The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\longrightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\longrightarrow$  signifie "À SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## AN ACT

### *Respecting the Canadian Order of the Woodmen of the World :*

WHEREAS, the Canadian Order of the Woodmen of the World, hereinafter called "the Order," has, by its petition, prayed that it be enacted as hereinafter set forth, and it is expedient to grant the prayer of the said petition : Therefore, His Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :

1. Section 2 of chapter 92 of the statutes of 1893 repealed, and the following is substituted therefor :

2. The objects of the Order and the purposes it is incorporated for and authorized to carry out, are :

- (a) To unite its members in social and fraternal bonds ;
- (b) To collect and distribute charitable donations ;
- (c) To establish, maintain and administer a fund for the payment of sick and funeral benefits ;
- (d) To make with its own members contracts for insurance in sums not exceeding three thousand dollars, payable on the death of the assured ;
- (e) To erect a monument over the grave of each deceased member.

3. Section 12 of the said Act is amended by striking out the word "February" on line two thereof, and substituting therefor the word "March."

4. The funds of the Order may be invested in the purchase of, or loaned upon :

- (a) Any of the securities mentioned in paragraphs (a), (d), (e) and (f) of sub-section 1 of section 50 of the Insurance Act.

5. The Order shall sell any real estate which it may acquire by the foreclosure of any mortgage, hypothecate or lien within seven years after it has been so acquired, otherwise such real estate shall be forfeited to the Crown for the public uses of Canada ; but the Governor in Council may, from time to time, extend the said period, not exceeding in the whole twelve years.

6. In this section the expression "the fund" means the sick and funeral benefit fund mentioned in the section substituted by this act for section 2 of the Order's Act of Incorporation, which fund shall never be less than the legal reserve, (calculated as to

funeral benefits on the basis prescribed in the Insurance Act, and based as to sick benefits upon such standard sickness table as used by the Order in the construction of its table of rates and a rate of  $3\frac{1}{2}$  per cent. interest), in respect of all existing certificates, policies or other instruments providing for the payment of sick or funeral benefits.

2. The premiums or contributions payable to the fund by a member in order to entitle him or his representatives to the payment of sick and funeral benefits, or both from the fund, shall be payable monthly in advance.

3. No greater sum than two hundred and sixty dollars shall be payable from the fund to any member in respect of any one continued sickness, and no funeral benefits shall exceed the sum of one hundred dollars.

4. Separate and distinct registers and books of account shall be kept by the Order, showing the members entitled to the benefit of the fund, the receipts and payments in respect thereof, the amounts from time to time chargeable against it, and every other matter and detail of which an account ought to be kept.

5. The fund and securities representing it shall alone be available for the payment of sick and funeral benefits, and no other assets or securities shall be available for that purpose.

6. For the purpose of carrying out the provisions of this section, the Head Camp or the Executive Council, under the authority of the Head Camp, may from time to time pass such by-laws, not contrary to law, as are deemed necessary or expedient.

7. Notwithstanding anything contained in the Insurance Act, the Order shall not be required to make any deposit in order to entitle it to commence and carry on the business of sick insurance by this Act authorized; provided that the Treasury Board may require a deposit not exceeding ten thousand dollars, to be made from said fund so soon as the required amount is available for such purpose.

And upon receiving a petition signed by at least fifteen accepted lady applicants, the Head Consul Commander may order the Head Clerk to issue a dispensation authorizing the existence of a Circle. Ladies are not permitted to attend Camp meetings, and men are not permitted to attend meetings of Circles except by written consent of the Head Consul Commander first had and obtained. Provided this shall not apply to fraternal visits of Camps to a Circle, or a Circle to a Camp as a united body on invitation. After the charter to a Camp has been issued, no Deputy Consul shall solicit applications for admission to membership in the Camp unless he is authorized to do so by the Camp. Applicants for membership

and members admitted to the Camp before the issue of a charter shall be called charter applicants or charter members as the case may be.

**52.** Camps shall be numbered consecutively by the Head Clerk, commencing with No. 1, and every Camp shall select a name by which it shall be known (but no Camp shall call itself by the name of any living person).

INITIATION.

**53.** The initiation fee for charter members shall be determined by the Head Consul Commander, subject to the approval of the Executive Council, and no Deputy Consul shall increase or decrease the amount so determined.

**54.** Every charter applicant shall be balloted for by the charter applicants already accepted. If three or more black balls are cast against the applicant he shall be declared rejected; and the name, address and occupation of every applicant rejected by ballot must be reported to the Head Clerk by the Clerk of the Camp to which he applied. If no black balls, or less than three black balls, are cast, the applicant shall be declared accepted, and, if also accepted by the Head Physician on his medical examination, he shall upon payment of the initiation fee and such other fees or assessments as are hereinafter provided for, be entitled to be initiated.

**55.** The charter applicant must present himself for initiation within forty-five days next ensuing after his application has been accepted. In default of so doing he shall forfeit all fees paid by him, and shall not be entitled to be initiated unless his delay is excused by a vote of two-thirds of the members present at a regular meeting of the Camp, and unless he furnishes a new medical certificate.

**56.** If the charter applicant is rejected, the whole of his entrance fee, less the medical examiner's fee, shall be returned to him.

**57.** If a charter applicant is rejected, by the Head Physician, he may not again apply for membership in the Order until the expiration of one year thereafter. If the rejection of a charter applicant was upon a ballot (three or more black balls involving rejection) the rejected applicant may again apply for membership within three

months thereafter, but to the same Camp only. If a second time rejected on ballot, he shall not again apply for membership in the Order until after the expiration of two years from the date of his second rejection. Such third application must, unless dispensation is granted, be made to the same Camp.

**58.** (a) After the Charter has been issued, the provisions of By-laws Nos. 54 to 57, both inclusive, omitting the word "charter," shall regulate the admission of new members.

(b) The initiation of any female applicant shall be deemed complete upon receiving the obligation from the Consul Commander of the Camp to which she has applied within forty-five days after being accepted by the Head Physician, and upon signing a certificate that she was at the time of receiving the obligation in good health.

#### FRATERNAL MEMBERS.

**59.** Camps may admit members as fraternal members only to whom no Policy shall be issued, but a certificate of membership merely.

**60.** Fraternal members shall pay an entrance fee of two dollars, the same Camp dues as insured members and eight cents per month in advance as per capita tax.

**61.** A fraternal member may at any time after his examination has been approved by the Head Physician become a beneficiary member within forty-five days after such approval by paying the regular and emergency assessments, dues and per capita tax.

**62.** (a) The officers of a Camp shall be :

Consul Commander.

Adviser-Lieutenant.

Banker.

Escort.

Clerk.

Watchman.

Sentry.

Three Managers.

Delegate to Head Camp.

Alternate Delegate to Head Camp.

Past Consul Commander (who is not, except at the institution of a Camp, elected to that

(c) That any Camp or Circle may elect, in addition to the above-named officers, a secretary, whose duty shall be such part of the duties now performed by the Clerk other than the receiving of money, as the Camp or Circle by by-law or resolution may determine.

**63.** The Camp officers shall perform the same or similar duties in matters pertaining to the business of their Camps, as are provided for Head Camp officers in analogous cases, unless otherwise provided by the By-laws of the Subordinate Camp.

**64.** At the institution of every Camp, Camp officers as set out above, except the Physician, shall be elected and installed. They shall hold office only until the next annual meeting of the Camp, or until their successors are duly installed, but shall (with the exception of the Past Consul Commander) be eligible for re-election. If at any annual meeting of a Camp, the retiring Consul Commander shall be re-elected, the then incumbent of the office of Past Consul Commander shall hold that office until the next annual meeting.

**65.** (a) The first regular meeting of each Camp in December shall be called the annual meeting of the Camp.

No. 62 (except the Past Consul Commander, Past Guardian and Physician), (subject to the provisions of By-law No. 66 as to rotation of Managers), shall be nominated (by one member) and shall be elected (by a majority vote) at the annual meeting of the Camp, and shall when duly qualified and installed hold office for one year (except as to the Managers) or until their successors are qualified and installed.

**66.** At the first annual meeting of a Camp, a Board of Three Managers shall be elected by and from the members of the Camp for terms of office as follows:—The first one elected shall hold office for three years; the second one shall hold office for two years; the third one shall hold office for one year, and thereafter only one Manager shall be elected at each annual election, and for terms of three years.

**67.** No member shall be qualified for the office of regular or alternate delegate to the Head Camp unless he holds a Policy of Assurance in the Order, and unless he has previously served one term as Past Consul Commander, Consul Commander, Adviser-Lieutenant, Physician, Banker or Clerk, or unless he is at the time of election, an incumbent of one of such offices, or unless he has been an insured member of the Order for three years.

**68.** The officers-elect shall be installed at the first Camp meeting in the month of January by the Past Consul Commander, or in his absence by the officer or member then presiding over the Camp meeting.

**69.** The installing officer shall see that all officers present for installation are duly qualified to fill the duties of their respective offices.

**70.** If any officer-elect does not present himself for installation or does not qualify himself as directed by the By-laws, the installing officer shall declare the office vacant, and thereupon a new election shall be held at the close of the ceremony of installation, and the member or members then elected shall be installed at the next regular meeting of the Camp, if then present and qualified.

**71.** No member shall be installed in the office of Clerk or Banker until the Head Camp has procured, at the expense of the Subordinate Camp, a Bond from some Guar-

antee or Surety Company, which bond shall cover the funds of the Local Camp as well as the funds of the Head Camp, in such sum as the Executive Council may from time to time determine, conditioned for the faithful performance of the duties devolving upon such member in the office of Clerk or Banker. These bonds must be approved as sufficient by the Board of Head Managers and deposited with the Head Clerk.

**72.** If any office becomes vacant by the death or resignation of its incumbent, or from or by reason of any cause hereinafter provided for, a nomination and election shall be held to fill the office at the next regular meeting, or at a special meeting duly called for that purpose.

**73.** If any officer becomes suspended, he thereby forfeits his office, and the vacancy must be filled as hereinbefore provided.

**74.** Each Subordinate Camp of the Order may by resolution, duly carried by a majority vote at any regular meeting of the Camp, fix the amount of Camp dues to be paid by each member of the Camp. Such resolution may, within three months after the passing thereof, be reconsidered and rescinded or amended by a vote of two-thirds of the members of the Camp present at any regular meeting of the Camp, provided each member of the Camp has received notice of the intention to move a reconsideration. After the resolution has been in force for three months or after any amended resolution has been passed upon a reconsideration as aforesaid, the resolution, whether original or amended, shall not be reconsidered until it has been in force for at least three years.

**75.** Every Camp may fix, and shall pay, the compensation of its officers.

**76.** Camps shall meet at least monthly, at such time and place as the Camp may determine. Five members shall form a quorum.

**77.** Special meetings of the Camp may be called at any time by direction of the Consul Commander. The Clerk shall call a special meeting of the Camp whenever requested so to do in writing by three or more members. On his refusal, the requisitionists may themselves call the special meeting desired.

**78.** Three days' notice of special meetings (except for a funeral), shall be given in writing to each member of Camp. No business except that named in the notice shall be transacted at a special meeting.

**79.** Camps may provide and pass by-laws for their government and direction, provided such by-laws are not inconsistent with these by-laws or the Act of Incorporation. No such by-laws shall be valid unless and until approved by the Head Consul Commander, and duplicate copies of such by-laws, when finally passed by the Camp, shall be certified under the Camp seal and forwarded to the Head Clerk.

**80.** Any member in good standing and not under charges, shall be entitled to a withdrawal card from his Camp or the Head Camp, whichever he is a member of, upon payment of fifty cents.

**81.** Any member holding a withdrawal card, may, if he so desires, remit his assessments and per capita tax direct to the Head Clerk.

**82.** Any member holding a withdrawal card may join any Camp of the Order upon being accepted on a balance of the members.

#### FUNDS.

**83.** The assessment collected by the Clerk shall be by him from time to time paid to the Banker. On the first day of each month the Clerk shall procure from the Consul Commander and countersign an order on the Banker for an assessment for each member in good standing, and shall obtain the money from the Banker on such order and forward the same to the Head Clerk with a detailed statement on the prescribed form.

#### OFFENCES, ETC.

**84.** In By-laws Nos. 85 to 95, both inclusive, the words "Clerk," "Officers," "Consul Commander" and "Camp" shall include "Head Clerk," "Head Officers," "Head Consul Commander," and "Head Camp."

**85.** Any member in good standing may, by a statement in writing, prefer a charge against any member of his own or any other Camp, for non-observance of the laws, constitutions, by-laws or regulations of the Head Camp or of the Subordinate Camp of which the accused

is a member, or for any violation by the accused of his obligation, or for any breach of the moral law or the laws of the country, or for any act or course of conduct prejudicial to the welfare of the Order, or of any Camp thereof.

**86.** Such statements shall be forwarded to the Clerk of the Camp of the member against whom it is made, and the Clerk shall upon its receipt proceed as hereinafter directed.

**87.** If any member of the Order has any right of action or cause of complaint or ground of grievance against, or has suffered any wrong, or loss or damage because of the Order, or any of the Head Officers, or the Head Camp, or any members thereof, or any agent, organizer, deputy or canvasser employed by the Order, he may embody his complaint in a concise statement and forward the same to the Head Clerk, who shall upon its receipt proceed as hereinafter directed.

**88.** The officers of the Camp shall form a Board of Trial, the Consul Commander of the Camp acting as chairman (unless the accusation or complaint is against the Consul Commander, when the Adviser-Lieutenant shall be the chairman). No officer shall sit as a member of the Board of trial when he is a party to the proceedings.

**89.** The Clerk shall forward the statement mentioned in By-laws No. 85 to 87, both inclusive, to the Chairman of the Board of Trial. If the Board of Trial deem a trial necessary, they may fix the date, time and place of holding the trial. Both parties shall have ten days' notice of trial. A copy of the statement containing the complaint or charge shall be served on the accused or defendant with the notice of trial. Each party may attend with his witnesses and evidence, and the principles governing a Court of Justice shall guide the Court of Trial in the conduct of the trial and the admission of evidence. Each party may be represented by any member of the Order as counsel.

**90.** The Chairman of the Board of Trial shall, at the request of either party, issue his mandate to any member of the Order to appear at any trial, and if such mandate has been served on any member, accompanied by payment or tender of such a sum of money for travelling

expenses and witness fees, as would have been sufficient to compel the attendance of a witness served with a subpoena issued out of the High Court of Justice for Ontario, his refusal to attend on such mandate, unless excused by sickness or the pressing emergencies of his public or private business, shall be deemed a wilful violation of his obligation.

**91.** Five members of the Board of Trial shall constitute a quorum.

**92.** The Board of Trial shall pass judgment on the case and award the punishment or fix the penalty or assess the damages or costs, as the case may be. The damages assessed shall include compensation to the injured party and indemnity for any damages which may have been awarded against the Order in respect of the matters complained of. The judgment or finding shall be reduced into writing, and a copy served upon each party. The Chairman of the Board shall report the finding of the Board to the Camp, and to the Head Clerk. No award or judgment of expulsion shall be carried into effect, except by the Executive Council.

**93.** No judgment or finding of expulsion, or of any lesser penalty, shall effect the member's insurance, if he has complied with the requirements of the by-laws governing insurance.

**94.** Any person aggrieved by any finding of the Board of Trial may appeal therefrom, within two weeks after service of notice of decision on him to the Camp, and from a Subordinate Camp within two weeks after the decision of the Camp to the Executive Council, and from a decision of the Executive Council to the next ensuing meeting of the Head Camp. Appeals or grievances to be submitted to Head Camp shall not be heard unless the person appealing, or who is aggrieved, shall have filed with the Head Clerk a notice setting forth the particulars and grounds of his complaint at least one month before the meeting of Head Camp at which such matter is to be heard.

**95.** If any member, officer, servant or agent of the Order shall deem himself aggrieved or wronged by the decision, ruling, regulation, conduct, acts or defaults of,

or has any cause of complaint against the Order, its members or officers, or any or either of them, or against any Camp, he shall not apply to any Court or to any judge, justice or presiding or other officer thereof, for redress, until he shall have exhausted all the means of redress and appeal which by this constitution or by any by-law of the Order, or any Camp thereof, he is entitled to.

*By-Laws of the Canadian Order*

- II. Any member of the Order over 55 years of age entering this department shall pay such a rate of premium as may be fixed for his age by the Head Physician.
- III. A per capita tax of five cents shall be paid with every premium.
4. After the payment of the first premium one premium at the rate herein provided, shall, together with a per capita tax of five cents, be without notice or demand payable by every member on the first day of each month to the Clerk of his Camp or to the Head Clerk (if the member is a member at large), and if not paid within 30 days thereafter the member shall by reason of such default be suspended in this department.
5. Any member of this department who may (1) be suspended for non-payment either (a) of dues payable by him under the by-laws of his camp, or (b) assessments for the life insurance fund, or (c) of assessments for or contributions to any other fund of the Order, or (2) be suspended for any violation of the constitution, or (3) withdraw from the Order, or (4) be expelled from the Order, shall forfeit all his rights in this department, provided that in case a member is suspended for non-payment of premiums to this department he shall not thereby forfeit his rights in the Insurance Fund Benefits.
6. If any member enrolled in this Department should become or be engaged in any of the occupations mentioned in By-law 97 or any of the occupations classed by the Executive Council or Head Physician as prohibited, or should reside or travel for more than thirty days in any district or locality farther north than the 60th parallel of north latitude, or farther south than the 38th parallel of north latitude, without permission of the Head Consul Commander upon such terms as the Head Consul Commander and Head Physician in each individual case shall determine, his certificate shall ipso facto be null and void.
7. Whenever the number or amount of claims for Sick Benefits made in any territory, district or locality are, in the opinion of the Head Clerk (to be expressed in writing) excessive, the Head Consul Commander may discontinue in such territory the further enrollment of mem-

bers until such time as the Head Consul Commander or Executive Council may otherwise order.

8. The Head Consul Commander or Executive Council may at any time cancel any certificate granted in this Department. Immediately after such cancellation notice shall be sent to the person to whom such certificate was issued and to the Clerk of the Camp of which he was a member, except in the case of a member at large.

9. Every Camp shall forthwith after the passing of this By-law, and thereafter at every annual election of officers, appoint a committee of three members (who shall hold office until the next election of officers) to be called the Committee on Sick Claims, which Committee hereinafter in these rules is called the Committee. The Committee shall meet as soon as possible after their appointment and shall elect a chairman. Two members of the Committee shall constitute a quorum.

10. A member shall during the first week of sickness notify in writing the Clerk of his Camp or the Clerk of the Camp in whose jurisdiction he has been taken sick and also send a written notice to the Head Clerk stating, as fully as possible, the cause or causes of such sickness and the nature thereof. The notice to the Clerk shall forthwith by him be forwarded to the Committee. Any member failing to give such notice shall only be entitled to benefits from the date on which he gives notice. A notice sent by mail will date from the time of the mailing of such notice, the post mark on the envelope being evidence thereof.

11. When a member is ill he shall allow his case to be investigated by the Committee, and the Committee shall make a report to the Head Clerk. If the Committee should neglect or refuse to act or report, or if the claim should not be in the jurisdiction of any Camp the claimant shall forward to the Head Clerk a report on his case by a duly qualified physician.

12. No claim for benefits shall be paid unless the following conditions precedent have been observed, namely (a) unless a claim has been made on the forms, and containing the information and evidence prescribed

*By-Laws of the Canadian Order*

by the Head Consul Commander, Head Clerk and Head Physician, and (b) unless the claim so evidenced shall be filed by the claimant with the Head Clerk within thirty days from the time of recovery of the member.

13. The Head Clerk upon receipt of a claim shall refer same to the Head Physician, who shall investigate and shall report a finding to and make a recommendation to the Head Consul Commander, whereupon the Head Consul Commander may approve or disallow the claim in whole, or in part, as he may deem just and equitable.

14. An applicant need not sign the usual forms personally, where a duly qualified physician certifies that the claimant is unable to do so. In such cases the signature of the Consul Commander or Physician will suffice.

15. Any member who from sickness is totally disabled and rendered absolutely incapable of following his usual vocation or directing his usual employment, labor, trade, occupation, business or profession, and who has complied with rules 10, 11 and 12, shall be entitled, if in good standing in the Order and the Sick and Funeral Benefit Department at the time such sickness commenced, to sick benefits at the rate of \$3.00 per week for two weeks (a week to consist of seven days) and the sum of \$5.00 per week for each week thereafter for a period not exceeding ten weeks during any one year, unless otherwise directed by the Executive Council, provided that no one shall be entitled to benefits on account of sickness directly or indirectly caused by (a) intemperance, or (b) foolhardy, vicious, immoral or unlawful conduct, or (c) fighting or scuffling, or (d) unnecessary exposure to danger, or (e) war or riot, or (f) voluntary inhalation of any form of gas or gases, or (g) injuries received or inflicted while under the influence of intoxicating drinks or narcotics, or (h) as a consequence of any violation of the laws of the land or By-laws of the Order, and provided also that no one shall be entitled to benefits who is engaged either permanently or temporarily in (i) mining or submarine operations, or (j) active military or naval service, or (k) unnecessary hazardous adventures, or (l) in any occupation referred to in Rule No. 6, or (m) ballooning, (n) cartridge mak-

ing, or (o) the manufacture of gun powder, and provided also that no one shall be entitled to benefits (p) for the recurrence of any sickness of a recurring nature from which the member has been suffering prior to his being enrolled in this department which has not been mentioned in the application for membership, or (q) for any sickness the result of a diseased condition existing at the time of admission to membership or at the time of reinstatement where a member has been suspended, and provided also that no one shall be entitled to benefits who is at the time the sickness commenced (in respect of which he claims benefits for resultant disability) residing in any locality, residence in which is prohibited by Rule No. 6. Double the benefits may be granted to any member for such diseases as may be specified from time to time by the Head Physician upon payment of double the rates and Per Capita tax for Sick and Funeral Benefits to be known as the "Double Liability Class."

16. A member shall pay all premiums, assessments, dues, taxes or other payments due to the Order, and there shall be no counter claim or set off between such premiums, assessments, dues, taxes, or other payments and the benefit claim.

17. The Head Physician shall have power to approve of any application in this Department, conditionally upon the applicant signing a waiver relieving the Order from all liability arising from such disease or diseases as the Head Physician shall stipulate.

18. False statements or feigned sickness or concealment of facts shall constitute a fraud and shall be sufficient grounds to refuse payment of a claim or cancel a certificate.

19. A member whose application for enrollment in this department is rejected shall not again apply for a period of six months.

20. If the member is insane or is otherwise mentally incapacitated, the benefit as it accrues and becomes due shall be paid (1) to his wife or mother or father or other person caring or providing for the member, as may be determined by the Head Consul Commander. (2) In the

event of there being no wife, mother or father or other person caring and providing for the member, to the Committee or conservator of the estate or other person authorized by law to act in such cases. (3) In the event of there being neither committee or conservator, nor other person as aforesaid, nor any wife, mother or father, or other person or persons caring and providing for the member, to the beneficiary named in his benefit certificate. If the member dies before the benefit is paid it shall be paid to his wife or mother or father or his beneficiary or his personal representatives as the H. C. C. or Executive Council may determine.

21. If sickness is of four weeks' duration or longer, the claim may be submitted at the end of every period of four weeks; if not of four weeks' duration, at the close of such sickness.

22. No benefits shall be paid for less than seven days' sickness. After seven days' sickness the member shall be paid for the actual number of days sick, the day of declaring on to be counted in, but not the day of declaring off.

23. No benefits shall be paid while a member is under suspension or on account of any sickness commencing within one month after the issue of a certificate and for a like period after reinstatement.

24. Claims may be made weekly in the discretion of Head Consul Commander at the request of a Camp, in case of necessity, without submitting the usual evidence with the exception of the first and final claims.

25. If a member who has given notice of sickness shall so act as to retard his recovery, he shall forfeit all rights to benefits.

26. No benefits shall be paid except for a continued sickness and only during the period while the claimant is under the proper care and supervision of a duly qualified physician.

27. Members who habitually frequent gambling houses, saloons or other questionable places, or frequently become intoxicated, shall not be entitled to benefits for any illness.

28. Whenever in the opinion of the Executive Council

funds to the credit of this Department will warrant the payment of extra benefits, the Executive Council, upon the recommendation of the Head Consul Commander, may in their discretion, grant to a deserving member suffering from a protracted illness an extra benefit of \$2.50 per week (\$5.00 per week if in the Double Liability Class) for any period not exceeding 12 weeks additional to the time mentioned above. The Executive Council shall be the sole judges of the propriety of allowing claims for extra benefits.

29. Any member entitled to Sick Benefits following any employment, or misconducting himself so as to prevent the recovery of his health, shall forfeit all claims on this Department.

30. If a member becomes an inmate of a lunatic asylum or workhouse or house of refuge, no Sick Benefits shall be allowed unless he has a wife and children or some other person depending upon him for support, when the amount due shall be paid for their relief and maintenance.

31. The Order will contribute a sum of \$50 (or \$100 if in the Double Liability Class) towards the funeral expenses of any member enrolled in this Department, this sum to be paid to such person and upon such evidence as the Head Clerk or Board of Head Managers may in each case determine.

32. A member may retire from this division at any time and still retain his membership in the Order by giving notice to the Clerk of his Camp and the Head Clerk.

33. Subordinate Camps are hereby authorized to pass by-laws providing for medical attendance at the expense of the Camp for members who are sick and disabled.

**114.** The policy to be issued upon an application for increased insurance shall be for the increased amount only.

**115.** (a) Every member, before receiving his policy, shall pay to the Clerk of the Camp of which he is a member, within thirty days after he is initiated, one assessment (at the rate as hereinbefore fixed) and per capita tax. Each insured member shall pay as hereinafter provided, all such further, extra or special assessments which he may at any time be called upon to pay under any By-law.

(b) Where any member of the Order, through illness, is unable to pay his assessments, dues or per capita tax, the Camp of which he is a member may pay the same until he is recovered.

**117.** If and whenever it shall be the duty of the Executive Council under the By-law No. 127 to make special assessments upon the members, a resolution shall be passed by the Executive Council declaring that a special assessment or special assessments is or are made, and instructing the Head Clerk to notify the Clerk of each Camp of such call or levy, and thereupon each Clerk shall send a notice in writing to each member of his Camp requiring him to pay an extra assessment or assessments, as the case may be, on a date to be stated in and by the notice, and thereupon the amount required to be paid by such notice shall be and become on such date due and payable, and any member who does not within the thirty days next after such due date pay the amount required by such notice according to the tenor thereof, shall become by such non-payment suspended, but may reinstate himself in the manner and within the time prescribed and limited by By-law No. 119.

(b) If any suspended member fails to reinstate himself within the sixty days prescribed by sub-section (a) of this By-law he shall not thereafter be able to reinstate himself except by an application made within six months from the date of his suspension, which application shall not be granted unless the following conditions precedent are fulfilled, namely:—(1) the applicant for reinstatement must be in good health; (2) he must procure from the Camp Physician a certificate of his good health and obtain the approval of the Head Physician of this certificate; (3) he must pay to the Clerk of his Camp all arrears of dues, per capita tax and assessments, and pay to him also the current dues, per capita tax and assessment; (4) he must obtain from his camp by a majority vote at any regular meeting (after due notice of his intention to move for such consent) a formal consent by resolution to his reinstatement, and (5) he must file with the Head Physician (a) the certificate of the Camp Physician as to the good health of the applicant, (b) a receipt from the Clerk of the Camp showing the payment of all arrears as hereinbefore provided, and (c) a certificate from the Clerk of the Camp, under the seal of the Camp, of the consent of the Camp to the reinstatement.

**124.** (a) The Head Consul Commander may at any time within one year from the date of any policy, by writing under his hand and the seal of the Order, cancel the same for non-compliance by the holder thereof with any of the by-laws, rules and regulations relating to membership or the conditions of membership. Immediately after such cancellation notice shall be sent to the person who was assured by such policy, and except in the case of a member at large, the Clerk of the Camp of which he was a member.

(b) The Head Consul Commander may at any time, whether before or after the said period of one year, by writing under his hand and the seal of the Order, certify

that any policy has become void by reason of any act or acts of avoidance, but such certificate shall be declaratory only, and shall not be necessary to complete the avoidance of any such policy.

**125.** If at the time of his death any member is in good standing and has been in good standing for at least one year from the date of his policy, and if no charge is pending against such member of violation of any of the By-laws of the Order, the policy issued to such member shall be incontestable. But this provision shall not apply to any policy which has been avoided by any act or acts of avoidance.

**126.** (a) On the death of a member, the persons claiming under his policy shall present such proof of age and death and identity and interest as the Executive Council may from time to time prescribe.

(b) Any member making such proof of his age as may be satisfactory to the Head Managers, shall receive from the Head Clerk, countersigned by the Head Consul Commander, a certificate under the Head Camp seal, admitting his age, which certificate shall be received as proof of his age.

**127.** When the death and age and good standing of a member holding a policy and the identity and interest of the beneficiary has been proved to the satisfaction of the Head Managers and the Head Consul Commander, the claim of the beneficiary, legally entitled under the policy, shall, if the claim is unopposed and the claimant is able to give a legal release of the Order, be forthwith paid out of the Insurance Fund, if the same be sufficient for the purpose, and if not, the claim or such part thereof as has not been met out of the Insurance Fund, shall be paid out of the Emergency Fund, if the same be sufficient for the purpose. If the amount of the Emergency Fund is insufficient to pay the claim in full, the Executive Council shall make such calls upon the members of the Order as may be sufficient to produce the amount payable.
