GREETING. . . .

The Young Men's
Christian Association,

OF ACADIA

 XTENDS a hearty greeting to Acadia men new and old. In this, the second issue of the Hand-book, we have tried to set forth in substantial form such information regarding the University and its societies, as shall be of service in the present year. It is sent out in the hopes that every Student will take a personal and hearty interest in the working of the Association and Christian Work of the University, and that the present year may be marked as one of great spiritual prosperity.

Young Men's Christian Association.

During the last fifty years the need has been felt throughout the Christian church for definite work for young men. This need is being filled by the Young Men's Christian Association. The first association of the world was organized at London in 1844; in America, at Montreal in 1850, and eight years later the first College Association was formed in the University of Michigan. The work has so spread that now, in America, every city and town of importance, and every college has its Y. M. C. A. as a centre for organized Christian work for young men, by young men. And it has spread beyond us until this year there are reported 3510 associations among 40 nations speaking 17 languages, the total amount of their property being \$16,252,875. In North America 475 colleges have associations, there are 103 among railroad men, 12 for Germans, 49 among Negroes, 33 for Indians, one for French and one for Japanese. The Lord is using this instrument to advance His Kingdom all over the world.

Volunteer Band.

C. R. PHALEN, '98	President
C. ROSE, '98	Secretary

Band meetings are held Sunday evening, after other public meetings in the study of the president.

Our Work.

During the year our association has endeavored in all ways to keep in touch with the other colleges and the international committee.

Three delegates attended the convention of Maritime College, Y. M. C. A.'s at Fredericton, and their efforts and zeal on return encouraged us greatly. This year it meets at Mt. Allison.

Mr. Sherwood Eddie of Yale, spent a few days with us, and his enthusiastic missionary addresses and personal efforts added a number to the Volunteer Band.

A systematic course of study has been carried on by the Volunteer Band on Sunday evenings and by the body of students on Tuesday evening in the various rooms of the committee.

We have made our usual contribution to the Missionary Work and the International Committee this year.

Meetings led by delegated students are held every Sunday afternoon at Rogers' Mountain, Morian Mountain and the Poor Farm.

The various committees desire the help of all the students during the coming year in sympathy, work and money.
