SAINT ANDREWS, NEW BRUNSWICK, WEDNESDAY MORNING, FEBRUARY 19, 1845.

los. sent by Mail.

and have been ordered to the Council for currence. These Bills, being chiefly for the renewal of Laws near expiring. Have caused little or no discussion. The great question arising from the appointment of Mr. Reade was appointed Secretary. By the Government of the Legislative Council, in a public debate in the council chamber. From all these explanations, it appears that Mr. Reade was appointed Secretary by the Government of the County of Charlotte," and to make other council were sent to the several members for their was less fully appears that Mr. Reade was appointed Secretary by the Government described by the manner of the Council of the Mr. Odell, without consulting the members for their seats and that letters were sent to the several members for their seats and that letters were sent to the several members for their seats and that letters were sent to the several members for their seats and that letters were sent to the several members for their seats and that letters were sent to the several members for their seats and that letters were sent to the several members for their seats and the council of the settlement of fire or under seats with the formers with the first state down in the first state to the several members of the Legislative Council, in a public debate in the council chamber. From all these explanations, it appears that Mr. Reade was appointed Secretary by the Government set the county of Charlotte," and to make other the council at all; and that letters were sent to the several members for their seats the county of Charlotte." and to make other the council of the Mr. Odell, without consulting the members of the several members for their seats and the seath of the council of the seath of the seath of the seath of the council of the seath of the seath of the seath of the seath of the council of the s opinions. The answers to those letters were, publicly read, from which it appears that M's Johnston, Chandler, and Hazen, considered w.W. M. G. COLEBROOKE, Lieut. Governor, the appointment unjust, and that Mr. Wilmot The Lieutenant Governor law before the

other members, approved of the appointment, and defended the conduct of the Governor in making it. Mr Saunders did not altogether like the proceedings, but still held his place for the winter, had, it appears, expressed his follow approbation to Mr. Cunard. During the ek several sets of resolutions have been

drawn up and laid on the table of the House. [No. 24] These papers, although they offirm and set forth various principles, generally agree that the appointment was improper, and that the House has no confidence whatever in the fragments that are left of the late Executive and have now the honor to enclose to Your Council. The debate will no doubt last ser- Lordship an Address which was presented to that the unincontants of the Union, and praying that a Duty of 5s. a ton may be there imposed on it.

As respects the inhabitants of St. Stephen, relating the decline of the Inhabitants of the Union for from unable to compete in the supply of Port owing to the reduction of the Union.

As respects the advantages enjoyed by the unit is impossible even to continue the supply of the Union.

As respects the advantages enjoyed by the unit is impossible even to continue the supply of the Union.

No. 4. [No. 66]

Fredericton, N. B., 12th August, 1844. My Lord,—Having received Your Lord- a Petition to the Queen from a respectable will prove to have been only temporary, and

Taking these different propositions in Lieut, Governor Sir William Cole-

continue an Act, initialed "An Act to employee and to the West Indies power the Justices of Charlotte to make responsible to the subject, we adverted to the locality gulations for driving Timber and Logs down of St. Stephen, which is situated on the Riemann were suffering under peculiar depression.

I must remark in passing, that the figures which are presented on the Petitioa do not. appear to Her Majesty's Government to exbit clearly the result of the Act passed in Planks, although there is a small diminution in the exportations of the year 1843, as compared with 1840 and 1841, yet the increase in 1842, when the new measure was known to be impending, was very large; I do however doubt that the first effect of the Law may have been to give a check to the Trade between the Port of Saint Siephen and the West Indies; but from what has been observed in other cases, from the acti vity of the people of New Brunswick, and from their extremely favograble circumstat ces in respect to taxation, Her Majesty's Go-

Council The debate will no doubt last several asys, but it is impossible over to conject me from that Body, praying that I would the result will be. Some think bring under the notice of Her Majesty's conditional the appointment, and they Mr. Reads set forth, that the port of the people iter, a Free Port.

Characteristic form which was presented to majority against the Governor will ding "the Ledge," should be made a Free Warehouse Port, and the Port at Dorchester of the House and appeal to the people ter, a Free Port.

Loridship an Address which was presented to may be there imposed on it.

Laminet and praying that a Duty of 5s. It to may be there imposed on it.

Laminet aware of the rates of Duties at present imposed in the West Indies, but it is excluded, Her Majesty's Government much in the Mericants of New Brunswick have to croix without liability to the charges to encounter; they are, how yet, the results of which our Shipping are subject, are enabled to engross that Trade, to the great injury of term analogous to that of our own Navigation. Others suppose that there will be a majority in favour of the Government and be unable to carry any vote. So taken altogether it is

The Petitioners pray also for the removal exigencies of the Province may not be devis. has been obtained with glasses which magni

in the mix been ordered to be examined and reported upon by select committees—Among three documents may be menioned the accounts of the income and expenditure of the Casual and Terratival Revanue for the larty server and the income and expenditure of the Casual and Terratival Revanue for the larty server and the income and expenditure of the Casual and Terratival Revanue for the larty server and the income and expenditure of the Casual and Terratival Revanue for the larty server and the income and the second piece, that after two expensions of the Encoded Revanue for the larty server and the income and the second piece, that after two expensions of the Revanue for the Into the West India Colonies.

The second, that the Duty chargeable in New Brauswick on Foreign Flour and Salted Provisions should be repealed.

The third, that Saint Stephen should be (Signed) STANLEY.

POSTRY.

DASLANDER, &c.
The words of Stander are more fleet Than arrows from the bow, And by some men made welcome too Before the truth they know.

They are received with open arms. And kindly entertain'd By those who glory in the crimes By which men's rimes are stain'd,

With them they pass for very truth They ask no proof thereof, The talk, deride, and scoff.

'Gainst beauty, innocence and worth Their poisoning darts they rend, They numerate their neighbors faults And so their lives they spend.

And thus their fellow mortal man By false reports defame, In private consert plot his fall Then publickly him blame.

Alas that some will spend their lives In such a wretched way, How shall they answer for these errors At the great judgment day.

Why will you break divine commands In publishing a lie, Hark! to the Holy Penman's voice "The soul that sins shall die."

Come fellow mortal let us count Our "three score years and ten," This number still let's keep in view That bounds the life of men.

Come let us turn another page Here we may plainly view. Life passing "like the morning cloud Or as the early dew." When Death the King of Terrors comes

Demanding Natures pay, Ab, fellow travellers we must go With him that very day, Our doum is written " dust we are" Then why with dust compete But rather help each other on

Our righteous Judge to meet; Nor pray the " mountains us to shade" As will you dastard band

But dress with those in robes so white And ever praise the ' Lamb.'

St. Patrick, February 1845.

ernor for information on various important be authorized to inform the Assembly, that subjects, and a great number of Messages on the necessary provision being made for have been sent down, some of them accompation of the authorized to inform the Assembly, that deviation of the Expression in favor of the Trade of this Province.
