Watters. 11.15 o'clock, A. M .- The mail which left St. John on Tuesday evening has, just been brought into the House. His Honor the Speaker stated that since

the last Session of the House, he had examined, and found that it was not in accorsance with the usage of the Imperial Parliament to receive minority reports. Mr. Lawrence, from the Committee ap-

pointed last Session on Printing & Reporting the Debates, reported that the Committee had contracted with James Hogg for Printing 4,500 copies of the Debates, three times week for the Session, for \$788 ; and with Measrs. Waits & Edgar for reporting the

same for \$600. On motion it was reeslyed that the Post Mester Gen'l provide for folding and direct in the Journals and Debates of the House. The House adjourned at 3 30.

Feb. 15 Bills were introduced to-day by Mr. Wilmot relating to Life Insurance, --benefit to married women; by Mr. Chandles to a-mend the Act of Incorporation of the Char--benefit lette County Agricultural Society ; by Mr. Lawrence, to prevent the disposal of Public Public Lands, except to actual settlers, and to limit the quantity to any one individual; by Mr. Mitchell to facilitate the cutting and carrying away of lumber on Grown lands ; Mr. Brown to consolidate and amend laws

relating to Bye Roads. At 12 o'clock the address was taken up on the 5th paragraph Mr. Gray said he thought that the Government had not shown a proper appreciation of the Militia and advised steps to be taken to induce Prince Al

fred's Squadron to come to St John, thus proving its claims as a superior port. On the 7th paragraph Mr. Lawrence, Tibbitte and Wilmot, asked, for information respetting the Railway sterment, the latter expressing agreeable disappointment if the same is correct, all urging if so, the Govern-

ment should have proposed extensions and garrison was becoming feeble. Lessened expenses of the department.
