The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

REPORT OF THE CONFERENCE

Of the Bishop and Clergy of the Diocese of Chatham, N. B., called by Circular Letter of His Lordship, dated September 27th, 1882, in order to take into consideration the financial condition of the Diocese, and held in the Episcopal Residence on October 19th, 1882. His Lordship, the Bishop presiding, and the Rev. W. Varrily acting as Secretary.

There were present, besides the Bishop, the Very Rev. Thos. F. Barry, Vicar General, the Rev. Fathers Pelletier, Nugent, O'Leary, Morrisy, Allard, Babineau, Carter, Varrily, S. J. Doucet, Richard, T. J. Bannon, Dixon, Joseph Doucet, Edward Bannon, Trudel, Hilarion Doucet, Joyce, D'Amour, Boucher, McDonald, and Fitzgerald.

His Lordship commenced the first Session of the Conference by expressing his joy and satisfaction at the success and edifying results of the Pastoral Retreat just concluded. He dwelt particularly on the spirit of union and fraternal feeling that distinguished the priests of the Diocese, and he hoped that this excellent spirit would continue to animate them in the future, as it had in the past. He then made a detailed statement of the financial condition of the Diocese, since the fire up to the present. The statement written on the day before the fire and read at the Conference held immediately after the fire, on the 14th of February, 1878, shewed the diocesan debt then due to be \$30,000; and to provide for the liquidation of that, and also to form a fund of about \$20,000, with which to commence the projected cathedral, was the intended object of that clerical Conference, as stated in the Re-

port thereof. But the calamitous fire, which on that same morning had swept out of existence the Church, College and Episcopal Residence, created a new necessity which naturally absorbed all their attention and efforts, since then up to the present, to the exclusion of the first mentioned object of that Conference. The statement of receipts and expenditures in rebuilding what was burned, was published in the printed Report of the Building Committee, dated April 17, 1879, by which it appeared, that, in rebuilding, a balance of \$6,000 expended over the receipts, at the time of suspending work, remained unpaid. This, added to the original debt, made the total \$36,000. Of that amount about \$10,000 has since been paid, besides paying the cost of finishing the Episcopal residence, etc., to the value of about \$5,000. The object then of the deliberations of the present Conference was to devise just and practical means to meet this remaining debt of \$26,000.

Having concluded his statement, the meeting was adjourned until after dinner.

On reassembling, each of the priests in the order of seniority, after the Vicar General, expressed his opinion on the matter under consideration. All were of one mind as to the advisability and desire of taking efficient steps to discharge, or at least diminish, the debt. But as to the best mode of effecting this object there was considerable divergence of opinion among the members of the Conference. Finally, after a long and thorough discussion of the subject, which was protracted, with the exception of an adjournment for supper, to a late hour in the night, the meeting concurred in the plan enunciated in the following resolution, which was adopted by a large majority: "That the priests outside of the Cathedral Parish, Chatham, accept for themselves and their missions as at present es-

tablished, the equitable apportionment of about \$20,000 of the Diocesan debt, payable in four years from this date, in equal yearly instalments ; the means and mode of collection to be entirely optional with the respective pastors and people, subject, as a matter of course, to the approbation of his Lordship the Bishop.

The Bishop having withdrawn at the desire of the meeting, a committee of the whole was next formed, with the Very Rev. the Vicar General in the chair, to distribute, as equitably as it could practically be done, among the missions of the Diocese, the above mentioned amount of the debt assumed.

The following list was made and agreed upon in committee. The amounts therein set opposite their respective names were assumed by them for the missions they then represented, as a debt binding in honor upon priests and people.

The Conference was then concluded, as it had been begun, by prayer.

W. VARRILY,
