tribune

The old idea of Business was a big profit on a few sales. The new order is a small profit and many sales. The old time merchant depended on the margin of profit. The up-to-date man looks to the volume of business in order to make it pay.

THE MURDER IN THE LUMBER CAMP

The Jury Return Verdict in the Inquest on the Body of Elvin Annett.

THE SUICIDE

The jury which was empanelled last week by Coroner Martin resumed their labours on Monday when further evidence was led on the inquest upon the body of Elvin Annett. Dr. Lunan was the first witness called and gave medical testimony regarding the wounds on the body of Annett.

Chief of police Hughes produced the rifle taken from the dead body of Rioux and shells and cartridges. The jury's verdict was as follows, "that Elvin Annett met his death by a wound from a bullet fired at him by Peter Rioux."

The Suicide

Peter Rioux the murderer committed suicide was the finding of the jury under Coroner Martin on Tuesday. The inquest was held at Anderson, and the coroner gave orders for burial. There was some report that trouble would be made owing to the fact of the body being held for debt, but Rioux's brothers have now taken charge of the body.

The injured man, Glover is making very satisfactory progress toward recovery.

IN GOOD DEMAND

The Toronto Globe of Monday in its market report, says of New Brunswick potatoes: "New Brunswick are offered in liberal quantities and are selling at from \$1 to \$1.10 per bag, out of store, and at 90c in car lots. The quality is excellent this fall and they are going freely."

POINTED COMMENT

The conditions existing in the Fredericton local police force as brought to the attention of the public by the recent investigations, were the subjects for some very pointed comment from several of the pulpits of Fredericton on Sunday. The day was generally observed in the evangelical churches as the World's Temperance Sunday.

HONORED IN ENGLAND

Hon. George E. Foster, minister of trade and commerce, while in England, has been the guest of honor at several social events. Last week he was entertained by the Carlton Club and also by Mr. and Mrs. F. Williams Taylor, of London. On Trafalgar Day he was a guest at the Navy League banquet.

- J. J. Hayes Doane, St. Mary's.
- Francis M. O'Neill LL.B., (Dalhousie), Fredericton.
- Hugh A. Carr, B.A., (U.N.B.), B.C.L. (King's College), Campbellton.

EXTRA EDITION

In order that Graphic readers should have every detail of the shooting near Anderson, the Graphic on Monday printed a special edition giving the story as gathered by a Graphic representative who was on the ground. This edition was eagerly purchased over four hundred being sold in Campbellton while 1500 copies in all were printed. In Gaspe alone 150 copies were sold, and even then there was not enough to supply the demand. The St. John, Moncton and Charlottetown papers copied our report, but only the Evening Times and Telegraph of St. John gave the Graphic credit for the article. The other papers published it as a despatch from Campbellton.

Our Emulsions, and other Preparation of Cod Liver Oil are Fresh. We buy direct from the Manufacturers, and keep them in a perfect place for such goods. Do not buy old and stale goods, simply because they are sold cheap.

UNANIMOUS VERDICT.

Newspaper publishers and citizens generally throughout the Dominion are unanimous in their opinion that the picture entitled "Mother's Treasures," given with The Family Herald and Weekly Star of Montreal, this season, is a most delightful and beautiful subject. Here is the opinion of one publisher: "Mother's Treasures" is a marvel of beauty. The subject is one that will have a tendency to strengthen home ties. We, in the same business, wonder how you can afford to give such value in pictures besides the vast amount of good things in The Family Herald and Weekly Star." Signed, E. W. Richards, The Mirror, Millbrook. No home in Canada should be without this beautiful picture. One dollar pays a full year's subscription to The Family Herald and Weekly Star including the picture, which is ready for framing, size 23 by 29 inches. It is a big dollar's worth, indeed.

MANUFACTURER PURCHASES MANSION

Starting Social Departure in Old London.—Will Live Opposite King.

FACES BUCKINGHAM

London, Nov. 14.—London is witnessing a startling social departure. Sir William Lever, the soap manufacturer, has this week acquired Sutherland house, London's most magnificent ducal palace.

Sutherland house faces Buckingham Palace and almost equals it in splendor. Lever was formerly a small retail grocer who has made his way by sheer business skill until today he largely controls the soap trade throughout the Empire. He was the hero of the great soap libel action case.

This action was against the London Daily Mail, the paper having stated that he sold short weight soap. The Mail had to pay some \$250,000 in damages.

CITY CIRCULATION AGENT

Of Leading Montreal Daily Endorses GIN PILLS
FIVE long years of suffering from Kidney Trouble—two boxes of GIN PILLS—and it's all gone. That has been the experience of Mr. Eugene Quesnel, Chief City Circulation Agent of La Patrie, of Montreal. He describes it feelingly.

May 3rd, 1912
"I have been suffering from Kidney Trouble for over five long years. I had also Rheumatism in all my bones and muscles, could not sleep nights and on some occasions could hardly walk. I had been treated by some of our best Physicians but without relief and I lost over fifteen pounds. One day I met one of our leading hotelkeepers, who had been cured by your famous GIN PILLS, and he advised me to try them. So I bought two boxes at my druggist's and before I had used one box I felt a big change. Before I finished the second one I was completely cured. I can assure you I can hardly believe it for if I had only known what I know now I would not have spent over One Hundred Dollars for nothing when two boxes of GIN PILLS cured me."

EUGENE QUESNEL
GIN PILLS are gaining a world-wide reputation, by the way they conquer the most obstinate cases of Rheumatism and all kinds of Kidney Trouble. 50c. a box, 6 for \$2.50. Sample free if you write National Drug and Chemical Co. of Canada, Limited, Toronto. 149

GRAND TORCHLIGHT PROCESSION

New Carlisle Witnesses a Great Sight on Guy Fawkes Night.

MANY COSTUMES

A grand Torchlight Procession headed by the New Carlisle Band, and with everybody in costume, was the fascinating sight which the New Carlisle people witnessed on the night of November 5th being Guy Fawkes night.

The procession started from Caldwell's Hotel about eight o'clock and proceeded through the main street as far as Mr. Caldwell's residence and then returned to the hotel. The weather was everything but favorable, the roads being in a very bad state. There were all kinds of costumes to be witnessed, taking from Matthews, the fisherman, to Uncle Sam. Mr. Luce was the credit of the evening owing to his artful acting and the charming mask which hid his natural figure as he danced around while the band played. Mr. LeMaistre also had a very nice costume made of blue duck and artistically decorated with silver fringe which glittered through the brilliant light of the torches. He also was a credit to the band owing to his melodious flute playing.

Uncle Sam was also in our midst. We don't know how he happened to cross the border, but anybody who listened attentively to the flutes could tell that he was there. There were many other costumes consisting of fishermen, soldiers, negroes, etc. A very charming picture was that of a negro who was approximately six feet in height; with a fur cap and a long white coat with one Jack-boot and one Lace-boot. The picture was very lovable and created much excitement among the crowd. "Never mind Edgar, you're all right."

The sight was a great one, people rushing out from all quarters to witness the procession which was magnificently illuminated by brilliant torches which had been prepared by the band, and thus enabling the spectators to get a good view of the performers.

The band played many popular songs, among them being, Soldiers of the King, Marching thro' Georgia, and many others. Many congratulations were extended to them for their excellent playing which they well deserved for having prepared such an enthusiastic masquerade as was witnessed that evening.

Although the weather was everything but favorable, the procession was carried out very prevalently, strict order being kept by Constable Hall, who had been engaged for the purpose. The band played near Caldwell's Hotel for approximately one hour, after which they were entertained by Mr. A. M. Caldwell. God Save the King ended the procession.

NEW CARLISLE

The weather of late has been very disagreeable for some of the farmers. The heavy rain and snow also is rather unfortunate for those that have grain out and we understand there is quite a lot to be harvested yet. This morning the 12th several men were seen digging grain out of the snow but they did not work long until the rain put a stop to them.

Mr. J. O. Sherar has just finished loading a car of potatoes for the Toronto market and expects to load another in a few days if it don't turn too cold.

Miss Clara Gale has purchased the property of Mr. T. Christie known as the old Christie homestead.

Mrs. T. J. Caldwell and daughter Rene have returned from Montreal. She is feeling very well considering the serious operation she underwent.

Mrs. Capt. Garrett is at present somewhat troubled with an attack of rheumatism, but we trust not serious.

DALHOUSIE

The St. John's Literary and Social Club held their monthly social in the club room on Friday last. Notwithstanding the unfavorable weather a goodly number were in attendance. The programme consisted of readings and duets, etc. During the social period a game was engaged in, entitled "The De-ranged Art-gallery" which proved very interesting. The prize winners were Mrs. Art. McStewart and Miss Jess McNeil. Miss Hilda Stewart and her committee deserve great credit for the energetic manner in which they provide for the entertainment of the club. After the game came lunch which the boys pronounced Art. During the evening four new members were enrolled, three of them being young men, we hope this is but the beginning of new membership, and the renewing of the old.

Dalhousie, N. B. Nov. 13th.—Mrs. James B. H. Storer, who is now visiting her old home at Bathurst, met with a very painful accident recently. While returning home from the rectory here during a dark night and not seeing the iron gate that was closed, she ran up against it and her mouth coming in contact with the heavy-top iron bar, breaking several teeth and cutting her lips badly.

Mr. Wallace Loggie of Chatham arrived in town on Tuesday.

Mrs. Henry Djakow and her niece Miss Margaret McAlister of Jacquet River spent the week end with Miss Millie Stewart at Glen Cottage.

Mrs. Joseph McIntyre recently of Dalhousie and now of Upper Charlo, announces the marriage of her daughter Flora M. McIntyre to Mr. Joseph Laurier Champoux, of Campbellton, N. B. The marriage will take place on the 25th inst., in Dalhousie, where Miss McIntyre has made a great many friends during her stay here. They will leave immediately after the marriage ceremony for Quebec, Montreal and Lethbridge, the latter place being the former home of Mr. Champoux. They will remain there for a couple of months and will return to Campbellton where they will reside in future.

Rev. R. J. Coleman who preached at New Carlisle on Thanksgiving day has returned home.

Miss Edith Stewart of St. Omer, P. Q. was here last week visiting her relatives.

Miss Stella Aikler of Campbellton spent Sunday with her cousin Miss Margaret Duncan.

Miss Haddow will leave this week to be away for some time visiting friends in Boston, New York and Toronto.

Miss Lucie Guite of Miguasha, P. Q. who has been the guest of the Misses Allan for some time returned home to-day.

Mr. James Reid M.P. of Upper Charlo paid Dalhousie a visit to-day.

Mr. A. E. G. McKenzie of Campbellton was in town yesterday.

Master Vaughan Mott spent Sunday with his friends in Campbellton.

Invitations have been issued by the Bachelor Maids of Jacquet River for an informal dance to be held in Salter's hall, on Wednesday evening, Nov. 20th. The chaperons will be Mrs. F. M. Doyle, Mrs. A. P. Culligan, Mrs. A. J. Melanson and Mrs. J. M. Callaghan. Mr. C. D. Hicks of the I.C.R. here is spending a few days in Moncton.

Mr. Ray O'Keefe of Campbellton was the guest of his sister, Mrs. W. S. Montgomery this week.

Mr. George E. Mercier paid his Campbellton friends a visit to-day.

Abeham Poirier of Maria, P. Q. was accidentally shot by Timothy Derosby of Pasphebas, P. Q., on Sunday afternoon. The fatality occurred in one of the Dalhousie Lumber Company's camps at the South East Upper-quit river. The careless handling of a rifle with people so near in the camp is why the unfortunate affair happened. Poirier's body was brought to Dalhousie on Monday where a casket was secured by the company and the remains were sent to his home at Maria, for interment. He was about forty years of age and leaves a very large family in poor circumstances. It was his first experience in M. E. lumber work, and sympathy will be extended to the stricken wife and family.

In your husband's case, an indigestible food finding its way into the stomach, a man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy.

BONAVENTURE

The New Carlisle Band desire to express their heartiest thanks to the Municipal Council for having granted the permission to carry out a torchlight procession, and to parade through the streets of New Carlisle on the night of November 5th, and also to Mr. Charles Hall for having fulfilled his duties as Constable, and keeping good order during the procession which was unanimously carried out. Preparations are being made in Bonaventure for the coming winter. According to the statement made, the rink will be 100 feet long by 52 feet wide. Thick blankets are being planned all around to keep the snow from drifting in. The rink will be completed about the end of November.

A very severe storm swept over Grand River last week, and approximately one foot of snow fell to the ground. The easterly wind was so strong that it caused two large school-buses to drift from Pasphebas to New Carlisle. The weather continues to be cold.

Our congratulations to Miss Ivelin Gaudin who is still keeping the lead in the Grand Piano Contest, and also to Miss Hamilton who has successfully climbed second. Miss Juliet Cyr keeps in close touch with her opponents and will no doubt regain her place as second, if not first. We wish them all success.

Mr. Raymond Le Selveur has returned from Bonaventure Island to take up his duties in Pasphebas. Mr. Le Selveur has been in the employ of Le Bonclaire Bros., for five or ten years. He was cordially welcomed by the New Carlisle Band, owing to the fact that he is the hands excellent drummer, and we hope that he will re-unite with the said band, after being absent for approximately six months. Stick to your colors, Raymond.

A WONDERFUL CASE

Three Months in Hospital and came out Uncured.

Zam-Buk Cured Him in Few Weeks

Mr. Fred Mason, the well-known upholsterer and mattress manufacturer of St. Andrews, N. B., says—

"I had excema on my knee, which caused me terrible pain and inconvenience. The sore parts would itching and burn and tingle, and then when rubbed or scratched, would become very painful. When the knee got warm, it burned worse and the itching and burning and smarting were almost unbearable. I tried various remedies, but got no better, so I decided to go to Montreal and take the Montreal General Hospital for thirteen weeks, but at the end of that time I was not cured, and almost gave in. A friend advised me to give Zam-Buk a trial.

"Almost as soon as applied Zam-Buk stopped the itching and the irritation. I persevered with the balm, and it was soon evident that it would do me good. Each day the pain was reduced, the sore spots began to heal, and by the time I had used few boxes of Zam-Buk I was quite cured.

"Since then Zam-Buk has cured blood-poison in my finger, and at a time when my finger was in such a terrible condition that I feared it would have to be amputated."

For eczema, blood-poisoning, piles, ulcers, sores, abscesses, varicose ulcers, bad leg, cold sores, chapped hands, cuts, burns, bruises and all skin injuries and diseases, Zam-Buk is with out equal.

50c. box all druggists and stores or post free from Zam-Buk Co., Toronto, for price. Refuse imitations.

THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fountain of her deepest hopes and greatest desires...

London, Ont.—"I wish to thank you for the benefit I received by taking your famous medicine, Lydis E. Pinkham's Vegetable Compound."

"Small accidents occur, such as side swipes where sidings or switches are being taken, simply because the man in the cab was not looking out of the side window as he should have been."

WILLET-RATTIE

A very pretty wedding took place on October 29th, at the home of Mr. and Mrs. Louis Rattie, when their eldest daughter, Janie, was united in marriage to Mr. Paul Willett.

A WARNING TO RAILWAY MEN

Cold Feet Responsible For Many Train Wrecks.

"Keep your feet warm!" This is the order given all its trainmen by one of the big railroads, whose lines traverse the western and northwestern part of the country.

"With the appearance of the first cold weather," said an official of the railroad, "there is usually an increase in the number of accidents. Trains are delayed simply for the reason that trainmen and engineers are not in the position to care for their duties properly without suffering from the cold."

"Small accidents occur, such as side swipes where sidings or switches are being taken, simply because the man in the cab was not looking out of the side window as he should have been."

"Cold feet are liable to imperil the life of any trainman. Again, when throwing switches or when he is in the performance of some hazardous duty, he is apt to do with his feet what he ought to do with his hands. Men, too, are less alert when they are cold. We insist, therefore, that the men who operate the trains should be properly protected."

FEARED HE HAD CONSUMPTION

"Fruit-a-lives" Cured Him

HUGH MCKENNA, EDE.

"I wish to tell you of the great good 'Fruit-a-lives' have done for me. For years, I was a martyr to Chronic Constipation and Stomach Trouble. I was greatly run down and my friends feared I had Consumption. I tried numerous doctors and all kinds of medicines, but received no relief until advised to try 'Fruit-a-lives' by Mr. McCready of St. Stephen, and am pleased to say that I now enjoy excellent health."

"Fruit-a-lives" is the only medicine that will positively and completely cure Constipation. This wonderful compound of fruit juices acts directly on the liver, causing this organ to extract more bile from the blood, and to give up more bile to move the bowels regularly and naturally."

BIJOLD-BOUDREAU

A pretty wedding was solemnized in St. Anne de Restigouche Church, on Tuesday morning, Nov. 5th, when Miss Laura Boudreau, eldest daughter of Mr. and Mrs. Xavier Boudreau, was united in marriage to Mr. Lazaire Bijold of River du Loupe.

The boy's appetite is often the source of amazement.

If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all dealers.

DUNCAN'S STORE WRECKED BY THIEVES

Grocery Store on Sugarloaf St. Entered by Burglars and Stock Destroyed.

GREAT LOSS

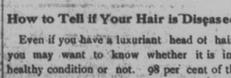

Mr. Joseph Duncan received a rude shock on Saturday morning when he opened his store. The place he found almost in ruins, burglars having effected an entrance on Friday evening. They must have been in the store all night as they took time to go carefully over the stock selecting the best articles and destroying what was left.

RICHARDSVILLE

Mr. and Mrs. Peter LeBlanc left this morning to visit friends and relatives in Beresford. A basket social was held in Maple Green school, Monday evening. Quite a number of pretty baskets were disposed of, the programme which was beautifully rendered consisted of the following: Recitation—"A most obliging little sister." by Miss Mary Campbell. Song—"Old folks at home" by six young ladies. Recitation—By Robert Campbell. Recitation—By Esther Trapania. Song—"Tenting on the old camp ground." by eight young ladies. Dialogue—By Laura Callahan and Jim St. Onge. Recitation—By Mae Callahan. Recitation—"Curfew shall not ring to-night." by Miss Laura Callahan. Song—by children of the school. Song—"Where the River Shannon flows" by eight young ladies. After the delicacies of the baskets were disposed of by the ardent bidders, all withdrew after the singing of the National Anthem, and repaired to the home of Mr. Eugene Callahan where the guests tripped the "light fantastic" till the wee, small hours of the morning, all dispensing, loud in their praise of the enjoyable time spent. Miss Lydia Campbell deserves credit in the manner she conducted the programme.
