PREFACE.

The Publisher of this work now places before the public his Eleventh edition of Saint John City Directory, and Sixteenth edition in full (four being Provincial Directories, one a Business Directory of the Dominion of Canada). The Publisher can state that it is hardly possible to take more pains to make the work reliable than is done every year in the short period of time to obtain the information, compile and print the work. There are, no doubt, errors, both typographical and otherwise, which will creep in, as the work must be advanced in haste to publish in seasonable time. The public will please pass over the errors, and give the Publisher credit for placing it before them earlier than usual. The support from the advertising portion of the work has fallen off these later years, and that with the limited sale and bad debts causes the Publisher to feel that he is working more for the public good than his personal welfare. The Publisher has heard quite a number of business men say they could not dispense with the work even if they had to pay double the amount charged for it; if such persons would advertise, even to the extent of a few dollars, that would enable the Publisher to still continue publishing.

To those who have supported the work the Publisher returns his sincere thanks, and hopes that a few rays of commercial sunshine may appear out of the dark cloud that now seems to hang over these Maritime Provinces.

Brushes, &c., &c.**15 CHARLOTTE STREET, - - - SAINT JOHN, N. B.****Fire Engine Hose!**

After numerous experiments in other material, the public are forced to the conclusion that the only safety and economy is in the use of Leather Hose for fire purposes.

Having established a reputation second to none in this business, and having on hand a large stock of selected Hides that have been tanned and finished specially to my own orders, I beg to say that I am fully prepared to fill all orders that I may be favored with.

LISTS A B—LIMITS OF WEIGHT, ETC.

On books and printed matter generally, newspapers excepted, the rate is 1 cent per 2 1/2; samples and patterns, 2 cents for the first 2 oz, and 1 cent for every additional 2 oz; commercial papers, documents, etc, 5 cents for the first 2 oz, and 1 cent for every additional 2 oz.

The limit of Weight for each Packet of Newspapers, printed, and other miscellaneous matter, sent to the above Countries and places named in Lists A and B, is 4 lbs, and for each Packet of Patterns and Samples, 8 oz; Book Packets for the United Kingdom, 5 lbs.

It will be observed that all classes of matter can be registered to the United States and all Countries named in the lists A and B.

Countries and places *not* included in the Postal Union are printed in *italics*. Unregistered Letters for Countries within the Postal Union may be forwarded unpaid, but will be subjected to a higher rate on delivery.

MISCELLANEOUS.

* When this mark is used, the limit of weight of newspapers and printed matter is 2 lbs 3 oz, and for samples, 8 3/4 oz.

† When this mark is used, the rate is given for each newspaper, regardless of weight.

a When this mark is used, additional charge is made on delivery.

Prepayment is compulsory, matter not fully prepaid will not be forwarded.

m Samples cannot be sent to these places by the routes as thus marked, unless at letter rates, but they must have no intrinsic value.

t Samples can be sent via N Y, at the rate of 5 cents for each 2 oz.

Registered Letters.

Letters intended to be Registered when addressed to places in CANADA or NEWFOUNDLAND, must be prepaid by stamp, 2 cents each; to the United States, 5 cents each, in addition to the postage rate.

All letters for Registration should be posted 15 minutes before the hour of closing ordinary Mails, and 30 minutes before closing of English Mails.

No letter will be accepted at this office for Registration to the United Kingdom, addressed either to a fictitious name or initials, and any such Registered Letter received from another office, or deposited in the Letter Box for Registration, will be at once sent to the Dead Letter Office for disposal.

Registered Letter Stamps have been issued of the denomination of 2, 5 and 8 cents, which may be obtained at the usual places.

Registration is applicable to Letters and Parcels, whether they contain articles of value or not. Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced when one unregistered cannot, and the posting and delivery or non-delivery can be proven. A registered letter is thus secured against many of the casualties which from incorrect address, forgetfulness of the receiver, or other error, may affect an unregistered letter. "Moreover, the safety of an unregistered letter is dependent on the integrity of a post office clerk during the whole time it remains in his custody, frequently for hours, and even days; whilst a registered letter will almost invariably have to be acknowledged at the moment of its passing into an officer's hands, and cannot therefore be suppressed without leaving him individually accountable for its disposal." "If the consequences were limited to the mere risk of the loss of the money so sent, the senders of money in unregistered letters might reasonably urge, that if they choose to encounter the risk, they should be free to do so; but higher considerations are involved in the question, and the chance of loss to the careless remitter is really but the smallest part of the evil associated with the practice." The attentive perusal of the above remarks by those

who are in the habit of sending money by mail in unregistered letters is strongly recommended, and is further suggested that letters containing money should invariably be secured with wax, and not by the usual method, by mucilage, or self-sealing envelope.

Newspapers and Periodicals.

Newspapers and Periodicals addressed to places in Canada, Great Britain (by Canadian steamers), Newfoundland, or the United States.

Printed and published in Canada, and posted from the office of publication, or News Agency, to actual subscribers or News Agents (*including Exchanges*), are subject to a rate of one cent per pound, gross weight, which must be prepaid by Publisher at the time of posting. Newspapers posted for City Delivery will not be delivered by Letter Carriers, unless prepaid by stamp.

Transient Newspapers and Periodicals addressed to places in Canada, Newfoundland, and the United States.

On all Newspapers and Periodicals other than those specified above, the postage rate will be one cent per 4 ounces in weight, which must be prepaid by postage stamp.

Newspapers and Periodicals published not less frequently than once a month and weighing less than one ounce, may be posted singly if prepaid by postage stamp one half cent each.

Newspapers published in the United Kingdom, and remailed by News Agents to regular Subscribers may be remailed FREE. This will apply to Newspapers only, and not to Periodicals.

Transient Newspapers and Periodicals addressed to Great Britain.

Newspapers addressed to places in the United Kingdom must be prepaid by postage stamp Two cents per 4 ounce each paper.

Miscellaneous.

Letters addressed to initials or fictitious names cannot be delivered, but will be returned to the writers through the Dead Letter Office, unless the address contains a designated place of delivery; thus, a letter addressed "A. B., Saint John," would be sent to the Dead Letter Office, but if addressed to a street and number, would be delivered by the carrier at the address designated.

Re-directed Letters will be forwarded without any additional charge if not taken from the office, or if handed back at the moment of their delivery, but if taken from the office and subsequently re-posted, they become subject to a new rate of postage, in default of which they will be sent to the Dead Letter Office, Ottawa.

Letters containing coin addressed to the United Kingdom or Foreign countries will not be forwarded to their destination, but will be sent to the Dead Letter Office, Ottawa.

The Clerks of this Office are forbidden to give credit for postage, and the holders of boxes and others are requested not to ask them to violate their instructions.

The regulations of the service require that the exact amount of postage shall be tendered to the Clerk at the window in current coin if necessary.

Change will, however, be given for public accommodation, *whenever practicable*.

A Letter or Packet *once posted becomes the property of the person to whom it is addressed*, and must be forwarded to its destination. On no application, however urgent, can it be delivered back to the writer. Business men are requested not to ask for return of Letters mailed by mistake or otherwise.

The address of Letters should be plainly written, and, when possible, the name of the County as well as of the Town or Village, should form part of the address.

Newspapers must be mailed 15 minutes before the time of closing mail. Correspondence for Anticosti will be sent via Gaspe, Quebec. Correspondence for Magdalen Islands will leave Pictou semi-monthly.

Dutiable Goods by Mail.

Postmasters are directed to detain any post letter coming into the Dominion, supposed to contain any wares or merchandise liable to duty, and forward the same to the nearest Collector of Customs, who shall notify the person to whom the same may be addressed to be present; and, if on opening the same, it contains no dutiable goods, it shall be handed over to him on paying the postage, if liable to any; if it does contain dutiable goods the Collector shall detain the letter and contents for the purpose of prosecution.

Packages of dutiable goods received in the Mails from the United States, such as Books, bound or unbound, Chromos, Lithographs and Music, will be sent to the Customs, as well as packages of matter not entitled to come in by Mail, such as Patent Medicines, and Patterns or Samples having a commercial value,

A Receipt is given to the Remitter, and a Coupon is sent to the head office of the Province in which the Order is drawn.

The Order, an Advice, and a Coupon are forwarded to the Exchange Office

for conversion of the Canadian amount into currency of the United States, and for the selection of the office of payment.

The Issuing Postmasters will therefore be careful not to separate these three forms, all of which, as they will see, are headed "To be sent to the Exchange Office."

The Deputy Postmasters-General of Malta and Gibraltar are authorised to issue Money Orders on the several Money Order offices in Canada. Money Order offices in Canada do not, however, grant Money Orders on Malta and Gibraltar.

The New Brunswick Money Order Offices are furnished with lists of all the Money Order Offices in the Dominion, Newfoundland, and the United Kingdom, and the Postmasters are instructed to afford every information in their power with respect to places upon which they draw, together with any other information relating to such issues as the intending Remitters may desire.

The above rates do not apply to Vessels in Freshet Times, or in case of assistance to Vessels in distress. All unnecessary detention of the boats charged at the rate of \$10 per hour.

The Time Ball on Reed's Point Wharf, St. John, N. B.,

Will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before one o'clock. At 1 minute before 1 o'clock it will be hoisted its full length; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time should then show 5h 24m 15s, and the difference between this and the time shown by a Chronometer, is its true error on Greenwich time at the moment. At the above hour of one o'clock when the Ball drops, represents 5h 24m 15s, at Greenwich, the error of a Chronometer may be ascertained, no matter where the ship is lying. Masters of vessels arriving at Saint John should compare their Chronometers by the Time Ball as it will enable them to get the sea rate, which frequently varies from harbor rates. Latitude 45h. 16m. 42s. N. Longitude 4h. 24m. 15s. W.
